When you are connected, you will receive another prompt, dial \* 3 to be added to the queue to speak. Clerk Calvillo then informed the Board that an Americans with Disabilities Act (ADA) request for accommodations was received to allow a member of the public to provide public comment at the beginning of the meeting. President Yee requested the member of the public be provided the opportunity to deliver their public comment out of order.

Other businesses that were proposed to reopen are currently being evaluated, while other businesses and activities that are currently allowed may continue to operate. Feedback from labor industries and merchant associations are being collected to ensure workers are being protected. During outreach, the Task Force has received almost 1,200 emails and survey responses, and convened more than 40 meetings. The next Task Force meeting will occur in August 2020.
