RE: Children, Youth & Their Families OAC Application for Winnie Chen Seat #8

Dear Mr. Evans,

I am writing on behalf of Winnie Chin, who has applied for seat #8 on the Children, Youth & Task Forces Oversight and Advisory Committee. Winnie is currently a member of the Community Advisory Committee (CAC) for Special Education for the San Francisco Unified School District. I saw in the application for this seat that one of its' missions is to demonstrate a commitment to improving access and quality of services for children, youth and families. As a member of the CAC, she is directly involved with voicing and advocating for those youth in the public school system that are at a major disadvantage when compared to their typical peers. The nature of the families that the CAC represents involves all ethnic groups and all social economic groups. Winnie has a strong voice against injustice and discrimination. She is extremely well versed in the issues of our families and our kids, and has a deep knowledge of data and research involving the issues of Special Education and its dynamics in the classroom, community and family.

I feel that Winnie is extremely well suited for this vacant seat and hope that she is seriously considered. She will service the committee and the City well.

Yours,

Katie Russell

Dear Supervisors Safai, Fewer, and Yee,

I'm writing to express my interest in being appointed to seat 9 of the the Department of Children, Youth, and their Families Oversight and Advisory Committee. I believe that I am uniquely qualified for this position given my experience as an elementary school teacher in classroom in a segregated school in the City of Baltimore; my familiarity with government process due to my legal education and experience; my experience working in a preschool and raising my now-four-year-old-son; and my demonstrated commitment to working to improve outcomes for children from marginalized populations.

Since moving to San Francisco from Boston when I was 7 months pregnant, I have been a stay-at-home mom while my wife has worked as a research scientist. My experience as teacher and advocate for my now-four-year-old son in the City of San Francisco has given me insight into the challenges faced by parents of young children while living in the City.

Should I be appointed, my goal would be to support and promote programs that provide effective, researched-guided, community-based programs that improve outcomes for all children in the city, with an emphasis on those coming from disadvantaged and vulnerable backgrounds.

Attached, please find a copy of my resume, my California Early Childhood Education Site Supervisor credential, my Maryland teaching credential, and a letter of recommendation from an Early Childhood Education instructor at CCSF.

Thank you so much for your consideration.

Sincerely,

Sarah Thompson-Peer

To Whom It May Concern:

It gives me great pleasure recommend Sarah Thompson-Peer for the Department of Children Youth and Families Oversight and Advisory Committee. Ms. Thompson-Peer was a student in my Child Growth and Development Class in Summer 2015, and my Orientation to Early Childhood Education Principles course in Spring 2016. Ms. Thompson-Peer was an excellent student. She was an active and energetic participant in class discussions, and her classmates and I greatly appreciated her insightful comments. Ms. Thompson-Peer always demonstrated respect for the opinions of the other students in class, and was clearly interested in hearing various viewpoints on the topics we discussed. Her coursework was thoughtful, well written, and always submitted on time.

Based on the conversations that Ms. Thompson-Peer and I have shared about her goals, I feel that working with (and for) children and families is the best career path for her. Ms. Thompson-Peer clearly has a deep understanding of children and a genuine passion for working with them.

I am confident that Ms. Thompson-Peer will excel in her future endeavors, and that she will greatly contribute to any program lucky enough to have her.

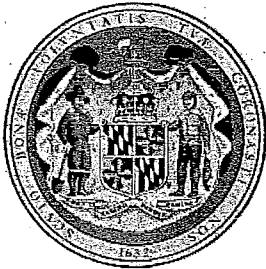

Please feel free to contact me if you have any further questions.

Sincerely,

Annemarie D. Kurpinsky
