

I support legislation to enhance controls on formula retailers that will protect and enhance Polk Street for the residents, visitors and small local merchants. Enhanced controls on formula retail will help our street thrive and encourage the creativity and uniqueness that is an important part of the fabric of San Francisco.

Polk St. has a decade's long history of attracting and supporting small and independent retail merchants and services, and is one of the few remaining traditional shopping districts in San Francisco that has yet to be taken over by corporate conglomerates.

I believe this legislation would protect legacy businesses who have been the ambassadors of our neighborhood for decades, while attracting new merchants and support their efforts to one day become legacy businesses, too.

I am united with my fellow neighbors, small business owners, Polk District Merchants Association, Middle Polk Neighborhood Association, and others to support legislation to enhance controls on formula retail on Polk St.

I support legislation to enhance controls on formula retailers that will protect and enhance Polk Street for the residents, visitors and small local merchants. Enhanced controls on formula retail will help our street thrive and encourage the creativity and uniqueness that is an important part of the fabric of San Francisco.

Polk St. has a decade's long history of attracting and supporting small and independent retail merchants and services, and is one of the few remaining traditional shopping districts in San Francisco that has yet to be taken over by corporate conglomerates.

I believe this legislation would protect legacy businesses who have been the ambassadors of our neighborhood for decades, while attracting new merchants and support their efforts to one day become legacy businesses, too.

I am united with my fellow neighbors, small business owners, Polk District Merchants Association, Middle Polk Neighborhood Association, and others to support legislation to enhance controls on formula retail on Polk St.
