22 Section 1. Article 56 of the Police Code is hereby amended by revising Sections 5600  
 23 and 5601, revising existing Section 5602 and renumbering it as Section 5609, and adding new  
 24 Sections 5602, 5603, 5604, 5605, 5606, 5607, 5608, 5610, and 5611, to read as follows:

1                                   **ARTICLE 56: ~~MOTOR VEHICLE~~ SIDESHOWS ~~STUNT DRIVING~~**

2                                   **SEC. 5600. FINDINGS.**

3                                   (a) In recent years, San Francisco has seen a rise in size and severity of illegal Vehicle  
4 Sideshows, ~~“motor vehicle stunt driving,”~~ which includes reckless driving, vehicle speed contests,  
5 and/or exhibitions that involve stunts and tricks with vehicles. In some instances, the Vehicle  
6 Sideshow~~motor vehicle stunt driving~~ features ~~cars~~ vehicles and dirt bikes weaving and speeding  
7 along thoroughfares, spinning “doughnuts,” and screeching tires while passengers hang out  
8 the windows, drawing crowds of spectators that are encouraging and instigating the Vehicle  
9 Sideshows. In other instances, the ~~cars~~ vehicles speed in unison. The various stunts and tricks  
10 featured during Vehicle Sideshows~~motor vehicle stunt driving~~ are extremely dangerous and  
11 imperil both willing spectators and uninvolved bystanders, as well as participants. In the San  
12 Francisco Bay Area, the use of vehicles for stunts and tricks has caused serious injuries and  
13 death to not only participants and spectators but also to bystanders.

14                                   (b) In 2020, San Francisco enacted Article 56 in light of the following incidents: As of the  
15 enactment of this Article 56, among the more recent instances of motor vehicle stunt driving in San  
16 Francisco were the following:

17                                   On February 23, 2020, there were four illegal Vehicle Sideshows~~motor vehicle stunt~~  
18 ~~driving exhibitions~~ involving 50 to 100 ~~cars~~ vehicles in San Francisco. Several ~~cars~~ vehicles sped  
19 through City neighborhoods engaging in reckless driving behavior. Motor vehicles blocked  
20 street intersections and engaged in tricks and stunts that included driving in continuous “figure  
21 eights” with screeching tires, and “doughnut” contests. Dozens of spectators crowded the  
22 streets and sidewalks in very close proximity to the vehicles to watch the exhibitions, creating  
23 a major public safety concern for everyone.

24                                   On August 24, 2020, there was an illegal Vehicle Sideshow~~motor vehicle stunt driving~~  
25 ~~exhibition~~ in San Francisco where vehicles orbited an intersection performing continuous

1 “doughnuts” and sending burnt rubber smoke from tires into the air as passengers hung out  
2 the window. Approximately 100 spectators cheered on the spinning vehiclesscars. At one point,  
3 a pParticipating driver lost control of his vehicle, forcing spectators to move back  
4 unexpectedly. There were spectator vehicles that blocked all access to entry of the exhibition  
5 intersection. Nearby, gun shots were fired.

6 On September 6, 2020, an illegal Vehicle Sideshow~~motor vehicle stunt driving~~  
7 ~~exhibition~~ in San Francisco attracted hundreds of spectators and approximately 50 vehicles.  
8 There were approximately 100 calls for police service for this event from residents concerned  
9 about public safety. A man was shot to death in the immediate vicinity of the reckless stunt  
10 driving exhibition.

11 (c) Since 2020, Vehicle Sideshows have continued to occur in the San Francisco Bay Area.  
12 They have been increasing in severity and size, and are becoming a greater community safety concern.  
13 The majority of Vehicle Sideshow occur late at night or during the early morning hours. But San  
14 Francisco experienced a Vehicle Sideshow on Sunday, August 25, 2024 in the afternoon, creating a  
15 bigger public safety concern as there were more people and law-abiding drivers using the public  
16 streets and sidewalks at that time. In 2024, there have been at least 25 Vehicle Sideshows reported in  
17 San Francisco and as of September 2024 the Police Department (“SFPD”) had seized 67 vehicles,  
18 including 8 from sideshows and 59 others for reckless evasion (when a person flees or  
19 attempts to elude a pursuing officer while driving with willful or wanton disregard for the safety  
20 of persons or property, including street takeover maneuvers such as doughnuts and  
21 burnouts). ~~in connection with these incidents during the year.~~ Some of the most notable Vehicle  
22 Sideshows of 2024 were:

23 On June 9, 2024, several Vehicle Sideshows occurred across the San Francisco Bay Area that  
24 involved huge crowds of spectators who followed the Sideshows to various locations. In San Francisco,  
25 a Vehicle Sideshow occurred on the Embarcadero and drew over 200 spectators event. The crowd of

1 people blocked streets and sidewalks as they encouraged the drivers who engaged in the dangerous  
2 vehicle stunts. During the Vehicle Sideshow, a vehicle was engulfed in flames near the Embarcadero,  
3 which presented a huge public safety risk and required an enormous amount of resources to contain.  
4 SFPD seized five vehicles at the scene and dispersed the large crowd. Following the Vehicle Sideshow,  
5 splinter Vehicle Sideshows occurred at Alemany Boulevard and Geneva Avenue, on Valencia Street,  
6 and on Cesar Chavez Street. SFPD eventually dispersed the splinter Sideshows.

7 On August 25, 2024, a huge Vehicle Sideshow of dirt bikes and all-terrain vehicles (“ATVs”)  
8 took place throughout various neighborhoods in San Francisco drawing 200-250 spectators  
9 encouraging and instigating the illegal activity. The spectators, ATVs, and dirt bikes collectively  
10 overtook several streets in San Francisco. The riders ignored traffic laws, performed stunts, and  
11 caused widespread disruption by blocking streets and sidewalks that impacted our neighborhoods.

12 (d) According to SFPD, there have been other illegal activities associated with Vehicle  
13 Sideshows, including shootings, weapons possession, explosives, illegal fireworks, assaults, vandalism,  
14 and public intoxication. Sideshow participants and spectators are often hostile, aggressive, and  
15 uncooperative with law enforcement officers and have on occasion been assaultive towards officers  
16 attempting to contain and dismantle the illegal activity.

17 (ee) There is no place for this type of motorized misconduct in a heavily populated  
18 urban environment such as San Francisco. At a minimum, ~~Vehicle Sideshows~~~~motor vehicle stunt~~  
19 ~~driving~~ in the City creates chaos, inconvenience, and in some cases fear, among those who  
20 live in neighborhoods where ~~it~~they occurs; and ~~it~~they presents challenges for law-abiding  
21 drivers whose routes unfortunately take them to an area where such irresponsible antics are  
22 occurring. Of even greater concern, the possibility that serious injury or death may result from  
23 ~~Vehicle Sideshows~~ ~~motor vehicle stunt driving~~ is ever-present.

24 (f) Vehicle Sideshow participants and spectators do not stay in one area. They travel on our  
25 highways and bridges to come into our city and cause havoc in San Francisco and the Bay Area. The

1 SFPD works closely with its law enforcement partners in the region to address the illegal activities.  
2 The SFPD uses technology, such as automatic license plate readers, commonly known as “ALPRs,”  
3 and unassisted aerial vehicles, “ commonly known as “UAVs” or “drones,” to combat Vehicle  
4 Sideshows and their attendant ills. This Article 56 provides additional legal tools for the City to  
5 combat Vehicle Sideshows.

6 **SEC. 5601. ~~MOTOR VEHICLE~~ SIDESHOW STUNT DRIVING: DECLARATION OF**  
7 **POLICY.**

8 It is the policy of the City and County of San Francisco to protect the health and  
9 safety of residents by enforcing state and local laws that prohibit persons from engaging in  
10 Vehicle Sideshows~~reckless driving, motor vehicle speed contests, and exhibitions that involve stunts~~  
11 ~~and tricks with vehicles,~~ and that prohibit persons from aiding and abetting such activities.

**REVISED LEGISLATIVE DIGEST**

(10/1/2024, Amended in Board)

[Police Code - Vehicle Sideshows]

**Ordinance amending the Police Code to 1) prohibit persons from promoting a Vehicle Sideshow or preparations for such a sideshow; 2) prohibit persons from assembling together to obstruct the streets, sidewalks, highways, other public right-of-ways, off-street parking facilities, or private property in connection with a Vehicle Sideshow or preparations for such a sideshow; 3) prohibit persons from knowingly being present at a Vehicle Sideshow or preparations for such a sideshow for purposes of participating in the Vehicle Sideshow; 4) prohibit persons present at a Vehicle Sideshow or preparations for such a sideshow from interfering with official performance of law enforcement duties; 5) seize and impound vehicles used in a Vehicle Sideshow or preparations for such a sideshow, and under certain conditions sell the vehicles; and 6) make violations of these provisions a misdemeanor, subject to imprisonment and/or fine.**

Existing Law

State law makes it illegal to engage in a Vehicle Sideshow. Upon arrest and consistent with state law, Article 56 of the Police Code requires law enforcement officials to impound vehicles used in Vehicle Sideshows for 14 days for the first incident and anywhere from 15 days to 30 days for the second incident and 30 days thereafter.

Amendments to Current Law

This ordinance would clarify and supplement state law to prohibit persons from:

1. Promoting the Preparation of a Vehicle Sideshow or promoting a Vehicle Sideshow;
2. Assembling together to block or obstruct the street, sidewalk, highway, other public right-of-ways, or private property absent consent of the private property owner, in connection with Preparation of a Vehicle Sideshow or in connection with a Vehicle Sideshow;
3. Knowingly being Present at a Vehicle Sideshow or the Preparation of a Vehicle Sideshow for the purpose of Participating in or aiding and abetting the Vehicle Sideshow or Preparation of the Vehicle Sideshow; and
4. Willfully obstructing, impeding, delaying, or interfering with law enforcement's performance of official duties in connection with Preparation of a Vehicle Sideshow or in connection with a Vehicle Sideshow.

This ordinance does not apply to law enforcement officials engaged in the course and scope of their duties, members of the media engaged in the course and scope of their duties; and

members of the public who are merely observing and/or reporting on the Preparation of a Vehicle Sideshow, or on a Vehicle Sideshow, provided they are not Participating or aiding and abetting in the Preparation of a Vehicle Sideshow or in a Vehicle Sideshow.

This ordinance would also clarify that no persons shall willfully obstruct, impede, delay, or interfere with law enforcement's performance of official duties in connection with Preparation of a Vehicle Sideshow or in connection with a Vehicle Sideshow.

This ordinance also amends Article 56 to require enforcement officials to impound vehicles used in Vehicle Sideshows for 30 days. Except where state law requires the release of the impounded vehicle, law enforcement officials may only release the vehicle if: (1) no criminal charges are brought against the person; (2) the District Attorney or the court directs the law enforcement official to release the vehicle; or (3) there is no other legal basis to hold the vehicle. In the event criminal charges are brought, law enforcement officials shall only release the vehicle at the direction of the District Attorney or the court orders the release of the vehicle. If the defendant is charged with and convicted of violating Section 23109 et. seq. of the California Vehicle Code and the defendant's vehicle was impounded and not subject to return, law enforcement officials may either sell the vehicle at a public auction or destroy it if the vehicle has little to no value.

Finally, this ordinance makes any violations of these provisions a misdemeanor, subject to imprisonment and/or fine.

## **Background**

At the Board of Supervisors meeting on September 24, 2024, Supervisor Dean Preston said the findings in Mayor Breed's sideshow ordinance in [File No. 240844](#) inaccurately reference 67 vehicles impounded in connection with sideshow incidents. Supervisor Preston suggested the Board should amend the findings before the second reading of the ordinance this week.

## **Response**

Sideshows, stunt driving, dirt bike insurrections and reckless evasion are illegal and unacceptable in our city and anywhere else. The San Francisco Police Department takes each of these activities seriously.

The Department prioritizes stopping illegal activity to protect the public. When possible, officers will arrest participants and tow vehicles, but the Department also has a unit that follows up on investigations and uses evidence collected during sideshows to hold participants accountable.

To that end, the Department has seized 67 vehicles this year as of September 2024, including 8 from sideshows and 59 others for reckless evasion (when a person flees or attempts to elude a pursuing officer while driving with willful or wanton disregard for the safety of persons or property, including street takeover maneuvers such as doughnuts and burnouts).

Both sideshows and reckless evasion undermine public safety, put bystanders at risk of injury and strain law enforcement resources. Impounding vehicles for these related activities helps combat sideshow culture and reduce dangerous driving by ensuring participants face tangible consequences.
