Profile

I help leaders figure out why implementing a new strategy seems to be such a heavy lift, and develop an actionable roadmap to success. I partner with business owners to design innovative strategies to build capacity in a particular process or area. And I work with organizations to craft and build-out executive level programs which exceed expectations.

Experience

PRINCIPAL, SYNCOPATION ADVISORY GROUP, SAN FRANCISCO, CA 2008-PRESENT

In a fast paced culture with a steady stream of new platforms and tools, the bottom line impact for an organization maintaining a laser like focus on the needs of its customer should not be underestimated. Successful businesses find ways to stay in ongoing dialogue with customers, while building the internal capacity for flawless execution. Reaching these goals is part art, and part science.

As Principal of Syncopation Advisory Group, I help leaders address challenges to growth by creating a clear integrated picture of the current environment and opportunities, and identify the space and requirements to innovate and transform relationships, services and products.

Practice areas include: Strategy optimization; change management; process design and improvement; post-merger integration; and executive program management.

SELECT CLIENT SUCCESSES:

- Fast growth - Tech - Partnered with VC backed Silicon Valley Start-up Client to re-engineer a mission critical process impacting scalability. Identified opportunities to improve quality and customer alignment from sales through product delivery. Developed a framework and innovative strategies that addressed branding, on-boarding, roles and responsibilities, systems, and workflow - all implemented with immediate positive results.
- High performance - Tech - Engaged by Fortune 50 Client to turnaround development efforts for a leadership program impacting 135 S/VP's. Established a Program Management Office, integrating activities of a multidisciplinary team including Instructional Design, Engineering, and Talent Management. Tailored communications for senior leaders to ensure successful messaging. Delivered a top rated program leading to improved new business identification and better customer and talent alignment.
- Transformation - Edu/Not for Profit - Asked by a leading Graduate School of Business to help improve the capacity of a workgroup responsible for student facing products and services. Assessed stakeholders and developed recommendations impacting the entire organization at all levels. Led implementation and change management activities, resulting in: organization alignment of talent, roles and responsibilities; seamless on-boarding; enhanced program management; and improved team morale. Supported innovation by facilitating design sessions and Agile Salesforce CRM implementation.
- Innovation - Post-merger acquisition integration - Fortune 50 Tech Client- led global, cross functional team to design and implement strategies to transition customers in deals representing over \$4 billion in bookings. Documented new AI workflows for cross deal adoption. Business lead for Corporate Development Salesforce implementation.

DIRECTOR, SUN MICROSYSTEMS, INC., PALO ALTO, CA 1997-2004

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

As a multicultural woman of color born and raised in San Francisco, having lived in 5 (five) of the Districts, I have a unique and wide understanding in the ways recent, unprecedented changes (social and political) have affected communities across the City.

Business and/or professional experience:

I currently work in District 9 (nine) organizing and advocating with low-income tenants of single-room occupancy hotels. Beyond organizing aspects of this work also include participating in city-wide coalitions and working closely with city departments (DBI and DPH), along with district supervisors to ensure community voices are heard

Civic Activities: especially when considering land-use policies.

Part of my professional responsibilities include ensuring that community members are informed on new/changing policies and how to use their power to make positive systemic changes for their people. On a weekly basis I conduct outreach to inform and educate tenants which results in attending city hall as often as possible to conduct
