11 circumstances, and no new information of substantial importance that would change the
12 conclusions set forth in the exemption determination by the Planning Department that the
13 proposed project is exempt from environmental review; and, be it

14 FURTHER MOVED, That after carefully considering the appeal of the exemption
15 determination, including the written information submitted to the Board of Supervisors and the
16 public testimony presented to the Board of Supervisors at the hearing on the exemption
17 determination, this Board concludes that the project is consistent with the development
