Re: Resolution approving and authorizing a long term ground lease of 1180 4<sup>th</sup> Street to Mercy Housing California XLIV, a California limited partnership and making findings that the lease is in conformance with CEQA, the City's General Plan, and the priority policies of Planning Code Section 101.1

Thank you for agreeing to introduce a resolution regarding a long-term ground lease for 1180 4<sup>th</sup> Street, an affordable housing development sponsored by Mercy Housing California. The resolution would authorize Olson Lee, as Director of this office, working with the Acting Director of Real Estate to enter into a lease for an initial period of 75 years with one optional 24-year extension.

The proposed project is the new construction of 150 affordable family units (including 1 manager's unit), with 25 of the units targeted to formerly homeless families. For the term of the lease, eligible residents must have incomes no higher than 50% of the Area Median Income (as determined by the U. S. Department of Housing and Urban Development and as calculated by MOH).

In order to meet a deadline for issuing the bond financing, the resolution must be introduced at the Board no later than **May 22, 2012**, and be considered by the City's Land Use Committee no later than **June 4, 2012**, and by the full Board by **June 5, 2012**. We would appreciate any assistance you can provide to help meet this schedule so that project financing can be closed and construction can start before the end of June.

The attached resolution has been reviewed and approved by the Acting Director of Real Estate and Deputy City Attorney Evan Gross.

If you have any questions about the resolution or the project please contact Joan McNamara at 701-5532.

Thank you.
