July 28, 2020

Dear Members of the Board of Supervisors:

Thank you for considering this Proclamation of Disability Pride on the 30<sup>th</sup> Anniversary of the American's with Disabilities Act. As so many San Francisco residents with disabilities find ourselves sheltering and learning new ways to navigate our community and our world, and in so doing often struggling to feel seen, today's recognition is especially important. As the Director of the Mayor's Office on Disability, I particularly appreciate the importance of not only recognizing how far we've come, but also acknowledging that we have a lot more to do together, especially in the areas of housing, employment, communication access and diverse representation, before we can say that we have achieved equity for all people with disabilities in San Francisco. As a resident of San Francisco, I am proud to be disabled, and proud to be part of this collaboration and celebration. Through this proclamation you make all residents with disabilities visible. Thank you.

Nicole Bohn  
Director  
Mayor's Office on Disability
