DATE: April 18, 2016

RE: Gift: In-kind support of a prosecution study

CodeX, The Center for Legal Informatics, and the Computer Science Department at Stanford Law School wishes to provide their in-kind support of the San Francisco District Attorney's ("SFDA") Office. The SFDA will receive in-kind data analytics assistance and research as it pertains to historical report records. The in-kind data analytics research is valued at \$10,000.

Roland Voigl
