Re: Youth Stewardship Program, \$200,000

Dear Daliah Khoury,

The Office of Grants and Local Services (OGALS) has completed the application review process for the Habitat Conservation Fund (HCF) Program. We are pleased to inform you that the project identified above has been selected for funding. Congratulations! Following is important information and requirements for grantees.

As an HCF grant recipient, you or another representative from your agency must attend an HCF Grant Administration workshop to learn more about the HCF contract and grant administration process. Workshop attendance is mandatory prior to receiving a grant contract. Information on the mandatory workshop will be provided separately.

The contract performance period for this project will begin on July 1, 2014. You should not begin your project until you receive a fully-executed contract. OGALS will initiate a contract and send it to you for your signature after the state budget is enacted *and* the mandatory workshop attendance has occurred.

Each HCF Program grantee awarded funds for acquisition, enhancement, restoration, or development projects must record a Deed Restriction on the project property (if owned by the grantee). The Deed Restriction ensures that the property is used for a purpose consistent with the grant scope for the length of the contract performance period. The Deed Restriction is required after the acquisition is complete (for acquisition projects) or *prior* to paying for enhancement, restoration, or development costs (for enhancement, restoration, or development projects).

In the meantime, if you have any questions about your project or the HCF Program, please contact your project officer, Cristelle Taillon, at (916) 654-8686, or Cristelle.Taillon@parks.ca.gov. Additional grant program information is available on OGALS website at <http://www.parks.ca.gov/grants> and by using the links to "Annual Programs" and "Habitat Conservation Fund Program".
