PETITION

Keep Twin Peaks Auto Care Open and Help us Get a Long Term Lease

More and more gas stations has been shut down in the past years and now Twin Peaks Auto Care is the only conveniently located gas station in the Twin Peaks Neighborhood, who also serves residents in Diamond Heights, Noe Valley, Midtown Terrace, Forest Knolls and Miraloma. Without Twin Peaks Auto Care, residents in these areas will have to drive at least another 2 miles out to get gas and to receive other auto services.

Please sign this petition and help persuade the City to give Twin Peaks Auto Care a long-term lease to keep us from going out of business and to continue offering our services to the community.
