10 **the general plan consistency requirement of Administrative Code Section 2A.53.**

11

12 WHEREAS, Over the last decade the City and County of San Francisco (the "City") has
13 experienced a significant increase in congestion conditions on City streets; and,

14 WHEREAS, Over the same period, the number of accidents and fatalities involving
15 pedestrians and bicyclists has registered an alarming increase; and,

16 WHEREAS, There has been identified a backlog of over \$150,000,000 in street
17 resurfacing, curb ramp construction, sidewalk improvement, and street structure improvement
18 needs in the City; and,

19 WHEREAS, This Board recognizes the need to identify funding to proceed with the
20 maintenance and rehabilitation needs identified above in order to avoid the need for complete
21 reconstruction later at seven times the cost of rehabilitation; and,

22 WHEREAS, Current transportation revenues, including the local half-cent sales tax for
23 transportation, are insufficient to address the backlog; and,

24 WHEREAS, It is clear that the current pace of improvement to City streets, including
25 pedestrian safety programs, is slowed down by the lack of availability of funds; and,

1 WHEREAS, Considerable progress could be made in preventing unnecessary
2 pedestrian and bicyclists' deaths and injuries if additional funding was made available in the
3 short and medium term; now therefore, be it

4 RESOLVED, By the Board of Supervisors of the City and County of San Francisco:

5 Section 1. It is hereby determined and declared that the public interest and necessity
6 demand the financing of street resurfacing, curb ramp construction, sidewalk improvement
7 and street structure improvement projects and all other aspects necessary or convenient for
8 the foregoing purposes, that the estimated cost of \$150,000,000 is and will be too great to be
9 paid out of the ordinary annual income and revenue of said City and County and will require
10 the incurrence of bonded indebtedness.

11 Section 2. The estimated cost of \$150,000,000 is and will be too great to be paid out of
12 the ordinary annual income and revenue of said City and County and will require an
13 expenditure greater than the amount allowed therefor by the annual tax levy, and will require
14 the incurrence of bonded indebtedness in the amount of not to exceed \$150,000,000.

15 Section 3. The Board of Supervisors having reviewed the proposed legislation, finds
16 and declares (i) that the proposed project is in conformity with the priority policies of Section
17 101.1(b) of the City Planning Code and (ii) in accordance with Section 2A.53(f) of the City
18 Administrative Code, that the proposed project is consistent with the City's General Plan, and
19 hereby adopts the findings of the City Planning Department, as set forth in the General Plan
20 Referral Report, dated October __, 2001, and incorporates said findings by reference.
