Dear John,

AH & GLCC, LLC is submitting the enclosed letter for our type 90 liquor license application. We are submitting as a new application while retaining our existing type 47 liquor license under a premises reduction of our restaurant, known as Fifth Arrow. Hours of operation are 6am-2am daily. The application was filed with the California Department of Alcoholic Beverage Control in April of 2024 and all noticing requirements were sent on May 6, 2024.

August Hall & Fifth Arrow, located at 420/430 Mason St in downtown San Francisco, is a truly unique project. The building, owned by the Native Sons of the Golden West, was rebuilt in 1911 after the tragic 1906 earthquake and subsequent fire that devastated much of San Francisco. Once rebuilt, the ground floor venue housed various theater brands including the Stage Door Theater, the Regency III, and a nightclub called Ruby Skye. Below the theater space at 430 Mason St was a well-known speakeasy in the 1930's called Café Dans that was only accessible by a street level slide.

In 2015, the same team preparing this letter planned the renovation of both 420 and 430 Mason St with a bold concept in mind – a state of the art concert & events venue along with a gaming parlor, restaurant, and bar with a full kitchen and 3 bowling lanes. Considering the building is over 100 years old, it required a complete rehabilitation of the infrastructure including electrical, plumbing, hvac, not to mention the design, bowling lanes, ADA compliance, sound, and lighting system we put in place. We opened on May 5, 2018 and in our first year in operation, the venue won the SF Weekly award for best new venue.

As Bay Area Natives, the ownership group takes pride in serving the local clientele and providing enjoyment to those who visit the Bay Area. 420/430 Mason St has been a music venue and gathering space for over 100 years, serves a clear need in the neighborhood, and is an important component of the revitalization of downtown San Francisco which is still recovering from the covid 19 pandemic. We hope that this letter satisfies your request of how this license will serve the public convenience or necessity in the neighborhood and city-wide.

If you have any questions, please do not hesitate to contact us. Thank you for your time and consideration.

Sincerely,

Scott Murphy
