Rules Committee - SF Board of Supervisors

1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102-4689

Dear Chairman Ahsha Safai and Supervisors --

Thank you for the opportunity, once again, of your consideration for re-appointment to the Sunshine Ordinance Task Force. I desire reappointment to Seat #6 which I am applying for unless you see fit to appoint me to another such as #7, 8, 9 or 10 of which I am eligible, too.

My history here is well known and my complete resume is attached to the application.

I enjoy the work and service to the citizens and residents of San Francisco in this way of helping to ensure open government. While fully employed, I am able to fulfill my duties on the SOTF due to flexibility in my schedule. As our world is ever changing there is still much to do, much to streamline, much to build on. I am committed to SOTF's efficacy and continued success as I know you are, too.

There is a lot I bring to this body in experience, expertise and history to add to the collective brain trust. For instance, as an IT professional, with the changing environment of technology comes new and innovative ways to deliver services that I have been participant in for some time. As the city's new technology systems come online, more efficiency of compliance of Sunshine will be apparent thus reducing time in fulfilling the public's requests. This is for certain. As a social worker, martial arts instructor, governance advisor and computing trainer, I bring ample methods of instructional delivery to help bolster training in Sunshine where it's needed.

There is much to be done in increasing the efficiency of the Sunshine Ordinance Task Force process and its charge. Over the past two years, much progress has been made to bring inefficiencies into order and, if it be your pleasure, I plan on continuing this work in conjunction with various connected city offices to continue that trend towards fruition. For instance, the advent of the Digital Services Team allows SOTF to collaborate to ensure that all city/county departments and agencies have as much public information available on their website to the public as possible reducing staff time. In addition, the excitement of the adoption of the NextRequest platform. Some other areas of ongoing work are increased training to struggling departments; streamlined the hearing process to reduce time spent by all parties; resolving concerns about compliance at the administrative level before becoming official complaints; ensuring administration of the SOTF functions are adequately supported so that it can perform efficiently. These are all just a smattering of areas that I continue to be helpful with along with your support.

Once again, I appreciate the opportunity to serve once again, and will work deliberately and more closely with you and the city family to help ensure that, both, we maintain the integrity of open government and deliver it to the people of the City and County of San Francisco.

Yours Truly,

ATTACHMENT TO APPLICATION

(APPLICATION OF DEAN M. SCHMIDT – SUNSHINE ORDINANCE TASK FORCE)

I. QUALIFICATIONS TO REPRESENT COMMUNITIES OF INTEREST, NEIGHBORHOODS AND DIVERSITY

I am a 30-year resident of the City, established 24 years as a homeowner in the Mission District (Bernal). The City has changes dramatically of recent, and though some of that change alters the livability of our neighborhoods, my City remains and must be made to remain a unique and wonderful place to live. I sent (am sending) both my children to public schools in the SFUSD through Grade 12, including 9 years each at a small Excelsior District public school that taught them well among a multi-ethnic student body mainly from working class or underprivileged households. I contributed my time at that school as an SFUSD-certified Coach and Athletic Director for middle school interscholastic sports, attempting to promote more funding, participation and inclusion for children from many of the diverse communities in the area. I also am increasingly active with an Inner Mission District Buddhist sangha that emphasizes and promotes social justice, diversity and skillful efforts in opposition to all forms of discrimination.

Professionally, I have extensive knowledge about and reverence for the anti-discrimination protections provided by state and federal law (Title VII, FEHA, ADA, etc.), having provided legal counsel in many cases to enforce those laws, and in the role of outside legal counsel in Federal and State Court litigation, administrative hearings and civil service hearings representing public agencies (e.g. County of Alameda, City of Berkeley, East Bay Municipal Utility District, Alameda-Contra Costa Transit District).

My mother's entire family were early-20th Century Finnish immigrants who migrated to mine iron in this country. Their hard lives, social exclusion and persecution for groundbreaking union-forming activity were the first of many influences motivating me to be open, inclusive and engaging with all people who come to this City and this Country.

II. BUSINESS AND/OR PROFESSIONAL EXPERIENCE

Having recently familiarized myself with the Task Force's work, I now wish to wholeheartedly contribute my experience, legal skills, people skills, and knowledge of city and county government processes developed primarily in my 28 years as a San Francisco/East Bay civil litigation attorney. I have gained significant experience in many areas of civil law, often involving complex depositions of difficult witnesses, mediations and settlement or trials before juries or the courts without jury.. My work has often

involved working with public agencies; managing the procurement or production of large document troves often subject to privilege claims like the attorney-client privilege and attorney work product protections, pursuant to civil discovery, civil subpoena, FOIA or other procedural processes. I have done extensive work both within public agencies as outside litigation counsel, and from the outside for litigation co-parties or adverse litigants. Much of that work involved personnel issues, anti-discrimination litigation, civil service hearings and other labor disputes.

I believe I have attained a level of skill in both managing acrimonious full-blown litigation fights and standing upon principle where appropriate and, on the other hand, always attempting to work toward finding flexible and creative solutions instead of permitting time waste in needless haggling and posturing. I would try to bring to the Task Force an ability to comprehend difficult legal hurdles and evidentiary and procedural questions. I would seek to work collaboratively with other Task Force members, whose impressive life and work experiences clearly bring a range of skills critical to performing the work of the Task Force. With the clear goal of open government and effective access – “sunshine” – always in mind, I would hope to imbue professionalism and to pursue competently all aspects within the Task Force’s mandate and jurisdiction, yet without creating unnecessary burdens for those seeking to comply with Ordinance in good faith.

Specific as to “Consumer Advocacy”, there are many categories of cases where I have worked extensively on behalf of consumers, usually as civil litigation plaintiffs, to enforce statutes that are consumer protection statutes: mortgage fraud; federal and state statutes regulating the moving and storage industry; wrongful eviction lawsuits seeking treble damages under the San Francisco and other rent control ordinances; tenants endangered/injured by dangerous rental property conditions; a series of cases involving violations of the California Consumer Legal Remedies Act and Unruh Act, including elder abuse (endangerment, fraud); actions against real estate agents, brokers, escrow agents and other fiduciaries, for violation of defect disclosure laws and other purchaser protections; sexual abuse of minors by clergy and condoned by religious institutions; challenges to denial of disability benefits; countless cases against insurance company claim denials made in bad faith or otherwise unlawful. I have also provided counsel and advice regarding government agency, corporate, small business compliance with the federal Americans with Disabilities Act and California Fair Employment and Housing Act. I also have litigated pro bono consumer matters against banks (lending, collection practices), landlords (local and State protections), and local businesses.

I was sworn in as a Superior Court of California Judge Pro Tempore in 2012, based in part on my years of courtroom work as a civil litigation attorney. Because I consider this to be one of my “Civic Activities”, I provide further detail below in the civic activities section.

III. CIVIC ACTIVITIES

As community service within the legal profession, I was sworn in as a Superior Court Judge Pro Tempore in 2012. I have been volunteering part of my time to judging calendars at the Hall of Justice, including arraignments and trials of city ordinance and vehicle infractions; juvenile calendars at the Youth Guidance Center courthouse; and settlement calendars of the Housing Court. In the near future I will be undertaking assignments of small claims trials at the Civic Center Courthouse, and in the Civil Discovery Departments, which actually handle document-intensive production and privilege disputes similar to the Task Force's enforcement work.

Furthermore, I am an actively participating attorney with the Justice & Diversity Center, where I currently represent tenants pro bono fighting eviction in San Francisco. I have litigated and continue to litigate other types of pro bono cases through the Bar Association of San Francisco (family law, general civil), Legal Services for Children (pro bono guardianships), and California Lawyers for the Arts (including a former class teaching the fundamentals of copyright protection issues to local artists and musicians.) I am a past winner of the California State Bar Wiley Manuel Award for the provision of pro bono services to the community

Recently, I occasionally staff the weekly local radio call-in show "Call A Lawyer" where most topics involve consumer protection.. I also a few years back involved myself in work on behalf of children in Juvenile Dependency proceedings. On a somewhat different tangent, I spent several years as a member of the Board for the Encore Theater Company, an offshoot of American Conservatory Theater.

As an attorney who represents injured workers, I advocate for those who often find themselves up against an insurance company which operates under technical rules and industry-specific jargon. I am a counselor to them and help guide my clients through that often difficult process. I represent a wide range of workers in my practice; from janitors to migrant workers, from clerical workers to waiters. My clients are of all ages, races, and religious backgrounds. I help them get through what is often a difficult point in their lives. I also volunteer at the Asian Law Caucus here in the city. I enjoy working with that organization through their legal clinic.

Business and/or professional experience:

My job requires me to conduct legal discovery and research, actively listen, negotiate, and write. I have been an attorney in CA for over nine years. Re: Reappointment - Frank Cannata to the SF Sunshine Ordinance Task Force

I am writing to urge your reappointment of Mr. Frank Cannata to the Sunshine Ordinance Task Force.

As an activist and former board member of the Middle Polk Neighborhood Association (MPNA), Mr. Cannata for over a decade has been a principled committed voice of a neighborhood in transition. He is a sound leader who can guide the community through challenging issues and circumstances.

Mr. Cannata is precisely what San Francisco needs - he continues to demonstrate professional leadership and vital problem-solving skills in the resolution of multiple and often complex issues.

In summary, Mr. Cannata is a professional who displays integrity and commitment beyond reproach. I highly recommend his reappointment.

Thank you for your consideration.

Dear Members of the Board of Supervisors;

We strongly support the reappointment of Sunshine Task Force Commissioner Frank Cannata, a neighborhood activist who has worked with us for many years on joint projects along the VanNess Corridor, including the new CPMC Hospital and Medical Office Building, the VanNess BRT and Polk Street Improvement Project.

In addition, Frank has been actively involved in the development of small retail on Polk, including partnering with the DPW on monthly clean up projects and the SFD on homelessness and public safety.

Frank is a founder of the Middle Polk Neighborhood Association and a member of the SF Neighborhood Network and the Coalition for SF Neighborhoods, and has participated in city-wide issues as well as local ones.

We urge you to reappoint Commissioner Cannata.

Regards,

Marlayne Morgan, President
Cathedral Hill Neighbors Association

Re: reappointment of Frank Cannata to the Sunshine Ordinance Task Force

Supervisors:

I write to support the reappointment of my neighbor Frank Cannata for the Sunshine Ordinance Task Force.

Much good can be accomplished when citizens step up which Frank has done and show up to move important issues forward. He values open government which is critical to the success of the Task Force and a value to San Francisco.

Frank co-founded the Middle Polk Neighbors Association more than a decade ago.. I have been a member of MPNA for several years and seen Frank in action.

He is a thoughtful and committed community advocate. I am familiar with the role of the Task Force and hope that you will recommend Frank's reappointment to this key City committee.

Sincerely,

Becky Evans

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

My personal experience is as a homeowner and resident of Bernal Heights since 2003. I identify as a cis man, Chinese, son of an immigrant, age 55, no handicaps. I seek to connect to people in different neighborhoods and situations. A formal example is my status as a former board member of the Bernal Heights Neighborhood Center. This organization seeks to provide affordable housing and services to disadvantaged communities. An informal example is that in December we housed a homeless friend and his dogs and bought him a van to live in. My wife is a bisexual woman, Jewish, legally disabled (hip/knee/foot injuries) and a local psychotherapist, so I feel like between my experience and hers that she shares, I have a great deal of exposure to diversity across San Francisco.

I am eager to contribute time and effort to support the City I have enjoyed and benefited from. My friend has served on the SOTF and from her experience I believe that it plays an important role in protecting and empowering the citizens of San Francisco.

Business and/or professional experience:

I have worked in technology since 1984, filling roles from individual contributor to VP, in areas all across the product spectrum from strategy, requirements, and coding through operations, customer support, and sales & marketing. Here is a list of companies I've worked for, industries, and titles (reverse chronological order):

- AerNow (video platform) - VP of Media Services
- Mediaplex (advertising technology) - VP of Business Solutions, Sr. Director of Product Management, Director of Technical Solutions, Customer Support Analyst
- Sony Pictures (media) - Programmer/Analyst
- Pacific Bell (telecommunications) - Systems Analyst, Business Analyst, Programmer

My work experience has put me in both positions of authority and dependent on the good graces of other groups so I have developed an ability to communicate and collaborate with cross-functional groups for the betterment of our company and clients. I have been well-known for making difficult concepts easy to understand and for leading teams through process and negotiation.

Civic Activities:

- Board member of Bernal Heights Neighborhood Center
- Mentor in the YMCA Chinatown mentoring program
- Volunteer distributing lunches to volunteers at the Pride Parade
- Volunteer making lunches at Glide Memorial
- Volunteer photographer for dog rescue organizations (Rocket Dog, Family Dog)
- Volunteer photographer for CompuMentor (now TechSoup, technology for non-profits)
- Volunteer photographer for the Marin Symphony Orchestra
- PTSA member at Aptos Middle School
- Little League Coach
- Participant in many LGBTQ/civil rights marches
- Member at Temple Or Shalom

Supervisor Catherine Stefani (via Jack Gallagher, Jack.Gallagher@sfgov.org)

Supervisor Norman Yee (via Jarlene Choy, Jarlene.Choy@sfgov.org)

REFERENCE: Recommendation of Glenn Mar for Sunshine Ordinance Task Force

Dear Supervisors Safai, Stefani and Yee:

It is with great pleasure that I provide this recommendation for the appointment of Glenn Mar to the San Francisco Sunshine Ordinance Task Force. Having served for over 6 years in the roles of Chair, Vice-Chair and General Member of the Task Force, I am well acquainted with the duties and qualifications required of an effective member of this important body.

I have known Glenn for over 14 years; he has many years of professional and volunteer experience in many industries and with many organizations. He has a great deal of academic and professional training and more importantly, possesses an intellectual curiosity and drive for knowledge that will serve him well in learning the somewhat arcane and detailed regulations of Chapter 67 of the SF Sunshine Ordinance, the Ralph M. Brown Act, (California Government Code 54950) and related open government transparency laws.

Glenn's background as a manager and team member is a perfect match for the Task Force; he possesses a level of poise and patience needed to withstand the often-prolonged deliberations that ensue with difficult cases before the Task Force. Complainants who file with the Sunshine Task Force appear in front of the committee because of a denial of a public record(s) or proper due process. Some of these complainants come from San Francisco's most vulnerable populations and face potentially contentious interactions that are difficult for both the complainant and respondent. For this reason, it is crucial that members of the Task Force treat people with kindness, respect and dignity. Glenn Mar is a kind-hearted individual who is always willing to lend a helping hand or provide guidance when necessary; I have full faith that he will serve with integrity while showing respect for all parties involved.

In closing, I urge you to consider appointing Glenn Mar to the Sunshine Ordinance Task Force. He is a dedicated volunteer, leader and team member who will contribute his knowledge, skills and "can-do" attitude. His calm demeanor, level of enthusiasm and dedication to justice is inspiring; I heartily recommend him for this important role.

If you have any questions or need more information, please contact me via email at "loufischersotf@gmail.com". Thank you for your time and consideration.

Regards,

Louise E. Fischer
SOTF Member, 2012 - 2018

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I have devoted over a decade to a career in public service with county and municipal governments, specifically in offices specializing in creating and maintaining public records, as well as election related services. I am excited about the possible opportunity to use my extensive skills and experience in this field to serve the community where I live as a member of the Sunshine Ordinance Task Force. As an individual committed to government transparency and accessibility, I was honored to be among those recognized by the Ann Arbor Chronicle (local media) in 2011 for my work in making local government more accessible to the community -- specifically, they noted my "steadfast competence and professionalism ... symbolic of the many staff who work on the front lines of our local governments, who help citizens navigate the bureaucracy of our public sector, and whose capable, often thankless work on a daily basis makes our community a better place." I am a member of the LGBT community and have lived on the west side of the City since moving to San Francisco in late 2011. I currently reside in the Parkside neighborhood with my husband.

Business and/or professional experience:

I am currently the Chief of the Clerk-Recorder's Office in Alameda County, a division of the County's Auditor-Controller Agency. The Office serves over 100,000 customers each year through in-person, mail, and online transactions, and it collects and distributes approximately \$170 million annually in revenue. I manage all operations responsible for recording/archiving over 300,000 official public records per year; collecting documentary transfer tax; providing certified copies of vital records; the official issuance of marriage licenses; registration of notaries; and all other County Clerk duties. My office is also responsible for responding to numerous Public Records Act requests and subpoenas in a timely and accurate fashion. I am proud to have been instrumental in expanding our office hours and opening a satellite office so that the public has more convenient access to our services. Furthermore, I thoroughly understand the trust that the public places in government safeguarding their records – and to that end, I have worked closely with the District Attorney's Office to identify instances of fraudulent recorded documents in order to protect our most vulnerable residents.

Prior to my work with Alameda County, I served as the Director of Elections for Washtenaw County – Michigan's sixth largest county, and home to the City of Ann Arbor – where I oversaw all elections within the County as well as managed the administrative operations of the County Clerk/Register of Deeds Office, which included supporting the County's various Boards and Commissions. I provided leadership to the County's 28 local municipalities for election related issues; managed the retention of numerous official documents; published legally required notices; assured various public meetings complied with the State's Open Meetings Act; and responded to Freedom of Information Act requests. In addition, I oversaw the County's enforcement of Michigan's Campaign Finance Act and performed related compliance audits.

Civic Activities:

I am currently a member of both the California Association of Clerks and Election Officials (CACEO) and the County Recorders' Association of California (CRAC), and I have also served on the latter's Legislative Committee and Documentary Transfer Tax Committee. In addition, I am an active participant in the Northern California Chapter of the Property Records Education Partners (PREP), an initiative developed by the Property Records Industry Association (PRIA) to foster collaborative relationships between government offices that maintain public records and the industries that rely upon those records.

I would like to do even more to give back to my own community, and I believe the Sunshine Ordinance Task Force would be an excellent way to do so.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No

Dear Rules Committee Members:

Today I am writing to recommend the appointment of Matthew Yankee to the Sunshine Ordinance Task Force. Matthew has been employed by the County of Alameda's Auditor-Controller/Clerk-Recorder's Agency for over five years. During that time I have known Matthew to be a dedicated and exemplary employee committed to serving the public at large.

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am a twelve year resident of San Francisco after moving from Ohio in 2005. I graduated from the University of San Francisco with a Master in Public Affairs last year at the age of 36. I have an unrelenting passion for political, social, environmental, economic, and racial justice. I graduated High School from a juvenile prison and have since turned my life around. As an activist and organizer I have worked with a diverse community. I have recently married the love of my life who happens to be a Colombian immigrant. I myself am a white, middle-aged, heterosexual male. Though I am not wealthy, I feel it is my duty to help those who are less fortunate as I. We are all one.

Business and/or professional experience:

FIELD ORGANIZER/VOLUNTEER COORDINATOR | CALIFORNIA CLEAN MONEY CAMPAIGN | 2012-PRESENT
Assisting with the coordination of Clean Money volunteers, making legislative visits to advocate for Clean Money policy, participating in research and analysis of data, as well as engaging in fundraising, editing/writing, and group speaking.
FIELD ORGANIZER | 50+1 STRATEGIES | 2016
Tasked with surveying and recruiting potential paid canvassers and then training and supervising employees in a successful effort to register over 16,000 new voters in the Bay Area for the November 8, 2016 General Election.

Actively participated in the opening and establishment of the Ohio Governor's Office of Faith-Based and Community Initiatives by conducting research, collecting data, and assisting with design and creation of website and databases.

Civic Activities:

I have been actively involved, engaged, and advocating for issues of concern to low-income and working class families in California for nearly a decade. Outside of school, much of my time for the past five years has been spent with the California Clean Money Campaign (CCMC), a nonprofit and nonpartisan organization that advocates for fair and open elections, transparency, and accountability in government. As a field organizer for CCMC, I recruit potential volunteers and then train and supervise them in monthly working groups to organize and take specific actions such as canvassing and phone-banking to garner support for sponsored legislation. Over the years we have helped to successfully pass several bills and initiatives to make California a leader in campaign finance disclosure. Last November, in addition to Proposition 59 being passed, CCMC was involved in a number of other anti-corruption victories, including Proposition T in San Francisco and Measure X1 in Berkeley—the strongest public financing matching funds system in the nation.

The Honorable Catherine Stefani, Member

Re: **Testimony Regarding Appointments to SOTF**

Dear Chair Safai and Members of the Rules Committee,

I am recommending several of the applicants for appointment to the Sunshine Ordinance Task Force listed in agenda item # 5 on the Rules Committee's October 24 meeting agenda.

I strongly recommend that the Rules Committee re-appoint the five current SOTF incumbents who have applied for re-appointment:

- Josh Wolf
- Leuwam Tesfai
- Bruce Wolfe
- Chris Hyland
- Frank Cannata

Each of the five have served the Task Force honorably since their initial appointments. They each have been active listeners and have ruled fairly when adjudicating Sunshine complaints. Under them, I have not always prevailed in my Sunshine complaints, but I believe they have ruled fairly even when I lost a couple of my complaints. And they each appear to have great mastery of the specific and complex provisions contained in the current Sunshine Ordinance.

They have each demonstrated that they take their volunteered civic duties seriously, and they have been fine public servants. They should all be reappointed to provide historical knowledge of previous Task Force rulings to provide ongoing consistency.

In addition, I recommend you appoint the following two new applicants:

- **Dean Schmidt:** Mr. Schmidt's application indicates that he has attended SOTF hearings, so he clearly has a good grasp of how SOTF meetings are conducted. In addition, because he is a lawyer, he would bring valuable legal experience to the Task Force as it investigates Sunshine complaints. His application indicates he has significant legal experience in many areas of civil law. His application notes that he staffs a radio call-in program, "*Call a Lawyer*," which deals primarily with consumer advocacy and consumer protections. In addition, his application indicates he has substantial experience in civic activities and community service. He would make an excellent addition to the Task Force.
- **Rodman Martin:** Mr. Martin's application indicates that although he has not attended SOTF hearings in person, he has, however, listened to SOTF hearings, presumably audio archives of SOTF hearings, so he, too, has a grasp of how SOTF meetings are conducted. Since he, too, is a lawyer, he would also bring valuable legal experience to the Task Force as it investigates Sunshine complaints. Mr. Martin's volunteer service at the Asian Law Caucus is commendable, as are his other civic activities. He would also make an excellent addition to the Task Force, particularly given that he is a certified mediator.

Respectfully submitted,

Patrick Monette-Shaw, *Columnist/Reporter, Westside Observer* Newspaper

2017 Gender Analysis of Commissions and Boards: Executive Summary

Overview

A 2008 City Charter Amendment passed by the voters of San Francisco enacted a city policy that membership of Commissions and Boards reflect the diversity of the population. As part of this measure, the Department on the Status of Women is required to conduct a biennial gender analysis of Commissions and Boards. Data was collected from 57 policy bodies with a total of 540 members primarily appointed by the Mayor and Board of Supervisors.

Gender Analysis Findings

Gender

- Women’s representation on Commissions and Boards in 2017 is 49%, equal to the female population in San Francisco.
- Since 2007 there has been an overall increase of women on Commissions with women comprising 54% of Commissioners in 2017.
- Women’s representation on Boards has declined to 41% this year following a period of steady increases over the past 3 reports.

Race and Ethnicity

- While 60% of San Franciscans are people of color, 53% of appointees are racial and ethnic minorities.
- Minority representation on Commissions decreased from 60% in 2015 to 57% in 2017.
- Despite a steady increase of people of color on Boards since 2009, minority representation on Boards, at 47%, remains below parity with the population.
- Asian, Latinx/Hispanic, and multiracial individuals are underrepresented on Commissions and Boards.
- There is a higher representation of White and Black/African American members on policy bodies than in the San Francisco population.

Race and Ethnicity by Gender

- In San Francisco, 31% of the population are women of color. Although representation of women of color on Commissions reaches parity with the population, only 19% of Board members are women of color.
- Men of color comprise 26% of both Commissioners and Board members compared to 29% of the San Francisco population.
- The representation of White men on policy bodies is 28%, exceeding the 22% of the San Francisco population, while White women are at parity with the population at 19%.
- Underrepresentation of Asian and Latinx/Hispanic individuals is seen among both men and women.
 - One-tenth of Commissioners and Board members are Asian men and 12% are Asian women compared to 16% and 18% of the population, respectively.
 - Latinos are 6% of Commissioners and Board members and Latinas are 4% of Commissioners and Board members compared to 8% and 7% of San Franciscans, respectively.

Additional Demographics

- Among Commissioners and Board members, 17% identify as lesbian, gay, bisexual, or transgender (LGBT).
- Individuals with a disability comprise 11% of appointees on policy bodies, just below the 12% of the adult population with a disability in San Francisco.
- Representation of veterans on Commissions and Boards is 13%, exceeding the 4% of San Franciscans that have served in the military.

Budget

- Women and women of color, in particular, are underrepresented on the policy bodies with the largest budgets while exceeding or nearing parity on policy bodies with the smallest budgets.
- Minority representation on policy bodies with both the largest and smallest budgets is at least 60%, equal to the population.

COUNCIL OF COMMUNITY HOUSING ORGANIZATIONS

*The voice of San Francisco's
affordable housing movement*

October 15, 2018

Re: India Basin Development Agreement "Housing Plan"

Supervisors,

The Council of Community Housing Organizations does not have a formal position supporting or opposing the India Basin development project, but we do wish to provide some comments for your consideration regarding the proposed Housing Plan for the project.

Exhibit H of the Development Agreement proposes 1,575 total units, with 25% of all residential units built within the project site as inclusionary units, affordable units on their own sites, or a portion of this requirement may be met through in lieu fees. If provided onsite, that's 394 affordable units.

As always with affordability deals, the devilish details are important to review closely. There are three primary issues we flag for your consideration: 1.) on-site housing affordability levels are inconsistent with the City's Inclusionary housing standards, 2.) no obligation to provide development sites for 100% affordable housing, 3.) effective net *reduction* in the 25% affordability through allowed in lieu fee option.

Affordability levels inconsistent with the City's inclusionary housing standards.

The affordable housing plan only requires that the total of all units meet an average of 110% AMI for rentals and 120% AMI for condos. There is no obligation to have even a single low-income unit (below 80%AMI) on site. By contrast, the Citywide Inclusionary Housing standard has three tiers of units - 55%AMI; 80%AMI; 110%AMI—with the average across the entire Inclusionary requirement being 75%AMI. Ownership inclusionary units also have three tiers at 80%AMI; 105%AMI; 130%AMI—not a single fixed average for all units. The proposed India Basin deal is a significantly different, higher-income inclusionary housing standard than what developments across the rest of the City are required to provide to meet a range of household income needs. If provided as inclusionary onsite, it would thus make sense that the India Basin units should follow the citywide Inclusionary Housing rules as described in Sec 415, in order to meet a range of incomes. Otherwise, as currently written, ALL affordable units could be provided at 110% or 120% AMI. For comparison, according to the MOHCD 2018 AMI table, the "affordable" price at those levels would be targeted to individuals earning between \$91,000 and \$100,000.

No obligation to provide development sites for affordable housing.

The affordable housing plan has no obligation to provide a site to the city for nonprofit development, just an option (instead of some of the inclusionary units) for 'up to three' sites at the

The Council of Community Housing Organizations (CCHO) is a coalition of 25 community-based housing developers, service providers, and tenant advocates. We fight for funding and policies that shape urban development and empower low-income and working-class communities. The work of our member organizations has resulted in nearly 30,000 units of affordable housing, as well as thousands of construction and permanent jobs for ~~2,956~~ residents.

developer's discretion (Exhibit H, Page 7). To create a diverse balance of affordability, it would make sense that the plan include a clear requirement for three dedicated sites, with an RFP process to select community based nonprofit developers for these sites with local engagement and experience.

Effective net Reduction in affordability through allowed in lieu fee option.

The affordable housing plan allows a portion of the 25% affordable requirement to be fulfilled through in-lieu fee payments (Exhibit H, page 10), generating fees for up to 75 offsite affordable units that can be satisfied through either new construction or acquisition rehabilitation exclusively in Supervisor District 10. While options to provide funding in the broader District 10 are a good goal, the method of calculating this does not maintain equivalency with the value of the on-site Inclusionary units. By allowing an INCREASE in on-site market-rate housing, the fee-out actually results in a net *reduction* of affordability and a cost reduction to the developer. In order to maintain the total 25% affordable obligation, the in-lieu payment would need to be sufficient funding for 100 offsite units. Moreover, the fee methodology should not undercut the citywide fee calculation, which as you know is currently at 30% for rentals and 33% for condos. Following is our calculation:

- Onsite option: (394 affordable) / 1575 total = 25%
- On/Offsite option: (319 onsite + 100 offsite) / 1675 total = 25%

As an alternative, the following changes to the India Basin Development Agreement's Housing Plan could better meet the concerns laid out above, and would serve a full range of affordable housing needs by income and household size.

1. The Housing Plan could require that any onsite inclusionary units meet either the three tiers and overall average AMI specified in the citywide Inclusionary policy, or, if an "averaging" approach is preferred, the following scale:
 - a. For studios and 1-BR units, an average AMI up to 80% AMI, with units spread evenly in a range from 60% AMI to 100% AMI.
 - b. For 2-BR and larger units, an average AMI up to 100% AMI, with units spread evenly in a range from 60% AMI to 140% AMI.
 - c. A minimum of 40% of inclusionary units to be 2-BR or larger, with 10% 3-BR or larger.
2. The Housing Plan could specify that sites for 100% affordable housing, with minimum site capacity for 200 units, shall be dedicated to the City as development-ready pads, to be issued as RFQs/RFPs by MOHCD to a community based nonprofit affordable housing developer with local experience and community engagement. These units would serve income levels up to 60% AMI.
3. The Housing Plan could specify equivalency between onsite and in lieu fee obligations, by requiring that any reduction in onsite units through in lieu fees should result in funding for an equivalent of 1.33 offsite units, using the same fee scale as required for projects citywide.

Executive Summary

Overview

A 2008 City Charter Amendment passed by the voters of San Francisco enacted a city policy that membership of Commissions and Boards reflect the diversity of the population. As part of this measure, the Department on the Status of Women is required to conduct a biennial gender analysis of Commissions and Boards. Data was collected from 57 policy bodies with a total of 540 members primarily appointed by the Mayor and Board of Supervisors.

Key Findings

Gender

- Women's representation on Commissions and Boards in 2017 is 49%, equal to the female population in San Francisco.
- Since 2007, there has been an overall increase of women on Commissions: women compose 54% of Commissioners in 2017.
- Women's representation on Boards has declined to 41% this year following a period of steady increases over the past 3 reports.

Race and Ethnicity

- While 60% of San Franciscans are people of color, 53% of appointees are racial and ethnic minorities.
- Minority representation on Commissions decreased from 60% in 2015 to 57% in 2017.
- Despite a steady increase of people of color on Boards since 2009, minority representation on Boards, at 47%, remains below parity with the population.
- Asian, Latinx/Hispanic, and multiracial individuals are underrepresented on Commissions and Boards.
- There is a higher representation of White and Black or African American members on policy bodies than in the San Francisco population.

Figure 2: 8-Year Comparison of Minority Representation on Commissions and Boards

Race and Ethnicity by Gender

- In San Francisco, 31% of the population are women of color. Although representation of women of color on Commissions reaches parity with the population, only 19% of Board members are women of color.
- Men of color comprise 26% of both Commissioners and Board members compared to 29% of the San Francisco population.
- The representation of White men on policy bodies is 28%, exceeding the 22% of the San Francisco population, while White women are at parity with the population at 19%.
- Underrepresentation of Asian and Latinx/Hispanic individuals exists among both men and women.
 - One-tenth of Commissioners and Board members are Asian men and 12% are Asian women compared to 16% and 18% of the population, respectively.
 - Latinos are 6% of Commissioners and Board members and Latinas are 4% of Commissioners and Board members compared to 8% and 7% of San Franciscans, respectively.

Additional Demographics

- Among Commissioners and Board members, 17% identify as lesbian, gay, bisexual, or transgender (LGBT).
- Individuals with a disability comprise 11% of appointees on policy bodies, just below the 12% of the adult population with a disability in San Francisco.
- Representation of veterans on Commissions and Boards is 13%, exceeding the 4% of San Franciscans that have served in the military.

Representation on Policy Bodies by Budget

- Women and women of color, in particular, are underrepresented on the policy bodies with the largest budgets while exceeding or nearing parity on policy bodies with the smallest budgets.
- Minority representation on policy bodies with both the largest and smallest budgets is at least 60%, equal to the population.

I. Introduction

The central question of this report is whether appointments to public policy bodies of the City and County of San Francisco are reflective of the population at large.

In 1998, San Francisco became the first city in the world to pass a local ordinance reflecting the principles of the United Nations Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW), also known as the "Women's Human Rights Treaty."¹ The Ordinance requires City government to take proactive steps to ensure gender equality and specifies "gender analysis" as a preventive tool to identify and address discrimination.² Since 1998, the Department on the Status of Women (Department) has used this tool to analyze operations of 11 City departments.

In 2007, the Department used gender analysis to analyze the number of women appointed to City Commissions, Boards, and Task Forces.³ Based on these findings, a City Charter Amendment was developed by the Board of Supervisors for the June 2008 election. The Amendment, which voters approved overwhelmingly, made it City policy that:

1. Membership of Commissions and Boards reflect the diversity of the San Francisco population;
2. Appointing officials be urged to support the nomination, appointment, and confirmation of these candidates; and
3. The San Francisco Department on the Status of Women is required to conduct a gender analysis of Commissions and Boards to be published every 2 years.⁴

This 2017 gender analysis assesses the representation of women; racial and ethnic minorities; lesbian, gay, bisexual, and transgender (LGBT) individuals; people with disabilities; and veterans on San Francisco Commissions and Boards appointed by the Mayor and the Board of Supervisors.⁵

¹ While 188 of the 193 member states of the United Nations, including all other industrialized countries, have ratified the Women's Human Rights Treaty, the U.S. has not. President Jimmy Carter signed the treaty in 1980, but it has been languishing in the Senate ever since, due to jurisdictional concerns and other issues. For further information, see the United Nations website, available at www.ohchr.org/english/bodies/cedaw/index.htm.

⁵ Appointees in some policy bodies are elected or appointed by other entities.

II. Methodology and Limitations

This report focuses on City and County of San Francisco Commissions and Boards whose jurisdiction is limited to the City, that have a majority of members appointed by the Mayor and Board of Supervisors, and that are permanent policy bodies.⁶ Generally, *Commission* appointments are made by the Mayor and *Board* appointments are made by members of the Board of Supervisors. For some policy bodies, however, the appointments are divided between the Mayor, the Board of Supervisors, and other agencies. *Commissions* tend to be permanent policy bodies that are part of the City Charter and oversee a department or agency. *Boards* are typically policy bodies created legislatively to address specific issues.

The gender analysis in this report reflects data from the Commissions and Boards that provided information to the Department through survey, the Mayor's Office, and the Information Directory Department (311), which collects and disseminates information about City appointments to policy bodies. Based on the list of Commissions and Boards that are reported by 311, data was compiled from 57 policy bodies with a total of 540 appointees. A Commissioner or Board member's gender identity, race/ethnicity, sexual orientation, disability status, and veteran status were among data elements collected on a voluntary basis. In many cases, identities are vastly underreported due to concerns about social stigma and discrimination. Thus, data on lesbian, gay, bisexual, transgender (LGBT) identity, disability, and veteran status of appointees were limited, incomplete, and/or unavailable for many appointees, but included to the extent possible. As the fundamental objective of this report is to surface patterns of underrepresentation, every attempt has been made to reflect accurate and complete information in this report.

For the purposes of comparison in this report, data from the *U.S. Census 2011-2015 American Community Survey 5-Year Estimates* is used to reflect the current San Francisco population. Charts 1 and 2 in the Appendix show these population estimates by race/ethnicity and gender.

⁶ It is important to note that San Francisco is the only jurisdiction in the State of California that is both a city and a county. Therefore, while in other jurisdictions, the Human Services Commission is typically a county commission that governs services across multiple cities and is composed of members appointed by those cities, the San Francisco case is much simpler. All members of Commissioner and Boards are appointed either by the San Francisco Mayor or the San Francisco County Board of Supervisors which functions as a city council.

III. San Francisco Population Demographics

An estimated 49% of the population in San Francisco are women and approximately 60% of residents identify as a race or ethnicity other than White. Four in ten San Franciscans are White, one-third are Asian, 15% are Hispanic or Latinx, and 6% are Black or African American.

The racial and ethnic breakdown of San Francisco's population is shown in the chart below. Note that the percentages do not add up to 100% since individuals may be counted more than once.

Figure 1: San Francisco Population by Race/Ethnicity

Source: 2011-2015 American Community Survey 5-Year Estimates.

A more nuanced view of San Francisco's population can be seen in the chart below, which shows race and ethnicity by gender. Most racial and ethnic groups have a similar representation of men and women in San Francisco, though there are about 15% more White men than women (22% vs. 19%) and 12% more Asian women than men (18% vs. 16%). Overall, 29% of San Franciscans are men of color and 31% are women of color.

Figure 2: San Francisco Population by Race/Ethnicity and Gender

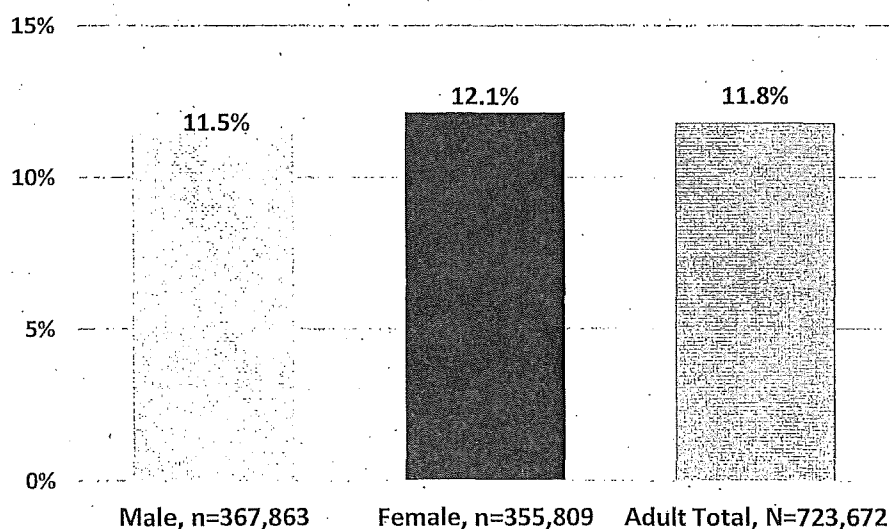

Source: 2011-2015 American Community Survey 5-Year Estimates.

The U.S. Census and *American Community Survey* do not count the number of individuals who identify as lesbian, gay, bisexual, or transgender (LGBT). However, there are several reputable data sources that estimate San Francisco has one of the highest concentrations of LGBT individuals in the nation. A 2015 Gallup poll found that among employed adults in the San Francisco Metropolitan Area, which includes San Francisco, Alameda, Contra Costa, Marin, and San Mateo counties, 6.2% identify as LGBT, the largest percentage of any populous area in the U.S. The 2010 U.S. Census reported 34,000 same-sex couples in the Bay Area, with an estimated 7,600 male same-sex couples and 2,700 female same-sex couples in the City of San Francisco, approximately 7% of all households. In addition, the Williams Institute at the University of California Los Angeles estimates that 4.6% of Californians identify as LGBT, which is similar across gender (4.6% of males vs. 4.5% of females). The Williams Institute also reported that roughly 92,000 adults ages 18-70 in California, or 0.35% of the population, are transgender. These sources suggest between 5-7% of the San Francisco adult population, or approximately 36,000-50,000 San Franciscans, identify as LGBT.

Women are slightly more likely than men to have one or more disabilities. For women 18 years and older, 12.1% have at least one disability, compared to 11.5% of adult men. Overall, about 12% of adults in San Francisco live with a disability.

Figure 3: San Francisco Adults with a Disability by Gender

Source: 2011-2015 American Community Survey 5-Year Estimates.

In terms of veterans, according to the U.S. Census, 3.6% of the adult population in San Francisco has served in the military. There is a drastic difference by gender. More than 12 times as many men are veterans, at nearly 7% of adult males, than women, with less than 1%.

Figure 4: Veterans in San Francisco by Gender

IV. Gender Analysis Findings

On the whole, appointees to Commissions and Boards reflect many aspects of the diversity of San Francisco. Among Commissioners and Board members, nearly half are women, more than 50% are people of color, 17% are LGBT, 11% have a disability, and 13% are veterans. However, Board appointees are less diverse than Commission appointees. Below is a summary of key indicators, comparing them between Commissions and Boards. Refer to Appendix II for a complete table of demographics by Commissions and Boards.

Figure 5: Summary Data Comparing Representation on Commissions and Boards, 2017

	Commissions	Boards
Number of Policy Bodies Included	40	17
Filled Seats	350/373 (6% vacant)	190/213 (11% vacant)
Female Appointees	54%	41%
Racial/Ethnic Minority	57%	47%
LGBT	17.5%	17%
With Disability	10%	14%
Veterans	15%	10%

The next sections will present detailed data, compared to previous years, along the key variables of gender, ethnicity, race/ethnicity by gender, sexual orientation, disability, veterans, and policy bodies by budget size.

A. Gender

Overall, the percentage of female appointees to City Commissions and Boards is 49%, equal to the female percentage of the San Francisco population. A 10-year comparison of the gender diversity on Commissions and Boards shows that the percentage of female Commissioners has increased over the 10 years since the first gender analysis of Commissions and Boards in 2007. At 54%, the representation of women on Commissions currently exceeds the percentage of women in San Francisco (49%). The percentage of female Board appointees declined 15% from the last gender analysis in 2015. Women make up 41% of Board appointees in 2017, whereas women were 48% of Board members in 2015. A greater number of Boards were included this year than in 2015, which may contribute to the stark difference from the previous report. This dip represents a departure from the previous trend of increasing women’s representation on Boards.

Figure 6: 10-Year Comparison of Women’s Representation on Commissions and Boards

Sources: Department Survey, Mayor’s Office, 311.

The next two charts illustrate the Commissions and Boards with the highest and lowest percentage of female appointees in 2017. Data from the two previous gender analyses for these Commissions and Boards is also included for comparison purposes. Of 54 policy bodies with data on gender, roughly one-third (20 Commissions and Boards) have more than 50% representation of women. The greatest women's representation is found on the Commission on the Status of Women and the Children and Families Commission (First 5) at 100%. The Long Term Care Coordinating Council and the Mayor's Disability Council also have some of the highest percentages of women, at 78% and 75%, respectively. However, the latter two policy bodies are not included in the chart due to lack of prior data.

Figure 7: Commissions and Boards with Most Women

**Commissions and Boards with Highest Percentage of Women,
2017 Compared to 2015, 2013**

Sources: Department Survey, Mayor's Office, 311.

There are 14 Commissions and Boards that have 30% or less women. The lowest percentage is found on the Oversight Board of the Office of Community Investment & Infrastructure where currently none of the five appointees are women. The Urban Forestry Council and the Workforce Investment Board also have some of the lowest percentages of women members at 20% and 26%, respectively, but are not included in the chart below due to lack of prior data.

Figure 8: Commissions and Boards with Least Women

**Commissions and Boards with Lowest Percentage of Women,
2017 Compared to 2015, 2013**

B. Ethnicity

Data on racial and ethnic background were available for 286 Commissioners and 183 Board members. More than half of these appointees identify as people of color. However, representation of people of color on Commissions and Boards falls short of parity with the approximately 60% minority population in San Francisco. In total, 53% of appointees identify as racial and ethnic minorities. The percentage of minority Commissioners decreased from 2015, while the percentage of minority Board members has been steadily increasing since 2009. Yet, communities of color are represented in greater numbers on Commissions, at 57%, than Boards, at 47%, of appointees. Below is the 8-year comparison of minority representation on Commissions and Boards. Data on race and ethnicity were not collected in 2007.

Figure 9: 8-Year Comparison of Minority Representation on Commissions and Boards

Sources: Department Survey, Mayor's Office, 311.

The racial and ethnic breakdown of Commissioners and Board members as compared to the San Francisco population is presented in the next two charts. There is a greater number of White and Black/African American Commissioners in comparison to the general population, in contrast to individuals identifying as Asian, Latinx/Hispanic, multiracial, and other races who are underrepresented on Commissions. One-quarter of Commissioners are Asian compared to more than one-third of the population. Similarly, 11% of Commissioners are Latinx compared to 15% of the population.

Figure 10: Race/Ethnicity of Commissioners Compared to San Francisco Population

Sources: Department Survey, Mayor's Office, 311.

A similar pattern emerges for Board appointees. In general, racial and ethnic minorities are underrepresented on Boards, except for the Black/African American population with 16% of Board appointees compared to 6% of the population. White appointees far exceed the White population with more than half of appointees identifying as White compared to about 40% of the population. Meanwhile, there are considerably fewer Board members who identify as Asian, Latinx/Hispanic, multiracial, and other races than in the population. Particularly striking is the underrepresentation of Asians, where 17% of Board members identified as Asian compared to 34% of the population. Additionally, 9% of Board appointees are Latinx compared to 15% of the population.

Figure 11: Race/Ethnicity of Board Members Compared to San Francisco Population

Sources: Department Survey, Mayor's Office, 311.

Of the 37 Commissions with information on ethnicity, more than two-thirds (26 Commissions) have at least 50% of appointees identifying as persons of color and more than half (19 Commissions) reach or exceed parity with the nearly 60% minority population. The Commissions with the highest percentage of minority appointees are shown in the chart below. The Commission on Community Investment and Infrastructure and the Southeast Community Facility Commission both are comprised entirely of people of color. Meanwhile, 86% of Commissioners are minorities on the Juvenile Probation Commission, Immigrant Rights Commission, and Health Commission.

Figure 12: Commissions with Most Minority Appointees

Sources: Department Survey, Mayor's Office, 311.

Seven Commissions have fewer than 30% minority appointees, with the lowest percentage of minority appointees being found on the Building Inspection Commission at 14% and the Historic Preservation Commission at 17%. The Commissions with the lowest percentage of minority appointees are shown in the chart below.

Figure 13: Commissions with Least Minority Appointees

**Commissions with Lowest Percentage of Minority Appointees,
2017**

Sources: Department Survey, Mayor's Office, 311.

For the 16 Boards with information on race and ethnicity, nine have at least 50% minority appointees. The Local Homeless Coordinating Board has the greatest percentage of members of color with 86%. The Mental Health Board and the Public Utilities Rate Fairness Board also have a large representation of people of color at 69% and 67%, respectively. Meanwhile, seven Boards have a majority of White members, with the lowest representation of people of color on the Oversight Board at 20% minority members, the War Memorial Board of Trustees at 18% minority members, and the Urban Forestry Council with no members of color.

Figure 14: Minority Representation on Boards

Sources: Department Survey, Mayor's Office, 311.

C. Race/Ethnicity by Gender

Minorities comprise 57% of Commission appointees and 47% of Board appointees. The total percentage of minority appointees on Commissions and Boards in 2017 is 53% compared to about 60% of the population. There are slightly more women of color on Commissions and Boards at 27% than men of color at 26%. Women of color appointees to Commissions reach parity with the population at 31%, while women of color are 19% of Board members, far from parity with the population. Men of color are 26% of appointees to both Commissions and Boards, below the 29% men of color in the San Francisco population.

Figure 15: Women and Men of Color on Commissions and Boards

Sources: Department Survey, Mayor's Office, 311, 2011-2015 American Community Survey 5-Year Estimates.

The next chart illustrates appointees' race and ethnicity by gender. The gender distribution in most racial and ethnic groups on policy bodies is similar to the representation of men and women in minority groups in San Francisco except for the White population. White men represent 22% of San Francisco population, yet 28% of Commission and Board appointees are White men. Meanwhile, White women are at parity with the population at 19%. Women and men of color are underrepresented across all racial and ethnic groups, except for Black/African American appointees. Asian women are 12% of appointees, but 18% of the population. Asian men are 10% of appointees compared to 16% of the population. Latina women are 4% of Commissioners and Board members, yet 7% of the population, while 6% of appointees are Latino men compared to 8% of San Franciscans.

Figure 16: Commission and Board Appointees by Race/Ethnicity and Gender

Sources: Department Survey, Mayor's Office, 311.

D. Sexual Orientation

While it is challenging to find accurate counts of the number of lesbian, gay, bisexual, and transgender (LGBT) individuals, a combination of sources, noted in the demographics section, suggests between 4.6% and 7% of the San Francisco population is LGBT. Data on sexual orientation and gender identity was available for 240 Commission appointees and 132 Board appointees. Overall, about 17% of appointees to Commissions and Boards are LGBT. There is a large LGBT representation across both Commissioners and Board members. Three Commissioners identified as transgender.

Figure 17: LGBT Commission and Board Appointees

Sources: Department Survey, Mayor's Office, 311.

E. Disability

An estimated 12% of San Franciscans have a disability. Data on disability was available for 214 Commission appointees and 93 Board appointees. The percentage of Commission and Board appointees with a disability is 11.4% and almost reaches parity with the 11.8% of the adult population in San Francisco that has a disability. There is a much greater representation of people with a disability on Boards at 14% than on Commissions at 10%.

Figure 18: Commission and Board Appointees with Disabilities

Sources: Department Survey, Mayor's Office, 311.

F. Veterans

Veterans are 3.6% of the adult population in San Francisco. Data on military service was available for 176 Commission appointees and 81 Board appointees. Overall, veterans are well represented on Commissions and Boards with 13% of appointees having served in the military. However, there is a large difference in the representation of veterans on Commissions at 15% compared to Boards at 10%. This is likely due to the 17 members of Veterans Affairs Commission of which all members must be veterans.

Figure 19: Commission and Board Appointees with Military Service

Sources: Department Survey, Mayor's Office, 311.

G. Policy Bodies by Budget Size

In addition to data on the appointment of women and minorities to Commissions and Boards, this report examines whether the demographic make-up of policy bodies with the largest budget (which is often proportional to the amount of influence in the City) are representative of the community. On the following page, Figure 19 shows the representation of women, people of color, and women of color on the policy bodies with the largest and smallest budgets.

Though the overall representation of female appointees (49%) is equal to the City's population, Commissions and Boards with the highest female representation have fairly low influence as measured by budget size. Although women's representation on the ten policy bodies with the largest budgets increased from 30% in 2015 to 35% this year, it is still far below parity with the population. The percentage of women on the ten bodies with the smallest budgets grew from 45% in 2015 to 58% in 2017.

With respect to minority representation, the bodies with both the largest and smallest budgets exceed parity with the population. On the ten Commissions and Boards with the largest budgets, 60% of appointees identify as a racial or ethnic minority; meanwhile 66% of appointees identify as a racial or ethnic minority on the ten Commissions and Boards with the smallest budgets. Minority representation on the ten largest budgeted policy bodies was slightly greater in 2015 at 62%, while there was a 21% increase of minority representation on the ten smallest budgeted policy bodies from 52% in 2015.

Percentage of women of color on the policy bodies with the smallest budgets is 30% and almost reaches parity with the population in San Francisco. However, women of color are considerably underrepresented on the ten policy bodies with the largest budgets at 18% compared to 31% of the population.

The following two tables present the demographics of the Commissions and Boards overseeing some of the City's largest and smallest budgets.

Of the ten Commissions and Boards that oversee the largest budgets, women make up 35% and women of color are 18% of the appointees. The Commission on Community Investment and Infrastructure is the most diverse with people of color in all appointed seats and women comprising half of the members. The Municipal Transportation Agency (MTA) Board of Directors and Parking Authority Commission has the next largest representation of women with 43%. Four of the ten bodies have less than 30% female appointees. Women of color are near parity on the Police Commission at 29% compared to 31% of the population. Meanwhile, the Public Utilities Commission and Human Services Commission have no women of color.

Overall, the representation of minorities on policy bodies with the largest budgets is equal to that of the minority population in San Francisco at 60% and four of the ten largest budgeted bodies have greater minority representation. Following the Commission on Community Investment and Infrastructure with 100% minority appointees, the Health Commission at 86% minority appointees, the Aging and Adult Services Commission at 80% minority appointees, and the Police Commission with 71% minority appointees have the next highest minority representation. In contrast, the Airport Commission has the lowest minority representation at 20%.

Commissions and Boards with the smallest budgets exceed parity with the population for women's and minority representation with 58% women and 66% minority appointees and are near parity with 30% women of color appointees compared to 31% of the population. The Long Term Care Coordinating Council has the greatest representation of women at 78%, followed by the Youth Commission at 64%, and the City Hall Preservation Advisory Commission at 60%. Five of the ten smallest budgeted bodies have less than 50% women appointees. The Southeast Community Facility Commission, the Youth Commission, the Housing Authority Commission, and the Public Utilities Rate Fairness Board have more than 30% women of color members.

Of the eight smallest budgeted policy bodies with data on race and ethnicity, more than half have greater representation of racial and ethnic minority and women of color than the population. The Southeast Community Facility Commission has 100% members of color, followed by the Housing Authority Commission at 83%, the Sentencing Commission at 73%, and the Public Utilities Rate Fairness Board at 67% minority appointees. Only the Historic Preservation Commission with 17% minority members, the City Hall Preservation Advisory Commission at 20% minority members, and the Reentry Council with 57% minority members fall below parity with the population.

V. Conclusion

Per the 2008 Charter Amendment, the Mayor and Board of Supervisors are encouraged to make appointments to Commissions, Boards, and other policy bodies that reflect the diverse population of San Francisco. While state law prohibits public appointments based solely on gender, race and ethnicity, sexual orientation, or disability status, an awareness of these factors is important when appointing individuals to serve on policy bodies, particularly where they may have been historically underrepresented.

Since the first gender analysis of appointees to San Francisco policy bodies in 2007, there has been a steady increase of female appointees. There has also been a greater representation of women on Commissions as compared to Boards. This continued in 2017 with 54% female Commissioners. However, it is concerning that the percentage of female Board members has dropped from 48% in 2015 to 41% in 2017.

People of color represent 60% of the San Francisco population, yet only represent 53% of appointees to San Francisco Commissions and Boards. There is a greater representation of people of color on Commissions than Boards. However, Commissions have fewer appointees identified as ethnic minorities this year, 57%, than the 60% in 2015, while the representation of people of color on Boards increased from 44% in 2015 to 47% in 2017. There is still a disparity between race and ethnicity on public policy bodies and in the population. Especially Asians and Latinx/Hispanic individuals are underrepresented across Commissions and Boards while there is a higher representation of White and Black/African American appointees than in the general population. Women of color are 31% of the population and comprise 31% of Commissioners compared to 19% of Board members. Meanwhile, men of color are 29% of the population and 26% of Commissioners and Board members.

This year there is more data available on sexual orientation, veteran status, and disability than previous gender analyses. The 2017 gender analysis found that there is a relatively high representation of LGBT individuals on the policy bodies for which there was data at 17%. Veterans are also highly represented at 13%, and the representation of people with a disability in policy bodies almost reaches parity with the population with 11.4% compared to 11.8%.

Finally, the policy bodies with larger budgets have a smaller representation of women at 35% while Commissions and Boards with smallest budgets are 58% female appointees. While minority representation exceeds the population on the policy bodies with both the smallest and largest budgets, women of color are considerably underrepresented on the largest budgeted policy bodies at 18% compared to 31% of the population.

This report is intended to inform appointing authorities, including the Mayor and the Board of Supervisors, as they carefully select their designees on key policy bodies of the City & County of San Francisco. In the spirit of the charter amendment that mandated this report, diversity and inclusion should be the hallmark of these important appointments.

Re: Testimony Regarding Appointments to SOTF

Dear Chair Safai and Members of the Rules Committee,

I am recommending several of the applicants for appointment to the Sunshine Ordinance Task Force listed in agenda item # 5 on the Rules Committee's October 24 meeting agenda.

I strongly recommend that the Rules Committee re-appoint the five current SOTF incumbents who have applied for re-appointment:

- Josh Wolf
- Leuwam Tesfai
- Bruce Wolfe
- Chris Hyland
- Frank Cannata

Each of the five have served the Task Force honorably since their initial appointments. They each have been active listeners and have ruled fairly when adjudicating Sunshine complaints. Under them, I have not always prevailed in my Sunshine complaints, but I believe they have ruled fairly even when I lost a couple of my complaints. And they each appear to have great mastery of the specific and complex provisions contained in the current Sunshine Ordinance.

They have each demonstrated that they take their volunteered civic duties seriously, and they have been fine public servants. They should all be reappointed to provide historical knowledge of previous Task Force rulings to provide ongoing consistency.

In addition, I recommend you appoint the following two new applicants:

- **Dean Schmidt:** Mr. Schmidt's application indicates that he has attended SOTF hearings, so he clearly has a good grasp of how SOTF meetings are conducted. In addition, because he is a lawyer, he would bring valuable legal experience to the Task Force as it investigates Sunshine complaints. His application indicates he has significant legal experience in many areas of civil law. His application notes that he staffs a radio call-in program, "*Call a Lawyer*," which deals primarily with consumer advocacy and consumer protections. In addition, his application indicates he has substantial experience in civic activities and community service. He would make an excellent addition to the Task Force.
- **Rodman Martin:** Mr. Martin's application indicates that although he has not attended SOTF hearings in person, he has, however, listened to SOTF hearings, presumably audio archives of SOTF hearings, so he, too, has a grasp of how SOTF meetings are conducted. Since he, too, is a lawyer, he would also bring valuable legal experience to the Task Force as it investigates Sunshine complaints. Mr. Martin's volunteer service at the Asian Law Caucus is commendable, as are his other civic activities. He would also make an excellent addition to the Task Force, particularly given that he is a certified mediator.

Respectfully submitted,

Patrick Monette-Shaw, *Columnist/Reporter, Westside Observer Newspaper*

Dear Commissioners,

Frank Cannata is up for reappointment to the Sunshine Ordinance Task Force.

During the 2 1/2 years on the task force, Frank has participated in 28 out of 30 full task force meetings and chaired and attended all 13 of the Compliance and Amendments sub-committee meetings. Attendance **and** participation is critical, especially since there is a quorum issue due to the task force not being fully staffed.

During his tenure Frank has learned how important the Sunshine Ordinance is to provide an open government to meet the needs of the people. I believe he has been thoughtful and fair in applying the ordinance in each case heard.

Frank has been a neighborhood advocate since 2006 when he co-founded the Middle Polk Neighborhood Association (MPNA). At that time, he and his co-founder felt that neighbors could benefit from leadership within the neighborhood to advocate on their behalf. He has done a remarkable job over the years in providing that benefit by partnering with many City departments and agencies to work on crime abatement, clean-up and beautification, planning and development issues and social engagement. MPNA also works with local merchant groups to keep the Polk Street Corridor vibrant, interesting and unique.

Before moving to San Francisco in 1998, he was on the board of a local food bank in the Lakeview neighborhood of Chicago Illinois.

Frank has the integrity and commitment San Francisco needs and wants.

Please re-appoint Frank Cannata to the Sunshine Ordinance Task Force.

Sincerely,

Robyn Tucker

REFERENCE: Recommendation of Glenn Mar for Sunshine Ordinance Task Force

Dear Supervisors Safai, Stefani and Yee:

It is with great pleasure that I provide this recommendation for the appointment of Glenn Mar to the San Francisco Sunshine Ordinance Task Force. Having served for over 6 years in the roles of Chair, Vice-Chair and General Member of the Task Force, I am well acquainted with the duties and qualifications required of an effective member of this important body.

I have known Glenn for over 14 years; he has many years of professional and volunteer experience in many industries and with many organizations. He has a great deal of academic and professional training and more importantly, possesses an intellectual curiosity and drive for knowledge that will serve him well in learning the somewhat arcane and detailed regulations of Chapter 67 of the SF Sunshine Ordinance, the Ralph M. Brown Act, (California Government Code 54950) and related open government transparency laws.

Glenn's background as a manager and team member is a perfect match for the Task Force; he possesses a level of poise and patience needed to withstand the often-prolonged deliberations that ensue with difficult cases before the Task Force. Complainants who file with the Sunshine Task Force appear in front of the committee because of a denial of a public record(s) or proper due process. Some of these complainants come from San Francisco's most vulnerable populations and face potentially contentious interactions that are difficult for both the complainant and respondent. For this reason, it is crucial that members of the Task Force treat people with kindness, respect and dignity. Glenn Mar is a kind-hearted individual who is always willing to lend a helping hand or provide guidance when necessary; I have full faith that he will serve with integrity while showing respect for all parties involved.

In closing, I urge you to consider appointing Glenn Mar to the Sunshine Ordinance Task Force. He is a dedicated volunteer, leader and team member who will contribute his knowledge, skills and "can-do" attitude. His calm demeanor, level of enthusiasm and dedication to justice is inspiring; I heartily recommend him for this important role.

Dear Chairman Safai, Supervisors Stefani and Yee,
I am looking forward to seeing you again on wednesday 10/24/18 at the Rules Committee item #5.

Please accept the below (also attached as a separate document) as my addendum to my application to be reappointed to the SOTF (seats 6-11).

I have served for 6 years on this Task Force. This would be my fourth term on the task force, making me (if selected) the longest consecutively serving member. In the absence of a "best practices" database it is incumbent on the longer serving members to the repository of the institutional knowledge that has kept us balanced and consistent. More about that database later!

I have been the Vice Chair of the SOTF for the past 4 years out of 6. In addition to Vice Chair I also serve on the Compliance & Amendments as well as our version of the Rules sub-committees. As Vice Chair I have also chaired many meetings of the Full Task Force and consider myself an accomplished parliamentarian.

I wanted to highlight a few things which i believe continue to make me a valuable member of this team:

- I wanted to underscore my diverse background. I am from a mixed race and mixed nationality background - my mother is Turkish, i speak several languages, and i live in the heart of the Mission. I promise not to "speak in tongues" as I did a few years ago (I introduced myself in 4 languages).
- My father (American) was an Ambassador for the United Nations and we lived in many different countries growing up including Turkey, Sudan, Bangladesh, Oman and Yemen. This exposure to different cultures early on has allowed me to interact well with people from all backgrounds and walks of life and has proved directly useful at the SOTF.
- My Information Technology background will continue to be an asset, as will my background as a paralegal.
- My 6 years of parliamentary experience be will be instrumental in continuing to run well managed meetings and staying on agenda.

In summary I am proud of the institutional capital I have helped to build over the past 6 years, and would appreciate your vote to continue doing this important work for our city.

I appreciate your continued consideration,
Sincerely,

Chris Hyland
Vice Chair, SOTF

This exposure to different cultures early on has allowed me to interact well with people from all backgrounds and walks of life and has proved directly useful at the SOTF.
- My Information Technology background will continue to be an asset, as will my background as a paralegal.
- My 6 years of parliamentary experience be will be instrumental in continuing to run well managed meetings and staying on agenda.

In summary I am proud of the institutional capital I have helped to build over the past 6 years, and would appreciate your vote to continue doing this important work for our city.

I appreciate your continued consideration,
Sincerely,

Chris Hyland
