2. **License of Premises.**

(a) City grants to Permittee a personal, non-exclusive and non-possessory license to enter upon and use the Premises described in the Basic Permit Information for the limited purpose and subject to the terms, conditions and restrictions set forth in this Permit. This Permit does not constitute a grant to Permittee of any ownership, leasehold, easement or other property interest or estate in the Premises. City is acting only in its proprietary capacity in granting the license given to Permittee under this Permit. Permittee acknowledges that (i) such grant is effective only insofar as Recreation and Park Department's rights in the Premises; and (ii) Permittee must separately obtain all regulatory approvals of City, including Recreation and Park Department, and any other applicable governmental entity necessary for the permitted uses. Permittee shall bear all costs or expenses of any kind in connection with its use of the Premises or any other property, and shall keep the Premises free and clear of any liens or claims of lien arising out of or in any way connected with its use of the Premises. In connection with its use hereunder, Permittee shall at all times, at its sole cost, maintain the Premises in a good, clean, safe, secure, sanitary and sightly condition, so far as the Premises may be affected by Permittee's activities.

(b) The Premises are granted to Permittee for a term commencing on the date specified in the Basic Permit Information or such earlier date upon which City delivers and Permittee accepts possession of the Premises, and shall end on the expiration date specified in the Basic Lease Information, unless sooner terminated pursuant to the provisions of this Permit. City grants to Permittee a one-time option to extend the Term of this Permit (the "Extension Option") for an additional two years as set forth in the Basic Permit Information. Any such notice by Permittee shall be irrevocable by Permittee. If any event of material default by Permittee is outstanding hereunder either at the time of Permittee's exercise of the Extension Option or at any time prior to the first day of the Extension Term (or if any event shall have occurred which with the giving of notice or the passage of time or both would constitute such a default), then City may elect by notice to Permittee to reject Permittee's exercise of the Extension Option, whereupon the Extension Option shall be null and void; provided, Permittee's exercise shall revive if Permittee cures the material default within the applicable cure period, and provided further Permittee shall have no rights hereunder and City shall have no obligations during such cure period unless and until such cure has been completed.

(c) During the term of this Permit and in any year that the Festival is held, and provided Permittee is not in default, City shall not authorize any other person to hold in the Polo Field, Speedway Meadow and Lindley Meadow, a multi-day, multi-stage music festival which is the substantially similar in scope and size to the Festival as determined by the Department following consultation with Permittee (a "Competing Festival"). Notwithstanding anything to the contrary herein, the following shall not be considered a Competing Festival (but only as generally previously permitted) Hardly Strictly Bluegrass, Power to the Peaceful and any other annual music event that the Department has permitted and has been executed in the past three years.

3. **Inspection of Premises.** Permittee independently or through its officers, directors, employees, agents, affiliates, subsidiaries, licensees and contractors, and their respective heirs, legal representatives, successors and assigns, and each of them ("Permittee's Agents") will conduct a thorough and diligent inspection of the Premises and the suitability of the Premises for Permittee's intended use. Permittee is fully aware of the needs of its operations and has determined, based solely on its own investigation, that the Premises are suitable for its operations and intended uses. After each Festival, Permittee and

Recreation and Park Department will inspect the Premises to confirm any damage caused to the Premises during Permittee's use; provided, Recreation and Park Department's failure to do so shall not affect or limit Permittee's obligations hereunder.

4. **As Is; Disclaimer of Representations.**

(a) **As Is; No Representations.** Permittee acknowledges and agrees that the Premises are being licensed and accepted in their "AS IS, WITH ALL FAULTS" condition, without representation or warranty of any kind, and subject to all applicable laws, statutes, ordinances, resolutions, regulations, proclamations, orders or decrees of any municipal, county, state or federal government or other governmental or regulatory authority with jurisdiction over the Premises, or any portion thereof, whether currently in effect or adopted in the future and whether or not in the contemplation of the parties, governing the use, occupancy, management, operation and possession of the Premises. Without limiting the foregoing, this Permit is made subject to any and all covenants, conditions, restrictions, easements and other title matters affecting the Premises, or any portion thereof, whether or not of record. Permittee acknowledges and agrees that neither City nor any of its officers, directors, employees, agents, affiliates, subsidiaries, licensees and contractors, and their respective heirs, legal representatives, successors and assigns have made, and City hereby disclaims, any representations or warranties, express or implied, concerning (i) title or survey matters affecting the Premises, (ii) the physical, geological, seismological or environmental condition of the Premises, (iii) the quality, nature or adequacy of any utilities serving the Premises, (iv) the feasibility, cost or legality of constructing any alterations on the Premises if required for Permittee's use and permitted under this Permit, (v) the safety of the Premises, whether for the use of Permittee or any other person, including Permittee's Agents or Permittee's clients, customers, vendors, invitees, guests, members, licensees, assignees or permittees ("Permittee's Invitees"), or (vi) any other matter whatsoever relating to the Premises or their use, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.

(b) **Release.** Permittee acknowledges that this Permit is terminable by City as provided herein and in view of such fact, Permittee expressly assumes the risk of making any expenditures in connection with this Permit, even if such expenditures are substantial. Without limiting any indemnification obligations of Permittee or other waivers contained in this Permit and as a material part of the consideration for this Permit, Permittee fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against, and covenants not to sue, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, under any present or future laws, statutes, or regulations, including, but not limited to, any claim for inverse condemnation or the payment of just compensation under the law of eminent domain, or otherwise at equity, in the event that City exercises its right to revoke or terminate this Permit in accordance with the terms of this Permit. In connection with the foregoing Releases, Permittee acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A general Release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the Release, which if known by him or her must have materially affected his or her settlement with the debtor.

Permittee acknowledges that the Releases contained herein includes all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Permittee realizes and acknowledges that it has agreed upon this Permit in light of this realization and, being fully aware of this situation, it

nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The Releases contained herein shall survive any termination of this Permit.

5. **Use of Premises.** Permittee may enter and use the Premises only for the purpose described in the Basic Permit Information. Permittee shall not use, and Permittee shall prohibit Permittee's Agents and Permittee's Invitees from using, the Premises for any activities other than the permitted uses. Permittee agrees that, by way of example only and without limitation, the following uses of the Premises by Permittee, or any of Permittee's Agents or Permittee's Invitees, or any other person claiming by or through Permittee, are inconsistent with the limited purpose of this Permit and are strictly prohibited as provided below:

(a) **Hazardous Material.** Permittee shall not cause, nor shall Permittee allow any of Permittee's Agents or Permittee's Invitees to cause, any Hazardous Material (as defined below) to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises, or transported to or from the Premises without the prior written consent of City. Permittee shall immediately notify City when Permittee learns of, or has reason to believe that, a Release of Hazardous Material has occurred in, on or about the Premises. Permittee shall further comply with all laws requiring notice of such Releases or threatened Releases to governmental agencies, and shall take all action necessary to mitigate the Release or minimize the spread of contamination. In the event that Permittee or Permittee's Agents or Permittee's Invitees cause a Release of Hazardous Material, Permittee shall, without cost to City and in accordance with all laws and regulations, return the Premises to the condition immediately prior to the Release. In connection therewith, Permittee shall afford City a full opportunity to participate in any discussion with governmental agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree or other compromise proceeding involving Hazardous Material. For purposes hereof, "**Hazardous Material**" means material that, because of its quantity, concentration or physical or chemical characteristics, is at any time now or hereafter deemed by any federal, state or local governmental authority to pose a present or potential hazard to public health, welfare or the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance, pollutant or contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Sections 9601 et seq., or pursuant to Section 25316 of the California Health & Safety Code; a "hazardous waste" listed pursuant to Section 25140 of the California Health & Safety Code; any asbestos and asbestos containing materials whether or not such materials are part of the Premises or are naturally occurring substances in the Premises, and any petroleum, including, without limitation, crude oil or any fraction thereof, natural gas or natural gas liquids. The term "**Release**" or "**threatened Release**" when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing in, on, under or about the Premises.

(b) **Damage.** Permittee shall not do anything about the Premises that could cause damage to the Premises or any City property.

(c) **Pesticides Ban.** Permittee shall not use, or permit the use of, any pesticides on the Premises, and Permittee shall otherwise comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the "Pesticide Ordinance").

6. **Parking.** Permittee shall be allowed to park up to the number of vehicles set forth in the detailed Site Plan in the area designated for parking if presented to City no later than ninety (90) days prior to the event, as required in the Operating and Outreach Requirements. To the extent practicable,

Permittee shall use its best efforts to encourage use of public transportation, ride-sharing, the use of shuttle busses or other pooled-means of transportation to and from the Premises.

7. **Resource Conservation and Sustainability.** Recreation and Park Department is committed to managing the Premises in as sustainable a manner as possible. In addition to Permittee's compliance with the requirements of Section 30 [Food Service Waste Reduction] below, Permittee shall use its best efforts to conduct its operations in accordance with sustainable practices and all applicable provisions of the San Francisco Environment Code.

8. **Subject to Recreation and Park Department and City Uses.** Notwithstanding anything to the contrary in this Permit, Permittee's right to use the Premises hereunder shall be subject and subordinate to Recreation and Park Department and City's uses of the Premises for municipal purposes. In addition, Permittee acknowledges that the Golden Gate Park contains a variety of different event venues and outdoor public spaces and it is common for numerous events to be held at various venues in the park on the same day. Permittee shall donate to City, at no charge to City, a reasonable and customary number of general admission passes for each day of the Festival.

9. **Permit Fee.**

(a) **Minimum Permit Fee.** Permittee shall pay to Recreation and Park Department permit fees in the amount set forth in the Basic Permit Information for its use of the Premises as provided hereunder. Permittee will be able to set up only if the full Minimum Permit Fee has been paid to City as and when required hereunder. However, such permit fee shall be immediately returned by City to Permittee upon termination of this Permit for an event as specified under section 21 [Impossibility of Performance]. If such event as specified under Section 21 occurs during the Festival, then the Minimum Permit Fee amount to be returned will be prorated to reflect the percentage of the Festival not completed. If the event occurred after the first day but during the second day, City will return two thirds of the Minimum Permit Fee. Permittee shall pay all applicable City departments for the costs incurred by those departments in providing City employees, equipment, property and facilities in connection with this Permit.

(b) **Percentage Rent and Additional Rent.** In addition to Minimum Permit Fee, Permittee shall pay Percentage Rent and Additional Rent as set forth in the Basic Permit Information. Percentage Rent shall be the amount equal to ten percent (10%) of gross ticket revenue received from the Festival minus applicable ticket taxes and Additional Rent and excluding any complimentary tickets and any reasonable and customary third party service charges or convenience fees (the "Gross Revenue"); less the Minimum Permit Fee paid by Permittee for such Festival [i.e., Permittee shall pay the greater of 10% of Gross Revenue or the Minimum Permit Fee for each Festival, whichever is higher]. Accordingly, if the Minimum Permit Fee is greater than the ten percent (10%) of the Gross Revenue, then there shall be no Percentage Rent for that Festival. Additional Rent shall be \$1.00 for each ticket sold by Permittee or its agents, and shall be paid to City in addition to the Minimum Permit Fee and Percentage Rent. Additional Rent and Percentage Rent shall be payable on the date that is ten (10) days after each Festival. The calculations for rent payments due hereunder shall be made separately for each Festival.

(c) **Revenue Reports.** On or before the day that is ten (10) days following each Festival, Permittee shall submit to City a report (the "Revenue Report") showing all gross ticket revenues received by Permittee and the total number of tickets sold by Permittee for such Festival as of such date, together with any such additional information as may be reasonably requested by City for purposes of

determining Percentage Rent and Additional Rent. Such report shall be certified as being true and correct by Permittee and shall otherwise be in form and substance satisfactory to the General Manager of the Department. With the delivery of each Revenue Report, Permittee shall pay the Percentage Rent and Additional Rent.

(d) **Books and Records.** Permittee shall keep accurate books and records for all ticket sales and gross ticket revenues in accordance with generally accepted accounting principles. Recreation and Park will have access to such records of ticket sales and gross ticket revenues. Permittee shall not co-mingle personal funds with business funds.

(e) **Audit.** Within 30 days, Permittee agrees to make its books and records relating to ticket sales and revenues available to City, or to any City auditor, or to any auditor or representative designated by City (hereinafter collectively referred to as "City representative"). If an audit reveals that Permittee has understated ticket sales or revenues, Permittee shall pay City, promptly upon demand, the difference between the amount Permittee has paid and the amount it should have paid to City, together with interest at the rate of seven percent per annum. If Permittee understates its total tickets sold or revenues received by three percent or more the cost of the audit shall be borne by Permittee. If Permittee materially and intentionally understates its tickets sold or Gross Revenue received relating to the Festival, then such understatement shall be a default without notice or cure rights and entitle City to all remedies under this Permit. For purposes of this Section, any understatement equal to or greater than ten percent (10%) shall be deemed material unless such amount is less than Twenty-Five Thousand Dollars (\$25,000).

(f) **Late Fee.** Permittee hereby acknowledges that late payment by Permittee to City of the rent or other sums due hereunder will cause City to incur costs not contemplated by this Permit, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. Accordingly, if the rent or any other sum due from Permittee, shall not be received by City within five (5) days after such amount shall be due, Permittee shall pay to City a late charge of Four Hundred Dollars (\$400). The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs City will incur by reason of late payment by Permittee. Acceptance of such late charge by City neither constitutes a waiver of Permittee's default with respect to such overdue amount, nor prevents City from exercising any of the other rights and remedies available to City, including but not limited to the right to charge interest on such overdue amounts at the highest rate permitted by law.

10. **Compliance with Laws.** Permittee shall, at its expense, conduct and cause to be conducted all activities on the Premises allowed hereunder in a safe and reasonable manner and in compliance with all laws, regulations, ordinances and orders of any governmental or other regulatory entity (including, without limitation, the Americans with Disabilities Act) whether presently in effect or subsequently adopted and whether or not in the contemplation of the parties. Such laws shall include, but are not limited to, local, state and federal laws prohibiting discrimination in employment and public accommodations. Permittee shall, at its sole expense, procure and maintain in force at all times during its use of the Premises any and all business and other licenses or approvals necessary to conduct the activities allowed hereunder. Permittee understands and agrees that City, acting through Recreation and Park Department, is entering into this Permit in its capacity as a property owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Permittee further understands and agrees that no approval by Recreation and Park Department for purposes of this Permit shall be deemed to constitute approval of any federal, state, or other local regulatory Agency, and nothing herein shall limit Permittee's obligation to obtain all such regulatory approvals at Permittee's

sole cost or limit in any way City's exercise of its police powers. Without limiting the foregoing, before beginning any work in the Premises and/or using the Premises, Permittee at its sole cost and expense shall obtain any and all permits, licenses and approvals (collectively, "approvals") of all regulatory agencies and other third parties that are required to commence and complete the permitted work and use the Premises including, but not limited to, approvals required by the San Francisco Fire Department (e.g. General Assembly, Tent, Open Flame, Propane, etc.), the San Francisco Police Department (e.g., alcohol consumption and/or sales), San Francisco Department of Building Inspection (e.g., electrical), the San Francisco Department of Health, and the California Department of Alcoholic Beverage Control (e.g., alcohol consumption and/or sales). Permittee shall provide copies of all such approvals to Recreation and Park Department prior to Permittee's use of the Premises.

**11. Security.** In addition to the Permit Fees described in Section 9 above, Permittee shall provide and/or pay for the security, police and medical support services described on **Exhibit B** at its sole cost and expense.

**12. Rules and Regulations.** In connection with the Permittee's use hereunder, Permittee shall comply with the Rules and Regulations attached hereto as **Exhibit C**. City reserves the right, in its sole discretion, to change such Rules and Regulations as necessary to promote or protect the public safety, health or convenience. City shall give Permittee reasonable prior notice of such changes; provided, however, that no such prior notice shall be required in emergency situations.

**13. Surrender.** Upon the expiration of this Permit, and at the end of each Festival, Permittee shall surrender the Premises in the same condition as received, free from hazards and clear of all debris. At such time, Permittee shall remove all of its property from the Premises and shall repair, at its cost, any damage to the Premises caused by such removal. Permittee's obligations under this Section shall survive any termination of this Permit. Without limiting any of City's other rights hereunder, in the event of an emergency City may, at its sole option and without notice, alter, remove or protect at Permittee's sole expense, any and all facilities, improvements, or other property installed or placed in, on, under or about the Premises by Permittee.

**14. Repair of Damage.** Prior to the day of the initial set up for each Festival, representatives of Recreation and Park and Permittee shall conduct a walk-through of the Premises to determine the condition of the Premises. The same representatives shall conduct a second walk-through immediately following the event load-out to determine the condition of the Premises after the Festival to determine if there has been damage caused by the Festival. Permittee shall promptly, at its sole cost and expense, repair any and all damage to the Premises and any personal property located thereon caused by Permittee or Permittee's Agents or Invitees. Permittee shall obtain Recreation and Park Department's prior written approval of any party to be used by Permittee to conduct such repair work. Alternatively, Recreation and Park Department may make such repairs on behalf of Permittee at Permittee's sole cost and expense. If Permittee damages the Premises or any personal or real property of City, the final repair costs owed by Permittee shall be determined by City in its sole and absolute discretion, and shall be paid by Permittee within five (5) days after Permittee's demand therefor. Permittee's obligations under this Section shall survive the cancellation, expiration or termination of this Permit. For the purposes of this provision, damage shall include any litter including solid and liquid waste remaining on the premises after the event load-out.

**15. Public Safety.** Permittee agrees to conduct the Festival and all activities hereunder at all times in a safe and prudent manner with full regard to the public safety and to observe all applicable regulations and requests of Recreation and Park Department and other government agencies responsible

for public safety. Permittee shall take such soil and resource conservation and protection measures with the Premises as City may request.

**16. Indemnification.** Permittee shall indemnify, defend, reimburse and hold City and its officers, agents, employees and contractors, and each of them, harmless from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages and liabilities of any kind (collectively, "Losses"), arising in any manner out of (a) any injury to or death of any person or damage to or destruction of any property occurring in, on or about the Premises, or any part thereof, whether the person or property of Permittee or its Agents or Invitees, or third persons, relating in any manner to any use or activity under this Permit, (b) any failure by Permittee to faithfully observe or perform any of the terms, covenants or conditions of this Permit, (c) the use of the Premises or any activities conducted thereon by Permittee, its Agents or Invitees, or (d) any Release or discharge, or threatened Release or discharge, of any Hazardous Material caused or allowed by Permittee, its Agents or Invitees, on, in, under or about the Premises, any improvements permitted thereon; except solely to the extent of Losses resulting directly from the negligence or willful misconduct of City or City's authorized representatives. The foregoing indemnity shall include, without limitation, reasonable attorneys' and consultants' fees, investigation and remediation costs and all other reasonable costs and expenses incurred by the indemnified parties. Permittee specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Permittee by City and continues at all times thereafter. Permittee shall give to the City prompt and timely written notice of any claim made or suit instituted coming to its knowledge which may in any way directly or indirectly, contingently or otherwise affect either, and both shall have the right to participate in the defense of same to the extent of its own interest. Approval of insurance policies by the City shall in no way affect or change the terms and conditions of this indemnity agreement. Permittee's obligations under this Section shall survive the expiration or other termination of this Permit.

## 17. INSURANCE

**17.1 Permittee's Insurance.** Permittee shall procure and maintain throughout the Term of this Permit and pay the cost thereof the following insurance:

(d) Such other insurance as required by law or as the City's Risk Manager may require.

**17.2 Claims Made Policy.** Should any of the required insurance be provided under a claims-made form, Permittee shall maintain such coverage continuously throughout the term of this Use Permit For Outside Lands Music and Arts Festival

**17.3 Annual Aggregate Limit.** Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in such annual aggregate limit, such annual aggregate limit shall be not less than double the occurrence limits specified above in basic permit information.

**17.6 Waiver of Subrogation Rights.** Notwithstanding anything to the contrary contained herein, City and Permittee (each a "Waiving Party") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Permit or is actually covered by insurance obtained by the Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

(c) Before commencement of activities under this Permit, certificates of insurance and brokers' endorsements, in form and with insurers acceptable to City, shall be furnished to City.

(d) All insurance policies required to be maintained by Permittee hereunder shall be issued by an insurance company or companies reasonably acceptable to City with an AM Best rating of not less than A-VIII and authorized to do business in the State of California.

**17.8 No Limitation on Indemnities.** Permittee's compliance with the provisions of this Section shall in no way relieve or decrease Permittee's indemnification obligations herein or any of Permittee's other obligations or liabilities under this Permit.

**17.9 Lapse of Insurance.** Notwithstanding anything to the contrary in this Permit, Recreation and Park Department may elect in Recreation and Park Department's sole and absolute discretion to terminate this Permit upon the lapse of any required insurance coverage by written notice to Permittee.

Such action by City shall not be construed as a waiver of any rights or remedies of City under this Permit, and nothing herein shall imply any duty of City to do any act that Permittee is obligated to perform. Permittee shall pay to City upon demand, all costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. City's obligations with respect to the security deposit are solely that of debtor and not trustee. City shall not be required to keep the security deposit separate from its general funds, and Permittee shall not be entitled to any interest on such deposit. The amount of the security deposit shall not be deemed to limit Permittee's liability for the performance of any of its obligations under this Permit. To the extent that City is not entitled to retain or apply the security deposit pursuant to this Section 33, City shall return such security deposit to Permittee within forty-five (45) days of the termination of this Permit, or such longer period as is reasonably necessary for City to confirm Permittee's compliance with the requirements of this Permit.
