## MEMORANDUM

TO: Olson Lee, Director, Mayor's Office of Housing & Community Development  
Mohammed Nuru, Director, Public Works  
Delene Wolf, Executive Director, Rent Board

FROM:  Alisa Somera, Assistant Clerk, Land Use and Transportation Committee, Board of Supervisors

DATE: January 28, 2016

SUBJECT: SUBSTITUTE LEGISLATION INTRODUCED

---

The Board of Supervisors' Land Use and Transportation Committee has received the following **substitute** legislation, introduced by Supervisor Avalos on January 26, 2016:

**File No. 150494-3**

Ordinance amending the Planning Code to require Conditional Use authorization for the removal of any residential unit (whether legal or illegal) and compliance with landscaping and permeable surfaces requirements for building additions and residential mergers, and to exempt from the Conditional Use application requirement illegal units where there is no legal path for legalization and residential units that have received prior Planning approval; amending the Building Code to require that notices of violation mandate legalization of an illegal unit unless infeasible under the Building Code or the Planning Commission approves its removal, and requiring re-issuance of unabated notices of violation to include the new requirement; affirming the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, Planning Code, Section 302, and the eight priority policies of Planning Code, Section 101.1.

If you have any additional comments or reports to be included with the file, please forward them to me at the Board of Supervisors, City Hall, Room 244, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102.

c: Eugene Flannery, Secretary  
Frank Lee, Secretary to the Director  
Sophie Hayward, Policy Legislative Affairs

1 [Planning, Building Codes - Conditional Use Required to Remove Any Residential Unit;  
2 Mandatory Legalization of Illegal Units; Permeable Surfaces and Landscaping Requirements]

3 **Ordinance amending the Planning Code to require Conditional Use authorization for**  
4 **the removal of any residential unit (whether legal or illegal) and compliance with**  
5 **landscaping and permeable surfaces requirements for building additions and**  
6 **residential mergers, and to exempt from the Conditional Use application requirement**  
7 **illegal units where there is no legal path for legalization and residential units that have**  
8 **received prior Planning approval; amending the Building Code to require that notices**  
9 **of violation mandate legalization of an illegal unit unless infeasible under the Building**  
10 **Code or the Planning Commission approves its removal, and requiring re-issuance of**  
11 **unabated notices of violation to include the new requirement; affirming the Planning**  
12 **Department's determination under the California Environmental Quality Act; and**  
13 **making findings of consistency with the General Plan, Planning Code, Section 302, and**  
14 **the eight priority policies of Planning Code, Section 101.1.**

15 NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.  
16 **Additions to Codes** are in *single-underline italics Times New Roman font*.  
17 **Deletions to Codes** are in *strikethrough italics Times New Roman font*.  
18 **Board amendment additions** are in double-underlined Arial font.  
19 **Board amendment deletions** are in ~~strikethrough Arial font~~.  
20 **Asterisks (\* \* \* \*)** indicate the omission of unchanged Code  
21 subsections or parts of tables.

22 Be it ordained by the People of the City and County of San Francisco:

23 Section 1. Findings.

24 (a) The Planning Department has determined that the actions contemplated in this  
25 ordinance comply with the California Environmental Quality Act (California Public Resources

1 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
2 Supervisors in File No. 150494 and is incorporated herein by reference. The Board affirms  
3 this determination.

4 (b) On December 10, 2015, the Planning Commission, in Resolution No. 19532,  
5 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
6 with the City's General Plan and the eight priority policies of Planning Code Section 101.1.  
7 The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk  
8 of the Board of Supervisors in File No. 150494, and is incorporated herein by reference.

9 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning  
10 Code amendments will serve the public necessity, convenience, and welfare for the reasons  
11 set forth in Planning Commission Resolution No. 19532 and the Board incorporates such  
12 reasons herein by reference.

13  
14 Section 2. The Planning Code is hereby amended by revising Sections 132 and 317,  
15 to read as follows:

16 **SEC. 132. FRONT SETBACK AREAS, RTO, RH AND RM DISTRICTS AND FOR**  
17 **REQUIRED SETBACKS FOR PLANNED UNIT DEVELOPMENTS.**

18 The following requirements for minimum front setback areas shall apply to every  
19 building in all RH, RTO, and RM Districts, in order to relate the setbacks provided to the  
20 existing front setbacks of adjacent buildings. Buildings in RTO Districts which have more than  
21 75 feet of street frontage are additionally subject to the Ground Floor Residential Design  
22 Guidelines, as adopted and periodically amended by the Planning Commission. Planned Unit  
23 Developments or PUDs, as defined in Section 304, shall also provide landscaping in required  
24 setbacks in accord with Section 132(g).

25 \* \* \* \*

1 (g) **Landscaping and Permeable Surfaces.** The landscaping and permeable  
2 surface requirements of this Section and Section (h) below shall be met by the permittee in  
3 the case of construction of a new building; the addition of a new Dwelling Unit, a garage, or  
4 additional parking; any addition to a structure that would result in an increase of 20% or more of the  
5 existing Gross Floor Area, as defined in Section 102; a Residential Merger, as defined in Section 317;  
6 or paving or repaving more than 200 square feet of the front setback. All front setback areas  
7 required by this Section 132 shall be appropriately landscaped, meet any applicable water use  
8 requirements of Administrative Code Chapter 63, and in every case not less than 20 percent  
9 of the required setback area shall be and remain unpaved and devoted to plant material,  
10 including the use of climate appropriate plant material as defined in Public Works Code  
11 Section 802.1. For the purposes of this Section, permitted obstructions as defined by Section  
12 136(c)(6) chimneys, Section 136(c)(14) ~~steps stairs~~, and Section 136(c)(26) ~~(27)~~ underground  
13 garages, shall be excluded from the front setback area used to calculate the required  
14 landscape and permeable surface area. If the required setback area is entirely taken up by  
15 one or more permitted obstructions, the Zoning Administrator may allow the installation of  
16 sidewalk landscaping that is compliant with applicable water use requirements of Chapter 63  
17 of the Administrative Code to satisfy the requirements of this Section, subject to permit  
18 approval from the Department of Public Works in accordance with Public Works Code Section  
19 810B.

20 \* \* \* \*

21 **SEC. 317. LOSS OF DWELLING RESIDENTIAL AND UNAUTHORIZED UNITS THROUGH**  
22 **DEMOLITION, MERGER AND CONVERSION.**

23 \* \* \* \*

24 (b) **Definitions.** For the purposes of this Section 317, the terms below shall be  
25 defined as follows:

1 (1) "Residential Conversion" shall mean the removal of cooking facilities,  
2 change of occupancy (as defined and regulated by the Building Code), or change of use (as  
3 defined and regulated by the Planning Code), of any Residential Unit *or Unauthorized Unit* to a  
4 ~~Non-Residential~~ or Student Housing use.

5 \* \* \* \*

6 (7) "Residential Merger" shall mean the combining of two or more *legal*  
7 Residential *or Unauthorized* Units, resulting in a decrease in the number of Residential Units  
8 *and Unauthorized Units* within a building, or the enlargement of one or more existing units while  
9 substantially reducing the size of others by more than 25% of their original floor area, even if  
10 the number of units is not reduced. The Planning Commission may reduce the numerical  
11 element of this criterion by up to 20% of its value should it deem that adjustment is necessary  
12 to implement the intent of this Section 317, to conserve existing housing and preserve  
13 affordable housing.

14 \* \* \* \*

15 (10) "Removal" shall mean, with reference to a Residential *or Unauthorized*  
16 Unit, its Conversion, Demolition, or Merger.

17 \* \* \* \*

18 (12) "Residential Unit" shall mean a legal conforming or *legal* nonconforming  
19 Dwelling Unit, ~~or~~ a legal nonconforming Live/Work Unit or Group Housing, which are defined  
20 in Section 102 of this Code.

21 (13) "Unauthorized Unit" shall mean one or more rooms within a building that have  
22 been used, without the benefit of a building permit, as a separate and distinct living or sleeping space  
23 independent from Residential Units on the same property. "Independent" shall mean that (i) the space  
24 has independent access that does not require entering a Residential Unit on the property and (ii) there  
25 is no open, visual connection to a Residential Unit on the property.

1           (14) "Vertical Envelope Elements" shall mean all exterior walls that provide  
2 weather and thermal barriers between the interior and exterior of the building, or that provide  
3 structural support to other elements of the building envelope.

4           \* \* \* \*

5           (c)   **Applicability; Exemptions.**

6           (1)   ~~An Any application for a permit that would result in the loss Removal of one  
7 or more Residential Units or Unauthorized Units is required to obtain Conditional Use  
8 authorization; provided, however, that in the RTO, RTO-M, NCT, and Upper Market NCD Zoning  
9 Districts, as well as the loss of any residential unit above the ground floor in the C-3 Zoning District,  
10 only the Removal of a Residential Unit or Unauthorized Unit above the ground floor requires a  
11 Conditional Use authorization. The application for a replacement building or alteration permit  
12 shall also be subject to Conditional Use requirements. ~~When considering whether to grant~~  
13 ~~Conditional Use authorization for the loss of dwelling unit(s) in the C-3 districts, in lieu of the criteria~~  
14 ~~set forth in Planning Code Section 303, consideration shall be given to the adverse impact on the~~  
15 ~~public health, safety, and general welfare of the loss of housing stock in the district and to any~~  
16 ~~unreasonable hardship to the applicant if the permit is denied. Any application for a permit that would~~  
17 ~~result in the loss or Removal of three or more Residential Units, notwithstanding any other sections of~~  
18 ~~this Code, shall require a Conditional Use authorization for the Removal and replacement of the units.~~  
19 ~~Approval of any other application that would result in the loss or Removal of up to two Residential~~  
20 ~~Units is prohibited unless the Planning Commission approves such permit application and the~~  
21 ~~replacement structure permit application at a Mandatory Discretionary Review hearing, with certain~~  
22 ~~exceptions specified below.~~~~

23           (2)   The Removal of a Residential or Unauthorized Unit that has received approval  
24 from the Planning Department through administrative approval or the Planning Commission through a  
25 Discretionary Review or Conditional Use authorization prior to the effective date of the Conditional

1 Use requirement of Subsection (c)(1) is not required to apply for an additional approval under  
2 Subsection (c)(1).

3 (3) The Removal of an Unauthorized Unit does not require a Conditional Use  
4 authorization pursuant to Subsection (c)(1) if the Department has determined that there is no legal path  
5 for legalization.

6 (d) **Demolition.**

7 (1) No permit to Demolish a Residential Building in any zoning district shall  
8 be issued until a building permit for the replacement structure is finally approved, unless the  
9 building is determined to pose a serious and imminent hazard as defined in the Building Code.  
10 A building permit is finally approved if the Board of Appeals has taken final action for approval  
11 on an appeal of the issuance or denial of the permit or if the permit has been issued and the  
12 time for filing an appeal with the Board of Appeals has lapsed with no appeal filed.

13 (2) ~~If~~ Conditional Use authorization is required for approval of the permit for  
14 Residential Demolition ~~by other sections of this Code, and~~ the Commission shall consider the  
15 replacement structure as part of its decision on the Conditional Use application. If Conditional  
16 Use authorization is required for the replacement structure by other sections of this Code, the  
17 Commission shall consider the demolition as part of its decision on the Conditional Use  
18 application. ~~In either case, Mandatory Discretionary Review is not required, although the Commission~~  
19 ~~shall apply appropriate criteria adopted under this Section 317 in addition to the criteria in Section~~  
20 ~~303 of the Planning Code in its consideration of Conditional Use authorization. If neither permit~~  
21 ~~application is subject to Conditional Use authorization, then separate Mandatory Discretion Review~~  
22 ~~cases shall be heard to consider the permit applications for the demolition and the replacement~~  
23 ~~structure.~~

24 (3) ~~For those applications for a Residential Demolition in districts that require~~  
25 ~~Mandatory Discretionary Review, administrative review criteria shall ensure that only applications to~~

1 ~~demolish Single-Family Residential Buildings that are demonstrably not affordable or financially~~  
2 ~~accessible housing, or Residential Buildings of two units or fewer that are found to be unsound~~  
3 ~~housing, are exempt from Mandatory Discretionary Review hearings. Specific numerical criteria for~~  
4 ~~such analyses shall be adopted by the Planning Commission in the Code Implementation Document, in~~  
5 ~~accordance with this Section 317, and shall be adjusted periodically by the Zoning Administrator based~~  
6 ~~on established economic real estate and construction indicators.~~

7 (A) ~~— The Planning Commission shall determine a level of affordability or~~  
8 ~~financial accessibility, such that Single-Family Residential Buildings on sites in RH-1 and RH-1(D)~~  
9 ~~Districts that are demonstrably not affordable or financially accessible, that is, housing that has a~~  
10 ~~value greater than at least 80% of the combined land and structure values of single-family homes in~~  
11 ~~San Francisco as determined by a credible appraisal, made within six months of the application to~~  
12 ~~demolish, are not subject to a Mandatory Discretionary Review hearing. The demolition and~~  
13 ~~replacement building applications shall undergo notification as required by other sections of this Code.~~  
14 ~~The Planning Commission, in the Code Implementation Document, may increase the numerical~~  
15 ~~criterion in this subsection by up to 10% of its value should it deem that adjustment is necessary to~~  
16 ~~implement the intent of this Section 317, to conserve existing housing and preserve affordable housing.~~

17 (B) ~~— The Planning Commission, in the Code Implementation Document, shall~~  
18 ~~adopt criteria and procedures for determining the soundness of a structure proposed for demolition,~~  
19 ~~where "soundness" is an economic measure of the feasibility of upgrading a residence that is deficient~~  
20 ~~with respect to habitability and Housing Code requirements, due to its original construction. The~~  
21 ~~"soundness factor" for a structure shall be the ratio of a construction upgrade cost (i.e., an estimate of~~  
22 ~~the cost to repair specific habitability deficiencies) to the replacement cost (i.e., an estimate of the~~  
23 ~~current cost of building a structure the same size as the existing building proposed for demolition),~~  
24 ~~expressed as a percent. A building is unsound if its soundness factor exceeds 50%. A Residential~~  
25 ~~Building that is unsound may be approved for demolition.~~

1                                   (C) — *The Planning Commission shall consider the following additional criteria*  
2 *in the review of applications for Residential Demolition:*

3                                   (i) — *whether the property is free of a history of serious, continuing*  
4 *Code violations;*

5                                   (ii) — *whether the housing has been maintained in a decent, safe, and*  
6 *sanitary condition;*

7                                   (iii) — *whether the property is an "historical resource" under CEQA;*

8                                   (iv) — *whether the removal of the resource will have a substantial*  
9 *adverse impact under CEQA;*

10                                  (v) — *whether the project converts rental housing to other forms of*  
11 *tenure or occupancy;*

12                                  (vi) — *whether the project removes rental units subject to the Rent*  
13 *Stabilization and Arbitration Ordinance or affordable housing;*

14                                  (vii) — *whether the project conserves existing housing to preserve*  
15 *cultural and economic neighborhood diversity;*

16                                  (viii) — *whether the project conserves neighborhood character to*  
17 *preserve neighborhood cultural and economic diversity;*

18                                  (ix) — *whether the project protects the relative affordability of existing*  
19 *housing;*

20                                  (x) — *whether the project increases the number of permanently*  
21 *affordable units as governed by Section 415;*

22                                  (xi) — *whether the project locates in-fill housing on appropriate sites in*  
23 *established neighborhoods;*

24                                  (xii) — *whether the project increases the number of family-sized units on-*  
25 *site;*

1 ~~(xiii) — whether the project creates new supportive housing;~~

2 ~~(xiv) whether the project is of superb architectural and urban design,~~  
3 ~~meeting all relevant design guidelines, to enhance existing neighborhood character;~~

4 ~~(xv) — whether the project increases the number of on-site dwelling~~  
5 ~~units;~~

6 ~~(xvi) — whether the project increases the number of on-site bedrooms.~~

7 ~~(4) (3)~~ Nothing in this Section is intended to permit Residential Demolition in  
8 those areas of the City where other sections of this Code prohibit such demolition or  
9 replacement structure.

10 ~~(5) (4)~~ Nothing in this Section is intended to exempt buildings or sites where  
11 demolition is proposed from undergoing review with respect to Articles 10 and 11 of the  
12 Planning Code, where the requirements of those articles apply. Notwithstanding the definition  
13 of "Residential Demolition" in this section and as further described in the Code  
14 Implementation Document with regard to Residential Demolition, the criteria of Section 1005  
15 shall apply to projects subject to review under the requirements of Article 10 with regard to the  
16 structure itself.

17 (e) **Conversion to Student Housing.** The conversion of Residential Units to Student  
18 Housing is prohibited. For the purposes of this subsection, Residential Units that have been defined as  
19 such by the time a First Certificate of Occupancy has been issued by the Department of Building  
20 Inspection for new construction shall not be converted to Student Housing.

21 (f) **Residential Merger.** The Merger of Residential Units, not otherwise subject to  
22 Conditional Use authorization by this Code, shall be prohibited.

23 (g) **Conditional Use Criteria.**

24 (1) **C-3 Districts.** When considering whether to grant Conditional Use authorization  
25 for the loss or Removal of Residential or Unauthorized Unit(s) in the C-3 districts, in lieu of the criteria

1 set forth in Planning Code Section 303, consideration shall be given to the adverse impact on the  
2 public health, safety, and general welfare of the loss of housing stock in the district and to any  
3 unreasonable hardship to the applicant if the permit is denied.

4 \* \* \* \*

5 (e) (2) **Residential Merger.**

6 ~~(1) — The Merger of Residential Units, not otherwise subject to Conditional Use~~  
7 ~~authorization by this Code., shall be prohibited, unless the Planning Commission approves the building~~  
8 ~~permit application at a Mandatory Discretionary Review hearing, applying the criteria in subsection~~  
9 ~~(2) below, or the project qualifies for administrative approval and the Planning Department approves~~  
10 ~~the project administratively in accordance with subsection (3) below.~~

11 ~~(2)~~ The Planning Commission shall consider the following criteria in the  
12 review of applications to merge Residential Units or Unauthorized Units:

13 (A) whether removal of the unit(s) would eliminate only owner  
14 occupied housing, and if so, for how long the unit(s) proposed to be removed have been  
15 owner occupied;

16 (B) whether removal of the unit(s) and the merger with another is  
17 intended for owner occupancy;

18 (C) whether ~~the~~ removal of the unit(s) will remove an affordable  
19 housing unit as defined in Section 401 415 of this Code or housing subject to the Residential  
20 Rent Stabilization and Arbitration Ordinance;

21 ~~(D) — whether removal of the unit(s) will bring the building closer into~~  
22 ~~conformance with prescribed zoning;~~

23 ~~(E) — (D)~~ if removal of the unit(s) removes an affordable housing unit as  
24 defined in Section 401 of this Code or units subject to the Residential Rent Stabilization and  
25 Arbitration Ordinance, whether replacement housing will be provided which is equal or greater

1 in size, number of bedrooms, affordability, and suitability to households with children to the  
2 units being removed;

3 (E) how recently the unit being removed was occupied by a tenant or tenants;

4 (F) whether the number of bedrooms provided in the merged unit will  
5 be equal to or greater than the number of bedrooms in the separate units;

6 (G) whether removal of the unit(s) is necessary to correct design or  
7 functional deficiencies that cannot be corrected through interior alterations;

8 (H) the appraised value of the least expensive Residential Unit proposed for  
9 merger only when the merger does not involve an Unauthorized Unit.

10 ~~(3) — Administrative review criteria shall ensure that only those Residential Units~~  
11 ~~proposed for Merger that are demonstrably not affordable or financially accessible housing are exempt~~  
12 ~~from Mandatory Discretionary Review hearings. Applications for which the least expensive unit~~  
13 ~~proposed for merger has a value greater than at least 80% of the combined land and structure values~~  
14 ~~of single-family homes in San Francisco, as determined by a credible appraisal, made within six~~  
15 ~~months of the application to merge, are not subject to a Mandatory Discretionary Review hearing. The~~  
16 ~~Planning Commission, in the Code Implementation Document, may increase the numerical criterion in~~  
17 ~~this subsection by up to 10% of its value should it deem that adjustment is necessary to implement the~~  
18 ~~intent of this Section 317, to conserve existing housing and preserve affordable housing.~~

19 (4) The Planning Commission shall not approve an application for Residential  
20 merger if any tenant has been evicted pursuant to Administrative Code Sections 37.9(a)(9)  
21 through 37.9(a)(14) where the tenant was served with a notice of eviction after December 10,  
22 2013 if the notice was served within ~~ten~~ (10) years prior to filing the application for merger.  
23 Additionally, the Planning Commission shall not approve an application for Residential  
24 merger if any tenant has been evicted pursuant to Administrative Code Section 37.9(a)(8)  
25 where the tenant was served with a notice of eviction after December 10, 2013 if the notice

1 was served within five (5) years prior to filing the application for merger. This Subsection ~~(e)(4)~~  
2 ~~(g)(2)(H)~~ shall not apply if the tenant was evicted under Section 37.9(a)(11) or 37.9(a)(14) and  
3 the applicant(s) either (A) have certified that the original tenant reoccupied the unit after the  
4 temporary eviction or (B) have submitted to the Planning Commission a declaration from the  
5 property owner or the tenant certifying that the property owner or the Rent Board notified the  
6 tenant of the tenant's right to reoccupy the unit after the temporary eviction and that the tenant  
7 chose not to reoccupy it.

8 ~~(f)~~ (3) **Residential Conversion.**

9 ~~(1) — Residential Conversion not otherwise prohibited or subject to Conditional Use~~  
10 ~~authorization by this Code, shall be prohibited, unless the Planning Commission approves the building~~  
11 ~~permit application at a Mandatory Discretionary Review hearing, or is exempted from such approval~~  
12 ~~as provided in subsections (f)(3) or (4) below. The conversion of Residential Units to Student Housing~~  
13 ~~is prohibited. For the purposes of this subsection, Residential Units that have been defined as such by~~  
14 ~~the time a First Certificate of Occupancy has been issued by the Department of Building Inspection for~~  
15 ~~new construction shall not be converted to Student Housing.~~

16 ~~(2)~~ The Planning Commission shall consider the following criteria in the  
17 review of applications for Residential Conversion ~~Conversation~~;

18 (A) whether conversion of the unit(s) would eliminate only owner  
19 occupied housing, and if so, for how long the unit(s) proposed to be removed were owner  
20 occupied;

21 (B) whether Residential Conversion ~~Conversation~~ would provide  
22 desirable new ~~n~~Non-~~r~~Residential ~~u~~Use(s) appropriate for the neighborhood and adjoining  
23 district(s);  
24  
25

1 (C) in districts where Residential Uses are not permitted, whether  
2 Residential Conversion will bring the building closer into conformance with the ~~#~~Uses  
3 permitted in the zoning district;

4 (D) whether conversion of the unit(s) will be detrimental to the City's  
5 housing stock;

6 (E) whether conversion of the unit(s) is necessary to eliminate design,  
7 functional, or habitability deficiencies that cannot otherwise be corrected;

8 (F) whether the Residential Conversion will remove Affordable  
9 Housing, or units subject to the Residential Rent Stabilization and Arbitration Ordinance.

10 \* \* \* \*

11 (4) Residential Demolition. The Planning Commission shall consider the following  
12 additional criteria in the review of applications for Residential Demolition:

13 (A) whether the property is free of a history of serious, continuing Code  
14 violations;

15 (B) whether the housing has been maintained in a decent, safe, and sanitary  
16 condition;

17 (C) whether the property is an "historical resource" under CEQA;

18 (D) whether the removal of the resource will have a substantial adverse  
19 impact under CEQA;

20 (E) whether the project converts rental housing to other forms of tenure or  
21 occupancy;

22 (F) whether the project removes rental units subject to the Residential Rent  
23 Stabilization and Arbitration Ordinance or affordable housing;

24 (G) whether the project conserves existing housing to preserve cultural and  
25 economic neighborhood diversity;

- 1                    (H) whether the project conserves neighborhood character to preserve  
2 neighborhood cultural and economic diversity;
- 3                    (I) whether the project protects the relative affordability of existing housing;  
4                    (J) whether the project increases the number of permanently affordable units as  
5 governed by Section 415;
- 6                    (K) whether the project locates in-fill housing on appropriate sites in  
7 established neighborhoods;
- 8                    (L) whether the project increases the number of family-sized units on-site;  
9                    (M) whether the project creates new supportive housing;  
10                   (N) whether the project is of superb architectural and urban design, meeting  
11 all relevant design guidelines, to enhance existing neighborhood character;
- 12                   (O) whether the project increases the number of on-site Dwelling Units;  
13                   (P) whether the project increases the number of on-site bedrooms.  
14                   (Q) whether or not the replacement project would maximize density on the  
15 subject lot; and
- 16                   (R) if replacing a building not subject to the Residential Rent Stabilization  
17 and Arbitration Ordinance, whether the new project replaces all of the existing units with new  
18 Dwelling Units of a similar size and with the same number of bedrooms.
- 19                   (5) **Removal of Unauthorized Units.** In addition to the criteria set forth in  
20 subsections (g)(1) through (g)(4) above, the Planning Commission shall consider the criteria below in  
21 the review of applications for removal of Unauthorized Units:
- 22                   (A) whether the Unauthorized Unit or Units are eligible for legalization  
23 under Section 207.3 of this Code;
- 24                   (B) whether the costs to legalize the Unauthorized Unit or Units under the  
25 Planning, Building, and other applicable Codes is reasonable based on how such cost compares to the

1 average cost of legalization per unit derived from the cost of projects on the Planning Department's  
2 Master List of Additional Dwelling Units Approved required by Section 207.3(k) of this Code;  
3 (C) whether it is financially feasible to legalize the Unauthorized Unit or  
4 Units. Such determination will be based on the costs to legalize the Unauthorized Unit(s) under the  
5 Planning, Building, and other applicable Codes in comparison to the added value that legalizing said  
6 Units would provide to the subject property. The gain in the value of the subject property shall be based  
7 on the current value of the property with the Unauthorized Unit(s) compared to the value of the  
8 property if the Unauthorized Unit(s) is/are legalized. The calculation of the gain in value shall be  
9 conducted and approved by a California licensed property appraiser. Legalization would be deemed  
10 financially feasible if gain in the value of the subject property is equal to or greater than the cost to  
11 legalize the Unauthorized Unit.

12 **(6) Denial of Application to Remove an Unauthorized Unit; Requirement to**  
13 **Legalize the Unit.** If the Planning Commission denies an application to Remove an Unauthorized Unit,  
14 the property owner shall file an application for a building permit to legalize the Unit. Failure to do so  
15 within a reasonable period of time, as determined by the Zoning Administrator, shall be deemed to be a  
16 violation of the Planning Code.

17 **(h) Notice of Conditional Use Hearing.** At least twenty days prior to any hearing to  
18 consider a Conditional Use authorization under Subsection (g)(2), (g)(3), g(4), or (g)(5), the Zoning  
19 Administrator shall cause a written notice containing the following information to be mailed to all  
20 Residential Units and if known any Unauthorized Units in the building, in addition to any other notice  
21 required under this Code:

- 22 (1) Notice of the time, place, and purpose of the hearing; and  
23 (2) An explanation of the process for demolishing, merging, or converting Residential  
24 Units or Unauthorized Units, including a description of subsequent permits that would be required  
25 from the Planning Department and Department of Building Inspection and how they could be appealed.

1 ~~(g)~~ (i) **Exemptions.** This Section 317 shall not apply to property:

2 (1) Owned by the United States or any of its agencies;

3 (2) Owned by the State of California or any of its agencies, with the  
4 exception of such property not used exclusively for a governmental purpose;

5 (3) Under the jurisdiction of the Port of San Francisco or the Successor  
6 Agency to the Redevelopment Agency of the City and County ~~of~~ where the application of this  
7 Section is prohibited by State or local law; or

8 (4) Where demolition of the building or Removal of a Residential Unit or  
9 Unauthorized Unit is necessary to comply with a court order or City order that directs the  
10 owner to demolish the building or remove the unit, due to conditions that present an imminent  
11 threat to life safety.

12  
13 Section 3. The Planning Code is hereby amended by revising Zoning Control Tables  
14 209.1, 209.2, 209.3, 209.4, 210.1, 210.2, 210.3, 210.4, to read as follows:

11 Section 5. The Building Code is hereby amended by revising Section 102A, to read as  
12 follows:

13 **SECTION 102A – UNSAFE BUILDINGS, STRUCTURES OR PROPERTY**

14 All buildings, structures, property, or parts thereof, regulated by this code that are  
15 structurally unsafe or not provided with adequate egress, or that constitute a fire hazard, or  
16 are otherwise dangerous to human life, safety or health of the occupants or the occupants of  
17 adjacent properties or the public by reason of inadequate maintenance, dilapidation,  
18 obsolescence or abandonment, or by reason of occupancy or use in violation of law or  
19 ordinance, or were erected, moved, altered, constructed or maintained in violation of law or  
20 ordinance are, for the purpose of this chapter, unsafe.

21 \* \* \* \*

22 **102A.3 Inspections and Complaints.** The Building Official is hereby authorized to  
23 inspect or cause the inspection of any building, structure or property for the purpose of  
24 determining whether or not it is unsafe in any of the following circumstances:

1           1.       Whenever the Building Official, with reasonable discretion, determines that such  
2 inspection is necessary or desirable.

3           2.       Whenever any person files with the Building Official a complaint from which  
4 there is, in the Building Official's opinion, probable cause to believe that the building, structure  
5 or property or any portion thereof, is unsafe.

6           3.       Whenever an agency or department of the City and County of San Francisco  
7 transmits to the Building Official a written report from which there is, in the opinion of the  
8 Building Official, probable cause to believe that the building, structure or property, or any  
9 portion thereof, is unsafe.

10           Upon the completion of any such inspection and the finding by the Building Official of  
11 any condition which renders the building, structure or property unsafe, the Building Official  
12 shall, within 15 days thereafter, serve a written notice of violation upon the building owner  
13 which shall contain specific allegations, setting forth each condition the Building Official has  
14 found which renders the building, structure or property unsafe. The Building Official shall,  
15 within three days of mailing of such notice of violation, post a copy thereof in a conspicuous  
16 place in or upon such building, structure or property and make available a copy of the notice  
17 of violation to each tenant thereof. Such notice shall also set forth the penalties for violation  
18 prescribed in Section 103A of this code. In addition to the civil penalties prescribed in Section  
19 103A, the Department's cost of preparation for and appearance at the hearing required by  
20 Section 102A.4, and all prior and subsequent attendant and administrative costs, shall be  
21 assessed upon the property owner monthly, after failure to comply with a written notice of  
22 violation that has been served upon the property owner. Said violations will not be deemed  
23 legally abated until the property owner makes full payment of the assessment of costs to the  
24 Department of Building Inspection. See Section 110A, Table 1A-D – Standard Hourly Rates  
25 and Table 1A-K – Penalties, Hearings, Code Enforcement Assessments – for the applicable

1 rate. Failure to pay the assessment of costs shall result in tax lien proceedings against the  
2 property per Section 102A.18.

3 If the unsafe conditions observed on the property have not been corrected within the  
4 time period provided, the matter shall be set for hearing within 60 days from the compliance  
5 date specified on the notice of violation, if not substantial progress in abating the Code  
6 violations has commenced.

7 102A.3.1. Dwelling Units constructed or installed without required permit(s). In the case of an  
8 unauthorized Dwelling Unit constructed or installed in an existing building without the required permit  
9 or permits, in addition to the above requirements the written notice of violation shall order the property  
10 owner to file an application for a building and other permits required to legalize the unit pursuant to  
11 Building Code Section 106A.3.1.3 and Planning Code Section 207.3 unless removal of the unit is  
12 approved by the Planning Commission pursuant to Planning Code Section 317.

13 102A.3.1.1. Re-issuance of an unabated notice of violation. Any notice of violation issued  
14 prior to the effective date of Section 102A.3.1 and that remains unabated shall be re-issued in  
15 compliance with the requirements of Section 102A.3.1.

16  
17 Section 6. Effective Date. This ordinance shall become effective 30 days after  
18 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
19 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
20 of Supervisors overrides the Mayor's veto of the ordinance.

21  
22 Section 7. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors  
23 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
24 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal  
25 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment

1 additions, and Board amendment deletions in accordance with the "Note" that appears under  
2 the official title of the ordinance.

3 APPROVED AS TO FORM:
