Public Utilities Commission (PUC)

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution (File 13-0497) would approve the award of a sole-source contract to perform emergency repair work in accordance with Administrative Code Section 6.60 to replace unsound roofs on Digesters #4, #6, #7, #8, and #10 and two biosolids storage cake bins at the Southeast Water Pollution Control Plant (SEP), in an amount not to exceed \$9,000,000.

Key Points

- On November 26, 2013, the President of the PUC authorized an emergency declaration to repair the roof of another digester (Digester #2) at the SEP, after engineers discovered large amounts of sludge had damaged the roof. These repairs were completed in March of 2013. The Monterey Mechanical Company was awarded a contract by the PUC on a sole-source basis to perform the emergency repairs.
- On March 11, 2013, the President of the PUC issued another emergency declaration, this time to repair Digesters #4, #6, #7, #8, and #10 at the SEP, as well as two biosolids (human waste) storage cake bins. Again, the Monterey Mechanical Company was awarded a contract by the PUC on a sole-source basis to perform the emergency repairs.

Fiscal Impact

- The proposed resolution authorizes an award in an amount not exceed \$9,000,000, including an estimated \$8,250,000 to repair the five digesters and \$750,000 to repair the two biosolids storage cake bins at the SEP.
- The PUC has not submitted a separate emergency resolution to cover the \$1,335,427 cost of the emergency repairs to Digester #2 at the SEP.

Policy Considerations

- The SEP requires at least eight digesters to fully handle the City's wastewater treatment needs. One digester was destroyed during a roof collapse in 1997, and has never been replaced. As a result, the PUC has maintained only nine digesters for the last 16 years. Lack of planning to repair the SEP digesters on an ongoing basis appears to have resulted in the multiple subject emergency declarations and resulted in sole source emergency contracts.

Recommendations

- Amend the proposed resolution to authorize the PUC's Wastewater Enterprise to increase the authorized not-to-exceed emergency contract amount with the Monterey Mechanical Company by \$1,335,427 from a not-to-exceed \$9,000,000 to a not to exceed \$10,335,427 for the repairs of a total of six digesters and two storage cake bins.
- Approve the amended resolution, as amended.

MANDATE STATEMENT AND BACKGROUND

Mandate Statement

In accordance with Administrative Code Section 6.60, an emergency contract awarded by a City department that exceeds \$250,000 requires approval by the Board of Supervisors. Administrative Code provisions also authorize department heads responsible for such emergency work to award and proceed with emergency contracts, which are not subject to the City's regular competitive bidding procedures. The Administrative Code defines an emergency as a sudden, unforeseeable and unexpected occurrence or a discovery of a condition involving a clear and imminent danger, demanding immediate action to prevent or mitigate loss or damage to, life, health, property or essential public services.

Background

Southeast Water Pollution Control Plant (SEP)

The Southeast Water Pollution Control Plant (SEP), located at 750 Phelps Street in Bayview-Hunters Point, is a critical part of the Public Utilities Commission's (PUC) wastewater treatment system, as the SEP handles approximately two-thirds of the City's wastewater, before being released into the Bay.

According to the San Francisco Sewer System Master Plan issued by the PUC in 2010, the SEP was constructed in 1951, significantly upgraded in 1982, but has now outlived its operational usefulness and is in critical need of replacement. The entire plant is slated to be replaced under the PUC's proposed Biosolids Digester Facilities Projects (BDFP), which is anticipated to commence in 2018, at an estimated cost of \$1.186 billion. Just like the current SEP, the new BDFP will take wastewater and human waste and break it down into its least harmful components. Solid waste will be separated, with "grit" being disposed of in a landfill and organic waste converted into fertilizer for commercial use. The water separated from this waste will be treated and then released into the Bay. Gases that arise from breaking down the organic waste will be captured and used to power about one-half of the facility's energy needs.

Emergency Repairs at Digester #2

The SEP contains ten digesters, which are large storage tanks that are used to break down organic materials in the wastewater and then remove the bacteria that may pose a health risk to the public. According to PUC Senior Project Manager Jignesh Desai, Digester #5 was destroyed during a roof collapse in 1997, and has never been replaced. As a result, the PUC can only operate nine digesters at the SEP. According to Mr. Tommy Moala, Assistant General Manager of the PUC's Wastewater Enterprise, the SEP requires at least eight digesters for the plant to fully handle the City's wastewater treatment needs.

On November 26, 2012, engineers at the SEP noticed that the roof of one of the digesters (Digester #2) was corroded and that sludge¹ had accumulated on one side of the roof of the digester. The accumulation of sludge caused significant structural damage to the roof, causing it to warp and tilt to the side. Digester #2 was shut down and placed out-of-service in order to prevent the entire structure from collapsing. On November 27, 2012, the President of the PUC authorized an emergency declaration to repair the roof of Digester #2 at the SEP.

According to Mr. Moala, at the time Digester #2 was shutdown, there was one additional digester (Digester #3) at the SEP that had not been operational since August 14, 2012. At the time, the PUC was repairing Digester #3 under a previous work order contract with Southwest Construction Consultants. As a result, when Digester #2 was shut down, the SEP had only seven functioning digesters. According to Mr. Desai, seven digesters can only be used to temporarily handle the City's wastewater treatment needs. Mr. Desai advises that the repairs to Digester #3 were completed in June of 2013, returning eight digesters to full operation.

The repairs to Digester #2 were initially estimated to cost \$1,000,000. According to Mr. Carlos Jacobo, Budget Director for the PUC, the emergency repairs to Digester #2 began on November 28, 2012 and were completed by the Monterey Mechanical Company in March of 2013. The Monterey Mechanical Company was awarded a contract by the PUC on a sole-source basis to perform the emergency repairs because workers from this firm were already on-site at the SEP repairing corrosion damage at a neighboring dewatering facility². While initially estimated to cost \$1,000,000, the repairs to Digester #2 ended up costing a total of \$1,335,427, which was \$335,427 or approximately 34% more than the initial estimate.

Emergency Repairs at Five Digesters and Two Cake Bins

On March 11, 2013, the President of the PUC issued another emergency declaration, this time to repair Digesters #4, #6, #7, #8, and #10 at the SEP, as well as two biosolids (human waste) storage cake bins, which are large structures that hold dry waste until the dry waste can be picked up and used for fertilizer and other commercial uses.

In a memorandum from Mr. Moala to Mr. Art Torres, President of the PUC, Mr. Moala stated that these digesters and storage bins are "on the verge of catastrophic failure" due to corrosion on the roofs of five digesters (similar to those at Digester #2) and "severe corrosion" at the two storage cake bins. In addition, the PUC believes that the SEP is at great risk of violating State and Federal health and environmental regulations as a result of these corruptions. Mr. Moala also notes in his memorandum that the PUC Wastewater Enterprise has already received two permit violation notices from the Bay Area Air Quality Management District (BAAQMD) due to odors emanating from leaks in the storage cake bins and reaching residents in surrounding neighborhoods.

¹ Sludge refers to the semi-solid waste that must be treated and decontaminated before leaving the plant. Digesters act as a settling tank where sludge is exposed to bacteria and slowly broken down into less harmful parts, which are either landfilled or converted into fertilizer.

² A dewatering facility helps thicken sludge to reduce the amount that needs to be disposed. The water that remains is then treated and released into the Bay.

According to Mr. Jacobo, the Monterey Mechanical Company was again awarded a contract on a sole-source basis by the PUC to complete this SEP emergency work on Digesters #4, #6, #7, #8 and #10 and at the two storage cake bins, because (a) of the company's familiarity with the digesters and cake bins at the SEP, and (b) that the Company had recently completed successful repairs to Digester #2. On April 9, 2013, the Monterey Mechanical Company began making such emergency repairs on the remaining five digesters and two storage cake bins (beginning with Digester #8) under a contract not-to-exceed \$9,000,000.

According to Mr. Jignesh Desai, Senior Project Manager at the PUC, as of July 1, 2013, the Monterey Mechanical Company had completed removing 1.5 million gallons of undigested sludge and welded new metal plates onto the corroded area of the roof. According to Mr. Jacobo, the repairs to these five digesters and two storage cake bins are estimated to be completed in September, 2015. According to Mr. Moala, only one or two digesters can be repaired at a time, given the demand to keep multiple digesters operational to handle the City's wastewater treatment needs.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the award of a sole-source contract to perform emergency repair work in accordance with Administrative Code Section 6.60 to replace the unsound roofs on five digesters, Digesters #4, #6, #7, #8, and #10 (not including the repairs at Digester #2) and the two biosolids storage cake bins at the Southeast Water Pollution Control Plant (SEP), in an amount not to exceed \$9,000,000.

FISCAL IMPACTS

Table 1 below contains an estimated expenditure schedule for completion of the requested emergency work to replace the roofs on the five digesters and two biosolids storage cake bins at a not to exceed cost of \$9,000,000.

Table 1: Estimated Expenditure Schedule for Digester and Cake Bin Repairs at the Southeast Water Pollution Control Plan

	April 2013 Sept 2013	Oct 2013 Mar 2014	April 2013 Sept 2014	Oct 2014 Mar 2015	April 2013 Sept 2015	Total
Digester 8	\$1,050,000					\$1,050,000
Digester 4		\$1,800,000				\$1,800,000
Digester 6			\$1,800,000			\$1,800,000
Digester 7				\$1,800,000		\$1,800,000
Digester 10					\$1,800,000	\$1,800,000
Subtotal						\$8,250,000
Cake Bins 3 & 4		\$750,000				\$750,000
Total	\$1,050,000	\$2,550,000	\$1,800,000	\$1,800,000	\$1,800,000	\$9,000,000

As shown in Table 1 above, the PUC estimates the cost to repair the five digesters will be \$8,250,000 and the two biosolids storage cake bins will be \$750,000, or a total estimated cost of \$9,000,000. The proposed resolution would approve the subject emergency contract in

accordance with Administrative Code Section 6.60 for the needed emergency repair work to replace the five digesters and two biosolids cake bins at the SEP for a not to exceed amount of \$9,000,000.

POLICY CONSIDERATIONS

Poor Planning by the PUC Leading up to the Emergency Work Order

As noted above, Digester #5 was destroyed during a roof collapse in 1997. The PUC stated that Digester #5 was never replaced because of (a) budgetary pressures from the voter-approved water and sewer rate freeze passed in 1998, and (b) the PUC was optimistic that the SEP would be entirely replaced shortly after Digester #5 collapsed in 1997. The PUC is only now planning the replacement of the SEP, called the Biosolids Digester Facilities Project (BDFP) at an estimated cost of \$1.186 billion, which is not anticipated to be fully operational until August of 2023. There is a proposed resolution (File 13-0589) on the July 10, 2013 Budget and Finance Committee calendar authorizing the General Manager of the PUC to enter into a not-to-exceed \$80,000,000 agreement for ten years, from July 29, 2013 through July 28, 2023 with Brown and Caldwell, Inc. for planning and engineering services related to the construction of the BDFP for replacement of the Southeast Water Pollution Control Plant (SEP). As a result, the PUC has maintained only nine digesters at the SEP since 1997, or for the last 16 years. With only nine available digesters and a requirement that eight always be operational, since 1997 the PUC has been operating within a very thin margin of error in terms of wastewater safety at the SEP. In addition, as noted above, at the time Digester #2 was shut down on November 26, 2012, there was one additional digester (Digester #3) at the SEP that had not been operational since August 14, 2012. Such lack of planning to repair the SEP digesters on an ongoing basis appears to have resulted in the multiple subject emergency declarations and resulted in sole source emergency contracts.

Proposed Resolution Does Not Cover the Total Cost of Executed Contracts

The proposed resolution does not include the emergency repairs to the SEP's Digester #2, which as discussed above, were also completed under a sole-source emergency contract with the Monterey Mechanical Company in March of 2013 at a cost of \$1,335,427. According to Mr. Jacobo, a separate emergency resolution has not been submitted to the Board of Supervisors for approval for the emergency repairs to Digester #2.

In accordance with the City's Administrative Code Section 6.60, an emergency contract awarded by a City department that exceeds \$250,000 requires approval by the Board of Supervisors.

Therefore, the proposed resolution should be amended to repair six digesters instead of five at the Southeast Water Pollution Control Plant and to increase the not-to-exceed amount of \$9,000,000 to repair six digesters and two biosolids cake bins by \$1,335,427 to a not-to-exceed

amount of \$10,335,427, in order to account for the \$1,335,427 previously expended to repair Digester #2.

RECOMMENDATIONS

1. Amend the proposed resolution to authorize the PUC's Wastewater Enterprise to increase the authorized not-to-exceed emergency contract amount with the Monterey Mechanical Company by \$1,335,427 from a not-to-exceed \$9,000,000 to a not to exceed \$10,335,427 for the repairs of a total of six digesters (instead of five digesters) and two storage cake bins.
2. Approve the proposed resolution, as amended.

SUBJECT: Declaration of Emergency: Repair Digester #2 Roof at Southeast Water Pollution Control Plant

On November 26, 2012, the SFPUC Wastewater Enterprise's Operations requested an emergency be declared to repair the Digester #2 roof at the Southeast Plant. During a routine inspection, the SFPUC Wastewater Enterprise's (WWE) Operations Staff observed that a large volume of sludge had accumulated on the metal roof of Digester #2. Further investigation revealed the presence of significant corrosion that had resulted in holes in the digester roof, allowing undigested sludge to flow to the top of the roof. The weight of the sludge caused an imbalance of the roof, which if not immediately corrected could result in a catastrophic failure of the entire digester.

At this time, Digester #2 is no longer functional and immediate repairs are required to maintain permit compliance. Coincidentally, Digester #3 is currently out of service for scheduled roof repair work to address corrosion. The failure of Digester #2 has left the WWE with only five active digesters and two storage digesters. A minimum of six active digesters are needed to ensure the appropriate level of treatment can be provided.

It is in the best interest of the City to declare an emergency for this work in order to mitigate the potential risks to the health and safety of facility personnel and surrounding Southeast Community.

This request for emergency declaration is for resources and materials to perform the work beyond the capabilities of the City forces as soon as possible for an estimated cost not-to-exceed \$1,000,000.

I am therefore declaring the existence of an emergency. I trust that this meets with your concurrence and approval.

SUBJECT: Declaration of Emergency: Repair Digester Roofs System and Biosolids
Cake Bins at Southeast Water Pollution Control Plant

On March 5, 2013, the SFPUC Wastewater Enterprise (WWE) requested an emergency be declared to repair the unsound roofs on five digesters and two biosolids storage cake bins at the Southeast Treatment Plant (SEP). Due to the extremely deteriorated condition of the existing aged biosolids treatment and handling facilities at SEP, many necessary processes have failed and additional systems are on the verge of catastrophic failure due to severe corrosion. This situation has posed a severe risk to permit compliance, health and safety of plant personnel, and has caused significant impacts to the neighboring residential community.

At this time, Digesters 2, 3, and 8 are out of service due to failed roof systems and excessive grit in Digester 8. The recent failures have left the WWE essentially with only five active digesters and one storage digester. A minimum of six active digesters and two storage digesters are needed to ensure the appropriate level of treatment can be provided. A total of five digesters (Numbers 4, 6, 7, 8, and 10) roof systems have experienced severe corrosion, degrading their support systems and roof structures, and are on the verge of roof collapse. In addition, two biosolids cake storage bins have corroded so severely that odorous emissions of gases are escaping and causing an odor nuisance in the neighboring community. WWE has received five odor complaints that have been confirmed by Bay Area Air Quality Management District (BAAQMD). In addition, two permit violations notices were issued by BAAQMD in recent months for the Southeast Plant. Further confirmed odor complaints and notice of violation will place a severe burden administratively and/or fiduciary on WWE by BAAQMD along with an adverse public relations.

It is in the best interest of the City to declare an emergency for this work to repair the digester facility roofs in order to mitigate the potential risks to the health and safety of facility personnel, ensure permit compliance and protect the surrounding Southeast Community.

This request for emergency declaration is for resources and materials to perform the work beyond the capabilities of the City forces as soon as possible for an estimated cost not-to-exceed \$9,000,000.

I am therefore declaring the existence of an emergency. I trust that this meets with your concurrence and approval.

The Work shall be Substantially Complete within 730 days, beginning with and including the official date of Notice to Proceed as established by the GENERAL MANAGER, and Finally Complete in accordance with Article 9 of the General Conditions (Document 00700) within 90 consecutive calendar days after the date the CITY issues a Notice of Substantial Completion.

(Document 00700). The CITY and CONTRACTOR further understand and agree that the actual cost to CITY which would result from CONTRACTOR's failure to complete the Work within the Contract Time is extremely difficult, if not impossible, to determine. Accordingly, CONTRACTOR and the CITY agree that as liquidated damages for delay (but not as a penalty), CONTRACTOR shall pay the CITY the amounts set forth in Document 00802 (Contract Time and Liquidated Damages) for each calendar day that expires after the above Contract Times and the Work remains incomplete.

- B. Each laborer, mechanic or artisan employed in the provision of the Work, for each calendar day or portion thereof during which such laborer, mechanic or artisan is compelled or permitted to work for a longer period than five days (Monday-Friday) per calendar week of eight hours each, and not compensated in accordance with the prevailing overtime standard and rate.

ARTICLE 5 – INDEMNITY

5.01 To the fullest extent permitted by law, and consistent with California Civil Code section 2782, the CONTRACTOR shall assume the defense of, indemnify and hold harmless the CITY, its boards and commissions, other parties designated in Document 00805, and all of their officers, agents, members, employees, authorized representatives, or any other persons deemed necessary by any of them acting within the scope of the duties entrusted to them, from all claims, suits, damages, actions, losses and liabilities of every kind, nature and description, including but not limited to attorney's fees, directly or indirectly arising out of, connected with or resulting from the performance or nonperformance of the Work. No action or failure to act shall in any way abridge the rights and obligations of the Parties to the Contract Documents, or condone a breach thereunder, unless expressly agreed to by the Parties in writing. All remedies provided in the Contract Documents shall be taken and construed as cumulative; that is, in addition to each and every other remedy herein provided, the CITY shall have any and all equitable and legal remedies that it would in any case have.

6.02 No Waiver. No waiver of any breach of any provision of the Contract Documents shall be held to be a waiver of any other or subsequent breach. The only waiver by the CITY shall be a waiver in writing that explicitly states the item or right being waived.

- 6.03 CITY's Remedies for False Claims and Other Violations. The Contractor or any Subcontractor or Supplier who fails to comply with the terms of this AGREEMENT, who violates any provision of Chapter 6 of the Administrative Code or rules and regulations adopted per that Chapter, who submits false claims, or who violates against any governmental entity a civil or criminal law relevant to its ability to perform under or comply with the terms and conditions of the AGREEMENT, may be subject to monetary penalties and may be declared an irresponsible bidder and debarred by operation of statute. (San Francisco Administrative Code section 6.80, et seq.) The Contractor shall include in each subcontract and purchase order for Work a clause incorporating the provisions of this Paragraph 6.03.

Supplementary provisions in the Contract Documents shall not be deemed to be in conflict. It is expressly agreed by and between CONTRACTOR and the CITY that should there be any conflict between the terms of this AGREEMENT and the Bid of CONTRACTOR, then this AGREEMENT shall control and nothing herein shall be considered as an acceptance of any terms of the Bid which conflict with this AGREEMENT.

INTER-OFFICE MEMORANDUM

DATE: March 11, 2013

TO: The Honorable Art Torres
President, San Francisco Public Utilities Commission

THROUGH: Harlan L. Kelly, Jr. *HLK*
General Manager

FROM: Tommy T. Moala *Tommy*
Assistant General Manager, Wastewater Enterprise

SUBJECT: Declaration of Emergency: Repair Digester Roofs System and Biosolids
Cake Bins at Southeast Water Pollution Control Plant

On March 5, 2013, the SFPUC Wastewater Enterprise (WWE) requested an emergency be declared to repair the unsound roofs on five digesters and two biosolids storage cake bins at the Southeast Treatment Plant (SEP). Due to the extremely deteriorated condition of the existing aged biosolids treatment and handling facilities at SEP, many necessary processes have failed and additional systems are on the verge of catastrophic failure due to severe corrosion. This situation has posed a severe risk to permit compliance, health and safety of plant personnel, and has caused significant impacts to the neighboring residential community.

At this time, Digesters 2, 3, and 8 are out of service due to failed roof systems and excessive grit in Digester 8. The recent failures have left the WWE essentially with only five active digesters and one storage digester. A minimum of six active digesters and two storage digesters are needed to ensure the appropriate level of treatment can be provided. A total of five digesters (Numbers 4, 6, 7, 8, and 10) roof systems have experienced severe corrosion, degrading their support systems and roof structures, and are on the verge of roof collapse. In addition, two biosolids cake storage bins have corroded so severely that odorous emissions of gases are escaping and causing an odor nuisance in the neighboring community. WWE has received five odor complaints that have been confirmed by Bay Area Air Quality Management District (BAAQMD). In addition, two permit violations notices were issued by BAAQMD in recent months for the Southeast Plant. Further confirmed odor complaints and notice of violation will place a severe burden administratively and/or fiduciary on WWE by BAAQMD along with an adverse public relations.

It is in the best interest of the City to declare an emergency for this work to repair the digester facility roofs in order to mitigate the potential risks to the health and safety of facility personnel, ensure permit compliance and protect the surrounding Southeast Community.

This request for emergency declaration is for resources and materials to perform the work beyond the capabilities of the City forces as soon as possible for an estimated cost not-to-exceed \$9,000,000.

I am therefore declaring the existence of an emergency. I trust that this meets with your concurrence and approval.

The Contract Documents, which comprise the entire agreement between CONTRACTOR and the CITY concerning the Provision of the Work, are defined in the General Conditions (Document 00700). Any undefined term used in this AGREEMENT shall be given the definition set forth in the General Conditions (Document 00700).

- 1.02 Contractor's General Responsibilities. CONTRACTOR shall provide a fully functional, complete and operational Project constructed in accordance with the Contract Documents, including but not limited to, all investigations, analyses, surveys, engineering, procurement, materials, labor, workmanship, construction and erection, commissioning, equipment, shipping, subcontractors, material suppliers, permits, insurance, bonds, fees, taxes, duties, documentation, spare parts, materials for initial operation, security, disposal, startup, testing, training, warranties, guarantees, and all incidentals.
- 1.03 Compliance with Laws.

The CITY and CONTRACTOR further understand and agree that the actual cost to CITY which would result from CONTRACTOR's failure to complete the Work within the Contract Time is extremely difficult, if not impossible, to determine. Accordingly, CONTRACTOR and the CITY agree that as liquidated damages for delay (but not as a penalty), CONTRACTOR shall pay the CITY the amounts set forth in Document 00802 (Contract Time and Liquidated Damages) for each calendar day that expires after the above Contract Times and the Work remains incomplete.

The liability of CONTRACTOR shall not be limited to the amount of insurance coverages required under the Contract Documents. This indemnification shall not be valid in the instance where the loss is caused by the sole negligence or intentional tort of any person indemnified herein.

ARTICLE 6 – RIGHTS AND REMEDIES

- 6.01 General. The provisions of the Contract Documents shall not limit the duties, obligations, rights and remedies otherwise imposed or available by law or in equity. No action or failure to act shall in any way abridge the rights and obligations of the Parties to the Contract Documents, or condone a breach thereunder, unless expressly agreed to by the Parties in writing. All remedies provided in the Contract Documents shall be taken and construed as cumulative; that is, in addition to each and every other remedy herein provided, the CITY shall have any and all equitable and legal remedies that it would in any case have.
- 6.02 No Waiver. No waiver of any breach of any provision of the Contract Documents shall be held to be a waiver of any other or subsequent breach. The only waiver by the CITY shall be a waiver in writing that explicitly states the item or right being waived.
- 6.03 CITY's Remedies for False Claims and Other Violations. The Contractor or any Subcontractor or Supplier who fails to comply with the terms of this AGREEMENT, who violates any provision of Chapter 6 of the Administrative Code or rules and regulations adopted per that Chapter, who submits false claims, or who violates against any governmental entity a civil or criminal law relevant to its ability to perform under or comply with the terms and conditions of the AGREEMENT, may be subject to monetary penalties and may be declared an irresponsible bidder and debarred by operation of statute. (San Francisco Administrative Code section 6.80, et seq.) The Contractor shall include in each subcontract and purchase order for Work a clause incorporating the provisions of this Paragraph 6.03.

Supplementary provisions in the Contract Documents shall not be deemed to be in conflict. It is expressly agreed by and between CONTRACTOR and the CITY that should there be any conflict between the terms of this AGREEMENT and the Bid of CONTRACTOR, then this AGREEMENT shall control and nothing herein shall be considered as an acceptance of any terms of the Bid which conflict with this AGREEMENT.

ARTICLE 8 – GOVERNING LAW AND VENUE

- 8.01 Governing Law. The Contract Documents shall be interpreted in accordance with the laws of the State of California and the provisions of the CITY's Charter and Administrative Code, including but not limited to Chapter 6 of the San Francisco Administrative Code, which is incorporated by this reference as if set forth

INTER-OFFICE MEMORANDUM

DATE: November 27, 2012

TO: The Honorable Art Torres
President, San Francisco Public Utilities Commission

THROUGH: Harlan L. Kelly, Jr. *Harlan Kelly*
General Manager

FROM: Tommy T. Moala *Tommy Moala*
Assistant General Manager, Wastewater Enterprise

SUBJECT: Declaration of Emergency: Repair Digester #2 Roof at Southeast Water Pollution Control Plant

On November 26, 2012, the SFPUC Wastewater Enterprise's Operations requested an emergency be declared to repair the Digester #2 roof at the Southeast Plant. During a routine inspection, the SFPUC Wastewater Enterprise's (WWE) Operations Staff observed that a large volume of sludge had accumulated on the metal roof of Digester #2. Further investigation revealed the presence of significant corrosion that had resulted in holes in the digester roof, allowing undigested sludge to flow to the top of the roof. The weight of the sludge caused an imbalance of the roof, which if not immediately corrected could result in a catastrophic failure of the entire digester.

At this time, Digester #2 is no longer functional and immediate repairs are required to maintain permit compliance. Coincidentally, Digester #3 is currently out of service for scheduled roof repair work to address corrosion. The failure of Digester #2 has left the WWE with only five active digesters and two storage digesters. A minimum of six active digesters are needed to ensure the appropriate level of treatment can be provided.

It is in the best interest of the City to declare an emergency for this work in order to mitigate the potential risks to the health and safety of facility personnel and surrounding Southeast Community.

This request for emergency declaration is for resources and materials to perform the work beyond the capabilities of the City forces as soon as possible for an estimated cost not-to-exceed \$1,000,000.

I am therefore declaring the existence of an emergency. I trust that this meets with your concurrence and approval.

A. Automatic Extended Reporting Period

In the event of the termination of this insurance before the expiration date shown in the Declarations, the INSURED shall be entitled to a ninety (90) day Automatic Extended Reporting Period for no additional premium. The Automatic Extended Reporting Period shall apply as follows:

- (1) A CLAIM first made against the INSURED during the POLICY PERIOD and reported to the Company, in writing, during the ninety (90) days immediately following the effective date of such termination will be deemed to have been made on the last day of the POLICY PERIOD, provided such CLAIM is otherwise covered by this Policy.
- (2) A CLAIM first made against the INSURED and reported to the Company, in writing, during the ninety (90) days immediately following the effective date of such termination will be deemed to have been made on the last day of the POLICY PERIOD, provided such CLAIM arises from:
 - (a) a POLLUTION CONDITION first discovered and reported to the Company, in writing, prior to such termination, and is otherwise covered by this Policy; or
 - (b) an actual or alleged act, error or omission in PROFESSIONAL SERVICES performed prior to such cancellation or non-renewal, and is otherwise covered by this Policy.

The Automatic Extended Reporting Period does not apply where:

- (1) the Policy is terminated for fraud or non-payment of premium; or
- (2) the INSURED has purchased other insurance to replace the insurance provided under this Policy.

For the purposes of Section V.A. – Automatic Extended Reporting Period, under this Policy:

- (1) either cancellation or non-renewal shall be deemed to be a termination of this insurance; and
- (2) in the event of non-renewal, the expiration date shown in the Declarations shall be deemed the effective date of the termination.

B. Optional Extended Reporting Period

The FIRST NAMED INSURED shall be entitled to purchase an Optional Extended Reporting Period upon cancellation or non-renewal of the Policy, subject to the following terms and conditions:

The FIRST NAMED INSURED shall be entitled to purchase an Optional Extended Reporting Period upon payment of an additional premium of not more than 200% of the full Policy Premium.

The Optional Extended Reporting Period shall be effective for three (3) consecutive three-hundred and sixty-five (365) day periods commencing immediately following the effective date of cancellation or non-renewal. The FIRST NAMED INSURED must elect to purchase this Optional Extended Reporting Period in writing within thirty (30) days from the cancellation or non-renewal of the Policy. The Automatic Extended Reporting Period of ninety (90) days will be merged into this period and is not in addition to this period.

The Optional Extended Reporting Period shall only apply to CLAIMS first made against the INSURED during the Optional Extended Reporting Period, but only by reason of:

- (a) a POLLUTION CONDITION that is first discovered and reported to the Company, in writing, during the POLICY PERIOD and otherwise covered by this Policy; or
- (b) an actual or alleged act, error or omission in PROFESSIONAL SERVICES performed prior to such cancellation or non-renewal, and is otherwise covered by this Policy.

- (b) in the event of non-renewal, the expiration date shown in the Declarations shall be deemed the effective date of the termination.

It is a condition precedent to the operation of the rights granted under Section V.B. that payment of the appropriate premium shall be made not later than thirty (30) days after expiration in the case of non-renewal or prior to cancellation in the case of cancellation.

For purposes of Section V., the Company's quotation of different Limits of Liability, Self-Insured Retentions, terms or conditions shall not be construed as either a termination of, or a decision not to renew, this Policy.

SECTION VI. LIMIT OF LIABILITY AND SELF-INSURED RETENTION

- A. The Limits of Liability and Self-Insured Retention shown in the Declarations and the rules below fix the most the Company will pay regardless of the number of INSUREDS, COVERED LOCATION(S), CONTRACTING SERVICES, PROFESSIONAL SERVICES, POLLUTION CONDITIONS, CLAIMS made, or persons or organizations making CLAIMS.
- B. For purposes of this Policy, the same or related POLLUTION CONDITIONS at any one JOB SITE where CONTRACTING SERVICES are performed, or at any one COVERED LOCATION, shall be deemed a single POLLUTION CONDITION. For purposes of this Policy, all of a group or series of related or connected actual or alleged acts, errors and omissions in PROFESSIONAL SERVICES shall be deemed a single actual or alleged act, error or omission in PROFESSIONAL SERVICES.
- C. This Policy will pay covered LOSS, CLEAN-UP COSTS, LEGAL EXPENSE or any other coverages afforded under this Policy or any endorsements attached hereto only (1) in excess of the applicable Self-Insured Retention Amount stated in the Declarations and (2) subject to the applicable Limit of Liability stated in the Declarations and the other terms and conditions of this Policy.
- D. The Self-Insured Retention Amount is to be borne by the INSURED and is not to be insured unless the Company has expressed its prior consent in writing to the FIRST NAMED INSURED. If the same or related POLLUTION CONDITION or actual or alleged act, error or omission in PROFESSIONAL SERVICES, results in coverage under more than one coverage section for which a limit is stated in the Declarations; or under any other coverage afforded under this Policy or any endorsements attached hereto, only the single highest Self-Insured Retention amongst such applicable coverages shall apply to that POLLUTION CONDITION or actual or alleged act, error or omission in PROFESSIONAL SERVICES, as applicable.

- E. Each POLLUTION CONDITION Limit - Subject to Items G. and H. below, the most the Company will pay for the sum of all LOSS, CLEAN-UP COSTS, and LEGAL EXPENSE under each coverage section stated in the Declarations, or under any other coverages afforded under this Policy or any endorsements attached hereto, arising out of the same or related POLLUTION CONDITION is the Each POLLUTION CONDITION Limit applicable to that particular coverage.
- F. Each Act, Error or Omission Limit - Subject to Items G. and H. below, the most the Company will pay for all LOSS and LEGAL EXPENSE under Coverage A arising out of any one actual or alleged act, error or omission, or out of any one group or series of related or connected actual or alleged acts, errors and omissions, in PROFESSIONAL SERVICES is the Each Act, Error or Omission Limit stated in the Declarations.
- G. Coverage Section Aggregate Limit - Subject to Item H. below, the Company's total liability for the sum of all LOSS, CLEAN-UP COSTS, and LEGAL EXPENSE under each coverage section stated in the Declarations, or under any other coverages afforded under this Policy or any endorsements attached thereto, during the POLICY PERIOD or EXTENDED REPORTING PERIOD, if applicable, shall not exceed the Coverage Aggregate Limit of Liability applicable to that particular coverage.
- H. Policy Aggregate Limit - The Company's total liability for the sum of all LOSS, CLEAN-UP COSTS, LEGAL EXPENSE and any other coverages afforded under this Policy or any endorsements attached thereto, shall not exceed the Policy Aggregate Limit of Liability as stated in the Declarations.
- I. Progressive, indivisible BODILY INJURY, PROPERTY DAMAGE or ENVIRONMENTAL DAMAGE over more than one POLICY PERIOD, and resulting from the same or related POLLUTION CONDITION, shall be considered to have occurred only in the POLICY PERIOD in which the first exposure to the POLLUTION CONDITION takes place. If the date of that first exposure (1) is prior to the beginning of the Policy Period of the first Contracting Services Environmental Liability Policy issued to the INSURED by the Company, or (2) cannot be determined, then such progressive, indivisible BODILY INJURY, PROPERTY DAMAGE or ENVIRONMENTAL DAMAGE shall be considered to have occurred only on the first day of the Policy Period of the first Contracting Services Environmental Liability Policy issued to that INSURED by the Company.
- J. Any LOSS, CLEAN-UP COSTS, LEGAL EXPENSE or any other coverages afforded under this Policy or any endorsements attached hereto, incurred and reported to the Company, in writing, over more than one POLICY PERIOD, and resulting from the same or related POLLUTION CONDITION or, the same or related actual or alleged act, error or omission in PROFESSIONAL SERVICES, shall be considered a single POLLUTION CONDITION or a single actual or alleged act, error or omission in PROFESSIONAL SERVICES, respectively. The LOSS, CLEAN-UP COSTS, LEGAL EXPENSE or any other coverages afforded under this Policy or any endorsements attached thereto will be subject to the same Limit of Liability and Self-Insured Retention Amount(s) in effect at the time the POLLUTION CONDITION, or actual or alleged act, error or omission in PROFESSIONAL SERVICES, as applicable, was first reported to the Company in writing during the POLICY PERIOD or an applicable EXTENDED REPORTING PERIOD.

SECTION VII. REPORTING, DEFENSE, SETTLEMENT AND COOPERATION

- A. As a condition precedent to the coverage hereunder, in the event a CLAIM is made against the INSURED for LOSS or CLEAN-UP COSTS, or a POLLUTION CONDITION is first discovered that results in a LOSS or CLEAN-UP COSTS, written or oral notice containing particulars sufficient to identify the INSURED and all reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the INSURED to the Company or any of its authorized agents as soon as practicable. In the event of oral notice, the INSURED agrees to furnish a written report as soon as practicable. The INSURED shall also forward to the Company every demand, notice, summons, order or other process received by the INSURED or the INSURED's representative as soon as practicable.
- B. No costs, charges or expenses shall be incurred, nor payments made, obligations assumed or remediation commenced, without the Company's consent which shall not be unreasonably withheld. This provision does not apply to costs incurred by the INSURED on an emergency basis, where delay on the part of the INSURED would cause injury to persons or damage to property or increase significantly the cost of responding to a POLLUTION CONDITION. The INSURED shall notify the Company of all such expenses immediately after the emergency ends.

- C. The Company shall have the right to designate legal counsel for the investigation, adjustment and defense of CLAIMS. The Company shall consult with the INSURED in conjunction with the selection of counsel. The Company shall have the right and duty to defend an INSURED against any CLAIM for LOSS or for CLEAN-UP COSTS, however, the Company will have no duty to defend the INSURED for LOSS or for CLEAN-UP COSTS to which this Policy does not apply.
- D. Once the applicable Limit of Liability has been exhausted, the Company shall not be obligated to defend or continue to defend any CLAIM or pay for any LOSS, CLEAN-UP COSTS or other coverage afforded under this Policy.
- E. The Company may, where allowable by law, appoint one counsel to defend all of the INSUREDs under this Policy on a joint defense basis.
- F. In the event that the INSURED is entitled by law to select independent counsel (Cumis Counsel) to defend the INSURED at the Company's expense, that counsel's fees and all other litigation expenses charged to or paid by the Company shall be limited to the same rates that the Company would pay to counsel selected by the Company to defend a similar CLAIM in the location where the CLAIM arose or is being defended. The Company may require that such counsel meet certain minimum qualifications and maintain adequate errors and omissions insurance. The INSURED agrees that such counsel will timely respond to the Company's request for information.
- G. The INSURED shall not admit liability or settle any CLAIM without the Company's consent. If the Company recommends a monetary settlement of a CLAIM acceptable to a claimant:
1. for an amount within the Self-Insured Retention Amount and the INSURED refuses such settlement, the Company shall not be liable for any LOSS, CLEAN-UP COSTS, LEGAL EXPENSE, or any other coverages afforded under this Policy or any endorsements attached hereto, in excess of the Self-Insured Retention Amount; or
 2. for a total amount in excess of the Self-Insured Retention and within the applicable Limits of Liability and the INSURED refuses such settlement, the Company's liability for LOSS, CLEAN-UP COSTS, LEGAL EXPENSE, or any other coverages afforded under this Policy or any endorsements attached hereto, shall be limited to that portion of the sum of (a) the recommended settlement and (b) the costs, charges and expenses already incurred as of the date of the INSURED's refusal, which exceeds the Self-Insured Retention Amount and is within the Limit of Liability.
- H. All INSUREDs shall cooperate with the Company and upon the Company's request shall submit to examination by a representative of the Company, under oath if required, and shall attend hearings, depositions and trials and shall assist in effecting settlement, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits, as well as in the investigation and/or defense, all without charge to the Company. The INSURED shall further cooperate with the Company and do whatever is necessary to secure and enforce any rights of indemnity; contribution or apportionment which the INSURED may have.
- I. If during the POLICY PERIOD the INSURED first becomes aware of an actual or alleged act, error or omission in PROFESSIONAL SERVICES that first commenced on or after the Retroactive Date stated in the Declarations which the INSURED reasonably believes may result in a CLAIM (herein referred to as a Circumstance), the INSURED may provide written notice to the Company during the POLICY PERIOD containing all of the information stated below. Any such Circumstance that subsequently becomes a CLAIM made against the INSURED and reported to the Company, in writing, within three (3) years after the end of the POLICY PERIOD shall be considered to have been first made and reported during the POLICY PERIOD and shall be subject to all of the terms and conditions of this Policy. It is a condition precedent to the coverage under this provision that such written notice to the Company of a Circumstance contain all of the following information:
1. details of the actual or alleged act, error or omission in PROFESSIONAL SERVICES, including the specific PROFESSIONAL SERVICES involved; and
 2. the injury or damage that has taken place or may result; and
 3. the date the actual or alleged act, error or omission in PROFESSIONAL SERVICES took place; and
 4. the identity of the INSURED(s) who may be the subject of any subsequent CLAIM; and
 5. the likely location of any subsequent CLAIM; and
 6. the names and addresses of all known potential witnesses and claimants; and
 7. details of how the INSURED became aware of the Circumstance.

The Company shall determine, in its sole reasonable judgment, whether an INSURED's written notice adequately supplies the information described in 1. through 7. and satisfies the condition precedent.

This provision I. applies only to Coverage A.

SECTION VIII. TRANSFER OF LEGAL DEFENSE DUTIES

- A. If the Company believes that any of the applicable Limits of Liability stated in the Declarations has been or soon will be exhausted in defending a CLAIM, or that the Company has paid out or will soon pay out the Policy Aggregate Limit of Liability stated in the Declarations, the Company will so notify the FIRST NAMED INSURED in writing as soon as possible. The Company will advise that its duty to defend CLAIMS seeking damages subject to those limits has terminated, subject to payment of the limits, and that it will no longer handle the defense of any CLAIM for which notice is given after the date it sends out such notice. The Company will take prompt and appropriate steps to transfer control of any existing defense prior to exhaustion of the limits to the FIRST NAMED INSURED. The FIRST NAMED INSURED agrees to reimburse the Company for any costs which the Company bears in connection with the transfer of the defense.
- B. The Company will take appropriate steps necessary to defend the CLAIM during the transfer of the defense and avoid any unfavorable legal action provided that the INSURED cooperates in the transfer of the duties of the defense.
- C. The Company's failure to comply with any of the provisions of Section VIII. shall in no way obligate the Company to defend or continue to defend any CLAIM, or to pay any LOSS, CLEAN-UP COSTS or other sum covered under this Policy, after exhaustion of an applicable Limit of Liability.

SECTION IX. CONDITIONS

- A. **ACTION AGAINST COMPANY** - No action brought by an organization or entity, other than an INSURED, shall lie against the Company unless, as a condition precedent thereto, the INSURED has fully complied with all of the terms of this Policy and, the amount of the INSURED's obligation to pay shall have been finally determined either by judgment against the INSURED after actual trial or by written agreement of the INSURED, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this Policy to the extent of the insurance afforded by this Policy. No person or organization shall have any right under this Policy to join the Company as a party to any action against the INSURED to determine the INSURED's liability, nor shall the Company be impleaded by the INSURED or his legal representative.

- B. **ASSIGNMENT** - This Policy shall be void as to the assignee or transferee, if assigned or transferred without written consent of the Company.
- C. **BANKRUPTCY** - Bankruptcy or insolvency of the INSURED or of the INSURED's estate shall not relieve the Company of any of its obligations hereunder.
- D. **CANCELLATION** - This Policy may be cancelled by the FIRST NAMED INSURED by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. In the event of cancellation by the FIRST NAMED INSURED, the return premium shall be computed in accordance with the customary short rate table and procedure after applying the minimum earned premium percentage stated in the Declarations. If a CLAIM is made, a POLLUTION CONDITION is discovered or coverage is otherwise afforded under this Policy, then the premium shall be considered fully earned by the Company and the INSURED is not entitled to a return premium upon cancellation.

This Policy may be cancelled by the Company by mailing to the FIRST NAMED INSURED at the address shown in the Declarations, written notice stating when not less than ninety (90) days [ten (10) days for non-payment of premium] thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the POLICY PERIOD. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment

may be made either at the time cancellation is affected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

This Policy may be cancelled by the Company for the following reasons: (1) Non-payment of premium, or (2) Fraud or material misrepresentation on the part of the INSURED, such as can be proven in a court of law.

- E. CHANGES** - Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this Policy or estop the Company from asserting any right under the terms of this Policy; nor can the terms of this Policy be waived or changed, except by an endorsement issued by the Company to form a part of this Policy.
- F. CHOICE OF LAW** - All matters arising hereunder, including questions related to the validity, interpretation, performance and enforcement of this Policy, shall be determined in accordance with the law and practice of the State of New York (not including New York's choice of law rules).
- G. CONSENT** - Where the consent of the Company or the INSURED is required under this Policy, such consent shall not be unreasonably withheld, delayed, conditioned or denied.
- H. DECLARATIONS AND REPRESENTATIONS** - By acceptance of this Policy, the INSURED agrees that the statements contained in the Declarations, the application and any other supplemental materials and information submitted in connection with the application or any amendments to the Policy during the POLICY PERIOD are the INSURED's declarations and representations, that they shall be deemed material, that this Policy is issued in reliance upon the truth of such declarations and representations and that this Policy embodies all agreements existing between the INSURED and the Company or any of its agents relating to this insurance.
- I. HEADINGS** - The descriptions in the headings of this Policy are solely for convenience and form no part of the Policy terms and conditions.
- J. INSPECTION AND AUDIT** - The Company shall be permitted but not obligated to inspect and monitor on a continuing basis the INSURED's property or operations and any JOB SITE and COVERED LOCATION(S), at any time. Neither the Company's right to make inspections and monitor, nor the actual undertaking thereof, nor any report thereon, shall constitute an undertaking, on behalf of the INSURED or others, to determine or warrant that property or operations are safe, healthful or conform to acceptable engineering practice or are in compliance with any law, rule or regulation. Access for the inspection and audit will be coordinated through the broker or agent of the FIRST NAMED INSURED.
- K. JURISDICTION AND VENUE** - It is agreed that in the event of the failure of the Company to pay any amount claimed to be due hereunder, the Company and the INSURED will submit to the jurisdiction of the State of New York and will comply with all the requirements necessary to give such court jurisdiction. Nothing in this clause constitutes or should be understood to constitute a waiver of the Company's right to remove an action to a United States District Court.
- L. OTHER INSURANCE** - Subject to Section VI., Limit of Liability and Self-Insured Retention, this insurance shall apply only in excess of the sum of the Self-Insured Retention amount stated in the Declarations and the applicable limits of any other valid and collectible insurance available to the INSURED, whether such other insurance is stated to be primary, pro rata, contributory, excess, contingent or otherwise, unless such other insurance is written only as specific excess insurance over the applicable Limits of Liability of this Policy.
- M. SEVERABILITY** - Except with respect to the Limits of Liability, Self-Insured Retention, Exclusion 9. ("Insured vs. Insured") and any rights and duties assigned in this Policy to the FIRST NAMED INSURED, this insurance applies as if each INSURED were the only INSURED and separately to each INSURED against whom a CLAIM is made. Any misrepresentation, act or omission that is in violation of a term, duty or condition under this Policy by one INSURED shall not by itself affect coverage for another INSURED under this Policy. This Condition M. shall not apply to an INSURED who is a parent, subsidiary or affiliate of the INSURED which committed the misrepresentation, act or omission referenced above.
- N. SOLE AGENT** - The FIRST NAMED INSURED stated in the Declarations shall act on behalf of all INSUREDS for the payment or return of premium, receipt and acceptance of any endorsement issued to form a part of this Policy, giving and receiving notice of cancellation or non-renewal, and the exercise of the rights provided under Section V., EXTENDED REPORTING PERIOD.

- O. SUBROGATION** - If the INSURED has rights to recover, from another person or organization, all or any part of a payment the Company makes under this Policy, those rights are transferred to the Company. The INSURED shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The INSURED shall do nothing to prejudice such rights. Any monies recovered as a result of subrogation proceedings shall accrue first to the INSURED to the extent of any payments it made in excess of the limits of liability, then to the Company to the extent of its payment under the Policy, and then to the INSURED to the extent of its payment of the self-insured retention. Expenses incurred in such subrogation proceedings shall be apportioned amongst the INSURED and Company in the proportion that each interested party's share in the recovery bears to the total recovery.

THIS DISCLOSURE IS ATTACHED TO AND MADE PART OF YOUR POLICY.

DISCLOSURE OF IMPORTANT INFORMATION RELATING TO TERRORISM RISK INSURANCE ACT

SCHEDULE*

Premium attributable to risk of loss from certified acts of terrorism for lines of insurance subject to TRIA:

Included

*Any information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act ("TRIA"), as amended, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to the risk of loss from terrorist acts certified under that Act for lines subject to TRIA. That portion of premium attributable is shown in the Schedule above. The premium shown in the Schedule above is subject to adjustment upon premium audit, if applicable.

B. Disclosure of Federal Participation in Payment of Terrorism Losses

The United States Government may pay a share of insured losses resulting from an act of terrorism. The federal share equals 85% of that portion of the amount of such insured losses that exceeds the insurer retention. The insurer retention equals 20% of the insurer's prior calendar year direct earned premium associated with lines of insurance subject to TRIA. TRIA is scheduled to expire on December 31, 2014.

C. Disclosure of \$100 Billion Cap on All Insurer and Federal Obligations

If aggregate insured losses attributable to terrorist acts certified under TRIA exceed \$100 billion in a Program Year (January 1 through December 31) and an insurer has met its deductible under the program, that insurer shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

D. Availability

As required by TRIA, we have made available to you for lines subject to TRIA coverage for losses resulting from acts of terrorism certified under TRIA with terms, amounts and limitations that do not differ materially from those for losses arising from events other than acts of terrorism.

E. Definition of Act of Terrorism under TRIA

TRIA defines "act of terrorism" as any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States:

1. to be an act of terrorism;
2. to be a violent act or an act that is dangerous to human life, property or infrastructure;
3. to have resulted in damage within the United States, or outside of the United States in the case of an air carrier (as defined in section 40102 of Title 49, United States Code) or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), or the premises of a United States mission; and
4. to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

No act may be certified as an act of terrorism if the act is committed as part of the course of a war declared by Congress (except for workers' compensation) or if losses resulting from the act, in the aggregate for insurance subject to TRIA, do not exceed \$5,000,000.
