Resolution concurring with the Controller's certification that facility security services for Municipal Transportation Agency can be practically performed by a private contractor at a lower cost than by City and County employees.

WHEREAS, Section 10.104.15 of the San Francisco Charter allows Departments to contract for services performed by employees subject to civil service examination when it has been determined by the Controller that the work can be practically performed under private contract at a lesser cost to the City than similar work performed by employees; and,

WHEREAS, The Municipal Transportation Agency desires to provide comprehensive facility security services to protect its assets and employees through a private security contractor; and,

WHEREAS, The Office of the Controller has certified that for fiscal year 2003-04, contracting for facility security services with a private contractor is more economical than providing the same services with City and County employees; and,

WHEREAS, The Controller's certification is on file with the Clerk of the Board of Supervisors in File No. 031095 ; now, therefore, be it

RESOLVED, That the Board of Supervisors concurs with and adopt the Controller's certification that facility security services for the Municipal Transportation Agency can be practically performed by a private contractor at a lower cost than by City and County employees for fiscal year 2003-04.
