Application for Public Convenience and Necessity (PCN) Determination for Off
Sale General Alcohol Beverage License

2017 DEC 12 AM 11:19

Dear Clerk and Honorable Supervisors

On behalf of Verve Holdings CA, LLC ("Verve"), I am applying for a Public Convenience and Necessity (PCN) determination by the Board of Supervisors for an Off Sale General Alcohol business to operate at 2358 Fillmore Street, near Washington Street. The proprietors of Verve are a veteran wine importer/retailer and a master sommelier.

Verve's application to the California Department of Alcoholic Beverage Control (ABC) for the transfer of the Type 21 Off Sale General ABC license is pending as ABC File No. 579994, and has been approved by San Francisco Police Department subject to conditions accepted by Verve (copy attached). The ABC has also approved Verve's application subject to obtaining a Conditional Use Authorization (CUA) from the Planning Commission and the PCN determination from this Board. The CUA application was approved unanimously by the Planning Commission on December 7, 2017.

Verve will also be applying this week for a Type 86 Instructional Tasting License from the ABC, but a Type 86 license does not require a PCN.

The ABC license is being transferred from 395 Geary Blvd., San Francisco, CA 94102.

Verve's permitted hours of operation will be 9:00 a.m. to 11:00 p.m. Verve will normally be open from 10:00 a.m. to 8:00 p.m., but it plans to provide instructional tastings to be offered in the evenings to accommodate its patrons, and those events may extend later than 8:00 p.m.

Hon. Board of Supervisors

VERVE WILL SERVE THE NEIGHBORHOOD AND THE CITY

Verve will provide the neighborhood and City with expertly selected beer, wines and spirits through this retail store and its online platform. The distinctive wines and spirits to be offered may be found at www.vervewines.com.

Verve is a liquor store founded by Master Sommelier Dustin Wilson and wine merchant Derrick Mize. They opened their first store in December 2016 at 24 Hubert Street in the Tribeca neighborhood of New York. Verve's founders personally taste all products offered in stores and provide recommendations to all customers based on taste preferences. They plan to offer on-site tastings of some of their products with a Type 86 Instructional Tasting ABC license.

Verve will serve the neighborhood patrons, encouraging walk-in customers by offering delivery options. San Francisco resident employment opportunities will be provided.

Verve will serve the City by offering expertly selected wine and spirit varieties not commonly found, and by introducing San Francisco residents to wine makers and custom distillers through instructional tasting events.

I invite your questions, and request your support of Verve's ABC license application by approving a determination that Verve will provide public convenience.

Respectfully submitted,

PROJECT DESCRIPTION

The project sponsor proposes to open a Liquor Store (d.b.a. "Verve") in a currently vacant retail space at the ground floor of the two-story commercial building located at 2358 Fillmore Street. The business would operate with a Type-21 ABC license (Off-sale General), selling a variety of wines and spirits to customers from the hours of 10:00 a.m. – 10:00 p.m. This will be the second "Verve" location in the world. The first store opened in December 2016 at 24 Hubert Street in the Tribeca neighborhood of New York, New York.

The operators are also seeking a Type-86 ABC license to allow on-site tastings of certain wines and spirits in the store. They plan to continue to sell their products online, which is permitted by the Department of Alcoholic Beverage Control. The project also includes interior tenant improvements and signage alterations. The existing tenant space measures approximately 810 square feet, and the size would not change as a result of the project.

SITE DESCRIPTION AND PRESENT USE

The project site is located on the southeast corner of Fillmore and Washington Streets, Block 0612, Lot 022 in Pacific Heights. The subject property is located within the Upper Fillmore Neighborhood Commercial District ("NCD") and the 40-X Height and Bulk District. The property is developed with a late 19th century two-story commercial building, with the only other ground-floor tenant being a women's clothing store (d.b.a. "Curve") adjacent to the subject tenant space. The tenant space at 2358 Fillmore Street is currently vacant; the most recent tenant of the space was "Gimme Shoes," a shoe retailer which vacated the space in early 2017.

SURROUNDING PROPERTIES AND NEIGHBORHOOD

The area surrounding the project site is mixed-use in character. A variety of commercial establishments are located within ground floor storefronts in the Upper Fillmore NCD, including restaurants, bars, apparel stores, convenience stores, and other types of retailers. Buildings in the vicinity typically range from one to three stories in height. Upper floors of buildings are generally occupied by offices or residential units. Surrounding areas are primarily zoned RH-2, and RM-1, and these areas are predominantly residential in nature.

ENVIRONMENTAL REVIEW

The Project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 categorical exemption.

The required Section 312 neighborhood notification process was conducted as part of this Project's Conditional Use Notice.

PUBLIC COMMENT/COMMUNITY OUTREACH

- To date, the Department has not received any correspondence regarding this proposal.

ISSUES AND OTHER CONSIDERATIONS

- The tenant space at 2358 Fillmore Street is currently vacant; the most recent tenant of the space was "Gimme Shoes," a shoe retailer which vacated the space in early 2017.
- The property is a two-story commercial building with two retail spaces on the ground floor. The other retail space is a women's clothing store (d.b.a. "Curve"). The second story is occupied by offices.
- The establishment plans to employ approximately 5 employees, with 2-3 employees working at any given time.

REQUIRED COMMISSION ACTION

In order for the project to proceed, the Commission must grant conditional use authorization to allow the establishment of a liquor store within the Upper Fillmore NCD, pursuant to Planning Code Section 718.

BASIS FOR RECOMMENDATION

- The project promotes the operation of small businesses in Neighborhood Commercial Districts and contributes to the viability of the overall Upper Fillmore NCD.
- The project would not displace an existing retail tenant providing convenience goods and services to the neighborhood.
- The hybrid nature of the business, offering sales of wine and spirits as well as on-site tastings, will activate the Fillmore Street streetscape throughout the day and evening.
- The project meets all applicable requirements of the Planning Code.
- The project is desirable for, and compatible with the surrounding neighborhood.
- The business is not a Formula Retail use and would serve the immediate neighborhood.

ABOUT

Verve Wine is an entirely new way to buy and discover wine.

Founded by a Master Sommelier and a veteran wine merchant, Verve Wine offers a smart and streamlined wine-buying experience that is perfectly tailored to your unique tastes, price point and sense of adventure. The result is exciting, thoroughly delicious bottles of wine landing on your doorstep in time for your fanciest dinner party, your laziest Sunday evening, and everything in between.

Whether you're exploring Verve Wine's elegant online platform or browsing the shelves at their charming brick and mortar location at 24 Hubert Street in Manhattan's TriBeCa neighborhood, the Verve Wine experience is transparent, friendly, informative, and perfectly curated to your wine needs and interests.

PHILOSOPHY

Verve Wine founders Dustin Wilson and Derrick Mize know a lot about wine—and they know that there's a lot of complicated jargon that can be difficult to understand: from the vast number of grapes and regions to funky tasting notes and never-ending wine lists. So they decided to kick it off the pedestal. They founded Verve Wine to make discovering interesting wine accessible to everyone, from the casual rose drinker to the serious connoisseur.

Verve Wine believes that you shouldn't have to be an expert to find and enjoy unique, compelling wines, and that the beverages you choose to drink are just as important to consider as the food you choose to eat. The wines at Verve Wine are made by passionate people around the world who respect their land and use a hands-off, sustainable approach to farming and production. Each wine has been tasted by Dustin and Derrick, and chosen because they think it's worth getting to know. They won't sell anything they wouldn't drink themselves or recommend to their own friends or family.

The Verve Wine team believes that buying and drinking wine should be about much more than a commercial transaction; it should be an experience, an education, an opportunity for connection and—most importantly—delicious good fun.

THE TEAM

Derrick Mize and Dustin Wilson founded Verve Wine with the goal of using their extensive mutual knowledge of the wine industry—from wine importing and retail sales to wine production, hospitality, and the bottle-by-bottle expertise expected of a Master Sommelier—to make the industry they love more transparent, engaging and fun for everyone involved.

DERRICK MIZE

is a veteran wine merchant with over twenty years of experience. His resume includes roles at the acclaimed Italian wine importer, Vinifera Imports, and as head wine buyer at Ristorante Paoletti in Highlands, NC. In 2002, Derrick joined Mario Batali and Joe Bastianich's NYC-based Italian Wine Merchants and later co-founded the wine retailer New York Vintners in 2006. Derrick's experience has given him a vast knowledge of European wines and an understanding of the relationships necessary to procure unique, high quality selections in today's marketplace.

DUSTIN WILSON

is a Master Sommelier based in New York City. His career spans some of the top restaurants across the US—Frasca Food & Wine in Boulder, CO; The Little Nell, in Aspen; and RN74 in San Francisco. Dustin is best known for his position as Wine Director of the 3 Michelin-starred restaurant, Eleven Madison Park. This expertise led him to have a leading role in the critically acclaimed wine documentary, SOMM, and he was later featured in the film's sequel, SOMM: Into the Bottle.

ABOUT THE PLATFORM

Verve Wine makes discovering great wine as easy as buying an outfit, booking a flight or ordering pizza online. Its seamless online platform is both elegant and approachable, designed to guide users to the perfect wine for any mood, meal, or occasion.

ADOPTING FINDINGS RELATING TO THE APPROVAL OF CONDITIONAL USE AUTHORIZATION PURSUANT TO SECTIONS 303 AND 718 OF THE PLANNING CODE TO ALLOW THE ESTABLISHMENT OF A LIQUOR STORE WITHIN THE UPPER FILLMORE NEIGHBORHOOD COMMERCIAL DISTRICT AND A 40-X HEIGHT AND BULK DISTRICT.

PREAMBLE

On July 5, 2017, Richard Warren (hereinafter "Project Sponsor") filed an application with the Planning Department (hereinafter "Department") for Conditional Use Authorization under Planning Code Section(s) 303 and 718 to allow the establishment of a Liquor Store (d.b.a. "Verve") within the Upper Fillmore Neighborhood Commercial District and a 40-X Height and Bulk District.

On December 7, 2017, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting on Conditional Use Application No. 2017-008461CUA.

The project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 Categorical Exemption.

The Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties.

MOVED, that the Commission hereby authorizes the Conditional Use requested in Application No. 2017-008461CUA, subject to the conditions contained in "EXHIBIT A" of this motion, based on the following findings:

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. The above recitals are accurate and constitute findings of this Commission.
2. **Site Description and Present Use.** The project site is located at the southeast corner of Fillmore and Washington Streets, Block 0612, Lot 022 in Pacific Heights. The property is located within the Upper Fillmore Neighborhood Commercial District (NCD) within a 40-X height and bulk district. The property is developed with a late 19th century two-story commercial building, with the only other ground-floor tenant being a women's clothing retailer (d.b.a. "Curve") adjacent to the subject tenant space. The tenant space at 2358 Fillmore Street is currently vacant; the most recent tenant of the space was "Gimme Shoes," a shoe retailer which vacated the space in early 2017. The second story is occupied by offices.
3. **Surrounding Properties and Neighborhood.** The project site is located at the intersection of Fillmore and Washington Streets. The area surrounding the project site is mixed-use in character. A variety of commercial establishments are located within ground floor storefronts in the Upper Fillmore NCD, including restaurants, bars, apparel stores, convenience stores, and other types of retailers. Buildings in the vicinity typically range from one to three stories in height. Upper floors of buildings are generally occupied by offices or residential units. Surrounding areas are primarily zoned RH-2, and RM-1, and these areas are predominantly residential in nature.
4. **Project Description.** The applicant proposes to change the use of the tenant space from a shoe store, defined as a Retail Sales and Services Use, to a Liquor Store. The most recent tenant was "Gimme Shoes," a shoe retailer. The proposal includes minor tenant improvements under Building Permit No. 2017.0718.2143, as well as signage alterations which conform to the requirements of Article 6 of the Planning Code. The existing commercial space is 810 square feet in size.

The proposed use is the second worldwide location of a liquor store business. The proposed use is not a Formula Retail use. The proposal requires a change of use and Section 312 neighborhood notification was conducted in conjunction with the Conditional Use Authorization notification. The proposed use is a neighborhood-serving use.

The operators plan to employ approximately 5 employees. The subject site is well served by public transit so that potential customers should not adversely affect the traffic flow.

Verve is a liquor store founded by Master Sommelier Dustin Wilson and wine merchant Derrick Mize. They opened their first store in December 2016 at 24 Hubert Street in the Tribeca neighborhood of New York, New York. Verve's founders personally taste all products offered in stores personally and provide recommendations to all customers shopping in person at the stores or using the online delivery platform based on taste preferences. They plan to offer on-site tastings of some of their products with a Type-86 ABC license.

5. **Public Comment.** The Department received no correspondence regarding the project.
6. **Planning Code Compliance:** The Commission finds that the Project is consistent with the relevant provisions of the Planning Code in the following manner:

- A. **Hours of Operation.** Planning Code Section 718 states that non-residential uses are permitted to operate between the hours of 6:00 a.m. to 2a.m. daily.

The proposed hours of operation for the establishment are 10:00 a.m. to 10:00 p.m. daily.

- B. **Parking.** Planning Code Section 151 does not require non-residential uses to provide off-street parking spaces if the occupied floor area is less than 5,000 square feet.

The tenant space contains less than 5,000 square feet and thus no parking spaces are required.

- C. **Street Frontage in Neighborhood Commercial Districts.** Section 145.1 of the Planning Code requires that within NC Districts space for active uses shall be provided within the first 25 feet of building depth on the ground floor and 15 feet on floors above from any facade facing a street at least 30 feet in width. In addition, the floors of street-fronting interior spaces housing non-residential active uses and lobbies shall be as close as possible to the level of the adjacent sidewalk at the principal entrance to these spaces. Frontages with active uses that must be fenestrated with transparent windows and doorways for no less than 60 percent of the street frontage at the ground level and allow visibility to the inside of the building. The use of dark or mirrored glass shall not count towards the required transparent area. Any decorative railings or grillwork, other than wire mesh, which is placed in front of or behind ground floor windows, shall be at least 75 percent open to perpendicular view. Rolling or sliding security gates shall consist of open grillwork rather than solid material, so as to provide visual interest to pedestrians when the gates are closed, and to permit light to pass through mostly unobstructed. Gates, when both open and folded or rolled as well as the gate mechanism, shall be recessed within, or laid flush with, the building facade.

The subject commercial space has approximately 19 feet 3 inches of frontage along Fillmore Street and the majority of the frontage is glazed. The glazing is not to be obscured and all signage will be required to comply with Article 6 of the Planning Code.

D. **Signage.** The Planning Department has reviewed preliminary signage plans and has confirmed that the signage is in conformance with the requirements of Article 6 of the Planning Code. A separate sign permit will nonetheless be required.

7. **Planning Code Section 303** establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use approval. On balance, the project does comply with said criteria in that:

A. The proposed new uses and building, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable, and compatible with, the neighborhood or the community.

The size of the proposed use is in keeping with other storefronts on the block face. The proposed liquor store will not impact traffic or parking in the District. The proposed use will complement the mix of goods and services currently available in the district and contribute to the economic vitality of the Upper Fillmore neighborhood by providing an upscale liquor retailer.

B. The proposed project will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity. There are no features of the project that could be detrimental to the health, safety or convenience of those residing or working the area, in that:

i. Nature of proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;

The height and bulk of the existing building will remain the same and the project will not alter the existing appearance or character of the project vicinity. The proposed work will not affect the building envelope.

ii. The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;

The Planning Code does not require parking or loading for a commercial establishment of this size. The proposed use is designed to meet the needs of the immediate neighborhood and should not generate significant amounts of vehicular trips from the immediate neighborhood or citywide.

iii. The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;

The proposed use is subject to the standard conditions of approval for liquor stores and outlined in Exhibit A. The project is not expected to produce noxious or offensive emissions related to noise, glare, and dust.

iv. Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs;

The project would not alter the site's landscaping, open spaces, parking and loading areas, service areas, or lighting. All new signage will be made to comply with the requirements of Article 6 of the Planning Code.

- C. That the use as proposed will comply with the applicable provisions of the Planning Code and will not adversely affect the General Plan.

The Project complies with all relevant requirements and standards of the Planning Code and is consistent with objectives and policies of the General Plan as detailed below.

- D. That the use as proposed would provide development that is in conformity with the purpose of the applicable Neighborhood Commercial District.

The proposed project is consistent with the stated purposes of the Upper Fillmore Neighborhood Commercial District in that the intended use is located at the ground floor and will provide a compatible convenience service for the immediately surrounding neighborhoods during daytime and early evening hours.

8. **General Plan Compliance.** The Project is, on balance, consistent with the following Objectives and Policies of the General Plan:

NEIGHBORHOOD COMMERCE

Objectives and Policies

OBJECTIVE 1:

MANAGE ECONOMIC GROWTH AND CHANGE TO ENSURE ENHANCEMENT OF THE TOTAL CITY LIVING AND WORKING ENVIRONMENT.

Policy 1.1:

Encourage development which provides substantial net benefits and minimizes undesirable consequences. Discourage development that has substantial undesirable consequences that cannot be mitigated.

Policy 1.2:

Assure that all commercial and industrial uses meet minimum, reasonable performance standards.

Policy 1.3:

Locate commercial and industrial activities according to a generalized commercial and industrial land use plan.

The proposed use will provide desirable goods and services to the neighborhood and will provide resident employment opportunities to those in the community. The Project Site is located within a Neighborhood Commercial District and is thus consistent with activities in the commercial land use plan.

OBJECTIVE 2:

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

Policy 2.1:

Seek to retain existing commercial and industrial activity and to attract new such activity to the City.

The Project will provide the City and the Upper Fillmore Street commercial corridor with new commercial activity to satisfy demand.

OBJECTIVE 6:

MAINTAIN AND STRENGTHEN VIABLE NEIGHBORHOOD COMMERCIAL AREAS EASILY ACCESSIBLE TO CITY RESIDENTS.

Policy 6.1:

Ensure and encourage the retention and provision of neighborhood-serving goods and services in the city's neighborhood commercial districts, while recognizing and encouraging diversity among the districts.

No long-term commercial tenant would be displaced and the project would not prevent the district from achieving optimal diversity in the types of goods and services available in the neighborhood.

Policy 6.2:

Promote economically vital neighborhood commercial districts which foster small business enterprises and entrepreneurship and which are responsive to the economic and technological innovation in the marketplace and society.

An independent entrepreneur is sponsoring the proposal. The proposed use is a neighborhood serving use. This is not a Formula Retail use.

9. **Planning Code Section 101.1(b)** establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the project does comply with said policies in that:

- A. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses be enhanced.

The proposal would enhance the district by providing an upscale liquor store in an area that is not over concentrated by similar uses. The business would be locally owned and the proposed alterations are within the existing building footprint.

- B. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods.

Residential units in the surrounding neighborhood would not be adversely affected by the project. The proposed establishment's operations are not expected to have any negative impacts on the neighborhood or its character.

- C. That the City's supply of affordable housing be preserved and enhanced.

No housing is removed for this Project.

- D. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The site is on Fillmore Street and is well served by transit. Employees will be encouraged to commute by foot or transit thereby mitigating possible effects on street parking. The location is within ¼ mile of ten MUNI bus lines (1, 1AX, 1BX, 22, 24, 3, 31AX, 31BX, 38AX, 38BX).

- E. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced.

The Project will not displace any service or industry establishment. The project will not affect industrial or service sector uses or related employment opportunities. Ownership of industrial or service sector businesses will not be affected by this project.

- F. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The Project is designed and will be constructed to conform to the structural and seismic safety requirements of the City Building Code. This proposal will not impact the property's ability to withstand an earthquake.

- G. That landmarks and historic buildings be preserved.

A landmark or historic building does not occupy the Project site.

- H. That our parks and open space and their access to sunlight and vistas be protected from development.

The project will have no negative effects on existing parks and open spaces.

10. The Project is consistent with and would promote the general and specific purposes of the Code provided under Section 101.1(b) in that, as designed, the Project would contribute to the character and stability of the neighborhood and would constitute a beneficial development.

11. The Commission hereby finds that approval of the Conditional Use authorization would promote the health, safety and welfare of the City.

Application for Public Convenience and Necessity (PCN) Determination for Off
Sale General Alcohol Beverage License

2017 DEC 12 AM 11:19
RECEIVED

Dear Clerk and Honorable Supervisors

On behalf of Verve Holdings CA, LLC ("Verve"), I am applying for a Public Convenience and Necessity (PCN) determination by the Board of Supervisors for an Off Sale General Alcohol business to operate at 2358 Fillmore Street, near Washington Street. The proprietors of Verve are a veteran wine importer/retailer and a master sommelier.

Verve's application to the California Department of Alcoholic Beverage Control (ABC) for the transfer of the Type 21 Off Sale General ABC license is pending as ABC File No. 579994, and has been approved by San Francisco Police Department subject to conditions accepted by Verve (copy attached). The ABC has also approved Verve's application subject to obtaining a Conditional Use Authorization (CUA) from the Planning Commission and the PCN determination from this Board. The CUA application was approved unanimously by the Planning Commission on December 7, 2017.

Verve will also be applying this week for a Type 86 Instructional Tasting License from the ABC, but a Type 86 license does not require a PCN.

The ABC license is being transferred from 395 Geary Blvd., San Francisco, CA 94102.

Verve's permitted hours of operation will be 9:00 a.m. to 11:00 p.m. Verve will normally be open from 10:00 a.m. to 8:00 p.m., but it plans to provide instructional tastings to be offered in the evenings to accommodate its patrons, and those events may extend later than 8:00 p.m.

VERVE WILL SERVE THE NEIGHBORHOOD AND THE CITY

Verve will provide the neighborhood and City with expertly selected beer, wines and spirits through this retail store and its online platform. The distinctive wines and spirits to be offered may be found at www.vervewines.com.

Verve is a liquor store founded by Master Sommelier Dustin Wilson and wine merchant Derrick Mize. They opened their first store in December 2016 at 24 Hubert Street in the Tribeca neighborhood of New York. Verve's founders personally taste all products offered in stores and provide recommendations to all customers based on taste preferences. They plan to offer on-site tastings of some of their products with a Type 86 Instructional Tasting ABC license.

Verve will serve the neighborhood patrons, encouraging walk-in customers by offering delivery options. San Francisco resident employment opportunities will be provided.

Verve will serve the City by offering expertly selected wine and spirit varieties not commonly found, and by introducing San Francisco residents to wine makers and custom distillers through instructional tasting events.

I invite your questions, and request your support of Verve's ABC license application by approving a determination that Verve will provide public convenience.

Respectfully submitted,

PROJECT DESCRIPTION

The project sponsor proposes to open a Liquor Store (d.b.a. "Verve") in a currently vacant retail space at the ground floor of the two-story commercial building located at 2358 Fillmore Street. The business would operate with a Type-21 ABC license (Off-sale General), selling a variety of wines and spirits to customers from the hours of 10:00 a.m. – 10:00 p.m. This will be the second "Verve" location in the world. The first store opened in December 2016 at 24 Hubert Street in the Tribeca neighborhood of New York, New York.

The operators are also seeking a Type-86 ABC license to allow on-site tastings of certain wines and spirits in the store. They plan to continue to sell their products online, which is permitted by the Department of Alcoholic Beverage Control. The project also includes interior tenant improvements and signage alterations. The existing tenant space measures approximately 810 square feet, and the size would not change as a result of the project.

SITE DESCRIPTION AND PRESENT USE

The project site is located on the southeast corner of Fillmore and Washington Streets, Block 0612, Lot 022 in Pacific Heights. The subject property is located within the Upper Fillmore Neighborhood Commercial District ("NCD") and the 40-X Height and Bulk District. The property is developed with a late 19th century two-story commercial building, with the only other ground-floor tenant being a women's clothing store (d.b.a. "Curve") adjacent to the subject tenant space. The tenant space at 2358 Fillmore Street is currently vacant; the most recent tenant of the space was "Gimme Shoes," a shoe retailer which vacated the space in early 2017.

SURROUNDING PROPERTIES AND NEIGHBORHOOD

The area surrounding the project site is mixed-use in character. A variety of commercial establishments are located within ground floor storefronts in the Upper Fillmore NCD, including restaurants, bars, apparel stores, convenience stores, and other types of retailers. Buildings in the vicinity typically range from one to three stories in height. Upper floors of buildings are generally occupied by offices or residential units. Surrounding areas are primarily zoned RH-2, and RM-1, and these areas are predominantly residential in nature.

ENVIRONMENTAL REVIEW

The Project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 categorical exemption.

The required Section 312 neighborhood notification process was conducted as part of this Project's Conditional Use Notice.

PUBLIC COMMENT/COMMUNITY OUTREACH

- To date, the Department has not received any correspondence regarding this proposal.

ISSUES AND OTHER CONSIDERATIONS

- The tenant space at 2358 Fillmore Street is currently vacant; the most recent tenant of the space was "Gimme Shoes," a shoe retailer which vacated the space in early 2017.
- The property is a two-story commercial building with two retail spaces on the ground floor. The other retail space is a women's clothing store (d.b.a. "Curve"). The second story is occupied by offices.
- The establishment plans to employ approximately 5 employees, with 2-3 employees working at any given time.

REQUIRED COMMISSION ACTION

In order for the project to proceed, the Commission must grant conditional use authorization to allow the establishment of a liquor store within the Upper Fillmore NCD, pursuant to Planning Code Section 718.

BASIS FOR RECOMMENDATION

- The project promotes the operation of small businesses in Neighborhood Commercial Districts and contributes to the viability of the overall Upper Fillmore NCD.
- The project would not displace an existing retail tenant providing convenience goods and services to the neighborhood.
- The hybrid nature of the business, offering sales of wine and spirits as well as on-site tastings, will activate the Fillmore Street streetscape throughout the day and evening.
- The project meets all applicable requirements of the Planning Code.
- The project is desirable for, and compatible with the surrounding neighborhood.
- The business is not a Formula Retail use and would serve the immediate neighborhood.

ABOUT

Verve Wine is an entirely new way to buy and discover wine.

Founded by a Master Sommelier and a veteran wine merchant, Verve Wine offers a smart and streamlined wine-buying experience that is perfectly tailored to your unique tastes, price point and sense of adventure. The result is exciting, thoroughly delicious bottles of wine landing on your doorstep in time for your fanciest dinner party, your laziest Sunday evening, and everything in between.

Whether you're exploring Verve Wine's elegant online platform or browsing the shelves at their charming brick and mortar location at 24 Hubert Street in Manhattan's TriBeCa neighborhood, the Verve Wine experience is transparent, friendly, informative, and perfectly curated to your wine needs and interests.

PHILOSOPHY

Verve Wine founders Dustin Wilson and Derrick Mize know a lot about wine—and they know that there’s a lot of complicated jargon that can be difficult to understand: from the vast number of grapes and regions to funky tasting notes and never-ending wine lists. So they decided to kick it off the pedestal. They founded Verve Wine to make discovering interesting wine accessible to everyone, from the casual rose drinker to the serious connoisseur.

Verve Wine believes that you shouldn’t have to be an expert to find and enjoy unique, compelling wines, and that the beverages you choose to drink are just as important to consider as the food you choose to eat. The wines at Verve Wine are made by passionate people around the world who respect their land and use a hands-off, sustainable approach to farming and production. Each wine has been tasted by Dustin and Derrick, and chosen because they think it’s worth getting to know. They won’t sell anything they wouldn’t drink themselves or recommend to their own friends or family.

The Verve Wine team believes that buying and drinking wine should be about much more than a commercial transaction; it should be an experience, an education, an opportunity for connection and—most importantly—delicious good fun.

THE TEAM

Derrick Mize and Dustin Wilson founded Verve Wine with the goal of using their extensive mutual knowledge of the wine industry—from wine importing and retail sales to wine production, hospitality, and the bottle-by-bottle expertise expected of a Master Sommelier—to make the industry they love more transparent, engaging and fun for everyone involved.

DERRICK MIZE

is a veteran wine merchant with over twenty years of experience. His resume includes roles at the acclaimed Italian wine importer, Vinifera Imports, and as head wine buyer at Ristorante Paoletti in Highlands, NC. In 2002, Derrick joined Mario Batali and Joe Bastianich's NYC-based Italian Wine Merchants and later co-founded the wine retailer New York Vintners in 2006. Derrick's experience has given him a vast knowledge of European wines and an understanding of the relationships necessary to procure unique, high quality selections in today's marketplace.

DUSTIN WILSON

is a Master Sommelier based in New York City. His career spans some of the top restaurants across the US—Frasca Food & Wine in Boulder, CO; The Little Nell, in Aspen; and RN74 in San Francisco. Dustin is best known for his position as Wine Director of the 3 Michelin-starred restaurant, Eleven Madison Park. This expertise led him to have a leading role in the critically acclaimed wine documentary, SOMM, and he was later featured in the film's sequel, SOMM: Into the Bottle.

ABOUT THE PLATFORM

Verve Wine makes discovering great wine as easy as buying an outfit, booking a flight or ordering pizza online. Its seamless online platform is both elegant and approachable, designed to guide users to the perfect wine for any mood, meal, or occasion.

The site features a rotating selection of seasonal recommendations along with Wilson's favorite bottles at every price point. Users can filter their searches by flavor, grape, style or region, as well as by occasions ranging from holiday parties to home cooked dinners and movie nights in. Pairings are offered for staple foods like pizza, tacos and pasta, as well as for flavor profiles such as salty, spicy and sweet.

Every bottle at Verve Wine has a story to tell, and each wine features a detail page with clever tasting notes, fun food pairings and straightforward explanations of the bottle's origin and style. Users can track their order history to remember wines they loved, build wish lists for future purchase, and contact a sommelier with questions and requests.

In 2017 Verve Wine plans to launch a recommendation feature that will use technology to expand the reach and influence of Wilson's extensive knowledge of wine. The algorithm will suggest wines based on customers' likes, dislikes, palates and preferences -as if you were ordering from a somm at a restaurant.

24 HUBERT STREET

Verve Wine's first brick and mortar shop is located at 24 Hubert Street in Manhattan's TriBeCa neighborhood.

Like Verve Wine's online platform, the wine selection at 24 Hubert Street features a thoughtfully curated, handpicked selection of Derrick and Dustin's global greatist hits. The shop also serves as the site of a range of wine classes and events hosted by Derrick, Dustin, and the rest of the Verve Wine team.
