ARTICLE 2 APPROPRIATION AND CERTIFICATION OF GRANT FUNDS; LIMITATIONS ON CITY'S OBLIGATIONS

2.1 Risk of Non-Appropriation of Grant Funds.

- (a) This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations of General Funds for this Agreement in lieu of appropriations for new or other agreements or for other MOHCD expenditures. Grantee acknowledges that MOHCD's obligation to make Subsidy Payments under this Agreement is expressly conditioned on the (a) appropriation of sufficient funds to HSH for Subsidy Payments and transfer of such funds from HSH to MOHCD (or as MOHCD may direct such funds to be transferred directly by HSH to Grantee), which appropriation and transfer is subject to HSH's annual operating budget, or (b) appropriation of sufficient funds for Subsidy Payments to MOHCD's annual operating budget. If the funds appropriated for Program subsidy payments in a given year will be insufficient to fund the total Program subsidy payments MOHCD intended to make in such year, MOHCD shall have the right to reduce the amount of Program subsidy payments and to select the qualifying projects subject to such reduced payments.
- (b) Notwithstanding the foregoing, however, qualifying projects that are not financed with State Department of Housing and Community Development Multifamily Housing Program Supportive Housing Component funds ("HCD Funds") will be subject to such Program subsidy payment reductions before any such reductions are made to qualifying projects financed with HCD Funds.
- (c) If MOHCD determines that Subsidy Payments for any given period must be reduced due to a shortfall in appropriated Program General Funds (a "Non-Appropriation Event"), MOHCD shall notify Grantee that a Non-Appropriation Event has occurred. City's obligation to make any Subsidy Payments in excess of those for which sufficient funds have been appropriated shall automatically terminate as of such Non-Appropriation Event, except as may be required pursuant to Section 2.5 below. Grantee acknowledges that HSH's and MOHCD's annual operating budgets are each subject to the discretion of City's Mayor and Board of Supervisors and a Non-Appropriation Event may occur during the Term and, accordingly, that Subsidy Payments may subsequently not be made in the amounts projected pursuant to this Agreement. Grantee's assumption of such risks is part of the consideration for this Agreement.

- **2.2** Certification of Controller; Guaranteed Maximum Costs. No funds shall be available under this Agreement until prior written authorization certified by the Controller. In addition, as set forth in Section 21.10-1 of the San Francisco Administrative Code:
- (a) City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, the current Controller certification for Grant Funds is only for the First Subsidy Payment, and Controller certification will be a condition precedent for all other Subsidy Payments to the extent that Project Transition Reserve Account funds are not available to fund such Subsidy Payments.
- (b) Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee if they are beyond the scope of the services, materials, equipment and supplies agreed upon herein and were not approved by a written amendment to this Agreement lawfully executed by City.
- (c) City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that would exceed the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding that exceeds the maximum provided in this Agreement, which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained.
- (d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available for such purposes in the budget of MOHCD or by supplemental appropriation.
- **2.3** Automatic Termination for Nonappropriation or Nontransfer of Funds. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of the period of the City's Business Year that a Non-Appropriation Event occurs, except as otherwise set forth in Section 2.5 and Section 2.6.
- **2.4 SUPERSEDURE OF CONFLICTING PROVISIONS.** IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS <u>ARTICLE 2</u> AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.

2.5 Program Transition Reserve Account.

(a) All LOSP subsidy payments, including the Subsidy Payments, are conditioned on the appropriation of sufficient funds therefor and the transfer of such funds to MOHCD's annual

budget. MOHCD intends to establish a reserve account, as MOHCD deems appropriate and in its sole discretion, to fund all or a portion of selected LOSP subsidy payments in the event sufficient funds are not so appropriated or transferred (the "**Program Transition Reserve Account**"). If there is a Non-Appropriation Event, City shall use Program Transition Reserve Account funds to disburse such Subsidy Payments to the extent there are sufficient Program Transition Reserve Account funds for such disbursements.

- (b) If there is a Non-Appropriation Event, and City fully funds the following year's Subsidy Payment in the amount shown on **Exhibit A** (whether with Program Transition Reserve Account funds or otherwise), this Agreement shall remain in effect through the last day of the period for which such Subsidy Payment is made. In the event City continues to fully fund subsequent Subsidy Payments, this Agreement shall remain in effect through the last day of the period for which each such subsequent Subsidy Payment is made.
- (c) City shall have no obligation to replenish or supplement the Program Transition Reserve Account. City shall have the right to, at MOHCD's discretion, use Program Transition Reserve Account funds to make subsidy payments to LOSP grantees other than Grantee. The Program Transition Reserve Account shall remain the City's property at all times and any interest that accrues thereon shall remain the sole property of City and will be deemed part of the Program Transition Reserve Account. If any funds remain in the Program Transition Reserve Account at the expiration of the Term or earlier termination of this Agreement, such funds shall remain with City and Grantee shall have no rights thereto.
- (d) Grantee agrees that it shall not make any distributions or payments of Residual Receipts, as defined in the MOHCD Loan Agreement, until City has approved the distribution or payment of such Residual Receipts.
- **2.6 NPLH Funds.** For the avoidance of any doubt, this Article 2 shall not apply to the NPLH COSR or MOHCD obligations to make an NPLH Payment under this Agreement.

ARTICLE 3 TERM

City shall accordingly deliver a Referral to Grantee within fifteen (15) business days of receiving such Assisted Unit lease termination notice, and Grantee shall lease such vacated Assisted Unit to the LOSP Client within the sixty (60) day period immediately following its receipt of such Referrals (each such subsequent lease up date shall be referred to as an "Subsequent Leasing Date"). The period of time between a Termination Notice Date and the corresponding Subsequent Leasing Date shall be referred to as a "Vacancy Period". After the LOSP Funding Start Date, an Assisted Unit may remain vacant during any Vacancy Period applicable to such Assisted Unit. If City fails to timely deliver the required Referrals at any time, until City delivers such Referrals, Grantee can submit a request to City to use a qualified candidate identified by Grantee that satisfies the requirements of Exhibit D, and such request shall not be unreasonably denied.
- (c) Preference in occupying all Assisted Units shall be first to Certificate of Preference Holders in accordance with the **Manual**; provided that such applicants satisfy all other applicable eligibility requirements as a LOSP Client.

Each Tenant lease shall provide for termination of such lease and such Tenant's consent to immediate eviction if the Tenant has made any material misrepresentation in the initial income certification made by Tenant to City or in any later income certification made by Tenant to Grantee. The lease agreement for each Assisted Unit must also contain the applicable Lease Addendum, which can be found in the **Manual**.
- (h) Grantee shall obtain each Tenant's recertification of his/her household income on an annual basis. Such income certifications shall be prepared pursuant to low income housing tax credit guidelines for household income and shall be maintained on file at Grantee's principal office for no less than five (5) years following the date of such certification, and Grantee must file or cause to be filed copies thereof with MOHCD promptly upon MOHCD's request therefor.
- (i) Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be

segregated from all other funds of the Project in an account held in trust for the benefit of the Tenants and other tenants of the Project and disbursed in accordance with California law. The balance in such security deposit account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits or interest thereon returned to Tenants or any other tenants of the Project.

4.2 Rent Restrictions.

- (a) Gross Rent charged for any Tenant shall be the lower of thirty percent (30%) of a Tenant's gross monthly income, or the maximum rent allowed under the MOHCD Loan Agreement.
- (b) With the written approval of HSH, the Gross Rent charged to a Tenant may be increased as a result of a determination by HSH that such Tenant is no longer eligible under the Program, so long as the Gross Rent charged does not exceed the Underlying Restricted Rent. Notwithstanding the forgoing, Tenants deemed no longer eligible by HSH who remain occupants of the Project shall still be considered a LOSP Client and the Tenant's Unit shall still constitute an Assisted Unit for purposes of compliance with the requirements of this Agreement.
- (c) Grantee shall provide MOHCD at least annually a report showing actual household income level and Gross Rent for each Tenant.

4.3 Operating Reserve Account; Subsidy Reserve Account.

Grantee shall not use Subsidy Reserve Account funds, or any interest earned thereon, for any purpose other than as provided in this Agreement. The only funds that shall be held in the Subsidy Reserve Account shall be the moneys deposited therein pursuant to this Section and the interest earned thereon.
- (b) If the Approved Shortfall for a Business Year exceeds the Subsidy Payment made to Grantee for such Business Year, Grantee shall first use Subsidy Reserve Account funds, to the extent available, to pay the Assisted Units Operating Costs that comprise such excess shortfall. If the Subsidy Reserve Account plus Subsidy Payment funds are insufficient to pay all of the Assisted Units Operating Costs in any given Business Year, Grantee shall use Operating Reserve Account funds, if any, to pay the remaining Assisted Units Operating Costs], subject to any approval Grantee must obtain from any lender under the Senior Loan Documents or Grantee's tax credit limited partner to so use the Operating Reserve Account funds.

4.4 Annual Operating Budget.

(a) The Annual Operating Budget attached hereto as **Exhibit B** sets forth Grantee's anticipated Operating Costs, Project Income and Projected Shortfall for the Term of the Agreement. Grantee shall pay Operating Costs in conformity with the approved Annual Operating Budget. MOHCD's prior written consent shall not be required before Grantee can

spend funds on Operating Costs that differ in amount from the amounts in the Annual Operating Budget.

- (b) Grantee can submit requests to change the amount of the Annual Operating Budget and corresponding Subsidy Payment for any year during the term by supplying a written proposal to MOHCD. MOHCD will provide project-specific guidance about other materials required to required to analyze the requested change including but not limited to a variance analysis that includes a quantitative assessment of the difference between projected annual income and expenses and actual annual income and expenses, and explanations for the cause of any significant variances.
- (c) Any travel expenses incured by Grantee shall be reasonable and must comply with the following:

Grantee's manager, if Grantee is a limited liability company, or Grantee's general partner or the sole member of the limited liability company general partner, if Grantee is a limited partnership, shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet

Such entity's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

- (a) Grantee shall be responsible for ensuring all Project maintenance, repair and management functions, including the collection of rents, routine and extraordinary repairs and replacement of capital items, and for keeping the Project in a safe and sanitary manner and in good operating condition in accordance with all Applicable Laws, the City Loan Documents and the Senior Loan Documents (collectively, the "Maintenance Duties").
- (b) Grantee may contract with a management agent for the performance of the Maintenance Duties subject to MOHCD's prior written approval of both the management agent and the management contract, provided, however, that the arrangement will not relieve Grantee of responsibility for performance of those duties. A management contract must contain a provision allowing Grantee to terminate the contract without penalty upon no more than thirty (30) days' notice.
- (c) MOHCD will provide written notice to Grantee if MOHCD determines that the Maintenance Duties are not being performed in accordance with this Agreement. If Grantee is then in contract with a management agent pursuant to subsection (b) above, and such management agent fails to fully cure such failure within thirty (30) days of the date that MOHCD delivers such written notice, Grantee shall exercise such thirty (30) day termination right, terminate the management contract and make immediate arrangements for cure of such failure and for the continuous and continuing performance of the Maintenance Duties. If, at the time of such notice, Grantee is not in contract with a management agent pursuant to subsection (b) above, in addition to MOHCD's rights hereunder, MOHCD shall have the right to require that Grantee, at Grantee's sole cost, contract with a management agent to perform the Maintenance Duties, or to make other arrangements the City deems necessary to ensure full and timely performance of the Maintenance Duties.

Grantee shall cooperate in good faith with MOHCD and HSH in obtaining a new service provider for the LOSP Clients in the Project. In such an event, the selection of the new service provider for the Project shall require Grantee's prior consent, which shall not be unreasonably delayed or denied. Grantee hereby agrees and acknowledges that nothing in this Agreement gives Grantee any right to consent to the MOHCD and/or HSH determination to terminate the Services Agreement or to replace the Tenant Services Contractor.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS AND NPLH FUNDS

5.1 Maximum Amount of Grant Funds; Disbursement of Subsidy Payments; Maximum Amount of NPLH Funds.

5.1.1 Maximum Amount of Grant Funds; Disbursement of Subsidy Payments.

- (a) In no event shall the total amount of Grant Funds disbursed hereunder exceed Fifteen Million Three Hundred Sixty Nine Thousand Three Hundred Sixty One and No/100 Dollars (\$15,369,361.00) (the "Grant Amount"), consisting of up to \$10,589,361 in Program General Funds and \$4,780,000 of NPLH Funds. Subject to Grantee's performance of its obligations under this Agreement and MOHCD's receipt of sufficient Program General Funds, as further set forth in Article 2, the Grant Funds shall be disbursed through Subsidy Payments.
- (b) Provided that Grantee is in compliance with all of the conditions for receipt of the First Subsidy Payment, City shall deliver the First Subsidy Payment to Grantee within one hundred twenty (120) business days immediately following the LOSP Funding Start Date. For every subsequent year during the Term, provided that Grantee is in compliance with all of the conditions for receipt of a Subsidy Payment, City shall deliver the Subsidy Payment for such year to Grantee on or before January 31 following the Agreement Date, provided that Grantee has submitted current certificate of insurance and complied with the conditions to disbursement under this Agreement.

5.1.2 NPLH Funds.

- (a) In no event shall the total amount of NPLH Funds, plus accrued interest in the NPLH COSR, exceed Four Million Seven Hundred Eighty Thousand and No/100 Dollars (\$4,780,000.00) (the "NPLH Amount"). Subject to Grantee's performance of its obligations under this Agreement and compliance with the NPLH requirements under the MOHCD Loan Agreement and the MOU, MOHCD shall disburse the NPLH Funds through NPLH Payments to Grantee concurrently with the LOSP Funds disbursement.
- (b) Grantee acknowledges and agrees that it has no ownership interest in the NPLH COSR. The NPLH COSR is for the benefit of the NPLH Eligible Tenants of the NPLH Assisted Units, and Borrower shall have no right or claim to NPLH COSR proceeds or NPLH Payments.

5.2 Subsidy Payment Amounts, NPLH Payment Amounts, and Adjustments.

5.2.1 Subsidy Payment Amounts and Adjustments.

- (a) The Annual Operating Budget is the Parties' current expectations of Operating Costs and Projected Shortfalls during the Term. The Parties anticipate that the amount of the First Subsidy Payment and each subsequent Subsidy Payment shall be as shown on **Exhibit A**. The First Subsidy Payment amount reflects the Projected Shortfall for the period starting on the LOSP Funding Start Date. Notwithstanding the foregoing initial calculations of the Annual Operating Budget and the Subsidy Payment amounts, however, each Subsidy Payment (including the First Subsidy Payment) is subject to further adjustment pursuant to this Section and City's annual review and approval of the applicable Annual Operating Budget and/or the Annual Monitoring Report. The City may reduce the subsequent NPLH Payments by the amount of any funds held in the Subsidy Reserve Account attributable to the NPLH Payments supporting NPLH Assisted Units.
- (b) The total amount of all Subsidy Payments made hereunder shall not exceed the Grant Amount. If the total amount of all Subsidy Payments made hereunder equals the Grant Amount at any time prior to the expiration of the Term, no further Subsidy Payments shall be made hereunder. If any Subsidy Payment would, if made, cause the total amount of all Subsidy Payments made hereunder to exceed the Grant Amount, such Subsidy Payment shall be accordingly reduced so the total amount of Subsidy Payments made hereunder equals the Grant Amount.

5.2.2 <u>NPLH Payments and Adjustments</u>.

- (a) The amount of an NPLH Payment shall be based on the costs of the operations for the NPLH Assisted Units and the difference between (i) the Project Income attributable to the NPLH Assisted Units and (ii) the vacancies and annual Operating Expenses of the NPLH Assisted Units pursuant to the MOHCD Loan Agreement and as determined MOHCD; provided, however, the NPLH Payment amount shall not exceed five percent (5%) of the NPLH Amount each Business Year, except as permitted under the NPLH Regulations. The total amount of NPLH Payments shall not exceed the NPLH Amount available in the NPLH COSR.
- (b) The calculation of the initial disbursement of Subsidy Payments from the NPLH COSR (Year 1 and Year 2 disbursements, prior to receipt of any Annual Bifurcated Audit) includes the anticipated Projected Shortfall attributable to the NPLH Assisted Units based on Subsidy Payment schedule in Exhibit A. Thereafter, disbursement of any NPLH Payments from the NPLH COSR are subject to Grantee submitting an AMR and an Annual Bifurcated Audit to MOHCD for review and approval.
- (c) The NPLH Payments will be reconciled with actual costs of the NPLH Assisted Units at the Project's Fiscal Year-end based on the results of the Annual Bifurcated Audit. If, after review of the Project's Annual Bifurcated Audit, MOHCD finds that the Operating Costs for the NPLH Assisted Units did not need as much from the NPLH COSR as it received for that year, MOHCD may:
- 1. Provide less in NPLH Payments in a subsequent year to make up the difference between the amount DPH and/or HSH received and the actual amount of the Supportive Services for the NPLH Assisted Units in the prior year; or

- 2. Require Grantee to return to MOHCD the amount provided that was in excess of the amount of the Operating Costs for the NPLH Assisted Units, and any such amount returned shall be deposited to a NPLH COSR; or
- 3. Recalculate the remaining amount of NPLH COSR funds available over the remaining years until the twentieth (20th) year and inform Grantee of the available NPLH Payment amount from the NPLH COSR per year, with the intent of keeping the NPLH COSR available for a full twenty (20) years.
- (d) If, after review of the Project's first five years of Annual Bifurcated Audits, the MOHCD finds that the Project has used more than twenty-five percent (25%) of the total amount of the NPLH COSR funds, MOHCD reserves the right, at its sole discretion, to impose annual limits for disbursement of the remaining NPLH COSR funds. Such limits shall be determined by dividing the remaining NPLH COSR funds by the years remaining until the twentieth (20th) year.
- 1. The MOHCD reserves the right, at its sole discretion, to implement the same NPLH COSR review process at years ten (10) and fifteen (15) to determine if disbursements of NPLH COSR may be greater than five percent (5%) per year, or greater than the limits imposed at the previous fifth (5th) year NPLH COSR review in order to determine if different limits on NPLH COSR disbursements shall be imposed for the remaining years until the twentieth (20th) year.
- 2. If there are funds remaining (or will be remaining) in the NPLH COSR after the twentieth (20th) year, MOHCD the right, at its sole discretion, to implement a similar process for determining the amounts available for allocation and disbursement.

5.3 Use of Grant Funds and NPLH Funds.

- (a) Grantee shall use the Program General Funds and the NPLH funds only for Assisted Units Operating Costs and for no other purpose. Grantee shall only use funds from the NPLH COSER for the Operating Costs attributable to NPLH Assisted Units and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Annual Operating Budget.
- (b) Notwithstanding anything to the contrary contained herein, funds from the NPLH COSR shall NOT be use for any of the following:
 - 1. Costs associated with any non-NPLH Assisted Units.
- 2. Costs associated with any NPLH Assisted Units for which the Grantee did not apply for and receive an award of NPLH Funds or set forth under the MOHCD Loan Agreement.

If the NPLH Assisted Unit is receiving rental assistance, the requirements of the rental subsidy source shall apply.
- 9. Asset management fees or partnership management fees not paid in accordance with the requirements of the MOHCD Loan Agreement and this Agreement.
- 10. Deferred developer fees not paid in accordance with the requirements of the MOHCD Loan Agreement and this Agreement.
- 11. Any costs for or in connection with a limited partner buyout, substitution, or assignment of ownership interest, neither during an operating (fiscal) year nor at any potential restructure or resyndication transaction.
- 12. Other costs not approved by MOHCD or permitted under the NPLH Regulations.

The Charter Documents shall be delivered to the City in their original form, as amended if applicable.
- (c) Grantee shall be in compliance with all of its obligations under City Loan Documents and the Senior Loan Documents.
- (d) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of the First Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and HSH to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.
- (e) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of the First Subsidy Payment is to be disbursed hereunder.
- (f) Grantee must have delivered to MOHCD a copy of the certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection for the Project.

- **5.5** Conditions Precedent to Payment of Subsequent Subsidy Payments. Grantee shall fully satisfy each of the following conditions prior to delivery of any Subsequent Subsidy Payment:
- (a) Grantee shall be in compliance with all of its obligations under the City Loan Documents and the Senior Loan Documents.
- (b) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement, and no default, or event that with notice or the passage of time or both could constitute a default, shall exist and remain uncured under the Services Agreement; provided however that disbursement of any Subsequent Subsidy Payment shall not be withheld due to an uncured default under the Services Agreement if at the time of expected disbursement, Grantee provides City with sufficient evidence that it is cooperating in good faith with the City and DPH to diligently pursue a cure of said default, which may or may not include Grantee directly providing the required services under the Services Agreement.

- 5.6 Allocation of Grant Funds and Calculation of Assisted Unit Operating Costs. For the purposes of determining the Subsidy Payment and the Projected Shortfall, City and Grantee have agreed that the parties shall allocate fifty percent (50%) of the total Operating Costs to the Assisted Units ("Assisted Units Operating Costs") and 50 percent (50%) of the total Operating Costs to the non-Assisted Units. For most budget line items, LOSP units are assigned a prorated share of the total project operating cost. There are some line items where alternative portions of the line item may be proposed. Exhibit B depicts the allocation of Operating Costs between the Assisted and non-Assisted Units, including and budget line items for which alternative portions have been allocated to the Assisted/non-Assisted units.

Grantee must cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

6.3 Notification of Defaults or Changes in Circumstances.

- (a) Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in <u>Article 8</u> to be false or misleading at any time during the term of this Agreement.
- (b) Grantee shall provide written notice of the replacement of its executive director, director of housing development, director of property management and/or any equivalent position within thirty (30) days after the effective date of such replacement.

- **7.2** Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:
- (a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation

and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.

- (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. - (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization.

- (a) Grantee shall be a limited partnership, and Grantee's general partner, or the general partner's sole member of the general partner (if general partner is a limited liability company), is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the State of California and is qualified to do business in the City and County of San Francisco, and which has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated thereunder. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.
- (b) Grantee represents that it is in good standing with the California Attorney General's Registry of Charities and Fundraisers and will remain in good standing during the term of this Agreement. Grantee represents that Grantee's general partner, or the general partner's sole member of the general partner (if general partner is a limited liability company) is in good standing with the California Attorney General's Registry of Charities and Fundraisers and will remain in good standing during the term of this Agreement. Grantee shall immediately notify City of any change in its eligibility to perform under the Agreement. Upon City's request, Grantee shall provide documentation demonstrating its compliance with applicable legal requirements. If applicable, Grantee is responsible for ensuring any subcontractors are also in compliance with the California Attorney General's Registry of Charities and Fundraisers for the duration of the Agreement. Any failure by Grantee or its subcontractors to remain in good standing with applicable requirements shall be a material breach of this Agreement.
- **8.2** Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15.
- **8.3** No Misstatements. No document furnished or to be furnished by Grantee to MOHCD in connection with the Application Documents, this Agreement, or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.
- **8.4** No Legal Actions. No action, suit or proceeding is pending or threatened that might affect Grantee or the Project adversely in any material respect. Grantee has not received any written notices of default under any agreement to which it is a party.
- **8.5** Conflict of Interest. By executing this Agreement, Grantee certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the City's Charter; Article III, Chapter 2 of City's Campaign and Governmental Conduct Code; Title 9, Chapter 7 of the California Government Code (Section 87100 et seq.); or Title 1, Division 4, Chapter 1, Article 4 of the California Government Code (Section 1090 et seq.), and further agrees promptly to notify City if it becomes aware of any such fact during the term of this Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

- **Indemnification**. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct or gross negligence of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.
- 9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.
- **9.3** Incidental and Consequential Damages. Failure to maintain insurance shall constitute a material breach of this Agreement.
- **10.7 Effect of Approval**. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:
- (a) **False Statement**. Any statement, representation or warranty contained in this Agreement, in the Application Documents, or in any other document submitted to City under this Agreement is found by City to be false or misleading when made.
- (b) Improper Use of Grant Funds; Failure to Perform Other Covenants and Obligations. Grantee uses Grant Funds for any purpose other than for the payment of Assisted Units Operating Costs (or reimbursement for its advance payment thereof), fails to use the Subsidy Payments it receives to pay Assisted Units Operating Costs (or reimbursement for its advance payment thereof), or otherwise fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due, or if such breach can not be cured in ten (10) days, then City shall not exercise its remedies hereunder as long as Grantee continues to diligently pursue a cure of the breach; provided, however, that: (i) in the case of an improper use of Grant Funds, in no event shall such cure period extend beyond thirty (30) days after the date

- (g) **Damage or Destruction**. All or a substantial or material portion of the Project is damaged or destroyed by fire or other casualty or is condemned, seized or appropriated by any non-City governmental agency or subject to any action or other proceeding instituted by any non-City governmental agency for any purpose with the result that the Project cannot be operated for its intended purpose.

voluntarily or involuntarily, or voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Grantee or of its right, title or interest in the Project or the Real Property, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity; (d) transfers of the general partner's or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project or any subsequent transfer of a limited partnership interest in Borrower by an investor limited partner in Borrower, or any direct or indirect transfer of a limited partnership interest or membership interest in any investor limited partner in Borrower; (f) any transfer permitted under the City Documents; or (g) the grant or exercise of an option agreement between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

- (j) Account Transfers. Without MOHCD's prior written consent, to the extent such consent is required pursuant to this Agreement, Grantee transfers, or authorizes the transfer of, funds in any account required or authorized under this Agreement.

- **11.2 Remedies Upon Event of Default**. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:
- (a) **Termination**. City may terminate this Agreement by giving a written termination notice to Grantee and, on the date specified in such notice, this Agreement shall terminate and all rights and obligations of Grantee hereunder shall be extinguished. In the event of such termination, the City will allow Grantee to use previously disbursed Subsidy Payment funds to pay for only Operating Costs incurred prior to the termination date. The remaining balance of any Subsidy Payment not used to pay for previously incurred Operating Costs must be returned to the City..

- (b) **Withholding of Grant Funds**. City may withhold all or any portion of Grant Funds not yet disbursed hereunder. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default shall be disbursed without interest.
- (c) **Offset**. City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under the MOHCD Loan Agreement or any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.
- (d) **Return of Grant Funds**. City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.
- 11.3 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available under this Agreement, any other City Document and/or Applicable Laws. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

- **12.1 Proprietary or Confidential Information of City**. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- **12.3 Financial Projections**. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit

and loss figures, for the Project. The Grantee acknowledges and agrees that the financial projections and audited financial statements required under this Agreement shall be public records subject to disclosure upon request.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement. Notwithstanding any provision of this Agreement to the contrary, this Section 13.1 shall not prevent transfers that are expressly permitted under the City Loan Documents.
- **13.2** Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- **13.3 Subcontracting.** Grantee shall not subcontract or assign any portion of this Agreement to any other party without the prior written consent of City; notwithstanding the foregoing, Grantee may subcontract for property management and maintenance without the consent of the City.
- **13.4** Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

- **14.1 Nature of Agreement**. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.
- **14.2 Direction**. Any terms in this Agreement referring to direction or instruction from MOHCD or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

(a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer

portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.

- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

- **16.3** MacBride Principles--Northern Ireland. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.
- **16.7** Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate

against any person protected under the ADA in connection with its activities hereunder and shall comply at all times with the provisions of the ADA.

Grantee shall pay covered employees no less than the minimum compensation required by San Francisco Labor and Employment Code Article 111, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. Grantee is subject to the enforcement and penalty provisions in Article 111. Information about and the text of Article 111 is available on the web at http://sfgov.org/olse/mco. Grantee is required to comply with all of the applicable provisions of Article 111, irrespective of the listing of obligations in this Section. 16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. - 16.15 Public Access to Meetings and Records. If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.
- 16.16 Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Grantee shall remove all graffiti from any real property owned or leased by Grantee in the City and County of San Francisco within forty eight (48) hours of the earlier of Grantee's (a)

discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require a Grantee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 *et seq.*).

Any failure of Grantee to comply with this Section shall constitute an Event of Default of this Agreement.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Consideration of Criminal History in Hiring and Employment Decisions.

- (a) Grantee agrees to comply fully with and be bound by all of the provisions of Article 142, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Labor and Employment Code ("Article 142"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Article 142 are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of Article 142 is available on the web at http://sfgov.org/olse/fco. Grantee is required to comply with all of the applicable provisions of Article 142, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Article 142.
- (b) The requirements of Article 142 shall only apply to a Grantee's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San

Francisco. Article 142 shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

16.19 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

ARTICLE 17 MISCELLANEOUS

- 17.1 No Waiver. No waiver by MOHCD or City of any default or breach of this Agreement shall be implied from any failure by MOHCD or City to take action on account of such default if such default persists or is repeated. No express waiver by MOHCD or City shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by City or MOHCD of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. - 17.8 Severability. Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.
- 17.9 Successors; No Third-Party Beneficiaries. Exhibit C – LOSP Client Selection Criteria

Exhibit B - Eligibility for Housing Units

78 Haight, 78 Haight Street, San Francisco, CA 94102

During regular building operations, TNDC will take applications for housing units from the Property Waitlist when the property has vacant units or is expecting vacancies soon.

Applicants must meet all project requirements to be eligible. All applicants must pass a resident selection screening and have their income and assets third-party certified to move into any unit.

The project will include 32 units for transitional aged youth (TAY), which will receive referrals from the Department of Homelessness and Supportive Housing (DHSH) through the Coordinated Entry System.

LOSP Program Eligibility

The Department of Homelessness and Supportive Housing (HSH) provides permanent supportive housing with onsite social services for both individuals and families at various sites throughout San Francisco. Eligibility may include applicants to be homeless at the time of intake, and have a certifiable disability related to mental health, substance (ab)use and/or disabling HIV/AIDS. All referrals are solicited directly from HSH through the Coordinated Entry system. For more information, access https://hsh.sfqov.org/services/the-homelessness-response-system/coordinated-entry/

The purpose of this Program is to provide Property Management and Support Services to the served population. The goals of these services are to increase housing stability of tenants within the Homelessness Response System (HRS).

TNDC will receive referrals from HSH via the Coordinated Entry Process.

Applicant households must meet the following requirements:

- A household must meet the HSH Homeless Definition under TAY / Youth category
- Applicants must provide homelessness verification, including a current certification of homelessness.
- Applicant incomes must be at or below 30% of the MOHCD Area Median Income as provided annually by the San Francisco Mayor's Office of Housing.

Applicant households referred into program units that are regulated under No Place Like Home (NPLH) must meet the following requirements:

- Adults with serious mental illness, or children with severe emotional disorders and their families
 and persons who require or are at risk of requiring acute psychiatric inpatient care, residential
 treatment, or outpatient crisis intervention because of a mental disorder with symptoms of
 psychosis, suicidality or violence and who are homeless, chronically homeless, or at risk of chronic
 homelessness.
- At risk of chronic homelessness includes persons who are at high risk of long-term or intermittent homelessness, including persons with mental illness exiting institutionalized settings with a history of homelessness prior to institutionalization, and transition age youth experiencing homelessness or with significant barriers to housing stability.

Exhibit B - Eligibility for Housing Units

HOUSING CHOICE VOUCHERS (HCV)

Housing Choice Vouchers- Under the tenant-based housing choice voucher program, the PHA issues an eligible family a voucher and the family select a unit of its choice. If the family moves out of the unit, the contract with the owner ends and the family can move with continued assistance to another unit.

Exhibit D

Tenant Selection Plan Policy - LOSP

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- **Application Materials**. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,

• **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units.

- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.
- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the

- <u>Limited English Proficiency Policy</u>. Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- o a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

• The housing provider shall:

- Hold a comparable unit for the household during the entire appeal process.
- o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision:
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
- o give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
- o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
- o confine the subject of the appeal to the reason for denial listed in the notice;
- o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
- have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
- o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

Exhibit E

Tenant Screening Criteria Policy – LOSP

The City expects that housing providers will use maximum feasible efforts to ensure that those individuals and families who are referred are accepted for occupancy in a timely fashion. To that end, the City has adopted the following screening criteria for applicants with a criminal record. If a problem arises in the application and screening process that may cause unreasonable delay in screening outcome, the housing provider should immediately notify the referring agency and HSH to assist with an expeditious resolution.

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers shall consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 3 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity. As necessary, HSH will assess the justification for a longer look-back period and determine whether an exception is warranted. In these

F

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

exceptional situations, the housing provider may consider offenses that occurred in the prior 5 years.

- o mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader:
 - (4) if the offense is related to acts of domestic violence committed against the applicant;
 - (5) if the offense was related to a person's disability.

Notice of Availability of 2020 Annual Monitoring Report Form

(plus reminders of Marketing Procedure and Serious Incident Protocol)

The Mayor's Office of Housing and Community Development (MOHCD) is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2020 (RY2020). The forms are now available to be downloaded from the <u>Asset Management page</u> of the MOHCD web site. In addition, training videos on how to complete the AMR are available. See below for more information.

IMPORTANT INFORMATION RELATED TO COVID-19

MOHCD recognizes the impact that the COVID-19 crisis is having on the organizations that we support, especially those providing essential services. It is vitally important to take measures to protect your staff, residents and clients from contracting and spreading COVID-19. We urge all affordable housing owners and managers to follow the guidelines, recommendations and orders from the U.S. Centers for Disease Control, the State of California and the San Francisco Department of Public Health. MOHCD is also taking action to address the needs of the projects under our purview:

- MOHCD <u>published a memo</u> clarifying MOHCD's current Operating Reserves requirements.
- MOHCD extended the 2020 AMR due date by one month (see below for detailed info) for projects whose business year ran from 7/1/2019 to 6/30/2020.

MOHCD is allowing project sponsors to retain a larger share of 2020 surplus cash/residual receipts than is allowed under their financing agreements with MOHCD. For more information, read the notice regarding the COVID-19 Allowance. This opportunity is limited to projects whose business year ran from 7/1/2019 to 6/30/2020. The COVID-19 Allowance may not be available to some projects that are subject to MOHCD financing, regulatory or ground lease agreements that include limits on distributions of surplus cash/residual receipts. To benefit from the Allowance, owners of such projects will have to request amendments to those agreements that would remove such limits. For more information, read the "Notice Regarding Option to Remove Caps on Distributions of Residual Receipts."

If this crisis is preventing you from responding thoroughly and quickly to any request from MOHCD, please do whatever you can to let us know of your limitations and to propose alternatives. Thank you for everything that you are doing on behalf of the people your organization serves and for all of the people of San Francisco.

Deadline: For projects whose business year ended June 30, 2020, the report will be due on January 8, 2021, for the period 7/1/2019-6/30/2020, unless noted otherwise in a project-specific notice sent by MOHCD. For any projects whose 2020 business year ended or will end on different dates than those above, the report will be due 5 months from the last date of that business year.

Completion and Submission Instructions

The Annual Monitoring Report consists of the following four parts:

I. AMR_RY2020 – project name.xlsx – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

1B. Transitional Programs

1C. Eviction Data

2. Fiscal Activity

3A. Occupancy & Rent Info

3C. Demographic Summary

4. Narrative

Required by MOHCD

Completeness Tracker

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. Failure to supply the required explanation will render your submission incomplete.

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2020.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

II. Owner Compliance Certification Form and Documentation of Insurance

The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are current as of the date of submittal of the AMR.

III. Audited Financial Statements

Provide financial statements for the project for Reporting Year 2020. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "Audit Requirements for MOHCD-Funded Projects" a copy of which is posted on MOHCD's Asset Management web page. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following:

- schedule of operating revenues
- schedule of operating expenses
- computation of cash flow/surplus cash
- summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

IMPORTANT: Audited financial statements are a required submittal of the Annual Monitoring Report. Do not submit the AMR until the audit has been finalized. AMRs that are submitted without an audit or with a draft audit will not be accepted.

IV. Waiting List

Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit:

- name of head-of-household
- contact information
- date of application
- number of people in the household

- stated household income
- desired unit size

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via one email message per project to moh.amr@sfgov.org. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

AMR Training - On-Demand Videos

To facilitate completion of the AMR by project sponsors, MOHCD has created training videos that provide step-by-step instructions on how to complete the Excel reporting form and how to submit the report overall. There are ten video modules that vary in length from two to 30 minutes and may be viewed on-demand from the <u>Asset Management page</u> of the MOHCD web site. We strongly encourage all persons who are involved in preparing the AMR to watch the videos. If you experience any technical difficulties with accessing and viewing the videos, please contact Ricky Lam at <u>ricky.lam@sfqov.org</u> or 415-701-5542.

Marketing Procedure for Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers *must* notify MOHCD of this action by completing a Marketing Plan Template and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the Asset Management page of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the waiting list on DAHLIA – the City's internet portal where members of the public may get information and apply for affordable housing. General information for people seeking affordable housing in San Francisco can also be found on our web site at this location.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

MOHCD requests that owners of projects financed by this office notify us in writing if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

EXHIBIT H – NO PLACE LIKE HOME FUNDING REQUIREMENTS

EXHIBIT H

KEY REQUIREMENTS OF NO PLACE LIKE HOME PROGRAM

For supportive housing funded by the State of California's No Place Like Home Program, MOHCD has developed this addendum to summarize key requirements of the NPLH Program. Sponsors of NPLH- funded supportive housing must comply with all relevant requirements of the NPLH Program Guidelines. The full program guidelines are available at the State of California Housing and Community Development Department's No Place Like Home website.

The goal of MOHCD's NPLH Program is to facilitate acquisition, design, construction, rehabilitation, and preservation of affordable multifamily rental housing for persons with a serious mental illness who are homeless, chronically homeless, or at-risk of chronic homelessness. Qualifying multifamily structures must collectively contain five or more units and shall consist of scattered site housing and multifamily affordable developments. Shared housing is not an eligible development under MOHCD's guidelines.

Please disregard provisions of the HCD NPLH Program Guidelines in Article III, related to the transition reserve requirements, as these are superseded by MOHCD's own guidelines found in the LOSP Policies and Procedures.

Eligible Uses of Funds. MOHCD will evaluate each qualified multifamily project for suitability for NPLH funding. Awarding NPLH funding is conditional on acceptance or eligibility for available state funding. The total amount of funds to be awarded to NPLH-assisted units shall not exceed the costs associated with assisted units. To determine these costs, the cost allocation rules from the State of California's Multifamily Housing Program Regulations (25 California Code of Regulations, Section 7304(c)) that govern eligible uses of funds shall apply.

https://www.hcd.ca.gov/sites/default/files/docs/grants-and-funding/supernofa/2025-mhp-guidelines.pdf.pdf

Selection Criteria. MOHCD will evaluate the site's eligibility for NPLH funding utilizing the following criteria identified in the HCD NPLH Guidelines (section 301(a) 4-8 and 13-14), including, but not limited to:

 Suitability of each location for the NPLH residents, including proximity to transportation, services, and other amenities in a manner that ensures integration of the NPLH residents in the community;

- The Project site must be free from severe adverse environmental conditions, such as the presence of toxic waste that is economically infeasible to remove and that cannot be mitigated.
- All units must be on a permanent foundation and must meet all applicable
 State and local requirements pertaining to rental housing, including but not
 limited to, requirements for minimum square footage, and requirements related
 to maintaining the property in a safe and sanitary condition.
- Readiness to proceed to construction;
- Capital, operating subsidy, and supportive services leverage;
- Compliance with applicable state and federal relocation laws including California Government Code Section 7260 et seq., and 25 CCR Section 6000 et seq.; and
- Compliance with Article XXXIV Section 1 of the California Constitution, as clarified by Public Housing Election Implementation Law (H&S Code Section 37000 et seq.).

Experience. MOHCD will evaluate the experience of the project team including the development sponsor, property manager, and lead service provider to ensure that the following minimum experience requirements are met:

- (1) Development and ownership of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the NPLH target population
- (2) Property management operation of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the NPLH target population
- (3) Lead services provider, which may be the City, shall have three or more years of experience serving persons who qualify as members of the NPLH target population. If this experience does not include experience serving persons in supportive housing, it must include experience helping persons address barriers to housing stability or providing other support services related to housing retention (from Section 202 (e) that details Project Threshold Requirements)

Integration. Proposed projects must demonstrate integration of the NPLH target population with the general public. In order to demonstrate compliance with this requirement, following conditions must be met:

- (1) Assisted units must be integrated with other units in the project and not separated onto separate floors or areas in the building
- (2) To promote integration of the target population with other project tenants, in projects of greater than 20 units, MOHCD will fund no more than 49 percent of the project's total units as NPLH assisted units. This limitation shall not be interpreted to preclude occupancy of any project units by persons with disabilities, or restrictions by other funding sources, including but not limited to CTCAC, that result in more than 49 percent of the total project units being restricted to persons with disabilities
- (3) Sponsors must certify that they will facilitate or provide regular community building activities and architectural design features that promote tenant interaction, as feasible depending on the scope of the construction or rehabilitation activity
- (4) The service plan and property management plan submitted with the funding application must document policies that promote participation by tenants in community activities, and impose no restrictions on guests that are not otherwise required by other project funding sources or would not be common in other unsubsidized rental housing in the community. (from Section 202 (g))
- A. Uses and Terms of NPLH Program Assistance (from Section 302 of NPLH Program Guidelines)

MOHCD will allocate NPLH funds to finance capital costs of supportive housing development including but not limited to acquisition, design, construction, rehabilitation, or preservation of affordable multifamily rental housing. (from Section 302 (a))

MOHCD will, on a project by project basis, allocate NPLH funds to capitalize operating subsidy reserves (COSR) for assisted units (from Section 302 (b)), subject to the limitations specified in Section 305. The COSR shall be sized to cover anticipated operating deficits attributable to the NPLH assisted units for a minimum of 20 years, structured as a grant as evidenced by a grant agreement secured by a Deed of Trust against the project, as required by Section 310 of the NPLH Guidelines and can be used in conjunction with LOSP. The total amount of a project COSR will be determined based upon the individual project underwriting performed by MOHCD in accordance with Section 305. MOHCD shall hold

each project COSR in a segregated interest bearing account for the benefit of the project's assisted units for as long as funds remain in the COSR, but for not less than 20 years.

NPLH funds may be provided as predevelopment, construction, or post-construction permanent financing. If funding is used as predevelopment or construction financing, NPLH funding must convert to post construction permanent financing. (from Section 302 (d))

NPLH allocations to multifamily rental housing of five of more units for capital costs shall be provided in the form of a deferred payment loan that shall have an initial affordability period of 55 years or longer commencing on the date of recordation of the NPLH regulatory agreement. (Section 302 (e)) The loan may bear a zero percent interest rate. Any interest payment, loan repayments, or other return of funds must be returned to the State Department of Housing and Community Development pursuant to Welfare and Institutions Code Section 5849.4 (b) that governs the NPLH Program. (from Section 302 (e))

https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=WIC§ionNum=5849.4 (included as reference only)

Capital program funds shall be secured by the project's real property and improvements, and subject only to liens, encumbrances and other matters of record approved by MOHCD. (from Section 302 (f))

MOHCD may charge reasonable and customary annual monitoring fees to be used in conjunction with administration funds for compliance monitoring required under Section 311 of the NPLH Program Guidelines during the applicable period of affordability set forth in Section 302, paragraph (e). These fees must be based upon the average actual cost of performing the monitoring of the assisted units.

The basis for determining the amount of the fee must be documented and the fee must be included in the costs of the project as part of the project underwriting analysis. (from Section 302 (g)). Currently, MOHCD has opted not to charge a separate NPLH monitoring fee. Any changes to this policy would be made to these Guidelines.

NPLH funds not committed to projects within 24 months of award by the State Department of Housing and Community Development shall be returned to the State, and such funds shall be made available for award to applicants as part of the State's Competitive Allocations. Evidence of committed funds may include award letters, commitment letters, or other written agreements evidencing a commitment of funds. (from Section 302 (h))

B. Occupancy, Income and Rent Limit Requirements (from Section 303 of NPLH Program Guidelines)

Occupancy of all NPLH assisted units shall be restricted to households with at least one member who qualifies as a member of the target population. (from Section 303 (a)) The NPLH target population includes adults or older adults with a serious mental disorder or children or adolescents with serious emotional disturbance who are homeless, chronically homeless, or at-risk of chronic homelessness. This includes persons with co-occurring mental and physical disabilities or co-occurring mental and substance use disorders. (from the State's Welfare and Institutions Code Section 5600.3 (a) and (b) that governs the Mental Health Services Act Program and the target population for the MHSA Program)

http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?sectionNum=5600.3.& lawCode=WIC

Total household income at the time of move-in shall not exceed 30 percent AMI limit as published by the State Department of Housing and Community Development. (from Section 303 (a))

Income determination shall be made in accordance with the requirements in the State of California's Multifamily Housing Program Regulations that govern the calculation of gross income and net income for eligible households for assisted units (25 California Code of Regulations, Section 6914 and 25 CCR, Section 6916) (from Section 303 (b))

For assisted units, if at the time of recertification, a tenant household's income exceeds the 30 percent AMI level and this increase is based solely on the current SSI/SSP payment rate or cost of living adjustment, the household rent shall not exceed 30 percent of household income. These units shall continue to be designated as assisted units. (from Section 303 (c))

For assisted units, if at the time of recertification, a tenant household's income exceeds the 30 percent AMI level and this increase is based on factors other than or in addition to the current SSI/SSP payment rate or cost of living adjustment, to the extent a rent increase for the household is permitted by statutes and regulations governing the project's other financing sources, the sponsor:

- (1) Shall redesignate the tenant's unit as a unit at the higher income level, provided that there are non- assisted units restricted at the higher income level. These units shall not be designated as NPLH assisted units.
- (2) Shall increase the tenant's rent to the level applicable to units at the higher income level; and

- (3) Shall designate the next available comparable non-assisted unit as an assisted unit by the income level originally applicable to the household unit the unit mix required by the program regulatory agreement is achieved.
- (4) If all of the project units are assisted units, that project can continue with the over-income unit until such time as the over-income household(s) no longer reside in the project.
- (5) A unit shall be deemed comparable if it has the same number of bedrooms and reasonably similar square footage as the original unit. (from Section 303 (d))

For assisted units, if at the time of recertification, a tenant household's income exceeds the income limit designated for the household's unit, but does not exceed the limit for a higher income level applicable to new NPH tenants, the sponsor may increase the household's rent to an amount not exceeding the closest rent limit applicable to the household's income level at the time of recertification. (from Section 303 (e))

Projects shall maintain documentation of tenant eligibility consistent in all of the following ways, as applicable:

(1) Documentation of an adult or older adult with a serious mental disorder or a child or adolescent with a serious emotional disturbance, as provided by a qualified mental health worker in

accordance with the requirements of WIC Section 5600.3 (from the State's Welfare and Institutions Code Section 5600.3 that governs the Mental Health Services Act Program and the target population for the MHSA Program)

- (2) Documentation of a person's status as homeless or chronically homeless as defined in Section 101 of the NPLH Program Guidelines and established through the local coordinated entry system or at-risk of chronic homelessness as defined in Section 101 of the NPLH Program Guidelines and established through the local coordinated entry system or other procedures for determining qualification
- (3) In no event shall a person be required to be a client of the City of San Francisco's behavioral health department or a recipient of mental health or other services in order to qualify for or remain in an assisted unit (from Section 303 (f))

These occupancy, income and rent limit requirements shall apply for the full term of the NPLH program loan (from Section 303 (g)).

C. Underwriting Standards and Other Requirements (from Section 304 of NPLH Program Guidelines)

All assisted units shall have rents restricted to 30 percent AMI (as defined by HCD) or below as specified in the project regulatory agreement with MOHCD, except as otherwise permitted in the above Occupancy, Income and Rent Limit Requirements (detailed in Section 303 (c) of NPLH Program Guidelines) (from 304 (a)).

Rent levels shall be expressed in five percent increments as a percentage of SMI (from 304 (b)).

Before committing funds to project, MOHCD must evaluate the project in accordance with underwriting standards it has chosen to use for this program. These standards must consider at a minimum, such things as: reasonableness of projected construction and operating expenses, income and expense escalators, vacancy rate assumptions, debt coverage ratio, operating reserves, replacement reserves, budgeted construction contingency, limits on development costs, developer fees, asset management and partnership fees, and use of operating cash flow (from 304 (c)).

The maximum amount of assistance per assisted unit shall take into account the number of bedrooms per unit or other measures of unit size, as well as the level of affordability provided per unit, with more affordable units being provided more subsidy (from Section 304 (d)).

The total amount of program assistance to a project shall not exceed the eligible costs associated with assisted units in accordable with a methodology that allocates costs among the assisted and non- assisted units in reasonable proportion to their anticipated share of costs (from Section 304 (e)). The total amount of NPLH funds per site will be determined at the sole determination of MOHCD, subject to funding availability and HCD limitations on State funds stacking, and in no case higher than the gap between the cost to build and the other available subsidies.

California Labor Code Section 1720 et seq. requires payment of prevailing wages for certain developments paid for in whole or in part from any public funding source, and exempts other developments from this requirement. All funds provided under this program are public funds within the meaning of these Labor Code sections. Program funding for a portion of a project shall not necessarily, in and of itself, be considered public funding of the entire project. MOHCD shall be responsible for determining on a case-by-case basis, the extent of the applicability of state prevailing wage law to each individual project. (from Section 304 (f)).

Projects of five or more units must meet the accessibility requirements specified in the California Tax Credit Allocation Committee regulations, as may be amended and renumbered from time to time, including those of Section 10325(f)(7)(K) and, for senior projects, those of Section 10325(g)(2)(B) and (C), or a higher standard if required by MOHCD. Exemption requests, as provided for in the CTCAC regulations, must be approved by MOHCD. Projects must also provide a preference for accessible units to persons with disabilities requiring the features of the accessible units in accordance with Section 10337(b)(2) of the CTCAC regulations, or a higher standard if required by MOHCD. All projects must also ensure that any other applicable federal, state, and local accessibility requirements are met. (from Section 304 (g)).

Projects shall have a transition reserve (further described in the LOSP Policies and Procedures) in an amount established by the MOHCD in the event that any project-based rental assistance is not renewed and the project cannot secure other rental or operating subsidies to continue without immediately raising rents on the assisted units.

- (1) If rent increases on the assisted units are necessary after exhausting all transition reserve funds such increases shall only be permitted to the minimum extent required for financial feasibility, as determined by MOHCD. In addition, rents on assisted units shall not, in any event, be increased to an amount in excess of 30 percent of 50 percent of AMI (as defined by HCD), adjusted by number of bedrooms.
- (2) MOHCD shall notify the State Department of Housing and Community Development at least 12 months in advance of any rent increase on the assisted units due to exhaustion of the transition reserve.
- (3) If rent increases on the assisted units are necessary due to loss of rental or operating assistance, if it is determined that NPLH tenants will need to move after exhausting all transition reserve funds, a transition plan shall be implemented to identify other permanent housing options that may be more affordable to NPLH tenants who cannot afford the increased rent, and to assist those persons in accessing other available housing. Funds from the transition reserve may be used for these expenses. (from Section 304 (h))

D. Operating Budget Requirements

MOHCD shall review annually proposed annual operating budgets of funded projects to ensure that budget line items, including any proposed rent increases, are reasonable and necessary in light of costs for comparable permanent supportive housing projects and prior year budgets (from Section 306).

E. Supportive Services Requirements

Each application selected for funding must include a project-specific supportive services plan developed by the county in partnership with the project sponsor, supportive service providers, and the property manager. (from Section 203 (a))

The property management staff and service providers must make participation in supportive services by NPLH tenants voluntary. Access to or continued occupancy in housing cannot be conditioned on participation in services or on sobriety. The supportive services plan must describe the services to be made available to NPLH tenants in a manner that is voluntary, flexible and individualized, so NPLH tenants may continue to engage with supportive services providers, even as the intensity of services needed may change. Adaptability in the level of services should support tenant engagement and housing retention. (from Section 203 (b))

The following supportive services shall be made available to NPLH tenants based on tenant need. Available mental health services shall be provided directly by the County or through a subcontracted lead service provider. The City or the City's lead service provider for the Project shall coordinate the provision of or referral to services needed by individual tenants, including but not limited to substance use treatment services, for a minimum of 20 years. Except as otherwise noted below, the following required services can be provided onsite at the project or offsite at another location easily accessible to tenants:

- (1) Case management;
- (2) Peer support activities;
- (3) Mental health care, such as assessment, crisis counseling, individual and group therapy, and peer support groups;
- (4) Substance use services, such as treatment, relapse prevention, and peer support groups;
- (5) Support in linking to physical health care, including access to routine and preventive health and dental care, medication management, and wellness services;

- (6) Benefits counseling and advocacy, including assistance in accessing SSI/SSP, enrolling in Medi-Cal; and
- (7) Basic housing retention skills (such as Unit maintenance and upkeep, cooking, laundry, and money management). (from Section 203 (c))

The following additional information shall be provided in the supportive services plan:

- (8) Description of the Target Population to be served, and identification of any additional subpopulation target or occupancy preference for the NPLH Project that the Applicant wishes to undertake beyond what is permitted under the Target Population requirements. Any additional subpopulation targeting or occupancy preference for NPLH Project must be approved by the Department prior to construction loan closing and must be consistent with federal and state fair housing requirements;
- (9) Description of tenant outreach, engagement and retention strategies to be used;
- (10) Description of each service to be offered, how frequently each service will be offered or provided depending on the nature of the service, who is anticipated to be providing the services and the location and general hours of availability of the services;
- (11) For services provided off-site, the plan must describe what public or private transportation options will be available to NPLH tenants in order to provide them reasonable access to these services. Reasonable access is access that does not require walking more than ½ mile.
- (12) Description of how the supportive services are culturally and linguistically competent for persons of different races, ethnicities, sexual orientations, gender identities, and gender expressions. This includes explaining how services will be provided to NPLH tenants who do not speak English, or have other communication barriers, including sensory disabilities, and how communication among the services providers, the property manager and these tenants will be facilitated;
- (13) Estimated itemized budget, and sources of funding for services;
- (14) Description of how the supportive services staff and property management staff will work together to prevent evictions, to adopt and ensure compliance with harm reduction principles, and to facilitate the implementation of reasonable accommodation policies from rent-up to ongoing operations of the Project;
- (15) General service provider and property manager communication protocols;

- (16) Description of how the physical design of the Project fosters tenant engagement, onsite supportive services provision, safety and security, and sustainability of furnishings, equipment, and fixtures; and
- (17) Other information needed by the Department to evaluate the supportive services to be offered consistent with the Program. (from Section 203 (e))

Copies of draft written agreements or memoranda of understanding (MOUs) must be provided which identify the roles and responsibilities of the City, the project owner, other service providers, and the property manager. Specific organizations do not need to be identified unless those organizations are used to satisfy the experience requirements required to submit an application under NPLH Project Threshold Requirements. The draft written agreements or MOUs must be materially consistent with the information set forth in the supportive services plan. (from Section 203 (f))

MOHCD may request that any necessary updates to the supportive services plan or related documents, including fully executed written agreements between the City, service providers, the Project owner, and the property manager, be provided prior to the beginning of the initial rent-up period or prior to permanent loan closing. (from Section 203 (g))

F. Tenant Selection, Rental Agreements and Grievance Procedure Requirements

Chronically homeless and homeless persons shall be referred to NPLH assisted units through the local coordinated entry system (from Section 307 (a)).

If San Francisco's coordinated entry system cannot refer persons at-risk of chronic homelessness, the City will first prioritize chronically homeless and homeless persons through the local coordinated entry system. Then, San Francisco will develop an alternate system to prioritize those with the greatest need who are at-risk of chronic homelessness for NPLH assisted units. (from Section 307 (b))

Projects utilizing MOHCD's Noncompetitive Allocation of NPLH funding shall first prioritize homeless individuals with a serious mental illness and then individuals at-risk of chronic homelessness with a serious mental illness. (from Section 307 (c))

MOHCD shall have reasonable standards for project rental agreements, property management plans, and tenant grievance procedures to ensure compliance with the State's Housing First requirements (from the State's Welfare and Institutions Code Section 8255(b) that detail the core components of Housing First), and compliance with basic tenant protections established under federal, state and local law. (from Section 307 (d))

https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=WIC&division=8.&title=&par_t=&chapter=6.5.&article=

Tenants shall be accepted regardless of sobriety, participation in services or treatment, history of incarceration, credit, or history of eviction in accordance with practices permitted pursuant to the State's Welfare and Institutions Code Section 8255 that details core components of Housing First, or other federal or state project funding sources. (from Section 307 (e))

G. Reporting Requirements

MOHCD and project owners shall comply with the reporting requirements listed in the NPLH Program Guidelines Section 214, except for subsections (a) and (b). H. Monitoring Requirements

MOHCD is responsible for ensuring that NPLH funds are used in accordance with all program requirements and Alternative Process County Program agreements (between the State Department of Housing and Community Development and MOHCD). MOHCD must take appropriate action when performance problems arise. The performance and compliance of each project must be reviewed as set forth in NPLH Program Guidelines

Section 311 (b). (paragraph below) MOHCD must have and follow written procedures, and systems, including a system for assessing risk of activities and projects and a system for monitoring projects, to ensure developers, property managers, and service providers are meeting all program requirements. (from Section 311 (a))

To ensure that funded projects are completed, projects are able to meet long-term affordability, and project are meeting other program requirements as set forth in the NPLH Program Guidelines and relevant statutes, MOHCD must meet the following minimum requirements for project monitoring:

- (1) On-site physical inspections of all projects as needed during construction, at project completion, and at least once every three years during the term of the loan;
