- tax-exempt bonds issued by the City;

Tenants are expected to be temporarily relocated for approximately 15-30 weeks during each phase of the rehabilitation.

Narrative Description of Project Sponsor Experience

Chinatown CDC has developed over 2,730 units of affordable housing over the course of its 40-year history and has another 765 units in the development pipeline (see below). In addition, San Francisco will release approximately 4 projects under RFPs every year; we plan to submit proposals for many if not all. We are also actively seeking small sites (5- to 25-unit buildings) currently housing low-income residents at risk of displacement to acquire, rehabilitate and maintain as affordable housing to help stabilize households and neighborhoods facing evictions and gentrification.
