RE: San Francisco Energy Watch Incentive Budget Increase for 2010-2012 Program Cycle

Dear Ms. Nutter,

Pacific Gas and Electric Company (PG&E) intends to provide the San Francisco Department of Environment (SFDoe) up to **\$2,977,000** in additional incentive funding to continue to implement the San Francisco Energy Watch (SFEW) Local Government Partnership Program through the end of 2012. SFDoe has maximized its current budget of \$17.12 million.

This additional incentive funding will only be used for energy efficiency projects with small business, commercial and multifamily customers that are identified on the SFEW Project Status List provided to PG&E by SFDoe on 9/24/12. This Project Status List includes active applications submitted to SFDoe for projects scheduled to be completed this year. These projects will be closely monitored and managed with sufficient controls put in place to ensure the program stays within the new expanded budget.

Sincerely,

Larry Goldstein
