25 the issuance of the first certificate of occupancy by the Director of DBI for the development
project, provide proof to the Director of Planning that:

14 (d) The nonprofit organization has executed and recorded a binding written
15 agreement, with a term of 20 years from the date of issuance of the first certificate of
16 occupancy for the development project, pursuant to which the nonprofit organization
17 guarantees that it will operate a child-care facility or it will lease or sublease a child-care
18 facility to one or more nonprofit child-care providers for as long as there is a demonstrated
19 need under Section 414.12, and that it will comply with all of the requirements imposed on the
20 nonprofit organization under Section 414.10 and imposed on a sponsor under Sections 414.4.

21 (e) To support the provision of a child-care facility in accordance with the
22 foregoing requirements, the sponsor has paid to the nonprofit organization a sum which
23 equals or exceeds the amount of the in-lieu fee which would have been applicable to the
24 project under Section 414.8.

1 (f) The Department of Children, Youth and Their Families Office of Early Care and

5 Education and Out of School Time; provided, however, that this Paragraph (f) shall not apply to
6 any office or hotel development project approved by the Planning Commission prior to
7 December 31, 1999.

8 Upon compliance with the requirements of this Section, the nonprofit organization shall
9 enjoy all of the rights and be subject to all of the obligations of the sponsor, and the sponsor
10 shall have no further rights or obligations under Section 414.1 et seq.

REVISED LEGISLATIVE DIGEST
(10/22/13, Substituted)

[Planning Code - Transfer of Child Care Facility Oversight to Office of Early Care and Education]

Ordinance amending the Planning Code to transfer proposed child care facility oversight from the Department of Children, Youth and Their Families to the Office of Early Care and Education; and making environmental findings.

Existing Law

Under existing law, the sponsor of a child-care facility development project shall consult with the Department of Children, Youth and their Families (DCYF) in identifying whether the proposed child-care facility will meet local child care needs. The DCYF will determine whether the proposed child-care facility will be consistent with the City Wide Child Care Plan.

Amendments to Current Law

Under the amended ordinance, the sponsor of a child-care facility development project shall instead consult with the Office of Early Care and Education (OECE) which is located in the San Francisco Human Services Agency in identifying whether the proposed child-care facility will meet local child care needs, rather than the DCYF.

The OECE will determine whether the proposed child-care facility will be consistent with the San Francisco Citywide Plan for Early Care and Education and Out of School Time, the new name for the City Wide Child Care Plan.

Background Information

The oversight for child care facilities issues moved from the Department of Children, Youth and their Families to the office of Early Care and Education when it was established at the San Francisco Human Services Agency in July 2012.

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. In the City's FY 12-13 budget, responsibility for providing strategic direction, planning and oversight of early care and education programs was consolidated in the new agency, OECE

The proposed Ordinance would not cause displacement of the industrial or service sectors due to office development, and future opportunities for resident employment or ownership in these sectors would not be impaired.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

The proposed Ordinance would not have a negative effect on City's preparedness against injury and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

The proposed Ordinance would not have a negative effect on the City's Landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The proposed Ordinance would not have a negative effect on the City's parks and open space and their access to sunlight and vistas.

8. **Planning Code Section 302 Findings.** The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.

PLANNING CODE AMENDMENT

The proposed Ordinance would amend the Planning Code to transfer proposed child care facility oversight from the Department of Children, Youth and Their Families to the Office of Early Care and Education (hereinafter OECE).

The Way It Is Now:

Planning Code Section 410.10 identifies the Department of Children, Youth and Their Families as the responsible agency for determining if a proposed child-care facility will help meet the needs identified in the San Francisco Child Care Needs Assessment and if it will be consistent with the City Wide Child Care Plan.

The Way It Would Be:

The proposed ordinance would modify section 410.10 so that the OECE would be responsible agency for determining if a proposed child-care facility will help meet the needs identified in the San Francisco Child Care Needs Assessment. It also changes the name of the City Wide Child Care Plan to the San Francisco Citywide Plan for Early Care and Education and Out of School Time.

REQUIRED COMMISSION ACTION

The proposed Ordinance is before the Commission so that it may recommend adoption, rejection, or adoption with modifications to the Board of Supervisors.

RECOMMENDATION

The Department recommends that the Commission recommend *approval* of the proposed Ordinance and adopt the attached Draft Resolution to that effect.

BASIS FOR RECOMMENDATION

This change is being made because in the City's FY 12-13 budget, responsibility for providing strategic direction, planning and oversight of early care and education programs was consolidated in the new agency, OECE. Previously these functions had been spread across three city agencies, including the Department of Children Youth and Families, the Human Services Agency and First Five. This Ordinance is simply correcting the Planning Code so that it is in line with the City's current practices and adopted budget.

ENVIRONMENTAL REVIEW

The proposed Ordinance would result in no physical impact on the environment. The proposed amendment is exempt from environmental review under Section 15060(c)(2) of the CEQA Guidelines.

PUBLIC COMMENT

As of the date of this report, the Planning Department has not received any correspondence regarding this Ordinance.
