ADOPTING FINDINGS RELATING TO THE APPROVAL OF CONDITIONAL USE AUTHORIZATION PURSUANT TO SECTION 249.62, 303 AND 712 OF THE PLANNING CODE TO RELOCATE AN EXISTING LIQUOR ESTABLISHMENT/GROCERY STORE (D.B.A. SAV MOR MARKET) WITHIN THE THIRD STREET ALCOHOL RESTRICTED USE DISTRICT AT 4522 THIRD STREET WITHIN THE NEIGHBORHOOD COMMERCIAL, MODERATE SCALE (NC-3) DISTRICT, AND A 40-X HEIGHT AND BULK DISTRICT, AND ADOPT FINDINGS PER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT.

PREAMBLE

On June 20, 2017, Jeremy Paul (hereinafter "Project Sponsor") filed an application with the Planning Department (hereinafter "Department") for Conditional Use Authorization for the subject property at 4522 3rd Street, Lot 019 in Assessor's Block 5296, (hereinafter "subject property"), pursuant to Planning Code Sections 249.62, 303 and 712 to relocate an existing existing liquor establishment/grocery store (d.b.a. Sav Mor Market) within the Third Street Alcohol Restricted Use District in the NC-3 (Neighborhood Commercial, Moderate Scale) Zoning District and 40-X Height and Bulk Districts.

The Project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 Categorical Exemption.

The Planning Department Commission Secretary is the custodian of records; the file for Case No. 2017-007658CUA is located at 1650 Mission Street, Suite 400, San Francisco, California.

On December 14, 2017, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting on Conditional Use Application No. 2017-007658CUA.

The Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties.

MOVED, that the Commission hereby authorizes the Conditional Use requested in Application No. 2017-007658CUA, subject to the conditions contained in "EXHIBIT A" of this motion, based on the following findings:

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. The above recitals are accurate and constitute findings of this Commission.
2. **Site Description and Present Use.** The site ("Project Site"), Lot 019 in the Assessor's Block 5296, is located on the western side of 3rd Street, between La Salle and Mc Kinnon Avenues in the Neighborhood Commercial, Moderate Scale (NC-3) Zoning District, the Third Street Alcohol Restricted Used District, Third Street Special Use District, Fringe Financial Service Restricted Use District, and a 40-X Height and Bulk District. The property is developed with a single-story over basement commercial building with one storefront. The subject tenant space is currently vacant, and the last known use was a retail use in the early 1990's. The subject property is located mid-block lot, with approximately 27 feet of frontage on 3rd Street. The subject commercial space is approximately 1,125 square feet in size and occupies approximately 27 feet of frontage on 3rd Street. In total, the site is approximately 2,374 square feet.
3. **Surrounding Properties and Neighborhood.** The subject property is located mid-block on the west side of 3rd Street, between La Salle and Mc Kinnon Streets, in Bayview Hunters Point neighborhood. As stated in the Planning Code, the surrounding zoning district is intended to provide a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, while also providing convenient goods and services to the surrounding neighbors. The Project site is located in an area of mixed-use character and on a corridor composed primarily of ground floor commercial/retail uses and upper floor residential. Uses surrounding the Project site include a grocery store, bar, eating and drinking establishments, convenience markets, retail sales and residential uses. Most commercial businesses are open during the day while the District's bars and restaurants are also active in the evening. Dwelling units are generally located above the limited ground-story commercial uses

along 3rd Street within the NC-3 Zoning District. The surrounding neighborhood to the west and across 3rd Street to the east, which are predominantly residential, are located within the RH-1 (Residential House, Single-Family) and RH-2 (Residential House, Two-Family) Districts.

4. **Project Description.** The Project Sponsor proposes to relocate an existing liquor establishment/grocery store (d.b.a. Sav Mor Market) to 4522 3rd Street within the Third Street Alcohol Restricted Use District. The Project proposes a change of use from a vacant retail use to a liquor establishment/grocery store. No exterior modifications to the building are proposed as part of the project. Any related exterior signage would be submitted under a separate sign permit application.

The Project Sponsor has operated Sav Mor Market at 4500 3rd Street for approximately 27 years. The Project Sponsor recently lost their lease and seeks to relocate the business and off-sale liquor license to a vacant commercial space four doors down, within the same block, at 4522 3rd Street. The proposed tenant space is larger than the existing location and will allow the expansion of the grocery component of the business including the sale of fresh food and produce. The existing hours of operation are seven days a week from 6:00 am to 2:00 am and are proposed to remain the same in the new location.

5. **Public Comment.** The Department has received one letter in opposition of the project and ten letters in support.

The opponent states that the sale of alcohol in this location is not appropriate due to its proximity to a future school, which will occupy the space at 4500 3rd Street (current location of Sav Mor Market). Further, he states this use is inconsistent with Policy 2.3 of the Bayview Hunters Point Area Plan, since the plan calls for a restriction of uses such as liquor sales establishments on Third Street.

Those in support of the Project, including residents of the surrounding neighborhood and merchant groups, stating that Sav Mor is a great necessity within the neighborhood that has been relied upon for years and that it is one of the "few family-owned businesses on 3rd Street that have a solid, respectable businesses serving the Bayview community."

6. **Planning Code Compliance:** The Commission finds that the Project is consistent with the relevant provisions of the Planning Code in the following manner:
 - a. **Third Street Alcohol Restricted Use District.** Pursuant to Planning Code Section 249.62(a)(3)(B)(iv), re-location of an existing Prohibited Liquor Establishment in the Third Street Alcohol RUD to another location within the same Third Street Alcohol RUD with conditional use authorization from the City Planning Commission, provided that the original premises shall not be occupied by a Prohibited Liquor Establishment, unless by another Prohibited Liquor Establishment that is also relocating from within the Third Street Alcohol RUD.

The Project Sponsor seeks to relocate an existing Prohibited Liquor Establishment to another location within the Third Street Alcohol RUD and is seeking Conditional Use Authorization from the Planning Commission. The original premises will not be occupied by a Prohibited Liquor Establishment, and therefore complies with this requirement pursuant to Planning Code Section 249.62.

- b. **Use Size.** Planning Code Section 121.2 requires non-residential uses to be limited to a maximum of 4,000 square feet in size within the NC-3 Zoning District. Modifications to this requirement may be granted through the Conditional Use Authorization process.

The size of the existing ground floor non-residential tenant space is approximately 1,125 gross square feet and thus complies with this requirement.

- c. **Hours of Operation.** Principally permitted hours of operation are from 6 a.m. to 2 a.m. and conditionally permitted hours of operation are from 2 a.m. to 6 a.m. in the NC-3 District. Permitted hours of operation pertain specifically to the hours which a commercial establishment may be open for business.

The Projects proposed hours of operation are seven days per week 6:00 am to 2:00 am; therefore, the Project complies with this requirement.

- d. **Signage.** Article 6 of the Planning Code outlines the requirements for signage on the existing building.

Any proposed signage shall comply with the limitations of the Planning Code and individual signs are subject to the review and approval of the Planning Department. The Project Sponsor will work with staff to propose signage that is aligned with the intent of the Sign Regulations.

7. **Conditional Use Authorization.** Planning Code Section 303 establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use approval. On balance, the project does comply with said criteria in that:

- a. The proposed new uses and building, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable, and compatible with, the neighborhood or the community.

The proposed 1,125 square foot liquor establishment/grocery store use is appropriately sized for the district, which consists of small-scale buildings and neighborhood serving uses, which include a grocery store, bars, restaurants, retail sales and residential uses. The Project will not introduce a new use; rather it will relocate an existing established business four doors down from the location in which it has operated for approximately 27 years. The proposed tenant space is larger than the existing location and will allow the expansion of the grocery component of the business including the sale of fresh food and produce and will provide services which are compatible with the neighborhood and desirable for the community.

- b. The proposed project will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity. There are no features of the project that could be detrimental to the health, safety or convenience of those residing or working the area, in that:

- i. Nature of proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;

The proposed liquor establishment/grocery store use will operate within the existing vacant commercial space, and no expansion of the building envelope is proposed.

- ii. The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;

The Planning Code does not require parking in the NC-3 Zoning District. Loading requirements apply to uses that are 10,000 gross square feet or more. The gross square footage of the Project is approximately 1,125 square feet, therefore loading is not required. The subject site is well-served by public transit, minimizing the need for private vehicle trips.

- iii. The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;

The Project will not produce noxious or offensive emissions related to noise, glare, dust, or odor. The proposed activities would be within an enclosed building, thus providing ample sound insulation.

- iv. Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs;

The Planning Code does not require any parking or loading for the proposed project. There is no proposed addition of or change to signs as part of the Conditional Use Authorization. No additional landscaping is proposed. There is one existing tree in front of the building on 3rd Street.

- c. That the use as proposed will comply with the applicable provisions of the Planning Code and will not adversely affect the General Plan.

The Project complies with all relevant requirements and standards of the Planning Code and is consistent with objectives and policies of the General Plan as detailed below.

- d. That the use as proposed would provide development that is in conformity with the purpose of the applicable Neighborhood Commercial District.

As the proposed liquor establishment/grocery store is relocating within the Third Street Alcohol Restricted Use District, it will continue to serve the neighborhood in code-complying manner. The

Project is consistent with the stated purpose of the Neighborhood Commercial, Moderate Scale District in that the intended use is located at the ground floor, will provide compatible convenience goods for the immediately surrounding neighborhoods and is in character with the commercial uses found within the Zoning District.

8. **General Plan Compliance.** The Project is, on balance, consistent with the following Objectives and Policies of the General Plan:

NEIGHBORHOOD COMMERCE

Objectives and Policies

OBJECTIVE 1:

MANAGE ECONOMIC GROWTH AND CHANGE TO ENSURE ENHANCEMENT OF THE TOTAL CITY LIVING AND WORKING ENVIRONMENT.

Policy 1.1:

Encourage development which provides substantial net benefits and minimizes undesirable consequences. Discourage development that has substantial undesirable consequences that cannot be mitigated.

Policy 1.2:

Assure that all commercial and industrial uses meet minimum, reasonable performance standards.

Policy 1.3:

Locate commercial and industrial activities according to a generalized commercial and industrial land use plan.

The proposed development will provide desirable goods and services to the residents of the neighborhood and will provide resident employment opportunities to those in the community. The proposed project is consistent with activities of the commercial land use plan of the Neighborhood Commercial, Moderate Scale District.

OBJECTIVE 2:

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

Policy 2.1:

Seek to retain existing commercial and industrial activity and to attract new such activity to the City.

The Project consists of the relocation of an existing liquor establishment/grocery store four doors away from its existing location into a vacant storefront, thus allowing it to remain in the neighborhood. The Project

would not add a new use to the Neighborhood Commercial District nor would it displace any current tenants.

OBJECTIVE 6:

MAINTAIN AND STRENGTHEN VIABLE NEIGHBORHOOD COMMERCIAL AREAS EASILY ACCESSIBLE TO CITY RESIDENTS.

Policy 6.1:

Ensure and encourage the retention and provision of neighborhood-serving goods and services in the city's neighborhood commercial districts, while recognizing and encouraging diversity among the districts.

No commercial tenant would be displaced and the project would not prevent the District from achieving optimal diversity in the types of goods and services available in the neighborhood. The project site is currently vacant.

The following guidelines, in addition to others in this objective for neighborhood commercial districts, should be employed in the development of overall district zoning controls as well as in the review of individual permit applications, which require case-by-case review and City Planning Commission approval. Pertinent guidelines may be applied as conditions of approval of individual permit applications. In general, uses should be encouraged which meet the guidelines; conversely, uses should be discouraged which do not.

There is a concern with the potential over-concentration of food-service establishments. The Commerce and Industry Element of the General Plan contains Guidelines for Specific Uses. For take-out food, convenience stores, and similar quick-stop establishments, the Guidelines state, "quick-stop establishments include fast food restaurants, self-service restaurants, take-out food, convenience stores and other quick-stop establishments which may or may not involve food service. These latter uses may include small or medium-sized grocery stores, film processing stores, video rental outlets, dry cleaners, and other establishments which primarily provide convenience goods and services and generate a high volume of customer trips." Planning staff has performed a site survey of the Neighborhood Commercial, Moderate Scale District, where the proposed project is located. The Project, which will be relocating to a vacant storefront on the same block, will be interspersed with other retail businesses and will not create an undue concentration of one product type.

Policy 6.2:

Promote economically vital neighborhood commercial districts which foster small business enterprises and entrepreneurship and which are responsive to the economic and technological innovation in the marketplace and society.

An independent owner is sponsoring the proposal. The proposed use is a neighborhood serving use. This is not a Formula Retail use.

BAYVIEW HUNTERS POINT AREA PLAN

Objectives and Policies

OBJECTIVE 2:

IMPROVE USE OF LAND ON THIRD STREET BY CREATING COMPACT COMMERCIAL AREAS, ESTABLISHING NODES FOR COMPLEMENTARY USES, AND RESTRICTING UNHEALTHY USES.

Policy 2.3:

Restrict uses such as liquor sales establishments on Third Street.

The proposed project will relocate an existing liquor establishment/grocery store within the same block on Third Street and will include the expansion of its grocery component to include fresh food and produce, which will better serve the residents in the surrounding neighborhood. The Project will not create a net new liquor sales establishment on Third Street. Furthermore, the Project will comply with Planning Code Section 249.62 which pertains to the relocation of existing liquor establishments on Third Street.

9. **Planning Code Section 101.1(b)** establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the project does comply with said policies in that:

- A. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses be enhanced.

The project proposes to relocate an existing liquor establishment/grocery store within the same block and will continue to serve the neighborhood as it has for over two decades.

- B. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods.

The existing residential units in the surrounding neighborhood would not be adversely affected. The proposal proposes to relocate an existing liquor establishment/grocery store within the same block and will occupy an existing commercial space that has been vacant for many years. No residential units will be lost and no exterior modifications to the building will be made.

- C. That the City's supply of affordable housing be preserved and enhanced.

The Project will not involve any modifications to the existing residential units in the building, thus preserving the supply of housing.

- D. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The proposed project is at mid-block at 4522 3rd Street and is well-served by transit. It is highly likely that both employees and customers of the proposed project will either walk or use Muni to arrive at the subject location as several bus lines operate within a few blocks of the site.

- E. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced.

The Project does not include the creation of commercial office development, and will not displace any service or industry establishment. The project will not affect industrial or service sector uses or related employment opportunities. Ownership of industrial or service sector businesses will not be affected by this project. The Project will relocate an existing business into a vacant commercial storefront within the same city block, thus there is no impact.

- F. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The Project is designed and will be constructed to conform to the structural and seismic safety requirements of the City Building Code.

- G. That landmarks and historic buildings be preserved.

The Project will not involve any exterior modifications to the existing building and will not impact any landmarks or historic buildings.

- H. That our parks and open space and their access to sunlight and vistas be protected from development.

The Project is located within an existing building and will have no negative impact on existing parks and open spaces.

10. The Project is consistent with and would promote the general and specific purposes of the Code provided under Section 101.1(b) in that, as designed, the Project would contribute to the character and stability of the neighborhood and would constitute a beneficial development.
11. The Commission hereby finds that approval of the Conditional Use Authorization would promote the health, safety and welfare of the City.

DECISION

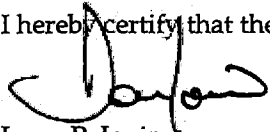

That based upon the Record, the submissions by the Applicant, the staff of the Department and other interested parties, the oral testimony presented to this Commission at the public hearings, and all other written materials submitted by all parties, the Commission hereby **APPROVES Conditional Use Application No. 2017-007658CUA** subject to the following conditions attached hereto as "EXHIBIT A" in general conformance with plans on file, dated May 30, 2017 and October 18, 2017, and stamped "EXHIBIT B", which is incorporated herein by reference as though fully set forth.

Re: Abdalla F. Joseph dba Sav More Market
California ABC Liquor License Transfer
4522 3rd Street, San Francisco, CA 94124-2106

Public Convenience and Necessity Determination Request

ABC Type-21 —Off-Sale General

Premise to Premise Transfer from 4500 3rd St to 4522- 3rd St. SF CA 94124

Dear Ms. Cavillo:

This office represents Abdalla F. Joseph dba Sav More Market. My client presently owns a small market located at 4500 3rd Street. Unfortunately, Mr. Joseph has lost his lease and wishes to move two doors away to 4522- 3rd Street, to a building that his family has purchased. We have submitted an application to the California Department of Alcoholic Beverage Control (ABC) to move the business and their On-Sale General license [Type 21] to their new intended location.

Sav More Market is a local Bayview market that has been serving the community since 1998. This family has owned three other markets on 3rd Street beginning in the 1960's. Mr. Joseph was born in the Bayview, as were many of his siblings. He attended local public schools and graduated from Archbishop Riordan High School in San Francisco.

This proposed relocation of Sav More Market is now being vetted by the San Francisco Planning Department, and we expect that the matter will be heard before the San Francisco Planning Commission in September or October 2017. Public testimony will be taken at that hearing and we believe that this transfer will be approved subject to conditions. There have been meetings concerning this move with neighbors and Supervisor Cohen and they are in support of the proposed transfer.

Mr. Joseph and his large extended family are skilled market owners and operators. They are very much a part of the Bayview neighborhood and have been for over 50 years. It is my client's desire to move his business 1/3 of a block away to his new location and continue to support the neighborhood and remain part of the vibrant Bayview community. As the proposed new location is larger than the current location, Mr. Joseph wishes to expand his product offering to include more fresh produce and local items.

Sav More Market has been well-managed and non-problematic since 1998. There have been no noise complaints and minimal police issues during the past twenty years. My client will continue in the new location to be respectful to the neighborhood and to his customers. Sav More is committed to providing an excellent experience for their customers and will strive to make its 3rd Street area safer and crime free. Foremost, they will be Good Neighbors.

The requested move, if approved, will allow Sav-More to offer more of what they are known for: friendly service and great value in a relaxed, and social atmosphere. Sav More will continue to provide jobs in the service industry that support and enhance opportunity for local residents and support other local businesses in the Bayview neighborhood. The approval by the Board of Supervisors of the transfer of this existing ABC license would not have any detrimental effect on the surrounding neighborhood or the City of San Francisco. The clientele of this operation typically lives in the neighborhood and poses no public safety problems.

For the reasons outlined above, applicant Abdalla F. Joseph dba Sav More Market respectfully requests that this letter be forwarded to the Public Safety & Neighborhood Services Committee of the Board and that this Committee and the full Board of Supervisors make a determination under California Business and Professions Code Section 23958.4 that the public need or convenience would be served by the premise-to-premise transfer of this liquor license to a new location at 4522 3rd Street.

Thank you for your consideration of this request.

Yours truly,

Mark E. Rennie
