Re: Appointment to the Treasure Island Development Authority

Dear Members of the Rules Committee:

The Nor Cal Carpenters Union strongly supports the appointment of Mr. Timothy Reyff to serve on the Treasure Island Development Authority. Tim has been actively involved in monitoring projects on Treasure Island, tracking their progress and dispatching workers to these projects. He is familiar with the challenges and opportunities that face the development of Treasure Island, and would be an asset to the Authority.

As a longtime resident of San Francisco, he has a vested interest in the growth and progress of the City of San Francisco, as well as the whole Bay Area. He has interacted with the Treasure Island Development Authority over multiple years, and as such, is familiar with the organization. I am confident that he shares the aims of the Treasure Island Development Authority, and would be dedicated to their mission and goals.

Thank you for your consideration in this matter. Please do not hesitate to reach out with any questions or concerns.

Sincerely,
