MEMORANDUM OF UNDERSTANDING

City and County of San Francisco
Recreation and Park Department
and
Trust for Public Land

RENOVATION OF HAYES VALLEY PLAYGROUND

This Memorandum of Understanding ("MOU") is entered into as of SEPTEMBER 18, 2008, by and between the Trust for Public Land ("TPL"), national, nonprofit conservation organization, and the City and County of San Francisco ("City") acting through the Recreation and Park Department ("RPD"); collectively referred to herein as the ("Parties"). The purpose of this MOU is to delineate the responsibilities of each of the parties in the renovation of Hayes Valley Playground ("Project").

RECITALS

- A. The City, through the Recreation and Park Department, operates and maintains real property at Block 0819, Lot 026, on Hayes and Buchanan Street in San Francisco that is described on Exhibit A attached hereto, and is commonly referred to as "Hayes Valley Playground" ("Property"). The upper terrace of the Property, that is bound by Hayes Street to the north, Linden Street to the South, and Buchanan Street to the East, which comprises the main entry, a clubhouse building, and a developed children's play area, is referred to as the "Project Site." The property is under the jurisdiction of the Recreation and Park Commission ("Commission"). See Exhibit A – Project Location.
- B. In support of the development of the Project Site, TPL co-sponsored a series of public workshops with RPD to develop a community-supported conceptual plan. At a community workshop held on August 14, 2008 TPL and RPD presented the final conceptual improvement plan ("Conceptual Plan") for the renovation of Hayes Valley Playground. At that meeting the Conceptual Plan was supported by the community participants to renovate the Hayes Valley Playground to provide a safe, functional and aesthetically pleasing environment for pre-school and school-age children of all abilities and adults. Components of the plan include two age-specific playgrounds, an adult fitness area, landscaping, garden, and renovation of the clubhouse, which includes restroom facilities. See Exhibit B - Conceptual Plan.
- C. In its continued support for the Project Site, TPL is offering to provide a gift-in-place ("Gift"), valued at up to \$1,500,000 towards the planning, management and construction of improvements ("Improvements") to the Project Site based on the Conceptual Plan. This Gift includes funding for (a) plans and specifications for the Improvements based on the Conceptual Plan and in response to City review and project budget, (b) project management and construction management services to implement the Gift, and (c) construction of certain areas of the plans and specifications, as determined in a future Agreement with the City prior to construction, to implement the Gift.
- D. On _____, 2008, Resolution (XXX) the Commission recommended to the Board of Supervisors of the City ("Board") that the City accept the Gift.

E. The primary funding sources for the Project will be both private and public funds.

NOW, THEREFORE, subject to and effective upon the Board's acceptance of the Gift (the "Effective Date"), the Parties hereto agree as follows:

 - b. Detailed construction documents for the Project, reviewed by and subject to approval by RPD. TPL will provide (3) full size sets and a CD of the final construction documents signed by a licensed landscape architect to RPD.
 - c. TPL shall be responsible for obtaining any permit necessary to construct the Improvements, provided, however, that RPD shall cooperate with TPL to the extent reasonably practical and shall provide TPL with such reasonable assistance as requested by TPL.
2. RPD shall provide to TPL the following for the Project:
 - a. Commit \$650,000 from the FY 08-09 General Fund allocation and \$1,000,000 from the FY 09-10 General Fund allocation towards, but not limited to, construction of the Improvements and associated costs subject to the budgetary provisions of the San Francisco Charter. Parties acknowledge that the availability of the General Fund allocation is subject to future action(s) by the Board of Supervisors. Should the FY 09-10 General Fund allocation be reduced in whole or in part, TPL and the City will meet to revisit the scope of the Improvements and prepare a strategy for a mutually agreeable solution to project implementation.
 - b. Conceptual Plan as approved by the Commission.
 - c. Coordination for Recreation and Park Commission and Board of Supervisors reviews.
3. Prior to design development of the Project, TPL and RPD will enter into a separate Agreement specifying the terms under which construction, construction management, and final acceptance will occur thereon, which shall include the necessary protections for the City such as bonds, insurance and indemnification and shall require the payment of prevailing wages for all non-volunteer workers.
4. TPL agrees that in any contract(s) it enters into for the construction of the Improvements, the City shall be named as the third party beneficiary of the work.
5. RPD will be responsible for the maintenance of the Project after final acceptance of the Improvements in accordance with Proposition C maintenance standards.
6. The RPD reserves the right to remove or alter the site improvements at its sole discretion.
