Re: Notice of Transfer of Functions under Charter Section 4.132

---

This memorandum constitutes notice to the Board of Supervisors under Charter Section 4.132 of transfers of functions between departments within the Executive Branch. All positions are regular positions unless otherwise specified. The positions include the following:

Thirty-eight positions will be transferred from the Department of Public Health and 60 from the Department of Human Services into a newly created Office of Homelessness and Supportive Housing. This will include the roles and functions of the Mayor's Office of Housing Opportunities, Partnerships, and Engagement. On May 31, 2016, the Mayor introduced legislation to create a new Department of Homelessness and Supportive Housing (DHS) to coordinate and centralize the range of homeless services provided by the City from street outreach to permanent supportive housing. By consolidating the majority of homeless services into one department, the legislation aims to maximize existing resources, improve coordination, and make homelessness in San Francisco rare, brief, and one-time. If that ordinance is enacted by the Board of Supervisors, all personnel and functions within the Office of Homelessness and Supportive Housing will transfer to the newly created DHS immediately upon the effective date of that ordinance.

Five positions (1.0 FTE 1446 Secretary II and 4.0 FTE 2533 Emergency Medical Services Specialists) will transfer from the Department of Emergency Management (DEM) to the Department of Public Health (DPH) in FY 2017-18. These positions will integrate the Emergency Medical Services Agency (EMSA) within DPH, which previously managed EMSA prior to FY 2009-10. Currently, the EMSA Medical Director reports to the Health Officer at DPH. The movement of EMSA to DPH unifies the reporting structure to ensure better coordination of emergency medical services and improved policy development and management of EMSA.

Two positions (2.0 FTE 1043) will transfer from the Controller's Office to the Department of Technology to provide technical and operational support for systems and services related to Emerge.

If you have any questions please feel free to contact my office.

Sincerely,

Re: Interim Exceptions to the Annual Salary Ordinance

---

I herein present exceptions to the Annual Salary Ordinance (ASO) for consideration by the Budget and Finance Committee of the Board of Supervisors. The City's standard practice is to budget new positions at 0.77 FTE. Where there is justification for expedited hiring however, the Board may authorize exceptions to the Interim ASO, which allow new positions to be filled in the first quarter of the fiscal year, prior to final adoption of the budget.

Exceptions are being requested for the following positions:

***General Fund Positions (120.08 FTE)***

• **Sheriff Department (38.5 FTE)**

8310 Sheriff's Lieutenant (1.0 FTE); 8504 Deputy Sheriff (7.0 FTE); 8306 Senior Deputy Sheriff (4.0 FTE); 8300 Sheriff's Cadet (15.5 FTE); 8249 Fingerprint Technician I (3.0 FTE): The rebuilt Zuckerberg San Francisco General Hospital opened May 2016 requires 29.0 FTE for the increased work order with the Department of Public Health. The Sheriff's Department will also convert an 8504 Deputy Sheriff previously funded through overtime into a position and allow the Department to hire an 8249 Fingerprint Technician to staff intake and release functions in the Department. Finally, 0.50 FTE Sheriff's Cadet will provide security at the Public Utilities Commission headquarters starting in July 2016.

• **Department of Public Health (38.0 FTE)**

The 9924 positions provides critical support to the rapid response team and will ensure that this important program starts immediately at the beginning of the fiscal year. The 1657 Accountant position supports expansion of residential treatment, intensive outpatient treatment, and case management related to Drug Medical Organized Delivery System Waiver. Having this position on board at the beginning of the fiscal year will allow the Department to draw down on state revenue for the program expeditiously.

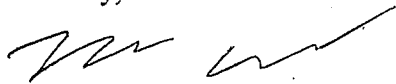

- **Fire Department (20.0 FTE)**  
H3 EMT / Paramedic / Firefighter (20.0 FTE): These positions are part of a budgeted academy class that began in FY 2015-16 and are scheduled to graduate in FY 2016-17.

- **Police Department (5.0 FTE)**  
Q4 Police Officer III (5.0 FTE): These positions will provide additional authority for an expanded recruitment class for the Airport.
- **Controller (5.0 FTE)**

The 0933 position will manage the new Digital Strategies Program, to ensure quick implementation and complete ambitious work plan for first year of the program. The recruitment is already underway for this role.
- **Department of Human Resources (2.0 FTE)**  
1362 Special Assistant III (2.0 FTE): The San Francisco Fellows program is transitioning to a new 1362 Special Assistant III classification from the 9910 classification. These two new positions are needed at the full FTE to onboard the new cohort in August 2016.
- **Art Commission (1.0 FTE)**  
1823 Senior Administrative Analyst (1.0 FTE): This critical 1823 grant funded position ensures continuity of employment for existing staff, upon expiration of grant funding.

- **Treasurer & Tax Collector (2.0 FTE)**  
0923 Manager II (1.0 FTE); 1844 Senior Management Assistant (1.0 FTE): These positions are existing grant-funded positions that renew each year and the positions allow continuity of programs.
- **Human Services Agency (1.0 FTE)**  
0941 Manager VI (1.0 FTE): This new, grant funded position allows for the continuation of an existing off-budget grant funded position leading Continuum of Care Reform work for the state.

Re: Minimum Compensation Ordinance and the Mayor's FY 2016-17 and FY 2017-18  
Proposed Budget

---

Madam Clerk,

Pursuant to Proposition J, the Minimum Wage Ordinance, passed by the voters of San Francisco in November 2014, the minimum wage now exceeds the value of minimum compensation as defined in San Francisco Administrative Code, SEC 12P.3. This letter provides notice to the Board of Supervisors that the Mayor's Proposed Budget for Fiscal Years (FY) 2016-17 and 2017-18 contains funding to support minimum wage for nonprofit corporations and public entities in FY 2016-17 and FY 2017-18.

Deputy Controller**MEMORANDUM**

**TO:** The Honorable Board of Supervisors  
Clerk of the Board

**FROM:** Ben Rosenfield, Controller

**DATE:** May 31, 2016

**SUBJECT:** San Francisco Municipal Transportation Agency (MTA)  
Mayor's FY 2016-17 & FY 2017-18 Proposed Budget

This memorandum outlines the changes made to the MTA FY 2016-17 & FY 2017-18 Mayor's proposed budget since its issuance on May 2<sup>nd</sup>, 2016.

Pursuant to Charter Article 8A.106, the Board of Supervisors (Board) may allow the MTA's budget to take effect without any action on its part, or it may reject the MTA's budget by a seven-elevenths' vote. The Board may only approve or reject the entire budget, and has no discretion to modify or reject specific expenditures contained therein. However, additional General Fund support to the MTA over the base amount stipulated in the Charter is subject to normal budgetary review and amendment under the general financial provisions of the Charter.

The MTA has requested that the Mayor add the three items below to its FY 2016-17 & FY 2017-18 budgets, which constitute General Fund support over the base amount and are thus subject to line-item review and approval. The Board may modify these proposed expenses at the level of appropriation:

- General Fund transfers of \$500,000 in FY 2016-17 and \$500,000 in FY 2017-18 to support a work order to the Port for work to strengthen the seawall;
- General Fund transfers of \$6,900,000 in FY 2016-17 and \$28,640,000 in FY 2017-18 to support capital spending related to fleet overhauls;
- General Fund transfers of \$8,050,000 in FY 2016-17 and \$33,430,000 in FY 2017-18 to support capital spending related to regional transit.
