Key Points

- The proposed resolution would establish the following changes to prevailing wage basic hourly rates: (1) construction employees would receive wage rate increases that vary by classification, ranging from \$0.45 to \$15.66 per hour; (2) window cleaning employees would receive wage rate increases that vary by classification, ranging from no increase to \$3.00 per hour; (3) garage and parking lot employees would receive a wage rate increase depending on classification ranging from \$0.72 to \$1.00 per hour; (4) theatrical employees would receive a wage rate increase depending on classification ranging from \$1.17 to \$3.55 per hour; (5) solid waste haulers would receive a wage rate increase depending on classification ranging from \$1.62 to \$2.12 per hour; (6) employees performing moving services would receive a wage rate increase of \$0.75 per hour; (7) employees performing trade show work would receive a wage rate increase depending on classification ranging from \$1.40 to \$1.54 per hour; (8) broadcast employees would receive a wage rate increase depending on classification ranging from \$0.57 to \$4.61 per hour; (9) loaders and unloaders would receive a wage rate increase depending on classification ranging from \$1.00 to \$1.25 per hour; (10) security guards would receive a wage rate increase of \$0.65 per hour; and (11) motor bus drivers would receive a wage rate increase depending on classification ranging from \$0.89 to \$1.14 per hour.

Recommendation

- Approval of the proposed resolution is a policy matter for the Board of Supervisors.

MANDATE STATEMENT

Charter Section A7.204 requires contractors that have public works or construction contracts with the City to pay employees the highest general prevailing rate of wages for similar work in private employment. The Charter allows the Board of Supervisors to exempt payment of the prevailing wage for wages paid under public works or construction contracts between the City and non-profit organizations that provide workforce development services.

Administrative Code Sections 6.22(E)(3) and L.E.C. Art. 102.1 (c)(1) require the Board of Supervisors to annually set prevailing wage rates for employees of businesses having City contracts. Exhibit 1 below identifies the (a) specific Administrative Code Sections and Labor and Employment Code Section, (b) the dates each Administrative Code Section and Labor and Employment Code was last amended by the Board of Supervisors, and (c) the types of City contracts, leases, and/or operating agreements in which the businesses are required to pay prevailing wages.

BACKGROUND

Businesses must pay prevailing wage rates to employees if they have contracts with the City, lease City property, or have permits for or other access to temporary use of City property. "Prevailing wages" are usually based on rates specified in collective bargaining agreements for comparable classifications in the geographic area. Businesses having contracts, leases, or permits

with the City must pay the prevailing wage rate, even if the employees of the specific business are not covered by a collective bargaining agreement.

Each year, the Board of Supervisors is required to establish the prevailing wage rates for workers engaged in construction, janitorial, parking, theatrical, motor bus, solid waste hauling, moving, trade show, security guard, and broadcast services, and for loading, unloading and driving commercial vehicles on City property.

Administrative Code Section 6.22, covering public works classifications, defines prevailing wage as the per diem wage rate, and rate for overtime and holidays. L.E.C. Art. 102 defines the prevailing wage rate for other classifications as the base hourly wage rate and the hourly rate for fringe benefits.

To assist the Board of Supervisors in determining the prevailing wage rates, the Civil Service Commission is required to furnish the Board of Supervisors, on or before the first Monday of November of each year, relevant prevailing wage rate data. The City Attorney's Office, on behalf of the Civil Service Commission, submitted the report to the Board of Supervisors on October 28, 2024.

Administrative Code Sections 6.22(E) and L.E.C. Art. 102.1 state that the Board of Supervisors is not limited to the data submitted by the Civil Service Commission to determine the prevailing wage rates for public works construction, but may consider other information on the subject as the Board of Supervisors deems appropriate. According to Administrative Code Section 6.22(E), if the Board of Supervisors does not adopt the prevailing wage rates for public works classifications, the wage rates established by the California Department of Industrial Relations for the year will be adopted.

The Civil Service Commission's relevant prevailing wage rate data provided to the Board of Supervisors is based on a survey by the City's Office of Labor Standards Enforcement and includes collective bargaining agreements that have recently been negotiated.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would fix prevailing wage rates for employees of private businesses having the following contracts, leases, or operating agreements with the City or perform services on City property:

1. Public works and improvement project contracts,
2. Janitorial services contracts,
3. Public off-street parking lots, garages, or storage facilities for vehicles on property owned or leased by the City,
4. Theatrical or technical services related for shows on property owned or leased by the City,
5. Hauling of solid waste generated by the City in the course of City operations,
6. Moving services under City contracts at facilities owned or leased by the City,
7. Exhibit, display or trade work show services at a special event on City-owned property,
8. Broadcast services on City property,

- 9. Loading, unloading, and driving of commercial vehicles on City property in connection with shows or special events,
- 10. Security guard services, and
- 11. Motor bus services.

The Administrative Code requires that the Civil Service Commission provide prevailing wage data to the Board of Supervisors that includes both the basic hourly wage rate and the hourly rate of each fringe benefit, including medical and retirement benefits.

- Prevailing wage rates for various crafts and labor classifications under public works projects are established by the California Department of Industrial Relations, usually based on collective bargaining agreements that cover the employees performing the relevant craft or type of work in San Francisco.
- Prevailing wage rates for contracts for other services and classifications covered by the Administrative Code, as recommended by the Civil Service Commission, are based on the collective bargaining agreements that cover work performed in San Francisco between employers and the respective labor unions.

Attachment I to this report provides an alphabetical list of all crafts covered by the City’s prevailing wage rate requirements.

FISCAL IMPACT

Attachment II to this report, prepared by the Budget and Legislative Analyst, summarizes (a) the types of contracts, leases, or operating agreements required to pay prevailing wages, (b) the respective collective bargaining agreements and labor unions, (c) the amount of the hourly wage rate increases or decreases in 2025 as compared to 2024, (d) the amount of the hourly fringe benefit rate increases or decreases in 2025 as compared to 2024, and (e) the proposed prevailing hourly wage rates.

Potential impact on the costs of future contractor bids

Under the proposed resolution, private businesses that have contracts with the City, and perform public works construction, janitorial services, parking, theatrical, moving, solid waste hauling services, trade show work, broadcasting services, loading and unloading, security guard services, and motor bus services in San Francisco, would be required to pay their employees at least the prevailing wage rates as shown in Attachment II of the report. Increases in the prevailing wage rates could result in increased costs of future City contracts. However, any increased contract costs to the City as a result of the proposed prevailing wage rates are dependent on future City contractors’ bids and the extent to which such higher wage rates result in higher bids submitted by City contractors. Therefore, such potential increased costs to the City cannot be estimated at this time.

POLICY CONSIDERATION

As noted above, the Civil Service Commission’s relevant prevailing wage rate data provided to the Board of Supervisors is based on a survey by the City’s Office of Labor Standards Enforcement

and includes collective bargaining agreements that have recently been negotiated. Because the Board of Supervisors is not limited to the data submitted by the Civil Service Commission to determine the prevailing wage rates for public works construction but may consider other information on the subject as the Board of Supervisors deems appropriate, we consider approval of the proposed resolution to be a policy matter for the Board of Supervisors.

RECOMMENDATION

Approval of the proposed resolution is a policy matter for the Board of Supervisors.

GENERAL SERVICES AGENCY
OFFICE OF LABOR STANDARDS ENFORCEMENT
PATRICK MULLIGAN, DIRECTOR

DATE: September 24, 2024

TO: The Honorable Civil Service Commission

SUBJECT: CERTIFICATION OF THE HIGHEST PREVAILING RATE OF WAGES OF THE VARIOUS CRAFTS AND KINDS OF LABOR PAID IN PRIVATE EMPLOYMENT IN THE CITY AND COUNTY OF SAN FRANCISCO

RECOMMENDATION: ADOPT REPORT; FORWARD TO BOARD OF SUPERVISORS

Section 6.22 of the Administrative Code requires that the Civil Service Commission furnish the Board of Supervisors data as to the highest general prevailing rate of wages of the various crafts and kinds of labor as paid in private employment in the City and County of San Francisco. The attached General Prevailing Wage Determinations made by the Director of the California Department of Industrial Relations (DIR) pursuant to the California Labor Code reports the highest prevailing rate of wages of the various crafts paid in private employment in the City and County of San Francisco (**please see Attachments 1-3**).

In addition to the classifications and crafts addressed by the DIR's General Prevailing Wage Determinations, San Francisco Labor and Employment (L.E.C.) Article 102 (previously S.F. Admin. Code Section 21C) requires that prevailing wages be paid for 10 additional crafts and classifications. These classifications, L.E.C. articles, and the date passed by the Board of Supervisors are as follows:

- Motorbus Contract (L.E.C. 102.7, passed June 2, 1999)
- Janitorial Services (L.E.C. 102.2, passed August 6, 1999)
- Workers in Public Parking Lots and Garages (L.E.C. 102.3, passed January 24, 2003)
- Theatrical Workers (L.E.C. 102.4, passed May 6, 2004)
- Hauling of Solid Waste (L.E.C. 102.5, passed December 12, 2006)
- Moving Services (L.E.C. 102.6, passed July 22, 2004)
- Trade Show and Special Event Work (L.E.C. 102.8, passed June 19, 2014)
- Broadcast Services (L.E.C. 102.9, passed February 10, 2016)
- Loaders and Unloaders (L.E.C. 102.10, passed October 4, 2016)
- Security Guard Services (L.E.C. 102.11, passed October 28, 2016)

San Francisco Labor and Employment Code 102.1 requires that the Civil Service Commission provide data on two components for each of these classifications: (1) the basic hourly wage rate and (2) the hourly rate of each fringe benefit, which together equal the hourly prevailing rate of wages.

The Office of Labor Standards Enforcement (OLSE) has compiled wage and fringe benefit tables for each craft and classification in a manner that mirror those developed by the DIR for statewide classifications. These tables summarize the prevailing wage rates from local Collective Bargaining Agreements that covers workers performing the specified craft. To further mirror the

DIR process, OLSE has included predetermined increases in wage and benefit rates as reflected in the relevant collective bargaining agreement (**please see Attachment 4**).

The prevailing wage rate tables included in Attachment 4 for the classifications in Administrative Code Section 21C are based on the following collective bargaining agreements:

Motorbus Contract (S.F. L.E.C. 102.7): Collective Bargaining Agreement between Loop Transportation, Inc.; Wedriveu, Inc.; Storer Transit Systems, And Mosaic Global Transportation and Teamsters Local Union No. 853 in effect for signatories through June 30, 2027.

Janitorial Services (S.F. L.E.C. 102.2):

- a) Collective Bargaining Agreement between the San Francisco Maintenance Contractors Association and Service Employees International Union Local 87, in effect from August 1, 2016 through July 31, 2020, reflecting the prevailing wage rates for individuals performing janitorial services.
- b) Collective Bargaining Agreement between the San Francisco Window Cleaning Contractors Association and the Window Cleaners Union – Service Employees International Union, United Service Workers West, in effect from April 1, 2023 to September 30, 2028, reflecting the wage and benefits levels for individuals performing window cleaning services.

Workers in Public Parking Lots and Garages (S.F. L.E.C. 102.3): San Francisco Master Parking Agreement by and between Signatory Parking Operators and Teamsters Local Union No. 665 in effect from December 1, 2022 to November 30, 2026.

Theatrical Workers (S.F. OLSE recommends that the Civil Service Commission certify the State Department of Industrial Relations Prevailing Wage Determination and the tables summarizing local collective bargaining agreements, which reflect the highest prevailing rate of wages paid various crafts and kinds of labor paid in private employment in the City and County of San Francisco.

If the Civil Service Commission certifies these rates, companion legislation effectuating such proposed changes should be drafted by the City Attorney and transmitted to the Board of Supervisors concurrently with the certification.

Sincerely,

Patrick Mulligan

Office of Labor Standards Enforcement

**IMPORTANT NOTICE TO AWARDING BODIES
AND OTHER INTERESTED PARTIES
REGARDING THE DETERMINATIONS ISSUED ON FEBRUARY 22, 2007 FOR
METAL ROOFING SYSTEMS INSTALLER (PAGES 2J - 2J-15)**

Dear Public Official/Other Interested Party:

The Division of Labor Statistics and Research (DLSR) found through the Metal Roofing Systems (Commercial Construction) Statewide Wage and Benefits Survey that there is insufficient or no data to establish a mode for metal roofing in **Alpine, Colusa, Del Norte, Glenn, Imperial, Inyo, Kern, Kings, Lake, Mariposa, Merced, Modoc, Mono, Nevada, Plumas, San Benito, San Luis Obispo, Santa Cruz, Sierra, Sutter, Tehama, Trinity, and Tuolumne** counties. The Director of Industrial Relations determined that the minimum acceptable rate for metal roofing in these counties would be one of the four rates which DLSR publishes as prevailing through broad areas of California (i.e. the Carpenter, Iron Worker, Roofer and Sheet Metal Worker rates published in the General Prevailing Wage Determinations).

These will remain the minimum rates unless and until the rate is successfully challenged, in the context of a specific job with payroll evidence that another rate prevails, under Labor Code Section 1773.4 (for a specific project) or should another party submit payroll data showing that there is a single rate prevailing in a broad labor market which includes these counties or for one of these counties, via petition meeting the requirements of under Title 8, California Code of Regulations section 16302. We will require, as the survey did, actual payroll data linked to a project on which a metal roof was installed by the worker paid that rate. Please note that in the successfully challenged county(ies), a wage and benefits survey will be conducted to determine the prevailing wage rate for this type of work.

**IMPORTANT NOTICE TO AWARDING BODIES,
OTHER INTERESTED PARTIES, AND CD RECIPIENTS
REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS FOR THE
CRAFT OF DRIVER (ON/OFF-HAULING TO/FROM CONSTRUCTION SITE)**

The Department of Industrial Relations (“Department”) conducted a wage investigation to determine the prevailing wage rate(s) for the craft of Driver (On/Off-Hauling to/from a Construction Site). Based on the results of this investigation, the Department has issued statewide prevailing wage determinations for the classifications of Dump Truck Driver and Mixer Truck Driver (see pages 2L-1 through 2L-6 and pages 2K-1 through 2K-16, respectively). These determinations will be applicable to public works projects advertised for bids on or after March 4, 2009.

The Department determined that the Dump Truck Driver rates found in the Teamsters Master Labor Agreement for on-site construction also set the prevailing rate for On/Off-Hauling to/from a Construction Site for Marin, Napa, Solano, Sonoma, and Yolo Counties. Based on the results of this investigation, this on-site determination does not apply to any other counties for On/Off-Hauling to/from a Construction Site. To find the applicable rate(s) for the Dump Truck Driver classification in Marin, Napa, Solano, Sonoma, and Yolo Counties, please refer to the prevailing wage determination for the craft of Teamster (Applies only to Work on the Construction Site) found on pages 55, 56, and 56A of the Director’s General Prevailing Wage Determinations.

For CD recipients, please note the correction that determination NC-23-261-4-2005-1 for the craft of Driver (On/Off-Hauling to/from a Construction Site), page 59, is no longer applicable to public works projects advertised for bids on or after March 4, 2009.
