[Administrative Code - Request for Sheriff's Services]

Ordinance amending the Administrative Code to authorize the Sheriff to contract with private entities to provide supplemental law enforcement services.

Existing Law

Existing law authorizes the Board of Supervisors to contract with private entities to provide supplemental law enforcement services at special events or occurrences that happen on an occasional basis.

Amendments to Current Law

This ordinance would delegate to the Sheriff the authority to contract with private entities to provide supplemental Sheriff's services at special events or occurrences that happen on an occasional basis. This ordinance would require that the event organizer include a security plan with their request for services and that the Sheriff develop a staffing plan that includes, if needed, Department of Emergency Management dispatch services. Finally, this ordinance would delineate payment and compensation requirements.
