Budget & Finance Committee
April 15, 2015

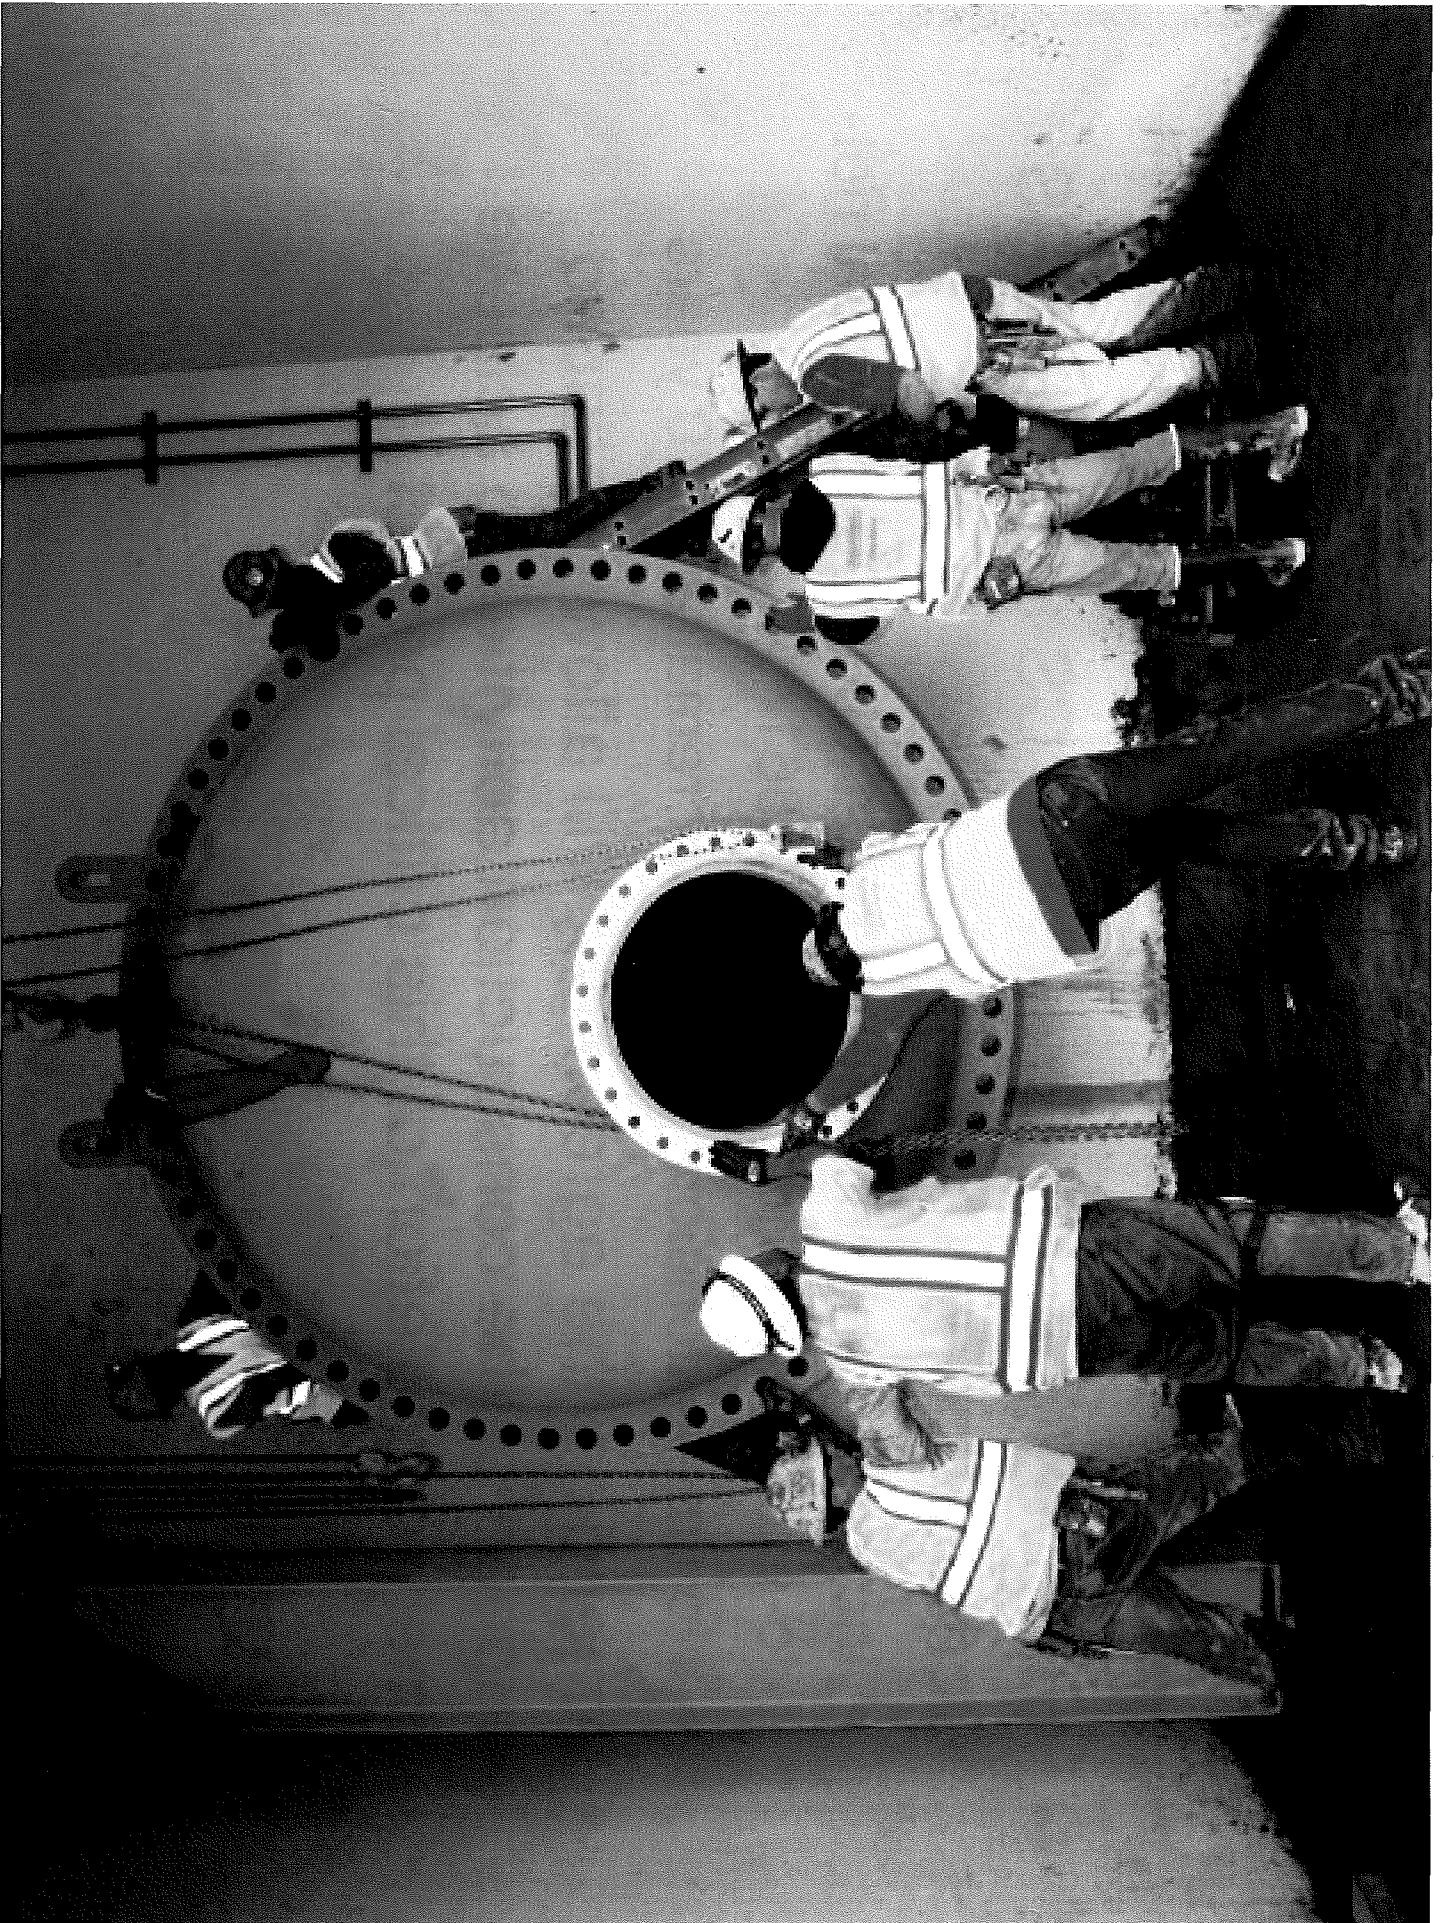

Engineering Services with URS Corporation

- Engineering Services supporting New Irvington Tunnel (NIT) Project:
 - NIT – 97% Construction Complete
- Additional Services needed to
 - Provide engineering review of repairs of two unanticipated buckled sections of the steel pipe lining and remedial grouting measures along the entire tunnel to ensure structural integrity and safety
 - Provide engineering support for avoidance of potential contractor claims related to the repairs and/or other issues

Requested Action

- Approve Amendment No. 5 to CS-820 with URS Corporation
 - Increase contract amount by \$1,000,000 for a total not-to-exceed amount of \$15,873,561
 - No time extension; agreement remains at 10 years
- Amending the agreement will allow continued support of the construction activities to achieve timely completion of this critical project
