Dear members of Government Audit and Oversight Committee,

*As a homeowner and resident in San Francisco, I urge you to support Supervisor Mar's ordinance to reauthorize and extend fee waivers for the unauthorized dwelling units legalization program. We need to make this program accessible to help both small property owners and tenants and stabilize the community. My house is in the final process of legalization, and the new affordable unit will become available for tenants in need as soon as it becomes legalized.*

Please include my correspondence to File 200113.

*Sincerely,*
