SEC. 30.1. FINDINGS.

The Board of Supervisors finds and declares the following:

(a) In order to create jobs in the City, assist employers to find and keep skilled workers, and assist the unemployed and underemployed to become economically self-sufficient, the City provides workforce development programs that are administered by many City departments.

1 (b) Local, state, ~~and~~ federal, and private funds support the City's workforce development
2 programs. In order to obtain federal funds, state governors must create local areas and the
3 chief elected official of the local area must form a local workforce investment board.
4 (Workforce ~~Investment~~ Innovation and Opportunity Act of ~~1998~~ 2014, 29 U.S.C. sections ~~2801~~ 3101
5 *et seq.*) The California Legislature has adopted a statute implementing the federal workforce
6 development program. (California Unemployment Insurance Code sections ~~14299~~ 14000 *et*
7 *seq.*) The local workforce investment board must develop and submit to the governor a
8 four~~five~~-year plan to administer WIOA funds for local workforce investment programs (the "Local
9 Plan"). The local workforce investment board in San Francisco is Workforce Investment San
10 Francisco, commonly referred to as WISF.

11 ~~(c) In November 2004, the voters adopted Proposition I1 which created an Office of~~
12 ~~Economic Analysis under the Controller to report on pending City legislation that may impact~~
13 ~~the City economically. Proposition I also requires the Department Office of Economic and~~
14 ~~Workforce Development to prepare for the Board of Supervisors' approval the Strategic Plan~~
15 ~~for Economic Development, a three-year plan, with periodic updates, that reports on~~
16 ~~workforce development opportunities in the City.~~

17 ~~(dec)~~ The Human Rights Commission and the Office of Racial Equity, created by Ordinance
18 No. 188-19, developed a Citywide Racial Equity Framework, which identified workforce development
19 priorities, including collection of race, ethnicity, and other demographic data from participants in City-
20 funded programs in order to develop, implement, and evaluate strategies to advance the City's racial
21 equity objectives.

22 ~~(efd)~~ The San Francisco Economic Recovery Task Force developed 41 policy
23 recommendations through extensive stakeholder engagement during the COVID-19 pandemic
24 response, including recommendations to centralize the City's workforce development programs,
25

1 establish program-level monitoring, and coordinate service to the City's most economically vulnerable
2 populations, including Black, Indigenous, and communities of color.

3 (f) Audits from the Budget and Legislative Analyst's Office conducted in FY 2019-20 and FY
4 2020-21 identified the need for citywide coordination of workforce development programs, improved
5 mechanisms for workforce program monitoring and reporting, and mechanisms for citywide workforce
6 planning and management.

7 (g) An oversight committee comprised of City officers, and employees, and workforce
8 community representatives is needed to undertake long- and short-term planning for the City's
9 workforce development programs, to set goals and priorities for these programs, to coordinate
10 workforce development activities among City departments, and to monitor their effectiveness.

11 ~~(e) A committee comprised of nonprofit organizations that provide services to low-income San~~
12 ~~Francisco residents and those with barriers to employment is needed to advise the WISF and the~~
13 ~~oversight committee on client needs and workforce system priorities.~~

REVISED LEGISLATIVE DIGEST

(Amended in Board, 9/20/2022)

[Administrative Code - Workforce Development - Re-Establishing the Committee on City Workforce Alignment]

Ordinance amending the Administrative Code to re-establish the Committee on City Workforce Alignment; to give the Committee responsibility for planning and coordinating the City's Workforce Development programs; and to make other changes to the procedures governing the planning and implementation of Workforce Development programs.

Existing Law

The City develops the local workforce through various programs and services such as job readiness, pre-employment services, job training, placement, and career advancement services. The Office of Workforce and Economic Development administers these workforce development programs. The City's local workforce investment board, known as Workplace Investment San Francisco ("WISF"), sets City policy for workforce development, and submits workforce investment plans to the Governor pursuant to state law.

Amendments to Current Law

The ordinance would establish a Committee on Workforce Alignment (the "Alignment Committee"), a 17-member body comprised of one member of the Board of Supervisors, ten members from specified City departments, and six public representatives. The Alignment Committee would be responsible for coordinating workforce development services across City departments to increase their effectiveness, and for submitting to the WISF for its review and comment a Citywide workforce development plan, which would include a 5-year assessment of existing workforce development services and an assessment of anticipated needs. City departments engaged in workforce development services would periodically be required to provide information to the Alignment Committee.

Background Information

The City first established the Alignment Committee in 2014 for a three-year period that expired in 2017 (Ordinance No. 084-14). In 2019, the City re-authorized the Alignment Committee (Ordinance No. 004-19), but then dissolved it (Ordinance No. 296-19).
