Hello Supervisors Preston, Chan and Mandelman,

The Department of Public Health (DPH) will request retroactive authorization to enter into two related agreements with the State at the June 3<sup>rd</sup> Government Audit & Oversight Committee meeting. Please see below for a brief description of the agreements and our DPH representative who may be contacted should you have any questions.

**Agenda item #3 – File #210281 - Participation Agreement and Administrative Services Agreement - Retroactive - California Department of Health Care Services - Medi-Cal County Inmate Program - Not To Exceed \$21,504.33** - Resolution retroactively authorizing the Department of Public Health to enter into two related agreements with the California Department of Health Care Services for reimbursement under the State Medi-Cal County Inmate Program, (1) Participation Agreement 20-MCIPSANFRANCISCO-38 effective July 1, 2020, and (2) Administrative Services Agreement No. 20-10239 for the period of July 1, 2020, through June 30, 2023, for an amount not to exceed \$21,504.33.

- **Description of the Program:** Normally, Medi-Cal coverage is suspended for anyone incarcerated, but the Medi-Cal Inmate Program (MCIP) allows counties to receive the Federal portion of Medi-Cal reimbursement for the costs of county jail inmates for inpatient hospital admissions outside the grounds of a jail for at least 24 hours (as well as for some juveniles and medical parolees). These services would have been provided to our Jail patients, regardless of reimbursement.
- **Description of the Agreements:** The Agreements with the State allow DPH to submit claims for potential reimbursement for Medi-Cal eligible services. The first agreement is an administrative agreement where counties agree to pay their share of the State costs for administering the program which is \$21,504.33 over the three years. The second is a participation agreement and outlines the terms of the reimbursement. The actual value of the reimbursements depend on the types of services rendered.
- **Reason for Retroactivity:** We are respectfully requesting authorization to enter into these agreements retroactive to July 1, 2020. During the COVID-19 pandemic, with the same level of contract staff but a significantly increased volume of contracts required to respond to COVID-19, the Department prioritized contracts supporting new and continuing services directly to clients/patients. While it is never the Department's desire to seek retroactive approval, retroactive authorization for this contract will not impact the level of reimbursement that the Department will receive.

John Carroll  
Clerk of the Government & Operations Committee  
Board of Supervisors  
1 Dr. Carlton B. Goodlett Place, Room 244  
San Francisco, CA 94102-4689

Dear Mr. Carroll:

The Department of Public Health (DPH) would like to provide written explanation for why we are seeking retroactive approval from the Board of Supervisors (BOS) for the following item:

- File No. 21-0281 - Participation Agreement and Administrative Services Agreement - Retroactive - California Department of Health Care Services - Medi-Cal County Inmate Program - Not To Exceed \$21,504.33

In situations where a Contractor is a City or County, the State requires that the City or County submit a copy of an approved Board Resolution or meeting minutes indicating approval by the Board of Supervisors (for the City/Department) in order to contract with the State. The Agreements with the State allow the Department to submit claims for potential reimbursement for Medi-Cal eligible services.

Normally Medi-Cal coverage is suspended for anyone incarcerated, but the Medi-Cal Inmate Program (MCIP) allows counties to receive the Federal portion of Medi-Cal reimbursement for the costs of county jail inmates for inpatient hospital admissions outside the grounds of a jail for at least 24 hours (as well as for some juveniles and medical parolees).

DPH is respectfully requesting authorization to enter into these two related agreements with the State for reimbursement under the State Medi-Cal County Inmate Program retroactive to July 1, 2020. The first is an administrative agreement where counties agree to pay their share of the State costs for administering the program which is \$21,504.33 over the three years. The second is a participation agreement and outlines the terms of the reimbursement. The actual value of the reimbursements depends on the types of

services rendered. Regardless of reimbursement, however, these services would have been provided to our Jail patients.

We regret the retroactive nature of these agreements. During the COVID-19 pandemic, with the same level of contract staff but a significantly increased volume of contracts required to respond to COVID-19, the Department prioritized contracts supporting new and continuing services directly to clients/patients. While it is never the Department's desire to seek retroactive approval, retroactive authorization for this contract will not impact the level of reimbursement that the Department will receive.

For questions on this matter, please do not hesitate to contact me at (415) 255-3404, or [Michelle.Ruggels@SFDPH.org](mailto:Michelle.Ruggels@SFDPH.org)

Sincerely,

Medi-Cal County Inmate Program (MCIP)  
**Participation Agreement 20-MCIP SAN FRANCISCO-38**

County Name: San Francisco

**ARTICLE I – STATEMENT OF INTENT**

The purpose of this Participation Agreement (PA) between the Department of Health Care Services (DHCS) and the County of San Francisco (County) is to permit the County to voluntarily participate in the Medi-Cal County Inmate Program (MCIP).

**ARTICLE II - AUTHORITY**

This PA is authorized by Welfare and Institutions Code sections 14053.7, 14053.8, and Penal Code section 5072.

**ARTICLE III – TERM AND TERMINATION OF THE AGREEMENT**

1. This PA is effective on July 1, 2020 (date).
2. This PA will remain in effect until terminated by either party pursuant to and in accordance with the requirements and conditions set forth in this PA.
3. Termination Without Cause:

Either party may terminate this PA without cause, and terminate the participation of the County in MCIP by issuing at least a 30 day prior written notification to the other party of the intent to terminate. Notice of termination shall result in the County's immediate withdrawal from MCIP on the termination date and exclusion from further participation in MCIP unless and until such time as the County's participation is reinstated by DHCS in MCIP. The County shall remain obligated to pay for the non-federal share of all MCIP services provided to the County.

4. Termination With Cause:

If the County fails to comply with any of the terms of this PA, DHCS may terminate this PA for cause effective immediately by providing written notice to the County's representative listed below. Furthermore, DHCS may terminate this PA for cause if DHCS determines that the County does not meet the requirements for participation in MCIP, the County has not submitted a valid reimbursement claim, or that the County is unable to certify that the claims are eligible for federal funds. Termination for cause will result in the County's immediate withdrawal and exclusion from further participation in the MCIP.

**Medi-Cal County Inmate Program Participation Agreement 20-MCIPSANFRANCISCO-38**  
**County: San Francisco**

The conviction of an employee, subcontractor, or authorized agent of the County, or of an employee or authorized agent of a subcontractor, of any felony or of a misdemeanor involving fraud, abuse of any Medi-Cal applicant or beneficiary, or abuse of the Medi-Cal Program, shall result in the exclusion of that employee, agent, or subcontractor, or employee or agent of a subcontractor, from participation in MCIP. Failure of the County to exclude a convicted individual from participation in MCIP shall constitute a breach of this agreement for which DHCS may terminate this PA.

DHCS may terminate this PA in the event that DHCS determines that the County, or any employee or contractor working with the County has violated the laws, regulations or rules governing MCIP.

In cases where DHCS determines in its sole discretion that the health and welfare of Medi-Cal beneficiaries or the public is jeopardized by continuation of this PA, this PA shall be terminated effective the date that DHCS made such determination. After termination of the PA, any overpayment must be returned to DHCS pursuant to Welfare and Institutions Code sections 14176 and 14177.

Finally, this PA will terminate automatically upon the termination of the County's MCIP Administrative Service Agreement.

**ARTICLE V – PAYMENT TERMS AND INVOICING**

1. The County shall compensate DHCS for the County’s apportioned share of the nonfederal share of MCIP services listed in Article VII, as required by Welfare and Institutions Code sections 14053.7 and 14053.8, Government Code sections 26605.6, 26605.7, and 26605.8, and Penal Code 5072 within 60 days of receipt of an invoice from DHCS, which specifies both the total federally claimable cost and the nonfederal share of the total cost, for payments DHCS has made to providers. The DHCS invoice shall not contain and the County shall not compensate DHCS for MCIP services provided by Medi-Cal providers where the County incurs the cost of providing MCIP services and claims them through the CPE process as outlined specifically for Designated Public Hospitals (DPHs). The County shall not reimburse DHCS for the nonfederal share of services as Certified Public Expenditures (CPEs) of DPHs.
2. DHCS shall submit to the County a quarterly invoice for MCIP services that identifies the nonfederal share amount, and a report that contains information regarding paid claims data for the quarter, including information identifying the provider of services and the beneficiary, the recipient aid code, and amount of reimbursement, and other information that may be agreed to between the parties.

If after comparing its owed nonfederal share to payments actually made, the County has overpaid DHCS, and the amount is undisputed DHCS shall refund the overpayment to the County within 180 days of receipt of an invoice containing the same information from the County. This refund may be made by offsetting the amount against the County’s next quarterly payment due to DHCS.

3. DPHs, in MCIP participating counties may submit claims and follow the CPE process which includes a pricing methodology established on an annual basis. These DPHs are paid using Federal Financial Participation (FFP) only.

**ARTICLE VI – COUNTY RESPONSIBILITIES**

1. Except as provided in subdivision (f.) of this section, the County is responsible for reimbursing DHCS for the nonfederal share of MCIP services paid by DHCS.
  - a. The County may pay a Medi-Cal provider to the extent required by or otherwise permitted by state and federal law to arrange for services for Medi-Cal beneficiaries. Such additional amounts shall be paid entirely with county funds, and shall not be eligible for Social Security Act Title XIX FFP.
  - b. If DHCS pays the Medi-Cal provider more than what the County would have paid for services rendered, the County cannot request and receive the difference from the Medi-Cal provider.

**Medi-Cal County Inmate Program Participation Agreement 20-MCIPSANFRANCISCO-38**  
**County: San Francisco**

- c. If the County would have paid the Medi-Cal provider less than what DHCS paid the Medi-Cal provider, the County is still obligated to reimburse DHCS for the nonfederal share of DHCS' payment for the MCIP services.
  - d. In the event that FFP is not available for any MCIP service claimed pursuant to this PA, the County shall be solely responsible for arranging and paying for the MCIP service.
  - e. If the Centers for Medicare & Medicaid Services (CMS) determines an overpayment has occurred including the application of any federal payment limit that reduces the amount of FFP available then DHCS shall seek the overpayment amount from the provider, return the collected FFP to CMS, and return the collected nonfederal share to the County. In the event that DHCS cannot recover the overpayment from the Medi-Cal provider, the County shall pay DHCS an amount equal to the FFP portion of the unrecovered amount to the extent that Section 1903(d)(2)(D) of the Social Security Act is found not to apply.
  - f. The County is not responsible for reimbursing DHCS for the nonfederal share of expenditures for MCIP services provided by DPHs when those services are reimbursed under the CPE process because DHCS is not responsible for the nonfederal share of expenditures for MCIP services reimbursed in the CPE process.
2. If CMS determines DHCS claimed a higher Federal Medical Assistance Percentage (FMAP) rate than is allowed and FFP is reduced by CMS then the County shall hold DHCS harmless for the return of the FFP to CMS.
  3. Upon the County's compliance with all applicable provisions in this PA and applicable laws, the County may send its MCIP-eligible beneficiaries to Medi-Cal providers to receive MCIP services.
  4. The County understands and agrees that the overall nature of the medical facilities in which an inmate receives medical services must be one of community interaction such that members of the general public may be admitted to receive services and admission into the medical facility or into specific beds within the facility is not limited to individuals under the responsibility of a correctional facility, and that inmates are admitted to specific medical units based not on their statutes as inmates of a correctional institution, but rather on their treatment needs and plan of care.
  5. Ensure that an appropriate audit trail exists within records and accounting system and maintain expenditure data as indicated in this PA.
  6. The County agrees to provide to DHCS or any federal or state department with monitoring or reviewing authority, access and the right to examine its applicable records and documents for compliance with relevant federal and state statutes, rules and regulations, and this PA.
  7. In the event of any federal deferral or disallowance applicable to MCIP expenditures, the County shall provide all documents requested by DHCS within 14 days.

**Medi-Cal County Inmate Program Participation Agreement 20-MCIPSANFRANCISCO-38**  
**County: San Francisco**

8. The County shall assist with the completion and delivery of completed Medi-Cal applications to the County Welfare Department within 90 days after the date of admission of the beneficiary to a Medi-Cal provider off of the grounds of the County correctional facility resulting in an expected stay of more than 24 hours.
9. As a condition of participation in MCIP, and in recognition of revenue generated by MCIP, the County shall pay quarterly administrative costs directly to DHCS.
  - a. The quarterly administrative costs payment shall be used to cover DHCS' administrative costs associated with MCIP, including, but not limited to, claims processing, technical assistance, and monitoring. DHCS shall determine and report staffing requirements upon which projected costs will be based.
  - b. The amount of the administrative costs shall be based upon the anticipated state salaries, benefits, operating expenses, and equipment necessary to administer MCIP and other costs related to that process.
  - c. The County shall enter in to a separate agreement with DHCS to reimburse DHCS for the administrative costs of administering MCIP.

**ARTICLE VII – DHCS RESPONSIBILITIES**

1. DHCS shall pay the appropriate Medi-Cal fee-for-service rate to Medi-Cal providers that directly bill DHCS for MCIP services rendered to the County's MCIP eligible beneficiaries and seek FFP for these service claims. DHCS shall be responsible to pay such Medi-Cal providers only to the extent the County commits to reimburse DHCS for the nonfederal share of all federally reimbursable MCIP claims and for which FFP is available and obtained by DHCS for the MCIP service claims.
2. DHCS shall maintain accounting records to a level of detail which identifies the actual expenditures incurred for MCIP services, the services provided, the county responsible, the specific MCIP-eligible beneficiary treated, the MCIP-eligible beneficiaries aid code, and the specific provider billing.
3. DHCS shall submit claims in a timely manner to CMS to draw down FFP and shall distribute FFP for all eligible claims.
4. DHCS shall:
  - a. Ensure that an appropriate audit trail exists within records and accounting system and maintain expenditure data as indicated in this PA.
  - b. Designate a person to act as liaison with the County concerning issues arising under this PA. This person shall be identified to the County's contact person for this PA.

**Medi-Cal County Inmate Program Participation Agreement 20-MCIPSANFRANCISCO-38**  
**County: San Francisco**

- c. Provide a written response by email or mail to the County's contact person within 30 days of receiving a written request for information related to MCIP.
  - d. With each quarterly administrative cost invoice, provide a paid claim analysis report to the County regarding MCIP claims submitted by providers for the County's MCIP-eligible beneficiaries. This analysis shall be used to determine the amount of the non-federal share that the County is obligated to pay under this PA.
5. Should the services to be performed under this PA conflict with DHCS' responsibilities under federal Medicaid law, those responsibilities shall take precedence.
  6. DHCS' cessation of any activities due to federal Medicaid responsibilities does not relinquish the obligation of the County to reimburse DHCS for MCIP services incurred by DHCS in connection with this PA for periods in which the County participated in MCIP.
  7. DHCS agrees to provide to the County, or any federal or state department with monitoring or reviewing authority, access and the right to examine its applicable records and documents for compliance with relevant federal and state statutes, rules and regulations, and this PA.

**ARTICLE VIII – FISCAL PROVISIONS**

1. DHCS will invoice the County quarterly at the address above. Each invoice shall include the agreement number and supporting documentation for the previous quarter's paid claims.
2. Counties are required to sign and submit the MCIP Certification and Hold Harmless by an authorized county representative to DHCS annually to ensure the County is providing efficient oversight of federal expenditures.

**ARTICLE IX – BUDGET CONTINGENCY CLAUSE**

1. It is mutually agreed that if the State Budget Act of the current State Fiscal Year (SFY) and any subsequent SFYs covered under this PA does not provide sufficient funds for MCIP, this PA shall be of no further force and effect. In this event, the DHCS shall have no liability to pay any funds whatsoever to the County or to furnish any other considerations under the PA and the County shall not be obligated to perform any provisions of this PA.
2. If funding for any SFY is reduced or deleted by the State Budget Act for purposes of MCIP, DHCS shall have the option to either cancel this PA, with no liability occurring to DHCS, or offer an agreement amendment to the County to reflect the reduced amount.

**ARTICLE X – LIMITATION OF STATE LIABILITY**

1. In the event of a federal audit disallowance, the County shall cooperate with DHCS in replying to and complying with any federal audit exception related to MCIP. The County shall assume sole financial responsibility for any and all federal audit disallowances related to the rendering of services under this PA. The County shall assume sole financial

**Medi-Cal County Inmate Program Participation Agreement 20-MCIPSANFRANCISCO-38**  
**County: San Francisco**

responsibility for any and all penalties and interest charged as a result of a federal audit disallowance related to the rendering of services under this PA. The amount of the federal audit disallowance, plus interest and penalties shall be payable on demand from DHCS.

2. To the extent that a federal audit disallowance and interest results from a claim or claims for which the Medi-Cal provider has received reimbursement for MCIP services under this PA, DHCS shall recoup from the Medi-Cal provider, upon written notice of 60 days after the completion of an audit or other examination that results in the discovery of an overpayment per Welfare and Institutions Code section 14172.5), amounts equal to the amount of the disallowance and interest in that state fiscal year for the disallowed claim, less the amounts already remitted to or recovered by DHCS.

**ARTICLE XI – AMENDMENT**

1. This PA and any exhibits attached hereto, along with the MCIP Administrative Agreement shall constitute the entire agreement among the parties regarding MCIP and supersedes any prior or contemporaneous understanding or agreement with respect to MCIP and may be amended only by a written amendment to this PA.

The maximum payable amount shall not exceed the County's apportioned share, which shall be based on a methodology specified in Addendum A.

B. General Responsibilities

1. Should the scope of work for this Agreement conflict with DHCS' responsibilities under federal Medicaid law, those responsibilities shall take precedence.
2. DHCS' cessation of any activities due to federal Medicaid responsibilities does not relinquish the obligation of the County to reimburse DHCS for administrative costs incurred by DHCS in connection with this Agreement for periods in which the County participated in MCIP.
3. DHCS agrees to provide to the County, or any federal or state department with monitoring or reviewing authority, access and the right to examine its applicable records and documents for compliance with relevant federal and state statutes, regulations, and this Agreement.

2. The County shall reimburse DHCS pursuant to Paragraph A with funds from the County's General Fund, or from any other funds allowed under federal law and regulation.
3. In the event of a federal deferral or disallowance applicable to MCIP expenditures, the County shall provide all documents requested by DHCS within fourteen days.

- B. Severability. If any term, condition, or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force and effect, and shall not be affected, impaired or invalidated in any way. Notwithstanding the previous sentence, if a decision by a court of competent jurisdiction invalidates, voids,

or renders unenforceable a term, condition, or provision in this Agreement that is included in the purpose of this Agreement then the parties to this Agreement shall either amend this Agreement pursuant to Article 9, or it shall be terminated pursuant to Article 10.

- C. Records. DHCS and the County shall maintain and preserve all records relating to this Agreement for a period of three years from DHCS' receipt of the last payment of FFP, or until three years after all audit findings are resolved, whichever is later. This does not limit any responsibilities of DHCS or the County provided for elsewhere in this Agreement, or in state or federal law.

Venue for any action brought concerning this Agreement shall be in any county in which the Attorney General maintains an office.

F. Integration Clause.

1. This Agreement and any exhibits and addendums attached hereto shall constitute the entire Agreement among the parties to it pertaining to the implementation of MCIP and supersedes any prior or contemporaneous understanding or agreement with respect to the subject matter of this Agreement.
2. Notwithstanding Subparagraph G.1., DHCS Form 9098 or DHCS Form 6208 (whichever is applicable) is incorporated by reference into this Agreement if the County has a DHCS Form 9098 or DHCS Form 6208 on record. Notwithstanding Subparagraph G.1., the terms of the DHCS Form 9098 or DHCS Form 6208 control to the extent there is a conflict with this Agreement, except for Article 10 of this Agreement. SCOPE OF WORK**

CALIFORNIA DEPARTMENT OF HEALTH CARE SERVICES (DHCS)

DHCS agrees to:

1. Calculate the actual costs for administrative accounting, policy development, and data processing maintenance activities, including the indirect costs related to the MCIP program provided by its staff, which is in accordance with the provisions of Section 1903(w) of the Social Security Act and 42 Code of Federal Regulations, part 433, subpart B.

3. Submit claims for Federal Financial Participation (FFP) based on Certified Public Expenditures (CPE) from participating MCIP counties.

Additionally, these records will identify any equipment and all related operating expenses applicable to these positions. Records should include, but not be limited to general expense, rent and supplies for identified staff and managerial staff working specifically on activities or assignments directly related to the MCIP.
6. Ensure that an appropriate audit trail exists within DHCS' records and accounting system and maintain expenditure data as indicated in this Agreement.

11. Establish an annual MCIP administrative cost based on Addendum A.
12. Invoice the County on a quarterly basis for administrative costs.

### **ADDENDUM A: MCIP Administrative Costs**

The MCIP Administrative Contract is a three-year contract. At the beginning of each calendar year, counties have the opportunity to inform DHCS of their intent to continue participation in MCIP for the upcoming State Fiscal Year (SFY) by completing the MCIP Letter of Intent (LOI).

The methodology for calculating each county's nonfederal share of administrative costs was developed by DHCS in consultation with the California State Association of Counties, County Health Executives Association of California, California Association of Public Hospitals and Health Systems, and the California State Sheriffs' Association. The nonfederal share of administrative costs allocated to each county is based on the following:

- 1) 30% of the total administrative costs will be distributed evenly to participating counties over 50,000 in population. \*
- 2) 70% of the total administrative costs will be allocated to participating counties pro-rata based on population. \*

*\*Population data will be obtained from the California Department of Finance, Demographic Estimates*

To account for a cost of living adjustment on a yearly basis after the initial SFY of the current Agreement, DHCS will include a year over year growth factor of 5% to the maximum payable amount of the annual administrative cost for each subsequent SFY. DHCS will invoice participating counties for the nonfederal share of administrative costs quarterly after the close of the previous quarter based on actual administrative costs per the methodology above.
