Including Civic Activities:

The Outer Mission Merchants and Residents was formed in early 1998. A group of neighbors in the Crocker Amazon, Excelsior, and Outer Mission District were concerned about a low income housing project slated or rumored to be under construction at 5199 Mission Street. After several meetings at the Italian-American Social Club, a group of us got together to talk and brainstorm this issue. Keep in mind that the Geneva Towers, a multiple story low income housing complex, riddled with crime, drug dealing, the hatred of police at the facility, was doomed to be torn down in 1999. Concerned neighbors thought that the Mission Street site would replace the Geneva Towers.

I was a co-founder and became President of the Outer Mission Residents Association. At one point, OMRA now the Outer Mission Merchants and Residents Association (OMMRA), boasted a membership of over 1,000 members dealing with blight, trash, neglect of our parks, including Crocker Amazon Park and smaller parks, such as Alice Chalmers Playground, in the district, lack of City Hall services, lack of attention of the San Francisco Unified School District, BART, MUNI, and other City and County Agencies.

In the fourteen years+ of its existence, OMMRA has made a mark in City Government and City Agencies. Steven Currier, as its President, represented OMMRA at many, many meetings, hearings, Board of Supervisors meetings along with various committee meetings. Steven represented OMMRA on the District 11 Underground Utilities Task Force, San Francisco Police Department's Budget Process on three occasions, served as an Ambassador and liaison to the SFPD and the Citizens of San Francisco at officer's funerals, dedications, and memorial services such as the Annual Memorial Day Celebrations at the Presidio.

OMMRA and Steven Currier was the founder and first Chair of the Crocker Amazon Park Advisory Group (CAPAG) now the Crocker Amazon Park Advisory Committee. Our first task, at the direction of then Mayor Willie L. Brown and interim Rec and Park General Manager Elizabeth Goldstein, was to do an assessment of Crocker Amazon Park

from top to bottom. The assessment included the five baseball/softball fields, the basketball courts, tennis courts, the two playgrounds, the soccer fields, the bocce ball courts and club, the clubhouse, including its activities with tiny tots, and neighborhood meetings. One of the first items we pursued was to rehabilitate the baseball fields. We contacted the San Francisco Giants Foundation and they stepped up to the plate to rehab three of the fields and donated and installed a scoreboard through their foundation. Second, we contacted the 49ers Foundation and they donated the football field along with a new scoreboard paid for by that foundation. Unfortunately, that winter a storm came in and blew the scoreboard down and Rec and Park has failed to repair that item. That was circa 2005. CAPAG along with OMMRA lobbied Rec and Park at its committee and commission meetings for San Francisco's first skateboard facility. The Commission overwhelmingly approved this facility in circa 2004. After the Rec and Park bond was approved back in 2000, monies were set aside for park renovations and Crocker Amazon Park through CAPAG, OMMRA, and the community received the first new playground facility at the corner of Geneva Avenue and Moscow. It was a community driven project now affectionately called the "Purple Playground." There were also monies set aside to start renovating soccer fields across San Francisco. The Fisher Family along with City Fields were approached by CAPAG and OMMRA to renovate the Crocker Amazon soccer fields. After several presentations to City Fields, the Fisher Family, SF Arts Commission, and Rec and Park Commission, Crocker Amazon Park was awarded the third soccer field renovated in San Francisco. The soccer fields at Crocker Amazon Park is one of the busiest fields in San Francisco. Other projects included the dog park above the baseball fields, monthly work programs, cleaning and greening, and lobbying for the good of the park.

Recently, after a Rec and Park official found the Assessment, on her desk, that CAPAG and OMMRA prepared and sent to Rec and Park in 1999, this person was very interested in this project. The Bocce Ball court and clubhouse was renovated and dedicated under then interim Mayor Edwin M. Lee in 2011.

Other parks that either Steven Currier, CAPAG, OMMRA, and the community have worked on and taken care of are Alice Chalmers Playground, Excelsior Playground, McLaren Park, Claire Shea Park (DPW) Naples and Curtis Streets, Naples Green (DPW) Naples Street and Geneva Avenue, the greening of Guadalupe Elementary School, the saving (not demolishing) the Geneva Car Barn and Powerhouse now under the tutelage of Rec and Park, greening the medians on Geneva Avenue and Alemany Boulevard, the Geneva Community Gardens and others.

Steven was tapped by then Assemblymember Leland Y. Yee as a Delegate to the Democratic State Convention and then by Assemblymember Fiona Ma. Steven was also honored as Assembly District 12's Veteran of the year in 2010 by Assemblymember Ma and honored by Speaker John Perez.

After 15 years, Steven Currier stepped down to give others the opportunity to serve and make a mark in this great District 11 Community.

Business and/or professional experience:

Steven Currier is a graduate of Oklahoma City University with a Bachelor of Arts degree in voice 1981. He moved to San in 1983 and was a law office administrator managing five bay area law offices for one firm. He was also a litigator and retired in 1992. He continues to sing for various churches and choirs.

Alisa Somera:

On behalf of the Outer Mission Merchants and Residents Association (OMMRA), a long-standing neighborhood association in District 11, please accept this letter in support of the appointment of Steven R. Currier to represent District 11 on the Park and Recreation Open Space Advisory Committee (PROSAC).

Mr. Currier has been an active resident of the District 11 community, including being a founding member of the Outer Mission Merchants and Residents Association, a delegate to District 11 Council, an active member of the District 11 Democratic Club, and has worked closely with the San Francisco Police Department including being a member of the Community Police Advisory Board (CPAB) for Ingleside Station.

Mr. Currier's appointment to the Park and Recreation Open Space Advisory Committee comes at a critical time as there are a number of Recreation and Park projects in District 11 that are currently underway and others that soon will be under construction. Steven's ability working with a variety of city agencies and also having the institutional knowledge of parks and open spaces in District 11 will be an asset to the Park and Recreation Open Space Advisory Committee (PROSAC).

As President of OMMRA I strongly encourage members of the Rules Committee to appoint Mr. Currier to the District 11 seat of the Park and Recreation Open Space Advisory Committee.
