**Subject:** YC Scheduling Request for File No. 141042 Children's Outdoor Bill of Rights

Hi, Victor,

Nice to run into you in the hall last week and thanks for touching base about the scheduling of the hearing for Supervisor Farrell's Children's Outdoor Bill of Rights resolution at an afterschool time.

Below and attached, I've included the original request for the afterschool scheduling of the hearing on this item. It was originally referred for adoption without committee reference, but at our request, Supervisor Farrell agreed to request to send it to public safety & neighborhood services ('nee NSS) and schedule an afterschool hearing. Since the board election was up in the air for awhile, Carolyn recommended that we wait until new committee assignments were made to schedule the hearing.

If possible, we would love to see if this can be schedule at a youth-friendly time (4:00 pm or later) in February, but understand that things might be filling up for the month.

It is great to hear that the committee is regularly meeting at 2:00 pm which will allow for greater youth participation in general. We look forward to following the work of the committee under supervisor Mar's leadership.

Thanks, Victor. I've copied Peter as staff on youth issues as well.

Thank you for your receptiveness Jess. You are the first office this process was tested on. Lisa and I thought to refer to the Neighborhood Services and Safety Committee, unless you had another preference? Please advise.

Adele the process worked! Congratulations!

Thank you Lisa, for placing this communication in the file.

Hello, Supervisor Farrell,

I hope this finds you well. I am writing to ask that File No. 141042 concerning the Children's Outdoor Bill of Rights which is on Tuesday's agenda for adoption without committee reference be referred to the Youth Commission for comment and recommendation. As well, the Youth Commission office would like to recommend that this item be heard in a BOS committee, if possible.

I have copied Supervisors Campos and Mar as chair and vice chair of Neighborhood Services and Safety, so that they are aware of this request. I will follow up with the Clerk's office regarding the referral request, but wanted to reach out to you ahead of that request.

Thanks for your consideration.

Best,
