Balboa Park Station Community Advisory Committee

Henry C. Kevane – Attachment

August 22, 2012

1. Qualifications. I am applying for appointment to the *Balboa Park Station Community Advisory Committee*, either on behalf of (a) community and economic development in the adjacent neighborhoods (seat 6), or (b) neighborhood residents' interests (seat 9). I have been a resident of Westwood Park for the past 24 years and have been an active participant with the Ocean Avenue Revitalization Collaborative (OARC) for the past 7 years. Currently, I am a member of the Board of Directors, and the Treasurer, of the Ocean Avenue Association, a community benefit district for the Ocean Avenue corridor formed in December 2010. My son is currently a sophomore at Lick-Wilmerding High School (adjacent to Balboa Park Station) and I would like to work with the school to integrate the Advisory Committee's efforts with the school's extensive community service. I am a firm believer in voluntarism and community service. I am especially supportive of the new Ingleside Branch of the SFPL and hope that we can keep it as a community centerpiece for many years to come.

2. Education. I am a graduate of Brown University (A.B., *Magna Cum Laude*, 1982) and Southwestern Law School (J.D., *Magna Cum Laude*, 1986), where I was Editor-in-Chief of the Southwestern University Law Review.

3. Professional Experience. I am an attorney specializing in insolvency matters. I have represented both debtors and creditors, from a wide variety of industries, in major bankruptcy matters nationwide for the past twenty-five years. I have written and lectured extensively on numerous corporate, bankruptcy, intellectual property and municipal restructuring topics. I am a past chair of two committees of the State Bar of California, the Insolvency Law Committee of the Business Law Section (1995-1999) and the Committee on Federal Courts (1996-2001). Currently, I am the Vice Chair of the Individual Chapter 11 Subcommittee of the Business Bankruptcy Committee of the American Bar Association. In December 2011, I was selected by the *Los Angeles Daily Journal* as one of the Top 25 Municipal Lawyers of California.

4. Civic Activities. As noted above, I am currently a member of the Board of Directors of the Ocean Avenue Association.

Hello,

Please be advised that the Rules Committee will hear applicants and then continue the item to the next meeting on October 18th to hear the balance of the applicants. Those who testify tomorrow will not have to return on October 18, or they can wait until October 18th.

Also, we have on file the application for David Mauroff; however, we have not located applications for Henry Kevane and Nicole Agbayani. Please reapply at this time, and we apologize for any inconvenience.

Thank you,

Derek K. Evans

The Committee Members will meet to consider your appointment to the Balboa Park Station Community Advisory Committee.

There are no set instructions on what you are expected to tell the Rules Committee. However, a brief description of your qualifications, reasons for interest in the subject, or a short discussion of why you feel you would make a good candidate is appropriate.

Please respond before Tuesday, October 2, 2012 whether or not you will be able to attend this meeting.

Attachment, Balboa Park Station Community Advisory Committee

Rita Evans, applying for Seat 2, 3 or 9

As a concerned citizen and Sunnyside Neighborhood Association (SNA) representative, I began attending Balboa Park Station Area meetings in 2006. In 2007 I wrote and submitted SNA's response to the Balboa Park Station Area Plan Draft EIR, noting in particular no mitigation for problems related to traffic and parking. I have continued to attend meetings and provide input on the Balboa Park Station plan and related projects such as the Phelan Loop and Avalon developments.

I have worked at the Institute of Transportation Studies at the University of California, Berkeley, since 2001. I manage one of the largest collections of transportation information in the U.S. and routinely provide access to technical information to transportation agencies in the Bay Area. I have expertise in information resources for public transportation, pedestrians, bicyclists, land use, complete streets, and transit oriented development.

I commute to the East Bay daily on BART. I often walk in Sunnyside and the surrounding neighborhoods.

I have lived in Sunnyside since 1987. I have been active in the SNA, serving over the years as Acting President, Vice President and most recently as Secretary. I've edited SNA's newsletter for two decades. I've also chaired and served on several committees.

I'd welcome the opportunity to use my familiarity with the Balboa Park Station plan, my transportation expertise, and my experience as a public transit rider and pedestrian as a member of the Community Advisory Committee.

Diversity Statement
City and County of San Francisco
Application to Balboa Park Station CAC
July 18, 2012

I was born in San Francisco to the mother of a single parent family. I am an African American male who identifies as a gay male. I served in a number of community organizations growing up as a teenager, working on issues that affected a number of at risk communities. I have been a public servant for much of my life.

My work experience has been in a number of different public realms, where I have had interactions with the Mayor of Los Angeles, members of the elected Los Angeles County Board of Supervisors, executives within the transit authority, as well as the disenfranchised bus riders that ride the system. Not only am I an employee of many of my past employers, I have also been a consumer or recipient of many of their services. I ride MUNI, BART, SamTrans, Caltrain, VTA, you name it. I also own a bike and I often walk to work, especially when a bus is more than a 10 minute expected wait. That helps me to understand that any changes to the Balboa Park Station area, the highest ridership destination for public transit outside San Francisco, will impact different people from various cultural, socioeconomic, ethnic and religious backgrounds. As members of the CAC, it is important that aesthetics, access/egress, and efficient design are also coupled with the cultural or artistic aspects of the station when ideas are introduced, analyzed, proposed and finalized. I am committed to serving all riders, neighbors and stakeholders from all different backgrounds and learning what their needs are in order to design a successful project.

Authority:

Resolution No. 63-12

Board Qualifications:

The CAC shall have a minimum of five voting members and no more than nine, representing diverse capacities and backgrounds, who also have a stake in the neighborhoods served by Balboa Park Station. The seats to be filled shall represent the following stakeholder groups: 1) Muni rider interests; 2) BART rider interests; 3) pedestrian and bicycle interests; 4) students, faculty and staff (particularly from City College or other area schools; 5) senior/disabled community; 6) community and economic development; 7) land use and housing; 8) youth and families; and 9) neighborhood resident interests.

The Board of Supervisors established the Balboa Park Community Advisory Committee (CAC) for the purpose of providing input and community oversight on the prioritization and implementation of transportation and other public improvements; relaying information to community stakeholders; and serving as a forum for coordination, information-sharing, and collaboration between community, transportation agencies, and developers.

That CAC meetings shall be held at the minimum of once every quarter, and the CAC meetings shall be open to the public, providing opportunities for the community to receive station-related information and reports. Public postings and announcements shall be used to raise awareness regarding the meetings.

Sunset Date: The CAC shall sunset two years after the date of the first meeting, unless the Board of Supervisors, by resolution extends its term, based on community need and progress on projects.
