								<p>Employees covered by the Memoranda of Understanding (MOUs) between the City and the labor unions for the Consolidated Crafts, Electrical Workers, Plumbers and Steamfitters, Laborers, and other employee unions receive lead worker premium pay if (1) the employee is assigned to be lead in a crew of at least two employees of the same classification, or (2) plans, designs, sketches, lays out, details, estimates, or orders materials. In the Budget and Legislative Analyst's pending performance audit of City Departments' Management of Lead Worker Premium Pay and Standby Pay, the Budget and Legislative Analyst found that City departments lack effective management oversight of lead worker assignments. Many lead worker assignments are rotated among all or most of the employees in a classification without adequate distinction between the lead worker and other employees within the classification. Also, City departments may pay lead worker premiums to employees who supervise no other employees but are considered to "plan, design, sketch, lay out, detail, estimate, or order materials".</p> <p>The Budget and Legislative Analyst recommends that the Department of Human Resources meet and confer with the respective labor unions prior to the expiration of the subject MOUs on June 30, 2012 to (1) define the responsibilities and span of control of a lead worker assignment and qualifications of lead workers, and (2) negotiate revised MOU provisions. A reduction in lead worker premium pay would result in an estimated savings of \$84,000, or 50 percent, from \$168,000 in FY 2011-12 to \$84,000 in FY 2012-13.</p>

	The proposed FY 2011-12 budget includes anticipated revenues of \$1,500,000 from Consumer Protection Fines. This one-time revenue source is from penalties which the City Attorney's Office anticipates recovering from the National Arbitration Forum case in August of 2011. Based on ongoing negotiations and more current estimates, the City Attorney's Office anticipates actually recovering \$1,575,000 of penalty revenues, or an additional \$75,000 more than included in the FY 2011-12 budget. The proposed recommendation would therefore offset an additional \$75,000 of General Fund revenues currently budgeted in the City Attorney's budget.

<p>The State Attorney General, City Attorney and San Francisco District Attorney have been litigating for several years with Land America Title Company, arising out of unlawful business practices. Based on recent renegotiation of a prior judgement in this case, Land America will be required to pay a total of \$4,100,000, to be split 50% or \$2,050,000 to the State Attorney General, 25% or \$1,025,000 to the City Attorney and 25% or \$1,025,000 to the District Attorney. According to the City Attorney's Office, this judgement is anticipated to be received within the next month. These revenues of \$1,025,000 were not included in the Mayor's recommended FY 2011-12 budget. Therefore, the proposed recommendation reflects recovering \$1,025,000 of additional revenues in the FY 2011-12 City Attorney's budget, which can be credited to the City's General Fund.</p>

	As of July 1, 2011, ten Project eMerge positions would be deleted, resulting in three layoffs. The proposed FY 2011-12 budget would retain three Project eMerge positions, at 0.5 FTE each, to continue for six months through December 31, 2011. No additional funding is included in the FY 2011-12 budget for these three positions, based on estimated sufficient existing project funding. However, based on updated funding estimates, there is not sufficient funds to continue all three positions, such that this recommendation would delete one of the two 0.5 FTEs 1054 IS Principal Business Analyst positions with no offsetting savings. This recommendation is not anticipated to result in a layoff, due to an expected vacancy.

	<p>The Indigent Defense Program's FY 2011-12 budget of \$8,758,072 is unchanged from the FY 2010-11 budget. Projected expenditures in FY 2010-11 are expected to be approximately \$8.2 million, based on actual bills paid through June 17, 2011 plus expected increases in year-end billings. The Budget and Legislative Analyst's recommended reduction would still provide over \$8.6 million. Also, due to increased staffing in the Public Defender's Office in FY 2010-11, Indigent Defense program referrals in FY 2010-11 have decreased, with an expected corresponding decrease in billings in FY 2011-12 as these referred cases are closed.</p> <p>In addition to Indigent Defense Program funding in the Superior Court's budget, the General City Responsibility budget contains funding for appeals of indigent criminal cases, which had an unexpended balance of \$1.2 million as of June 2011.</p>

	<p>The Department has requested five new permanent positions to handle the temporary work related to the alleged police misconduct cases. These five new positions are in addition to five new positions added in FY 2010-11 for the Trial Integrity/Brady Compliance Unit. According to the Department, the backlog in these cases has been reduced, allowing existing staff to process current cases. To handle this temporary work to retroactively review the alleged police misconduct cases, the Budget Analyst recommends approval of two limited tenure 8177 Attorneys and one limited tenure 8132 Investigative Assistant.</p>

This project funds reimbursement costs for victims and witnesses not handled by the State funded victim reimbursement funds or the State funded Witness Relocation Program. Although the Department anticipates an increase in local claims being paid out due to the State becoming stricter in applying its guidelines, the Budget and Legislative Analyst's recommendation for a one-time reduction of \$100,000 would still allow the Department sufficient funds.</p>

	<p>The State Attorney General, City Attorney and San Francisco District Attorney have been litigating for several years with Land America Title Company, arising out of unlawful business practices. Based on recent renegotiation of a prior judgement in this case, Land America will be required to pay a total of \$4,100,000, to be split 50% or \$2,050,000 to the State Attorney General, 25% or \$1,025,000 to the City Attorney and 25% or \$1,025,000 to the District Attorney. According to the City Attorney's Office, this judgement is anticipated to be received within the next month. These revenues of \$1,025,000 were not included in the Mayor's recommended FY 2011-12 budget. Therefore, the proposed recommendation reflects recovering \$1,025,000 of additional revenues in the FY 2011-12 City Attorney's budget, which can be credited to the City's General Fund.</p>

	<p>The Department has 27 vacancies at the 8238 Public Safety Communications Dispatcher level, including nine positions that have been vacant since 2008 or earlier. Furthermore, the Department's hiring plan only accommodates 10 recruits per year, meaning that at least 17 of these vacant positions are unlikely to be filled in FY 2011-12. Eliminating seven of the nine positions that have been vacant since 2008 or earlier will still allow the Department to recruit a full Academy class in FY 2011-12 and will therefore not have a programmatic impact.</p> <p>Because these 8238 Public Safety Communications Dispatchers were factored into the Department's Attrition Savings calculation, offset Attrition by \$491,144 of the salary reduction, for a net reduction of \$110,739, including fringe benefits. This attrition adjustment will allow the Department to proceed with plans to fill vacancies in the first quarter of FY 2011-12.</p>

Indigent Defense			\$ 750,000	\$250,000	\$500,000	x	x
	<p>The General City Responsibility FY 2011-12 budget includes \$750,000 in continuing project funds for legal appeals for indigent defendants in criminal court cases. Originally, indigent defense appeals funds were included in the General City Responsibility budget to capture State reimbursements for these appeals costs. However, the State no longer reimburses San Francisco for these costs, so that the costs of indigent defense appeals is paid entirely by the City's General Fund.</p> <p>As of June 15, 2011, General City Responsibility budget had an unexpended balance of \$1,308,300 in this fund. FY 2009-10 expenditures from this fund were \$113,431 and FY 2010-11 expenditures as of June 15, 2011 were \$681,700. The Budget and Legislative Analyst recommends reducing the proposed FY 2011-12 budget by \$500,000 and carrying forward the \$1,308,300 in unexpended funds from FY 2010-11 to be used for FY 2011-12.</p>

Premium Pay- Miscellaneous										\$163,274	\$125,774	\$37,500		
								<p>Employees covered by the Memoranda of Understanding (MOUs) between the City and the labor unions for the Consolidated Crafts, Electrical Workers, Plumbers and Steamfitters, Laborers, and other employee unions receive lead worker premium pay if (1) the employee is assigned to be lead in a crew of at least two employees of the same classification, or (2) plans, designs, sketches, lays out, details, estimates, or orders materials. In the Budget and Legislative Analyst's pending performance audit of City Departments' Management of Lead Worker Premium Pay and Standby Pay, the Budget and Legislative Analyst found that City departments lack effective management oversight of lead worker assignments. Many lead worker assignments are rotated among all or most of the employees in a classification without adequate distinction between the lead worker and other employees within the classification. Also, City departments may pay lead worker premiums to employees who supervise no other employees but are considered to "plan, design, sketch, lay out, detail, estimate, or order materials".</p> <p>The Budget and Legislative Analyst recommends that the Department of Human Resources meet and confer with the respective labor unions prior to the expiration of the subject MOUs on June 30, 2012 to (1) define the responsibilities and span of control of a lead worker assignment and qualifications of lead workers, and (2) negotiate revised MOU provisions. In FY 2010-11, the Port's projected expenditures for lead worker premium pay is \$75,000. Assuming comparable expenditures in future fiscal years, a 50 percent reduction in lead worker premium pay would result in an estimated savings of \$37,500 from \$75,000 in FY 2011-12 to \$37,500 in FY 2012-13.</p>

<p>The Department budgeted to purchase 8 medium replacement F250/350 Trucks for the Maintenance Division at a cost of \$45,000 per truck or a total of \$360,000. However, the Department did not purchase the 4 Trucks budgeted in the current fiscal year, such that those funds will be carried forward for purchase in FY 2011-2012. Therefore, the proposed above reduction would enable the Maintenance Division to purchase 4 medium F250/350 Trucks at a cost of \$45,000 per vehicle for the Maintenance Division in FY 2011-2012.</p>								<p>In FY 2012-2013, the Port budgeted to purchase 9 medium replacement F250/350 Trucks at a cost of \$45,000 per truck or a total of \$405,000. The previous recommendation reduced this purchase from 8 Trucks to 4 Trucks at a cost of \$45,000 per truck, or a total savings of \$180,000. However, the actual cost for each truck based on vendor quotes is \$35,000 or \$10,000 less per vehicle than is budgeted. Therefore, the proposed recommendation would reduce each of the 4 recommended Trucks by \$10,000 each, or a further reduction of \$40,000.</p>								<p>The Department budgeted to purchase 9 medium replacement F250/350 Trucks at a cost of \$45,000 per truck or a total of \$405,000. Premium Pay - Miscellaneous										\$571,472	\$508,972	\$62,500		
								<p>Employees covered by the Memoranda of Understanding (MOUs) between the City and the labor unions for the Consolidated Crafts, Electrical Workers, Plumbers and Steamfitters, Laborers, and other employee unions receive lead worker premium pay if (1) the employee is assigned to be lead in a crew of at least two employees of the same classification, or (2) plans, designs, sketches, lays out, details, estimates, or orders materials. In the Budget and Legislative Analyst's pending performance audit of City Departments' Management of Lead Worker Premium Pay and Standby Pay, the Budget and Legislative Analyst found that City departments lack effective management oversight of lead worker assignments. Many lead worker assignments are rotated among all or most of the employees in a classification without adequate distinction between the lead worker and other employees within the classification. Also, City departments may pay lead worker premiums to employees who supervise no other employees but are considered to "plan, design, sketch, lay out, detail, estimate, or order materials".</p> <p>The Budget and Legislative Analyst recommends that the Department of Human Resources meet and confer with the respective labor unions prior to the expiration of the subject MOUs on June 30, 2012 to (1) define the responsibilities and span of control of a lead worker assignment and qualifications of lead workers, and (2) negotiate revised MOU provisions. A reduction in lead worker premium pay would result in an estimated savings of \$62,500, or 50 percent, from \$125,000 in FY 2011-12 to \$62,500 in FY 2012-13</p>

	Department budgeted \$56,724 for rental of vehicles for one election with 576 polling locations in FY 2010-11. The recommended reduction will provide the Department with \$107,364 or \$50,640 more than in FY 2010-11 to conduct two elections in FY 2011-12. 	Department budgeted \$53,969 for Other Office Supplies in FY 2010-11. The recommended reduction will provide the Department with \$122,426, which will allow for sufficient Other Office Supplies purchases for two elections in FY 2011-12.

The recommended reduction will enable the Sheriff's Department to expend \$351,834 for security services for two elections. However, in FY 2011-12, one of the elections will have the same number of polling locations as in FY 2010-11 and one election will have 28 fewer polling locations, which will provide salary savings for the Sheriff and the Department of Elections.
