RESOLUTION NO.

[Accept Gift - Department of Technology - Wi-Fi Equipment - \$270,000]

1
2 **Resolution authorizing the Department of Technology to accept a gift of**
3 **equipment, software, and services from Cisco, Inc. with a total value of**
4 **\$270,000 in order to provide free, wireless internet access at various locations**
5 **in San Francisco.**
6

7 WHEREAS, The City and County of San Francisco seeks to enhance Internet
8 access for residents and visitors; and

9 WHEREAS, Consistent with that goal, the Department of Technology (“DT”) is
10 developing a project to provide free, wireless Internet access in various places in San
11 Francisco to any person in the vicinity with a compatible Wi-Fi device (the “City Wi-Fi
12 Project”); and

13 WHEREAS, Cisco, Inc. (“Cisco”), a manufacturer of telecommunications
14 equipment, installed certain communications equipment in San Francisco in order to
15 enable persons attending the America’s Cup 2013 event to obtain free Wi-Fi service;
16 and

17 WHEREAS, Since the America’s Cup 2013 event has been completed, Cisco
18 has offered to donate to the City the Wi-Fi access points and related hardware and
19 software used for the event (“Equipment”) for DT to use for the City Wi-Fi Project, as
20 set forth in the Equipment Donation Agreement between the City and Cisco on file
21 with the Clerk of the Board of Supervisors in File No. 131217; and

22 WHEREAS, DT and Cisco have determined that the value of the Equipment
23 that Cisco seeks to donate to the City is \$270,000; and
24
25

1 WHEREAS, DT has already begun deployment of the City Wi-Fi Project and
2 intends to use the Equipment provided by Cisco if this resolution is approved; now,
3 therefore, be it

4 RESOLVED, That the Board of Supervisors authorizes the Department of
5 Technology to accept the gift from Cisco valued at \$270,000.
