18 Section 1. Findings.

19 (a) Environmental and Land Use Findings.

20 (1) The Planning Department has determined that the Planning Code  
 21 amendment proposed in this ordinance is subject to a Categorical Exemption from the  
 22 California Environmental Quality Act (California Public Resources Code Sections 21000 et  
 23 seq., hereinafter "CEQA") pursuant to Section 15308 of California Code of Regulations, Title  
 24 14, Sections 15000 et seq., the Guidelines for implementation of the statute, for actions by  
 25 regulatory agencies for protection of the environment (in this case, landmark designation).

1 Said determination is on file with the Clerk of the Board of Supervisors in File No.  
2 \_\_\_\_\_ and is incorporated herein by reference. The Board of Supervisors affirms  
3 this determination.

4 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that  
5 the proposed landmark designation of the Born Home will serve the public necessity,  
6 convenience, and welfare for the reasons set forth in Historic Preservation Commission  
7 Resolution No. \_\_\_\_\_, recommending approval of the proposed designation, which is  
8 incorporated herein by reference.

9 (3) The Board of Supervisors finds that the proposed landmark designation of  
10 the Born Home is consistent with the General Plan and with Planning Code Section 101.1(b)  
11 for the reasons set forth in Historic Preservation Commission Resolution No. \_\_\_\_\_,  
12 which is incorporated herein by reference.

13 (b) General Findings.

14 (1) On March 3, 2026, the Board of Supervisors adopted Resolution No. 094-  
15 26, initiating landmark designation of the Born Home as a San Francisco landmark pursuant  
16 to Section 1004.1 of the Planning Code. On March 6, 2026, the Mayor approved the  
17 resolution. Said resolution is on file with the Clerk of the Board of Supervisors in File No.  
18 260047.

19 (2) Pursuant to Charter Section 4.135, the Historic Preservation Commission  
20 has authority “to recommend approval, disapproval, or modification of landmark designations  
21 and historic district designations under the Planning Code to the Board of Supervisors.”

22 (3) The Landmark Designation Fact Sheet dated May 20, 2026 was prepared  
23 by Planning Department Preservation staff. All preparers meet the Secretary of the Interior’s  
24 Professional Qualification Standards for historic preservation program staff, as set forth in  
25 Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for

1 accuracy and conformance with the purposes and standards of Article 10 of the Planning  
2 Code. A copy of the Landmark Designation Fact Sheet is on file with the Clerk of the Board of  
3 Supervisors in File No. \_\_\_\_\_ and is incorporated herein by reference.

4 (4) The Historic Preservation Commission, at its regular meeting of May 20,  
5 2026, reviewed Planning Department staff’s analysis of the historical significance of the Born  
6 Home set forth in the Landmark Designation Fact Sheet.

7 (5) On May 20, 2026, after holding a public hearing on the proposed  
8 designation and having considered the specialized analyses prepared by Planning  
9 Department staff and the Landmark Designation Fact Sheet, the Historic Preservation  
10 Commission recommended designation of the Born Home as a landmark consistent with the  
11 standards set forth in Section 1004 of the Planning Code, by Resolution No. \_\_\_\_\_. Said  
12 resolution is on file with the Clerk of the Board in File No. \_\_\_\_\_.

13 (6) The Board of Supervisors hereby finds that the Born Home has a special  
14 character and special historical, cultural, architectural, and aesthetic interest and value, and  
15 that its designation as a landmark will further the purposes of and conform to the standards  
16 set forth in Article 10 of the Planning Code. In doing so, the Board hereby incorporates by  
17 reference the findings of the Landmark Designation Fact Sheet.

18  
19 Section 2. Designation.

20 Pursuant to Section 1004.3 of the Planning Code, the Born Home, located at 99  
21 Divisadero Street, Assessor’s Parcel Block No. 2610, Lot No. 001, is hereby designated as a  
22 San Francisco landmark consistent with the standards set forth in Section 1004. Appendix A  
23 to Article 10 of the Planning Code is hereby amended to include this property.

24  
25 Section 3. Required Data.

1 (a) The description, location, and boundary of the landmark site consists of the  
2 footprint of the Born Home, located on Assessor's Parcel Block No. 2610, Lot No. 001, on the  
3 southwest corner of Divisadero Street and Duboce Avenue in San Francisco's Castro/Upper  
4 Market neighborhood, as shown in the Landmark Designation Fact Sheet.

5 (b) The characteristics of the landmark that justify its designation are described and  
6 shown in the Landmark Designation Fact Sheet and other supporting materials contained in  
7 Planning Department Record Docket No. 2026-001899DES. In brief, the Born Home, located  
8 at 99 Castro Street, is eligible for local designation as an exuberant example of Georgian  
9 Revival architecture. The property was constructed in 1905, and was designed by architect  
10 Frank W. Dankin. Brick contractors George and Stephen Born were the original residents. The  
11 property is unique as a brick framed home with exuberant features including the double story  
12 entrance composite pillars. A detached concrete garage with brick veneer was constructed at  
13 the south lot line in 1910.

14 (c) The particular features that should be preserved, or replaced in kind as determined  
15 necessary, are those generally shown in photographs and described in the Landmark  
16 Designation Fact Sheet, which can be found in Planning Department Record Docket No.  
17 2026-001899DES, and which are incorporated in this designation by reference as though fully  
18 set forth herein. This designation does not identify any interior character-defining features.  
19 Specifically, the features that are character-defining and shall be preserved or replaced in kind  
20 are the exterior elevations, form, massing, structure, rooflines, architectural ornament, and  
21 materials of the property identified as:

- 22 (1) Location of the house on the property with front, side, and rear setbacks;
- 23 (2) Three-story height with upper story setback;
