7 WHEREAS, The Board of Supervisors authorized a five year Information and  
8 Technology Plan (ICT Plan) on April 16, 2013, by Resolution 116-13, on file with the Clerk  
9 of the Board of Supervisors in File No. 130230, and hereby declared to be a part of this  
10 resolution as if set forth fully herein; and

11 WHEREAS, A goal in the plan was to continue the conversion of multiple email  
12 systems in the City and County of San Francisco (“City”) to a single hosted email exchange  
13 system; and

14 WHEREAS, Consistent with the goals in the ICT Plan, the Department of  
15 Technology (“DT”) has developed an email migration project that will allow public safety  
16 departments and health departments to communicate in a secure email environment; and

17 WHEREAS, The migration project will require additional services from Microsoft in  
18 order to transition the City’s current email system to a system designed specifically for  
19 government users (G level service) that will provide a more secure environment for the  
20 City’s email and comply with the regulatory frameworks established for public safety  
21 departments and health service providers; and

22 WHEREAS, Microsoft seeks to donate services valued at \$133,000 for DT to use for  
23 the City’s migration to the G level service; and

24 WHEREAS, DT has agreed to use the services to implement the migration,  
25 subject to the Board of Supervisors’ approval of this resolution; now, therefore, be it

1 RESOLVED, That the Board of Supervisors authorizes the Department of  
2 Technology to accept the Gift from Microsoft of \$133,000 in services and use the  
3 services to migrate its hosted email services to a government level service.
