San Francisco, CA 94102-4514

Honorable Judge Stewart:

Pursuant to Penal Code Section 933 and 933.05 this letter transmits the San Francisco Department of Technology's response to the findings and recommendations in the 2015-16 San Francisco Grand Jury report, Fire Safety Inspections in San Francisco, A Tale of two Departments: Department of Building Inspection & San Francisco Fire Department issued on July 21, 2016. We would like to thank the members of the Civil Grand Jury for their interest in ensuring the fire safety of San Francisco residents in multi-residential buildings throughout the City.

Our department is also committed to supporting both the Fire Department and Department of Building Inspection technology systems that help protect the fire and life safety of San Francisco residents.

Thank you for the opportunity to comment on this Civil Grand Jury Report.

Sincerely,

Miguel A. Garmaño Jr. | 葛迈魁

2015-16	Fire Safety Inspections in SF: A Tale of Two Departments: DBI & SFFD	1	HIS cannot get an accurate list of R-2s in the City without the help of DBI Management, Information Systems (DBI MIS) because HIS does not have access to the DBI database that stores this information.	DT	disagree with it, wholly (explanation in next column)	DT does not manage this database.
2015-16	Fire Safety Inspections in SF: A Tale of Two Departments: DBI & SFFD	1	The information and Technology Department for the City and County of San Francisco should grant HIS senior management access to and permission to run reports from the Oracle database that contains the address, contact information and building attributes for R-2s in San Francisco.	DT	disagree with it, wholly (explanation in next column)	DT does not manage an Oracle database that contains the address, contact information and building attributes for R-2s in San Francisco. DT does manage the enterprise addressing system which DBI's Central Permit Bureau utilizes to enter new addresses into DBI's existing Oracle based systems.
