Dear Mr. Carroll,

I strongly support Supervisor Mandelman's Ordinance File No. 240982, compliance with ABE has seriously impacted many small business I work with, not just cost, but the disruption to business, loss of expensive usable footage in these business establishments.

Thank you for your consideration of the issue.

File Number: 240982

Dear Supervisors,

I am writing in support of Supervisor Mandelman's Ordinance amending the Building, Administrative, and Public Works Codes to remove the local requirement for existing buildings with a place of public accommodation to have all primary entries and paths of travel into the building accessible to persons with disabilities or to receive a City determination of equivalent facilitation, technical infeasibility, or unreasonable hardship; and affirming the Planning Department's determination under the California Environmental Quality Act.

Finally, there is legislation that cuts bureaucratic red tape and unnecessary costs to arrive at the same conclusions!

Happy Holidays to All.

Betty Louie
