**Second Amendment to the
Landfill Disposal Agreement between
The City and County of San Francisco and
Recology San Francisco**

THIS SECOND AMENDMENT (“Amendment”) of the **Landfill Disposal Agreement** is made as of [REDACTED], in San Francisco, California, by and between **Recology San Francisco** (“Contractor”), and the City and County of San Francisco, a municipal corporation (“City”), acting by and through its Director of the Environment Department. (Contractor and City together shall be referred to as “Parties.”)

Recitals

WHEREAS, the Parties entered into the Landfill Disposal Agreement on July 22, 2015; and

WHEREAS, the Parties amended the Landfill Disposal Agreement through a First Amendment dated May 1, 2016 (the Landfill Disposal Agreement as modified through the First Amendment shall be referred to herein as “Agreement”);

WHEREAS, the Agreement has a term limit of 9 years or 3.4 million tons of solid waste disposed, whichever comes first, and the disposal of solid waste under the Agreement began on January 15, 2016; and

WHEREAS, the Agreement term of 9 years will expire on July 21, 2024, and the Parties estimate that the maximum solid waste disposal amount of 3.4 million tons will not yet have been reached by that date; and

WHEREAS, the Parties desire to modify the Agreement on the terms and conditions set forth herein to extend the term of the Agreement, consistent with the option language in the Agreement, and to update standard contract terms; and

WHEREAS, Contractor was competitively selected pursuant to a Request for Proposals (RFP) entitled “Request for Proposals for Landfill Disposal Capacity,” issued on February 9, 2009, and this Amendment is consistent with the terms of that RFP; and

WHEREAS, the City’s Board of Supervisors adopted a Resolution on July 26, 2011, that approved under Charter Section 9.118(b) an earlier version of the Agreement, which was subsequently terminated in 2012, and the Board of Supervisors adopted Ordinance No. 8-14 on February 4, 2014, finding, among other things, that the competitive selection process that

resulted in the selection of Recology for the Agreement satisfied City competitive solicitation requirements;

WHEREAS, this Amendment is consistent with an approval obtained from the City’s Board of Supervisors under [insert resolution number] approved on [insert date of Board action] for the extension of the term of the Agreement, pursuant to the option specified in Section 2.2 of the Agreement; and

Now, THEREFORE, the parties agree as follows:

Article 2 Modifications of Scope to the Agreement

The Agreement is hereby modified as follows:

2.1 **Term of the Agreement.** Section 2.2 of the Agreement currently reads as follows:

The Contractor hereby agrees to provide the City the right to deposit for Disposal, in a lawful manner, from and after the Commencement Date, at the Landfill, all Solid Waste collected in San Francisco by Permitted Haulers or self-haulers, for a period of nine (9) years from the Effective Date of this Agreement, as defined in Section 2.3, or until 3.4 million tons of Solid Waste have been deposited under this Agreement, whichever comes first. The City shall have one (1) option to renew the Agreement for a period of six (6) years, or until an additional 1.6 million tons of Solid Waste have been deposited under this Agreement, whichever comes first.

The City may extend the Agreement beyond the expiration date by exercising the option at the City's sole and absolute discretion and by modifying this Agreement as provided in Section 43, "Modification of Agreement." Any remaining unused disposal capacity authorized under the initial term of the Agreement may be added to the disposal capacity authorized under the extension, but the total amount of Solid Waste disposed of under the Agreement, including both the initial term and the extension, may not exceed 5 million tons. The period from the Commencement Date until the expiration or earlier termination of this Agreement is referred to herein as the "Disposal Term." The parties may mutually agree to terminate this Agreement.

Such section is hereby amended in its entirety to read as follows:

The Contractor hereby agrees to provide the City the right to deposit for Disposal, in a lawful manner, from and after the Commencement Date, at the Landfill, all Solid Waste collected in San Francisco by Permitted Haulers or self-haulers, through July 21, 2030, or until 5.0 million tons of Solid Waste have been deposited under this Agreement, whichever comes first. The period from the Commencement Date until the expiration or earlier termination of this Agreement is referred to herein as the "Disposal Term." The parties may mutually agree to terminate this Agreement.
