In the event and to the extent that the Servicer or the Funding Lender, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to deposits to such replacement reserve fund, such deficiency shall be immediately due and payable hereunder following Written Notice to the Borrower.

Section 2.8 Grant of Security Interest; Application of Funds. To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Fiscal Agent and the Funding Lender, and grants to the Fiscal Agent and the Funding Lender, a security interest in, all the Borrower's right, title and interest in and to all Rents and all payments to or moneys held in the funds and accounts created and held by the Fiscal Agent, the Funding Lender or the Servicer for the Project. The Borrower also grants to the Fiscal Agent and the Funding Lender a continuing security interest in, and agrees to hold for the benefit of the Fiscal Agent and the Funding Lender, all Rents in its possession prior to the payment of Rents or any portion thereof to the Fiscal Agent, the Funding Lender or the Servicer (to the extent that the Borrower is required to pay such Rents to the Fiscal Agent, the Funding Lender or the Servicer) except for Permitted Encumbrances. The Borrower shall not, without obtaining the prior Written Consent of the Funding Lender, further pledge, assign or grant any security interest in the Rents, or permit any Lien to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming the Fiscal Agent or the Funding Lender as the secured party, to be filed with respect thereto. This Borrower Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default hereunder, the Fiscal Agent, the Funding Lender and the Servicer shall apply or cause to be applied any sums held by the Fiscal Agent, the Funding Lender and the Servicer with respect to the Project

in any manner and in any order determined by the Funding Lender, in the Funding Lender's sole and absolute discretion.

Section 2.9 Marshalling; Payments Set Aside. The Governmental Lender, the Fiscal Agent and the Funding Lender shall be under no obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that the Borrower makes a payment or payments or transfers any assets to the Governmental Lender, the Fiscal Agent or the Funding Lender, or the Governmental Lender, the Fiscal Agent or the Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (a) any and all obligations owed to the Governmental Lender, the Fiscal Agent or the Funding Lender and any and all remedies available to the Governmental Lender, the Fiscal Agent or the Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against the Borrower, the Guarantor or the General Partner and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (b) below; and (b) the Governmental Lender, the Fiscal Agent and the Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (i) the amount of payments or the value of the transfer or (ii) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by the Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Governmental Lender or the Fiscal Agent in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender, the Fiscal Agent or the Funding Lender in connection with the exercise by the Governmental Lender, the Fiscal Agent or the Funding Lender of its rights under this Section 2.9.

Section 2.10 Borrower Loan Disbursements. The Borrower Loan shall be disbursed by the Funding Lender, on behalf of the Governmental Lender, pursuant to the Construction Loan Agreement by depositing the Funding Loan proceeds with the Fiscal Agent under the Funding Loan Agreement. Amounts held by the Fiscal Agent shall be disbursed to or for the benefit of the Borrower as provided in the Funding Loan Agreement.

ARTICLE III

CONVERSION

Section 3.1 Conversion Date and Extension of Termination Date. The Borrower shall satisfy each of the Conditions to Conversion and cause the Conversion Date to occur on or before the Termination Date, as further provided in the Construction Loan Agreement and the Forward Purchase Agreement. The failure to satisfy each of the Conditions to Conversion on or before the Termination Date (or such earlier time as may be required in the Construction Loan Agreement) shall constitute an Event of Default under the Borrower Loan Documents.

Section 3.2 Notice From Citibank; Citibank's Calculation Final. Following satisfaction of all of the Conditions to Conversion, Citibank shall deliver Written Notice to the Borrower and the Funding Lender (with a copy to the Governmental Lender) of: (i) the Conversion Date, and (ii) the amount of the Permanent Period Amount.

Section 3.3 No Amendment. Nothing contained in this Article III shall be construed to amend, modify, alter, change or supersede the terms and provisions of the Borrower Notes, Security Instrument, the Construction Loan Agreement, Permanent Period Funding Agreement, Forward Purchase Agreement or any other Borrower Loan Document and, if there shall exist a conflict between the terms and provisions of this Article III and those of the Borrower Notes, Security Instrument, the Construction Loan Agreement, Permanent Period Funding Agreement, Forward Purchase Agreement or other Borrower Loan Documents, then the terms and provisions of the Borrower Notes, Security Instrument, the Construction Loan Agreement, Permanent Period Funding Agreement, Forward Purchase Agreement and other Borrower Loan Documents shall control; provided, however, that in the event of a conflict between the terms and provisions of this Article III and those of the Borrower's loan application with the Funding Lender, the terms and provisions of this Article III shall control.

Section 3.4 Determinations by the Funding Lender. In any instance where the consent or approval of the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Funding Lender under this Article III, including in connection with the Construction Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Funding Lender (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1 Borrower Representations. To induce the Governmental Lender to execute this Borrower Loan Agreement and to induce the Funding Lender to make Disbursements, the Borrower represents and warrants for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and, subject to Section 4.2, shall survive the making of the Borrower Loan and will be complete and accurate, and deemed remade, except as otherwise noted through notice to the Funding Lender and approved by the Funding Lender, as of the date of each Disbursement, and as of the Conversion Date in accordance with the terms and conditions of the Borrower Notes.

4.1.1 **Organization; Special Purpose.** The Borrower is a California limited partnership in good standing under the laws of the State, has full legal right, power and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper corporate or limited partnership action, as appropriate, has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower

Loan Documents and the Funding Loan Documents to which the Borrower is a party are fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership, management, construction and operation of the Project.

4.1.2 ***Proceedings; Enforceability.*** Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

4.1.3 ***No Conflicts.*** The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower, or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever (other than the lien of the Security Instrument) upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

4.1.4 ***Litigation; Adverse Facts.*** There is no Legal Action, nor is there a basis known to the Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of the Borrower, the General Partner and the Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, the General Partner or the Guarantor is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order,

regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of the Borrower, the General Partner and the Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, the General Partner or the Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, the General Partner or the Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, the General Partner or the Guarantor, as applicable; or (c) in default with respect to any agreement to which the Borrower, the General Partner or the Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, the General Partner or the Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower, the General Partner or the Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

4.1.5 *Agreements; Consents; Approvals.* Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition or business prospects, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

4.1.6 *Consents and Approvals.* No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents,

or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

4.1.7 **Title.** The Borrower shall have marketable title to the leasehold interest in the Project pursuant to the Ground Lease, free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on the Borrower's fee (or leasehold, if applicable) interest in the Project and (b) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project, including the Permitted Leases, all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

4.1.8 **Survey.** To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

4.1.9 **No Bankruptcy Filing.** The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "*Bankruptcy Proceeding*"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

4.1.10 **Full and Accurate Disclosure.** No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition or business prospects of the Borrower or the Borrower's ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

4.1.11 **No Plan Assets.** The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101.

4.1.12 **Compliance.** The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of

any Governmental Authority, the violation of which would materially adversely affect the financial condition or business prospects or the business of the Borrower. There has not been committed by the Borrower or any Borrower Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower's obligations under any Borrower Loan Document or any Funding Loan Documents.

4.1.13 **Contracts.** All service, maintenance or repair contracts affecting the Project have been entered into at arm's length (except for such contracts between the Borrower and any Borrower Affiliate or the affiliates of the Borrower Controlling Entity of the Borrower) in the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

4.1.14 **Financial Information.** All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (a) are accurate and complete in all material respects, (b) accurately represent the financial condition of the Project as of the date of such reports, and (c) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

4.1.15 **Condemnation.** No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

4.1.16 **Federal Reserve Regulations.** No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

4.1.17 **Utilities and Public Access.** To the best of the Borrower's knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the

use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (a) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (b) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (c) the Borrower's responsibilities and share of expenses are specified, and (d) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

4.1.18 ***Not a Foreign Person.*** The Borrower is not a "foreign person" within the meaning of § 1445(f)(3) of the Code.

4.1.19 ***Separate Lots.*** Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land. There are no pending or, to the Borrower's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

4.1.20 ***Enforceability.*** The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

4.1.21 ***Insurance.*** The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument, and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement and the Security Instrument.

4.1.22 ***Use of Property; Licenses.*** The Project will be used exclusively as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "*Licenses*") required at this time for the construction and equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the

extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

4.1.23 **Flood Zone.** At Closing, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing Date, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, the Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

4.1.24 **Physical Condition.** The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of construction, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

4.1.25 **Encroachments.** All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer.

4.1.26 **State Law Requirements.** The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable state laws relating to the Borrower Loan, the Funding Loan and the Project.

4.1.27 **Filing and Recording Taxes.** All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

4.1.28 **Investment Company Act.** The Borrower is not (a) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (b) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding

company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 1935, as amended.

4.1.29 ***Fraudulent Transfer.*** The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower’s assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower’s total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower’s assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower’s probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower’s assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

4.1.30 ***Ownership of the Borrower.*** Except as set forth in the Partnership Agreement of the Borrower, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in it.

4.1.31 ***Environmental Matters.*** To the best of the Borrower’s knowledge, the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or clean-up, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification.

4.1.32 ***Name; Principal Place of Business.*** Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

4.1.33 ***Subordinated Debt.*** There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred Developer Fees not to exceed the amount permitted by the Funding

Lender as determined on the Closing Date and unsecured, subordinate partner loans to the Borrower permitted or required under the terms of the Partnership Agreement.

4.1.34 **Filing of Taxes.** The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

4.1.35 **General Tax.** All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein. In the event of any conflict between the terms of this Borrower Loan Agreement and the requirements of the Tax Certificate, the Tax Certificate shall control.

4.1.36 **Approval of the Borrower Loan Documents and Funding Loan Documents.** By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in any manner.

4.1.37 **Funding Loan Agreement.** The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

4.1.38 **Americans with Disabilities Act.** The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 (“ADA”), to the extent required (as evidenced by an architect’s certificate to such effect).

4.1.39 **Requirements of Act, Code and Regulations.** The Project satisfies all requirements of the Act, the Code and the Regulations applicable to the Project.

4.1.40 **Regulatory Agreement.** The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the

Act and the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

4.1.41 ***Intention To Hold Project.*** The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

4.1.42 ***Concerning the General Partner.*** The general partner of the Borrower is a limited liability company wholly owned by nonprofit public benefit corporations and is duly organized and validly existing under the laws of the State of California. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by the General Partner for its own account and on behalf of the Borrower, as general partner of the Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

The General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of the General Partner.

The General Partner is duly authorized to do business in the State.

The execution, delivery and performance by the Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of the General Partner on behalf of the Borrower, and by all necessary action on behalf of the General Partner.

The execution, delivery and performance by the General Partner, on behalf of the Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (a) the General Partner's organizational documents; (b) any other Legal Requirement affecting the General Partner or any of its properties; or (c) any agreement to which the General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to the Funding Lender pursuant to the Security Documents.

4.1.43 ***Government and Private Approvals.*** All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, use, occupancy and operation of the Improvements, that may be granted or denied in the

4.1.45 ***No Material Defaults.*** Except as previously disclosed to the Funding Lender in writing, there exists no material violation of or material default by the Borrower under, and, to the best knowledge of the Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (a) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (b) any lease or other agreement affecting the Project or to which the Borrower is a party; (c) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which the Borrower or the Project may be bound; or (d) any mortgage, instrument, agreement or document by which the Borrower or any of its respective properties is bound; in the case of any of the foregoing: (i) which involves any Borrower Loan Document or Funding Loan Document; (ii) which involves the Project and is not adequately covered by insurance; (iii) that might materially and adversely affect the ability of the Borrower, the General Partner or the Guarantor to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (iv) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

4.1.46 ***Payment of Taxes.*** Except as previously disclosed to the Funding Lender in writing: (a) all tax returns and reports of the Borrower, the General Partner and the Guarantor required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon the Borrower, the General Partner and the Guarantor, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (b) the Borrower knows of no proposed tax assessment against it or against the General Partner or the Guarantor that would be material to the condition (financial or otherwise) of the Borrower, the General Partner or the Guarantor, and neither the Borrower nor the General Partner have contracted with any Governmental Authority in connection with such taxes.

4.1.47 ***Rights to Project Agreements and Licenses.*** The Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. The Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents, the Funding Loan Documents and the Subordinate Loan Documents or as otherwise approved by the Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

4.1.48 ***Patriot Act Compliance.*** The Borrower is not now, nor has ever been (a) listed on any Government Lists (as defined below), (b) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof, (c) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. 4.1.49 **Rent Schedule.** The Borrower has prepared a prospective unit absorption and rent collection schedule with respect to the Project substantially in the form attached as an exhibit to the Construction Loan Agreement, which schedule takes into account, among other relevant factors (a) a schedule of minimum monthly rentals for the Units, and (b) any and all concessions including free rent periods, and on the basis of such schedule, the Borrower believes it will collect rents with respect to the Project in amounts greater than or equal to debt service on the Borrower Loan.

4.1.50 **Other Documents.** Each of the representations and warranties of the Borrower or the General Partner contained in any of the other Borrower Loan Documents or the Funding Loan Documents or Related Documents is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Borrower Loan Documents or Funding Loan Documents or Related Documents that speak as of a particular date, were true and correct in all material respects as of such date). There exists no material violation of or material default by the Borrower under the Ground Lease, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default by any other party under the Ground Lease.

Section 4.2 Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Borrower Loan Documents (a) shall survive for so long as any portion of the Borrower Payment Obligations remains due and owing and (b) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3 Repairs; Maintenance and Compliance; Physical Condition. If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two Business Days of such filing.

Section 5.8 Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (a) furnish to the Servicer, the Fiscal Agent and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that the Borrower's construction of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements, reasonably requested by the Servicer, the Fiscal Agent or the Funding Lender for the better and more efficient carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents; (b) execute and deliver to the Servicer and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Borrower Loan, as the Servicer, the Fiscal Agent and the Funding Lender may reasonably require from time to time; (c) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents, as the Servicer, the Fiscal Agent or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (a) through (c) above, the Borrower shall not be required to do anything that has the effect of (i) changing the essential economic terms of the Borrower Loan or (ii) imposing upon the Borrower greater personal liability under the Borrower Loan Documents and the Funding Loan Documents; and (d) upon the Servicer's, the Fiscal Agent's or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (i) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (ii) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer, the Fiscal Agent or the Funding Lender in each of the locations reasonably designated by the Servicer, the Fiscal Agent or the Funding Lender.

Section 5.11 Governmental Lender's, Fiscal Agent's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee), the Fiscal Agent and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender, the Fiscal Agent or the Funding Lender to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents, and any and all reasonable expenses incurred in connection with the making of the Borrower Loan or in connection with any examinations, audits or litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12 Estoppel Statement. The Borrower shall furnish to the Funding Lender, the Fiscal Agent or the Servicer for the benefit of the Funding Lender or the Servicer within 10 days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth, as applicable, with respect to each Borrower Note (a) the unpaid principal of the Borrower Note, (b) the applicable Interest Rate, (c) the date installments of interest and/or principal were last paid, (d) any offsets or defenses to the payment of the Borrower Payment Obligations, and (e) that the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or the Servicer, tenant estoppel certificates from each commercial tenant at the Project in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13 Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which the Governmental Lender or the Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of the Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. Neither the Governmental Lender nor the Funding Lender shall have any obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (a) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (b) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Governmental Lender or the Funding Lender is made a party or (c) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14 Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Fiscal Agent's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of the Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit or examination costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer to collect the Borrower Notes, or to enforce the rights of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under this Borrower Loan Agreement or any other

Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the date of disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result, in the case of the Governmental Lender, its willful misconduct, and in the case of any other party, its gross negligence or willful misconduct, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) and 43(i) of the Security Instrument.

The Governmental Lender shall not be responsible for any costs associated with any securitization of the Borrower Loan or the Funding Loan. The Borrower shall not be responsible for any costs associated with any securitization of the Borrower Loan or the Funding Loan, except to the extent provided in Article IX hereof or Section 5.15 below.

Section 5.15 Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of the Governmental Lender, the Fiscal Agent or the Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, the Beneficiary Parties, Citigroup, Inc., and each of their respective officers, governing boards, supervisors, commissioners, members, directors, officials, employees, attorneys and agents (each an "*Indemnified Party*"), against any and all losses, damages (including, but not limited to consequential and punitive damages), claims, actions, liabilities, costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "*Liabilities*") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising, directly or indirectly, out of or based upon or in any way relating to:

- (a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any of the Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Encumbrance) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender, the Fiscal Agent or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(e) The enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) Any accident, injury to, or death of persons or loss of or damage to property occurring in, on or about the Project or any part thereof;

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of the Borrower's applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any audit or inquiry by the Internal Revenue Service with respect to the Project and/or the tax-exempt status of the Tax-Exempt Governmental Lender Note;

(j) The Fiscal Agent's acceptance or administration of the Funding Loan Agreement or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Governmental Lender Notes to which it is a party;

(k) Any breach (or alleged breach) by the Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by the Borrower, the General Partner, the Guarantor or their affiliates to the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer or any other Person in connection with the Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by the

Borrower of any agreement with respect to the provision of any substitute credit enhancement, if applicable);

(l) Any failure (or alleged failure) by the Borrower, the Funding Lender or the Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(m) The Project, the operation of the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(n) The use of the proceeds of the Borrower Loan and the Funding Loan,

except, in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such Indemnified Party and, in the case of foregoing indemnification of the Fiscal Agent, the Funding Lender, the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion, except in all respects to the Governmental Lender, where the City Attorney shall retain sole and absolute discretion in the selection of the Governmental Lender's counsel; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation. In addition thereto, the Borrower will pay on demand all of the fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions hereof, as more fully set forth in this Borrower Loan Agreement.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented in writing to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and termination of the Funding Loan Documents and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall remain valid and in full effect notwithstanding repayment of the Borrower Loan hereunder and shall survive the termination of this Borrower Loan Agreement and the resignation or removal of the Fiscal Agent.

Nothing in this Section is intended to limit the Borrower's obligations contained in Sections 2.4 and 2.5 hereof or the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16 No Warranty of Condition or Suitability by the Governmental Lender or the Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17 Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations or the rights of Tenants under their tenant leases and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18 Notice of Default. The Borrower will provide the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer as soon as possible, and in any event not later than five Business Days after the occurrence of any Potential Default or Event of Default with a statement of an Authorized Borrower Representative describing the details of such Potential Default or Event of Default and any curative action the Borrower proposes to take.

Section 5.19 Covenant With the Governmental Lender, the Fiscal Agent and the Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the Governmental Lender to execute and the Funding Lender to fund the Governmental Lender Notes and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Fiscal Agent, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Notes or the Governmental Lender Notes from time to time.

Section 5.20 Obligation of the Borrower To Construct the Project. The Borrower shall proceed with reasonable dispatch to acquire, construct and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such acquisition, construction and equipping, the

Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender, the Fiscal Agent and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21 Maintenance of Insurance. The Borrower will maintain the insurance required by the Security Instrument.

Section 5.22 Information; Statements and Reports. The Borrower shall furnish or cause to be furnished to the Governmental Lender and the Funding Lender:

(a) ***Financial Statements; Rent Rolls.*** Prior to the Conversion Date, all financial statements, rent rolls, leasing reports, and other financial information required to be delivered under the Construction Loan Agreement, all at times and otherwise in compliance with the terms and conditions of the Construction Loan Agreement. From and after the Conversion Date, in the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(b) ***General Partner.*** From and after the Conversion Date, as soon as available and in any event within 120 days after the end of each fiscal year of the General Partner, copies of the financial statements of the General Partner as of such date, prepared in substantially the form previously delivered to the Governmental Lender and the Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as the Funding Lender may reasonably request;

(c) ***[Reserved];***

(d) ***Audit Reports.*** Promptly upon receipt thereof, copies of all reports, if any, submitted to the Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of the Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(e) ***Notices; Certificates or Communications.*** Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to the Borrower or the General Partner naming the Governmental Lender or the Funding Lender as addressee or which could reasonably be deemed to affect the structural

integrity of the Project or the ability of the Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(f) ***Certification of Non-Foreign Status.*** Promptly upon request of the Funding Lender from time to time, a Certification of Non-Foreign Status (as such term is used in Section 1445 of the Code), executed on or after the date of such request by the Funding Lender;

(g) ***Compliance Certificates.*** Together with each of the documents required pursuant to Section 5.22(b) hereof submitted by or on behalf of the Borrower, a statement, in form and substance satisfactory to the Funding Lender and certified by an Authorized Borrower Representative, to the effect that the Borrower is in compliance with all covenants, terms and conditions applicable to the Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by the Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of the Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(h) ***Other Items and Information.*** Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of the Borrower, the General Partner, the Guarantor or the Project, as the Funding Lender or the Governmental Lender reasonably requests from time to time.

Section 5.23 Additional Notices. The Borrower will, promptly after becoming aware thereof, give notice to the Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against the Borrower, the General Partner or the Guarantor, or any Legal Action which is threatened against the Borrower, the General Partner or the Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of the Borrower, the General Partner, the Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which the Borrower, the General Partner or the Guarantor is a party or by or to which the Borrower, the General Partner or the Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, the General Partner or the Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of the Borrower under any of the CC&Rs (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of the Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least 15% of the tenants at the Project have been received by the Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of the Borrower's or the General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by the Borrower or the General Partner; or (iii) the nature of the trade or business of the Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, the General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24 Compliance With Other Agreements; Legal Requirements.

(a) The Borrower shall timely perform and comply with, and shall cause the General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and the Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) The Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction of the Improvements, and will furnish the Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. The Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&Rs and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of very low, low, or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. The Governmental Lender and the Funding Lender shall at all times have the right to audit, at the Borrower's expense, the Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of very low, low, or moderate income, and the Borrower shall supply all such information with respect thereto as the Governmental Lender or the Funding Lender, as applicable, may request and otherwise cooperate with the Funding Lender in any such audit. Without limiting the generality of the foregoing, the Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to the Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to acquire, construct, occupy, operate, market and lease the Project.

Section 5.25 Completion and Maintenance of Project. The Borrower shall cause the acquisition, construction of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Loan Agreement, free and clear of any liens or claims for liens (but without prejudice to the Borrower's rights of contest under Section 10.16 hereof) (“*Completion*“) on or before the Completion Date. The Borrower shall thereafter maintain the Project as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continued operation of the Project in good order and condition, ordinary wear and tear excepted.

Section 5.26 Fixtures. The Borrower shall deliver to the Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which the Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27 Income From Project. The Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, the Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of the Funding Lender.

Section 5.28 Leases and Occupancy Agreements.

(a) The Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without the Funding Lender's prior Written Consent if:

(i) The lease is a Permitted Lease;

(ii) The Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&Rs and is financially capable of performing all of its obligations under the lease; and

(iii) The lease conforms to the Rent Schedule attached as an exhibit to the Construction Loan Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&Rs.

(b) If any Event of Default has occurred and is continuing, the Funding Lender may make written demand on the Borrower to submit all future leases for the Funding Lender's approval prior to execution. The Borrower shall comply with any such demand by the Funding Lender.

(c) No approval of any lease by the Funding Lender shall be for any purpose other than to protect the Funding Lender's security for the Borrower Loan and to preserve the Funding Lender's rights under the Borrower Loan Documents and the Funding Loan

Documents. No approval by the Funding Lender shall result in a waiver of any default of the Borrower. In no event shall any approval by the Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(d) ***Landlord's Obligations.*** The Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(e) ***Leasing and Marketing Agreements.*** Except as may be contemplated in the Management Agreement with the Borrower's Manager, the Borrower shall not without the approval of the Funding Lender enter into any leasing or marketing agreement and the Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29 Project Agreements and Licenses. To the extent not heretofore delivered to the Funding Lender, the Borrower will furnish to the Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to the Funding Lender and consents to such assignments where required by the Funding Lender, all in form and substance acceptable to the Funding Lender. Neither the Borrower nor the General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to the Funding Lender and the Subordinate Lender.

Section 5.30 Payment of Debt Payments. In addition to its obligations under the Borrower Notes, the Borrower will (a) duly and punctually pay or cause to be paid all principal of and interest on any Debt of the Borrower as and when the same become due on or before the due date; (b) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (c) promptly inform the Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (d) forward to the Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31 ERISA. The Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA to the extent applicable to the Borrower.

Section 5.32 Patriot Act Compliance. The Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over the Borrower and/or the Project, including those relating to money laundering and terrorism. The Funding Lender shall have the right to audit the Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over the Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that the Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then the Funding Lender may, at its

option, cause the Borrower to comply therewith and any and all costs and expenses incurred by the Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

The Borrower covenants that it shall comply with all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, the Borrower shall not take any action, or permit any action to be taken, that would cause the Borrower's representations and warranties in Section 4.1.48 and this Section 5.32 become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, the Borrower shall certify in writing to such Beneficiary Party that the Borrower's representations, warranties and obligations under Section 4.1.48 and this Section 5.32 remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. The Borrower shall immediately notify the Funding Lender in writing of (a) the Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) the Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) the Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. The Borrower shall also reimburse the Funding Lender for any expense incurred by the Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and the Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for the Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to the Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon the Funding Lender as a result thereof.

Section 5.33 Funds From Equity Investor. The Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Partnership Agreement.

Section 5.34 Tax Covenants. The Borrower further represents, warrants and covenants that:

(a) **General.** The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Tax-Exempt Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to

comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Notes, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Tax-Exempt Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Tax-Exempt Governmental Lender Note for a period during which such portion of the Tax-Exempt Governmental Lender Note is held by a “substantial user” of any facility financed with the proceeds of the Tax-Exempt Governmental Lender Note or a “related person,” as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) ***Use of Proceeds.*** The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) ***Limitation on Net Proceeds.*** At least 95% of the net proceeds (within the meaning of the Code) of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note actually expended shall be used to pay Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) ***Limit on Costs of Funding.*** The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of 2% of the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) ***Prohibited Facilities.*** The Borrower shall not use or permit the use of any proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) ***Limitation on Land.*** Less than 25% of the net proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) *Accuracy of Information.* The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vi) *Limitation of Project Expenditures.* The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the provision of an inducement resolution from the Governmental Lender with respect to the Project on [July 27, 2021], and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures," which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of acquisition or construction of the Project.

(vii) *Qualified Costs.* The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed 50% or more by the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other Borrower Affiliate or the holders or payees of the Funding Loan and the Borrower Notes for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) *Limitation on Maturity.* The average maturity of the Tax-Exempt Governmental Lender Note does not exceed 120% of the average reasonably expected economic life of the Project to be financed by the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note. For purposes of the preceding sentence, the

reasonably expected economic life of property shall be determined as of the later of (i) the Closing Date for the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note or (ii) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) **No Arbitrage.** The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Tax-Exempt Governmental Lender Note to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Note relating to the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) **No Federal Guarantee.** Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Tax-Exempt Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) **Representations.** The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Tax-Exempt Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) **Qualified Residential Rental Project.** The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Tax-Exempt Governmental Lender Note remains outstanding, to the end that the interest on the Tax-Exempt Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all provisions of the Regulatory Agreement.

(h) **Information Reporting Requirements.** The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Tax-Exempt Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) **Funding Loan Not a Hedge Bond.** The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan funded with proceeds of the Tax-Exempt Governmental Lender Note will be used to carry out the governmental purposes of the Funding Loan within the three year period beginning on the Closing Date.

(j) **Termination of Restrictions.** Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) **Public Approval.** The Borrower covenants and agrees that the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note will not be used in a manner that deviates in any substantial degree from the Project

described in the written notice of a public hearing regarding the Tax-Exempt Governmental Lender Note.

(l) **40/60 Test Election.** The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) **Modification of Tax Covenants.** Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Tax-Exempt Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Tax-Exempt Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney in fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender, the Fiscal Agent and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Fiscal Agent, the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower

further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan in an amount related to the amount of the Borrower Loan.

(n) ***Compliance With Tax Certificate.*** In furtherance of the covenants in this Section 5.34, the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Borrower Loan Agreement and made a part of this Borrower Loan Agreement as if set forth in this Borrower Loan Agreement in full. In the event of a conflict between the terms of this Borrower Loan Agreement and the Tax Certificate, the terms of the Tax Certificate shall control.

Section 5.35 Payment of Rebate.

(a) ***Arbitrage Rebate.*** The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Tax-Exempt Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) ***Delivery of Documents and Money on Computation Dates.*** The Borrower will deliver to the Servicer, or, if there is no Servicer, to the Funding Lender, with a copy to the Fiscal Agent, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) (1) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less the future value of any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less the future value of any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) ***Correction of Underpayments.*** If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (A) pay to the

Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (B) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Tax-Exempt Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) *Records.* The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after: the later of the final maturity of the Tax-Exempt Governmental Lender Note; or the date the Funding Loan is retired in full.

(iv) *Costs.* The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) *No Diversion of Rebatable Arbitrage.* The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note were not subject to Section 148(f) of the Code.

(vi) *Modification of Requirements.* If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) *Rebate Fund.* The Fiscal Agent shall establish and hold a separate fund designated as the “*Rebate Fund.*” The Fiscal Agent shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent shall withdraw from the Rebate Fund and pay to the United States of

America the entire balance of the Rebate Fund, and the Fiscal Agent shall advise the Governmental Lender and the Servicer in writing of the date and amount of any payment so made.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Fiscal Agent for the account and in the name of the Governmental Lender and shall be paid through the United States mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Fiscal Agent by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received and delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Fiscal Agent, the Funding Lender or the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

Section 5.36 Covenants Under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37 Continuing Disclosure Agreement. In connection with the purchase of the Tax-Exempt Governmental Lender Note by Citibank on the Conversion Date, the Borrower and Citibank shall enter into the Continuing Disclosure Agreement to provide for the continuing

disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement. The duties and obligations of the Borrower under the Continuing Disclosure Agreement shall be as set forth in the Continuing Disclosure Agreement.

(x) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 9.1), as and when required, which continues for a period of 30 days after written notice of such failure by the Funding Lender or the Servicer on its behalf to the Borrower (with a copy to the Governmental Lender); provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such 30-day period, and the Borrower shall have commenced to cure such failure within such 30-day period and thereafter diligently and expeditiously proceeds to cure the same, such 30-day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed 60 days, for a total of 90 days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender’s judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Notes or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2 Remedies.

8.2.1 ***Acceleration.*** Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the

Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Notes to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by the Funding Lender, in the Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender or the Fiscal Agent, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until the Funding Lender has exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations have been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

8.2.3 **Delay.** No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender or the Fiscal Agent shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender and the Fiscal Agent reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

8.2.4 **Waiver of Set Off.** Upon the occurrence of an Event of Default, the Funding Lender may, at any time and from time to time, without notice to the Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of the Borrower to the Funding Lender or the Fiscal Agent arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not the Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and the Borrower hereby grants to the Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by the Funding Lender to or for the credit or the account of the Borrower.

8.2.5 **Assumption of Obligations.** In the event that the Funding Lender, the Fiscal Agent or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

8.2.6 **Accounts Receivable.** Upon the occurrence of an Event of Default, the Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing the Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of the Funding Lender.

8.2.7 **Defaults Under Other Documents.** The Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

8.2.8 **Abatement of Disbursements.** Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, the Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to the Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of the Borrower to fail to be true and correct in all material respects, unless and until the Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

8.2.9 **Completion of Improvements.** Upon the occurrence of any Event of Default, the Funding Lender shall have the right to cause an independent contractor selected by the Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform the Borrower's obligations under this Borrower Loan Agreement. All sums expended by the Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by the Borrower and shall be secured by the Security Documents.

8.2.10 **Right To Directly Enforce.** Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

8.2.11 **Power of Attorney.** Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, the Borrower hereby constitutes and appoints the Funding Lender, or an independent contractor selected by the Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of the Borrower's obligations under this Borrower Loan Agreement in the name of the Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

- (a) to use any of the funds of the Borrower or the General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by the Funding Lender for the Borrower (including all funds in all deposit accounts in which the Borrower has granted to the Funding Lender a security interest), for the purpose of effecting completion of the construction, of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project, the Improvements, or may be necessary or desirable for the completion of the construction, of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of the Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction, of the Improvements, which the Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury;

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Notes, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX

SPECIAL PROVISIONS

Section 9.1 Sale of Notes and Secondary Market Transaction.

9.1.1 **Cooperation.** Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Notes or participations therein or securitizations of single or multi-class securities (the "*Securities*") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Notes (each such sale, assignment and/or securitization, a "*Secondary Market Transaction*"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify the Borrower's or Governmental Lender's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward-looking statements or lack of audit, and (iii) at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase Is and, if appropriate, Phase IIs), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this subparagraph (a) being called the "*Provided Information*"), together, if customary, with appropriate verification of and/or consents (including, without limitation, auditor consents) to include or incorporate by reference the Provided Information in an offering document or otherwise provide the Provided Information to investors or potential investors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the

Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

9.1.2 **Use of Information.** The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “*Secondary Market Disclosure Document*”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

9.1.3 **Borrower Obligations Regarding Secondary Market Disclosure Documents.** In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender, the Governmental Lender or the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

The Borrower and the Funding Lender agree and acknowledge that the Governmental Lender undertakes no obligation hereunder or in the Funding Loan Agreement to participate in the preparation of, or to approve, any Secondary Market Disclosure Document and the parties hereto agree that any Secondary Market Disclosure Document will, unless approved in advance by the Governmental Lender in writing, disclose no more regarding the Governmental Lender than its name and status as a political subdivision of the State of California and that the Governmental Lender Notes are limited

obligations of the Governmental Lender secured solely by the payments made by the Borrower under the corresponding Borrower Notes and the Borrower Loan Agreement.

9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (a) indemnify the Funding Lender, the Fiscal Agent, the Governmental Lender and the underwriter group for any securities (the “*Underwriter Group*”) for any Liabilities to which the Funding Lender, the Fiscal Agent, the Governmental Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (b) reimburse the Funding Lender, the Fiscal Agent, the Governmental Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Fiscal Agent, the Governmental Lender, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to

which the respective parties are entitled, the following factors shall be considered: (a) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (b) the opportunity to correct and prevent any statement or omission; and (c) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties as provided herein.

Section 10.2 Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3 Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and

delivery to the Governmental Lender of the Borrower Notes and the assignment of the Borrower Notes to the Fiscal Agent, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer.

Section 10.4 Preferences. To the extent the Borrower makes a payment to the Governmental Lender, the Fiscal Agent or the Servicer, or the Governmental Lender, the Fiscal Agent or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer. In furtherance of the preceding sentence, the Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations.

Section 10.5 Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender, the Fiscal Agent or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer to the Borrower.

Section 10.6 Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender, the Fiscal Agent or the Servicer with respect to a Borrower Loan Payment. Any assignee of the Funding Lender's or the Fiscal Agent's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7 Publicity. The Funding Lender and the Servicer (and any affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the

Funding Lender or the Servicer or one of its or their affiliates. All news releases, publicity or advertising by the Borrower or any Borrower Affiliate through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Governmental Lender, the Funding Lender or the Servicer, as applicable.

Section 10.8 Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9 No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10 Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all the Funding Lender's or the Fiscal Agent's rights, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, including an assignment by Wells Fargo Bank, National Association to Citibank on the Conversion Date, subject to the requirements of Article IV of the Funding Loan Agreement. Upon such assignment, all references to the Funding Lender or the Fiscal Agent, as appropriate, in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of the Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by the Funding Lender before such assignment. In connection with any proposed assignment, the Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to Funding Lender with reference to the Borrower, the General Partner, the Guarantor or any Borrower Affiliate, or the Project, including information that the Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11 Intentionally Omitted.

Section 10.12 Governmental Lender, Funding Lender, Fiscal Agent and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer. Neither the Governmental Lender, the Funding Lender, the Fiscal Agent nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (a) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer do not intend to ever assume such status; (b) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall in no event be liable for any of the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (c) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower, or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13 Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14 Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Notes, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11, 5.14, 5.15, 5.34, 5.35, 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15, as well as under Section 5.7 of the Construction Loan Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15 Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for fees of such attorneys and such other expenses so incurred.

From and after the Conversion Date, the Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Notes.

Section 10.16 Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, the Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of the Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to the Governmental Lender's or the Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to the Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless the Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of the Borrower's intent to so contest or object thereto, and unless (a) the Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a reasonable basis for such contest, (b) the Borrower pays when due any portion of the claim, demand, levy or assessment to which the Borrower does not object, (c) the Borrower demonstrates to the Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (d) the Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to the Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to the Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (e) the Borrower at all times prosecutes the contest with due diligence, and (f) the Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by the Borrower, the amount so determined to be due and owing by the Borrower. In the event that the Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by the Borrower, any payment required to be made pursuant to clause (f) of the preceding sentence, an Event of Default shall have occurred, and the Funding Lender may draw or realize upon any bond or other security delivered to the Funding Lender in connection with the contest by the Borrower, in order to make such payment.

Section 10.17 Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by the Funding Lender. The Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of the Funding Lender. No such approval shall result in a waiver of any default of the Borrower. In no event shall the

Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18 Funding Lender Determination of Facts. The Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19 Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20 Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21 Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22 Consent to Jurisdiction and Venue. The Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. The Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against the Borrower or any of the Borrower's assets in any court of any other jurisdiction.

Section 10.23 Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives,

successors, successors-in-interest and assigns, as appropriate, of such parties. References to a “person” or “persons” shall be deemed to include individuals and entities.

Section 10.24 Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25 Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered herein. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender’s or the Funding Lender’s obligation to make further Disbursements nor, in the event the Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26 Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27 Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28 Servicer. The Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Notes, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless the Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29 Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30 Waiver of Trial by Jury. The Governmental Lender does not agree to not elect a trial by jury or to waive any jury trial and does not consent to any resolution by judicial reference. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW AND ONLY TO THE EXTENT ENFORCEMENT OF SUCH AGREEMENT WOULD NOT ADVERSELY AFFECT THE FISCAL AGENT AND THE ABILITY OF THE GOVERNMENTAL LENDER TO ELECT A TRIAL BY JURY, THE BORROWER (a) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO

ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE BY A JURY AND (b) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN BY THE BORROWER, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL. IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, THE BORROWER AGREES TO THE RESOLUTION OF ALL DISPUTES BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

Section 10.31 Modifications. Modifications (if any) to this Borrower Loan Agreement (“*Modifications*”) are set forth on Exhibit A attached to this Borrower Loan Agreement. In the event of a Transfer under the terms of the Security Instrument, some or all of the Modifications to this Borrower Loan Agreement may be modified or rendered void by the Governmental Lender or the Funding Lender at its option by notice to the Borrower or such transferee.

Section 10.32 Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of May 1, 2023 and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1 Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Notes.

Section 11.2 Limitation on Liability of Lender. Notwithstanding anything to the contrary herein or in any other instrument to the contrary, the Governmental Lender shall not be obligated to pay the principal (or prepayment price) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Borrower Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (any prepayment premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement, the Funding Loan, the Governmental Notes or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender’s sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Borrower Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (any prepayment premium) and interest on the Funding Loan as the same shall become due (whether by maturity,

prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

Section 11.3 Waiver of Personal Liability. Notwithstanding anything to the contrary herein or in any other instrument to the contrary, no recourse under or upon any obligation, covenant, or agreement or in the Governmental Notes, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Borrower Loan Agreement and the issuance of the Governmental Notes.

Section 11.4 Limitation on Liability of the Funding Lender's Officers, Employees, Etc.

(a) The Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender, provided, however, this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of the Governmental Lender, the Fiscal Agent and the Funding Lender, nor any of its commissioners, officers, directors, employees or agents shall be liable or responsible for (i) any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes willful misconduct on the part of the Governmental Lender, or gross negligence or willful misconduct on the part of the Funding Lender.

(b) None of the Governmental Lender, the Fiscal Agent, the Funding Lender, the other Beneficiary Parties or any of their respective officers, directors, employees or

agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against the Borrower or others or against the Project or the Mortgaged Property. The Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. The Governmental Lender and the Funding Lender are not joint venture partners with the Borrower or with each other in any manner whatsoever. Prior to default by the Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of the Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5 Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

Section 11.6 City Contracting Provisions. The Borrower covenants and agrees to comply with the provisions of Section 20 and Exhibit G of the Regulatory Agreement as if fully set forth herein.

Section 3.1. Prepayment of a Governmental Lender Note From Prepayment Under the Related Borrower Note. Each Governmental Lender Note is subject to voluntary and mandatory prepayment as follows:

(a) Each Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds received by the Governmental

Lender from the Borrower to the extent and in the manner and on any date that the related Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the related Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium, if applicable, payable under the related Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

The Borrower shall not have the right to voluntarily prepay all or any portion of the Borrower Notes, thereby causing the related Governmental Lender Note to be prepaid, except as specifically permitted in the Borrower Notes, without the prior written consent of the Funding Lender, which may be withheld in the Funding Lender's sole and absolute discretion.

(b) Each Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the related Borrower Note, at the direction of the Funding Lender in accordance with the terms of the related Borrower Note, at a prepayment price equal to the outstanding principal balance of the related Borrower Note prepaid, plus accrued interest plus any other amounts payable under the related Borrower Note or the Borrower Loan Agreement.

Section 3.2. Notice of Prepayment. Notice of prepayment of the Governmental Lender Notes shall be deemed given to the extent that notice of prepayment of the related Borrower Note is timely and properly given to the Funding Lender and the Fiscal Agent in accordance with the terms of the related Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of the Governmental Lender Notes is required to be given.

ARTICLE IV

SECURITY

Section 4.1. Security for the Funding Loan. To secure the payment of the Funding Loan and each Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and the Governmental Lender Notes are secured, and in consideration of the terms and provisions of this Funding Loan Agreement and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender does hereby grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Fiscal Agent and to the Funding Lender, as their interests may appear (except as limited herein), for the benefit of the holder from time to time of the Governmental Lender Notes, a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the "Security"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the related Borrower Note, including, without limitation, all rents, revenues and receipts derived thereunder by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments (except those related to the

Unassigned Rights) derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held by the Fiscal Agent under this Funding Loan Agreement (other than any amounts held in the Expense Fund and the Rebate Fund) subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Fiscal Agent or the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the Fiscal Agent or the Funding Lender is hereby authorized to receive any and all such property as and for additional security for the Funding Loan and each Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on each Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Notes by the Governmental Lender. The Security so pledged and then or thereafter received by the Fiscal Agent or the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof. The Funding Lender shall have, in connection with the security interest granted hereunder, all rights and remedies available to a secured party under the Uniform Commercial Code as enacted in the State.

Section 4.2. Delivery of Security. To provide security for the payment of the Funding Loan and each Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Notes its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and

conveyance, the Governmental Lender shall deliver to the Funding Lender the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

- (a) Each Borrower Note endorsed without recourse to the Fiscal Agent by the Governmental Lender;
- (b) The originally executed Borrower Loan Agreement and Regulatory Agreement;
- (c) A copy of the Security Instrument and all other Borrower Loan Documents existing at the time of delivery of the Borrower Notes and an assignment for security of the Security Instrument from the Governmental Lender to the Fiscal Agent, in recordable form;
- (d) Uniform Commercial Code financing statements or other chattel security documents giving notice of the Fiscal Agent's status as an assignee of the Governmental Lender's security interest in any personal property forming part of the Project, in form suitable for filing (which shall be the sole responsibility of the Funding Lender); and
- (e) Uniform Commercial Code financing statements, in form suitable for filing, giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement (which shall be the sole responsibility of the Funding Lender).

The Governmental Lender agrees to deliver and deposit with the Fiscal Agent or the Funding Lender, at the expense of the Borrower, such additional documents, financing statements, and instruments as the Fiscal Agent, at the direction of the Funding Lender or the Funding Lender may reasonably require from time to time for the better perfecting and assuring to the Fiscal Agent of its lien and security interest in and to the Security. Notwithstanding the foregoing, in no event shall the Governmental Lender be responsible for the preparation or filing of any financing or continuation statements, or for any costs associated therewith.

ARTICLE V

LIMITED LIABILITY

Section 5.1. Source of Payment of Funding Loan and Other Obligations.

- (a) The Funding Loan and the Governmental Lender Notes are limited obligations of the Governmental Lender, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned hereunder. None of the Governmental Lender, the City, the State or any political subdivision thereof (except the Governmental Lender, to the limited extent authorized by the Act and set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Funding Loan or the Governmental Lender Notes or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and, notwithstanding anything herein or in any other instrument to the contrary, none of the Funding Loan or the Governmental Lender Notes or any of the

Governmental Lender's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

(b) The Funding Loan and the Governmental Lender Notes, together with the interest and premium, if any, thereon and the purchase price thereof, shall not be deemed to constitute a debt or liability of the Governmental Lender, the State or of any political subdivision or public agency thereof or a pledge of the faith and credit of the Governmental Lender, the City, the State or any political subdivision or public agency thereof, but, notwithstanding anything herein or in any other instrument to the contrary, shall be payable solely from the funds provided therefor pursuant to this Funding Loan Agreement. The Funding Loan and the Governmental Lender Notes are only limited obligations of the Governmental Lender as provided by the Act, and, notwithstanding anything herein or in any other instrument to the contrary, neither the Governmental Lender nor any public agency shall under any circumstances be obligated to pay the Funding Loan or the Governmental Lender Notes except from the Security.

(c) Neither the faith and credit nor the taxing power of the State, the Governmental Lender, any public agency or any political subdivision of the State is pledged to the payment of the principal of, premium, if any, purchase price of or interest on the Funding Loan or the Governmental Lender Notes, nor is the State, the Governmental Lender, any public agency or any political subdivision of the State, in any manner obligated to make any appropriation for such payment.

(d) Notwithstanding anything herein or in any other instrument to the contrary, no recourse shall be had for the payment of the principal of, premium, if any, or interest on the Funding Loan or the Governmental Lender Notes or for any claim based thereon or upon any obligation, covenant or agreement in this Funding Loan Agreement contained (except from the Security), against the Governmental Lender, any past, present or future member of its governing body, its officers, attorneys, accountants, financial advisors, agents or staff, or the officers, attorneys, accountants, financial advisors, agents or staff of any successor public entity, as such, either directly or through the Governmental Lender or any successor public entity, under any rule of law or penalty or otherwise, and all such liability of the Governmental Lender, any member of its governing body and its officers, attorneys, accountants, financial advisors, agents and staff is hereby expressly waived and released as a condition of, and in consideration for, the execution of this Funding Loan Agreement.

Section 5.2. Exemption From Individual Liability. No covenant, condition or agreement contained herein shall be deemed to be a covenant, agreement or obligation of any past, present or future commissioner, officer, director, employee or agent of the Governmental Lender in his individual capacity, and neither the commissioners, the officers, directors, employees or agents of the Governmental Lender executing the Governmental Lender Notes or this Funding Loan Agreement shall be liable personally on the Governmental Lender Notes or under this Funding Loan Agreement or be subject to any personal liability or accountability by reason of the issuance of the Governmental Lender Notes or the execution of this Funding Loan Agreement.

ARTICLE VI

Section 6.1. Conditions Precedent to Closing. ARTICLE VII

FUNDS AND ACCOUNTS

Section 7.1. Authorization to Create Funds and Accounts. Except as provided in Section 7.3 hereof, no other funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender, the Fiscal Agent (as directed by the Funding Lender), and the Servicer, if any, and any designee of the Funding Lender or the Servicer, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender, the Fiscal Agent, or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

Section 7.2. Investment of Funds. Amounts held in any funds or accounts created under this Funding Loan Agreement shall be invested by the Funding Lender, the Servicer or the designee of the Funding Lender or the Servicer, as applicable, in Permitted Investments at the direction of the Borrower, subject in all cases to the restrictions of Section 8.7 hereof and of the Tax Certificate. Amounts held in any funds or accounts created under this Funding Loan Agreement and held by the Fiscal Agent shall be invested in Permitted Investments at the written direction of the Borrower, which shall provide such directions in all cases subject to the restrictions of Section 8.7 hereof and of the Tax Certificate. In the absence of such directions, the Fiscal Agent shall hold funds uninvested.

The Fiscal Agent may make any and all investments permitted under this Funding Loan Agreement through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Fiscal Agent and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Permitted Investments under this Funding Loan Agreement. The Fiscal Agent shall not be liable for any losses from investments made by the Fiscal Agent in accordance with this Funding Loan Agreement. Interest earnings from any investments made in any funds or accounts hereunder shall be deposited in the respective fund or account.

The Governmental Lender, the Funding Lender and the Borrower (by its execution of the Borrower Loan Agreement) acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Governmental Lender or the Funding Lender the right to receive brokerage confirmations of security transactions as they occur, the Governmental Lender and the Funding Lender will not receive such confirmations to the extent permitted by law. The Fiscal Agent shall furnish the Borrower, the Funding Lender and the Governmental Lender (to the extent requested by such parties) periodic cash transaction statements which shall include detail for all investment transactions, if any, made by the Fiscal Agent hereunder.

Section 7.3. Establishment of Funds. There are established with the Fiscal Agent the following funds and accounts:

- (a) The Note Payment Fund;
- (b) The Project Fund (and within such fund, the Note Proceeds Account, including a subaccount for each of the Tax-Exempt Governmental Lender Note and the Taxable Governmental Lender Note, and the Equity Account);
- (c) The Expense Fund;
- (d) The Costs of Funding Fund; and
- (e) The Rebate Fund.

All money required to be deposited with or paid to the Fiscal Agent for the account of any of the funds or accounts created by this Funding Loan Agreement (except the Costs of Funding Fund, the Expense Fund, and the Rebate Fund) shall be held by the Fiscal Agent for the benefit of the Funding Lender, and, except for money held in the Expense Fund or the Rebate Fund, shall, while held by the Fiscal Agent, constitute part of the Pledged Revenues and be subject to the lien hereof.

All money to be deposited with or paid to the Fiscal Agent shall be wired to the Fiscal Agent pursuant to the wiring instructions contained in Exhibit E attached hereto. The Fiscal Agent shall provide Written Notice of any change to such wiring instructions to the Funding Lender and the Borrower no less than five Business Days prior to the next payment date for which such revised instructions will be applicable.

Section 7.4. Note Payment Fund. The Governmental Lender and the Borrower shall have no interest in the Note Payment Fund or the moneys therein, which shall always be maintained by the Fiscal Agent completely separate and segregated from all other moneys held hereunder and from any other moneys of the Governmental Lender and the Borrower.

The Fiscal Agent shall deposit into the Note Payment Fund any amounts received from the Borrower as payments of principal of or premium or interest on the Borrower Loan and any other amounts received by the Fiscal Agent that are subject to the lien and pledge of this Funding Loan Agreement, including any Pledged Revenues not required to be deposited to the Expense Fund or not otherwise specifically directed in writing to be deposited into other funds created by this Funding Loan Agreement.

The Fiscal Agent shall apply all amounts on deposit in the Note Payment Fund in the following order of priority:

FIRST, to pay or provide for the payment of the interest then due on the Funding Loan to the registered owner of the Governmental Lender Notes;

SECOND, to pay or provide for the payment or the prepayment of principal (and premium, if any) on the Funding Loan to the registered owner of the Governmental Lender

Notes, provided moneys have been transferred or deposited into the Note Payment Fund for such purpose; and

THIRD, to pay or provide for the payment of the Funding Loan on the Maturity Dates to the registered owner of the Governmental Lender Notes.

Section 7.5. Expense Fund. The Fiscal Agent shall deposit in the Expense Fund the amounts required by the Regulatory Agreement or the Borrower Loan Agreement to be paid by the Borrower to the Governmental Lender or the Fiscal Agent. Amounts on deposit in the Expense Fund shall be used to pay the fees and expenses of the Governmental Lender and the Fiscal Agent, as and when the same become due. In that regard, moneys in the Expense Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent to pay (a) the Ongoing Governmental Lender Fee as and when due, (b) the Fiscal Agent amounts due pursuant to the definition of “Fiscal Agent’s Fees” herein, (c) upon receipt to the Fiscal Agent, any amounts due to the Fiscal Agent which have not been paid, other than amounts paid in accordance with clause (b) hereof, and (d) upon receipt to, or at the direction of, the Governmental Lender, any amounts owing the Governmental Lender by the Borrower and then due and unpaid, other than amounts paid in accordance with clause (a) hereof.

In the event that the amounts on deposit in the Expense Fund are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within five Business Days to the Fiscal Agent of the amount of such deficiency.

Written notice of any insufficiency, which results in the Governmental Lender not receiving the Ongoing Governmental Lender Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within 10 days of the respective due date.

Upon payment by the Borrower of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Notwithstanding anything herein to the contrary, the Fiscal Agent, on behalf of the Governmental Lender, shall prepare and submit a written invoice to the Borrower for payment of the Ongoing Governmental Lender Fee not later than 30 days prior to the due date for payment of the Ongoing Governmental Lender Fee, and shall remit moneys received from the Borrower to the Governmental Lender for payment of such fee.

Section 7.6. Costs of Funding Fund. On the Closing Date, the Borrower shall deposit or cause to be deposited with the Fiscal Agent, for deposit in the Costs of Funding Fund, the amount of \$[_____]. Any amounts in the Costs of Funding Fund shall be disbursed by the Fiscal Agent to pay Costs of Funding on the Closing Date or as soon as practicable thereafter as follows: moneys on deposit in the Costs of Funding Fund shall be applied to (a) pay Costs of Funding as stated in a completed requisition in the form of Exhibit D and (b) pay the Fiscal Agent its closing fee of \$[_____]. Any interest earnings on amounts on deposit in the Costs of Funding Fund shall remain in the Fund. Any moneys remaining in the Costs of Funding Fund (including

investment proceeds) after the earlier of (i) the payment of all costs of issuance as certified in writing to the Fiscal Agent by the Borrower or (ii) a period of six months after the Closing Date, shall be paid to or at the direction of the Borrower and the Costs of Funding Fund shall be closed.

Section 7.7. Project Fund. All proceeds of the Funding Loan advanced by the Funding Lender shall be deposited to the applicable series subaccount of the Note Proceeds Account of the Project Fund and disbursed as herein provided. Any other amounts provided to the Fiscal Agent by or for the account of the Borrower shall be deposited in the Equity Account of the Project Fund. The Fiscal Agent shall disburse moneys in the Project Fund for the acquisition, construction and equipping of the Project, to pay other Qualified Project Costs and to pay other costs related to the Project as provided herein.

Not less than 95% of the moneys deposited in and credited to the Tax-Exempt Governmental Lender Note subaccount of the Note Proceeds Account of the Project Fund, and taking into account proceeds of the Funding Loan (if any) deposited in the Costs of Funding Fund, representing the proceeds of the Funding Loan evidenced by the Tax-Exempt Governmental Lender Note, including investment income thereon, will be expended (or deemed expended pursuant to the Tax Certificate) for Qualified Project Costs (the “95% Requirement”). The amounts on deposit in the Tax-Exempt Governmental Lender Note subaccount of the Note Proceeds Account of the Project Fund shall not be applied to the payment of Costs of Funding.

Before any payment representing Governmental Lender Note proceeds shall be made from the Project Fund, the Regulatory Agreement and the Security Instrument shall have been executed and recorded or submitted to a title company for recordation in the official records of the City and County of San Francisco and there shall be filed with the Fiscal Agent a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit E and approved by the Funding Lender pursuant to the terms, conditions and provisions of the Construction Loan Agreement, with a copy to the Governmental Lender. The Fiscal Agent shall be entitled to conclusively rely upon any Written Requisition in determining whether to disburse amounts from the Project Fund.

(a) In connection with a Written Requisition, except for a written request for amounts representing accrued interest due and payable on the Governmental Lender Notes:

(i) Only the signature of an authorized officer of the Funding Lender shall be required on a Written Requisition during any period in which a default by the Borrower has occurred and is then continuing under the Borrower Loan (Written Notice of which default has been given in writing by an authorized officer of the Funding Lender to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default).

(ii) The Fiscal Agent shall disburse amounts in the Project Fund for the payment of interest due on the Governmental Lender Notes upon receipt from the Funding Lender of a statement detailing the amount due (and without any need for a Written Requisition signed by the Funding Lender or any approval by an Authorized Representative of the Borrower).

(iii) The Fiscal Agent may conclusively rely on all Written Requisitions, the execution of the Written Requisitions by the Authorized Borrower Representative and the approval of all Written Requisitions by the Funding Lender, as required by this Section, as conditions of payment from the Project Fund, which Written Requisitions constitute, as to the Fiscal Agent, irrevocable determinations that all conditions to payment of the specified amounts from the Project Fund have been satisfied. These documents shall be retained by the Fiscal Agent, subject at all reasonable times to examination by the Borrower, the Governmental Lender, the Funding Lender and the agents and representatives thereof upon reasonable notice to the Fiscal Agent. The Fiscal Agent is not required to inspect the Project or the construction work or to make any independent investigation with respect to the matters set forth in any Written Requisition or other statements, orders, certifications and approvals received by the Fiscal Agent. The Fiscal Agent is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, construction, equipping, improvement and installation of the Project.

(b) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Funding Lender, the Fiscal Agent shall promptly, but in any case within three Business Days, make payment from the appropriate account within the Project Fund in accordance with such Written Requisition. The Fiscal Agent shall rely on such Written Requisition so given with no duty to authenticate or verify such instructions contained therein or the authority under which they were given, and the Fiscal Agent shall have no duty to determine whether any requested disbursement from the Project Fund complies with the terms, conditions and provisions of the Funding Loan Documents, or in the case of disbursements from the Tax-Exempt Governmental Lender Note subaccount of the Note Proceeds Account, constitutes payment of Qualified Project Costs or complies with the 95% Requirement. The approval in writing of a Written Requisition by the Funding Lender shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, shall constitute conclusive evidence that all of the terms, conditions and requirements of the Funding Loan Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence that the costs described in the Written Requisition constitute Qualified Project Costs or other permitted Project costs.

The Fiscal Agent shall provide Written Notice to the Borrower, the Funding Lender and the Governmental Lender if there are not sufficient funds available to or on deposit with the Fiscal Agent to make the disbursements as and when required by this Section 7.7(b). Except as provided in the next sentence, all such payments shall be made by check or draft payable, or by wire transfer, either (i) directly to the person, firm or corporation to be paid, (ii) to the Borrower and such person, firm or corporation, or (iii) upon receipt by the Funding Lender and the Governmental Lender of evidence that the Borrower has previously paid such amount and Written Direction to the Fiscal Agent as to such as evidenced by the Funding Lender's approval of the Written Requisition, to the Borrower. Upon the occurrence of an Event of Default of the Borrower of which the Fiscal Agent has knowledge as provided herein, which is continuing under the Funding Loan

Documents, with the Written Consent of the Funding Lender, the Fiscal Agent may apply amounts on deposit in the Project Fund to the payment of principal of and interest on the Funding Loan. If a Written Requisition signed by the Authorized Borrower Representative and countersigned by an authorized officer of the Funding Lender is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Fund, the Fiscal Agent shall close the Project Fund.

(c) Prior to any mandatory prepayment of the Funding Loan pursuant to the terms hereof, any amounts then remaining in the Project Fund shall, at the written direction of the Funding Lender, be transferred to the Note Payment Fund to be applied to the prepayment of the Funding Loan pursuant hereto.

(d) Amounts on deposit in the Project Fund shall be invested in Permitted Investments directed in writing by the Borrower. Investment income earned on amounts on deposit in each account of the Project Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Project Fund.

Section 7.8. Rebate Fund. The Fiscal Agent shall establish the Rebate Fund when instructed to deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto pursuant to Section 5.35 of the Borrower Loan Agreement.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a municipal corporation organized and existing under the laws of the State of California, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Notes and the Funding Loan and apply the proceeds of such obligation or loan to finance the Project and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Notes, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, such Funding Loan Documents and all other agreements and instruments relating thereto.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of (i) the Act, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party,

a default under or violation of which would prevent it from entering into the Funding Loan Agreement, executing and delivering the Governmental Lender Notes, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is making no representations as to the necessity of registering the Governmental Lender Notes or the Borrower Notes pursuant to any securities laws or complying with any other requirements of securities laws). For purposes of this Section 8.1(b), “to its knowledge” means the current, actual knowledge of any Authorized Governmental Lender Representative.

(c) To its knowledge, no litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to the knowledge of the Governmental Lender, threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Notes and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan as evidenced by the Governmental Lender Notes.

(e) The California Debt Limit Allocation Committee has provided an allocation of the State’s 2022 private activity bond volume cap under Section 146 of the Code to the Governmental Lender for the Tax-Exempt Governmental Lender Note, and the Governmental Lender has timely made any required carry forward election with respect to such volume cap allocation. The Governmental Lender hereby elects to apply the alternative option under clause (2) of the first paragraph of Section 3.01 of IRS Notice 2011-63 with respect to the issue date of the Tax-Exempt Governmental Lender Note; and, in connection therewith, has directed Tax Counsel to include the information on Form 8038 filed for the Governmental Lender Note that is required by Section 3.03 of said Notice.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR

THE BORROWER LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3. Repayment of Funding Loan. Subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Notes, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Notes and this Funding Loan Agreement, to the extent of repayments and prepayments received by the Governmental Lender with respect to the Borrower Loan.

Section 8.4. Servicer. The Funding Lender may appoint a Servicer to service and administer the Funding Loan and/or the Borrower Loan on behalf of the Funding Lender and the Fiscal Agent, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to the Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement.

Section 8.5. Borrower Loan Agreement Performance.

(a) The Funding Lender, the Fiscal Agent and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any such agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify, or cause to be notified, the Borrower, the Fiscal Agent, the Servicer, if any, and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event.

Section 8.6. Maintenance of Records; Inspection of Records.

(a) The Fiscal Agent shall keep and maintain records pertaining to any funds and accounts established hereunder by the Fiscal Agent, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Notes and interests therein. The Fiscal Agent shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Funding Lender and the Governmental Lender and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender and the Funding Lender will at any and all times, upon the reasonable request of the Servicer, if any, the Borrower, the Fiscal Agent, the Governmental Lender or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender or the Funding Lender, as appropriate, relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.7. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Fiscal Agent and the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will (subject to the limited liability provisions hereof):

(a) Enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Regulatory Agreement within a reasonable period after any such violation is first discovered by the Governmental Lender, to the extent necessary in order to assure that interest paid by the Governmental Lender on the Tax-Exempt Governmental Lender Note will be excluded from the gross income of the holders of the Tax-Exempt Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Tax-Exempt Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(b) Solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions, which would cause the interest payable on the Tax-Exempt Governmental Lender Note to be includable in gross income of the holders of the Tax-Exempt Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Tax-Exempt Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(c) Whenever and so often as requested by the Funding Lender (at the sole cost and expense of the Borrower), do and perform all acts and things permitted by law and necessary in order to assure that interest paid by the Governmental Lender on the Tax-Exempt Governmental Lender Note will be excluded from the gross income of the holders of the Tax-Exempt Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Tax-Exempt Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(d) Solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificate, not knowingly take any action, or knowingly permit or suffer any action to be taken, if the

result of the same would be to cause the Governmental Lender Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations; and

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note, or any other moneys which may be deemed to be proceeds of the Funding Loan funded with the proceeds of the Tax-Exempt Governmental Lender Note pursuant to the Code, which would cause the Tax-Exempt Governmental Lender Note to be an “arbitrage bond” within the meaning of Sections 103(b) and 148 of the Code, and to comply with the requirements of the Code throughout the term of the Tax-Exempt Governmental Lender Note; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Section 8.7 and the requirements of the Tax Certificate, the Tax Certificate shall control.

For purposes of this Section 8.7 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s knowledge and control and no acts, omissions or directions of the Borrower, the Fiscal Agent, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

Section 8.9. Maintenance of Records. The Funding Lender shall keep and maintain adequate records pertaining to funds and accounts relative to the Borrower Loan established with the Funding Lender, if any, including all deposits to and disbursements from said funds and accounts and will provide information and records relating thereto to the Fiscal Agent or the Governmental Lender upon request.

Section 8.10. Immunities and Limitations of Responsibility of Governmental Lender.

(a) The Governmental Lender shall be entitled to the advice of counsel, and the Governmental Lender shall be wholly protected as to action taken or omitted in reliance on such advice. The Governmental Lender may rely conclusively on any written notice or other document furnished to it hereunder or under the Borrower Loan Agreement and reasonably believed by it to be genuine. The Governmental Lender shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof (excluding the payment of any principal, interest or Prepayment Premium on the Governmental Notes to the extent the Borrower has properly paid such amounts to the Governmental Lender). The Governmental Lender shall not be required to take any remedial action (other than the giving of notice) hereunder or under any of the other Funding Loan Documents unless indemnity in a form acceptable to the Governmental Lender is furnished for any expense or liability to be incurred in connection with such remedial action. The Governmental Lender shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the maximum rate of interest permitted under applicable law, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the Governmental Lender may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

(b) A default by the Borrower in any of its covenants, representations and agreements in the Borrower Loan Agreement, Regulatory Agreement or Tax Certificate on which the Governmental Lender is relying in the various sections of this Article VIII shall not be considered a default hereunder by the Governmental Lender.

(c) The Borrower has indemnified the Governmental Lender against certain acts and events as set forth in the Borrower Loan Agreement and Section 8 of the Regulatory Agreement. Such indemnities shall survive payment of the Funding Loans and discharge of this Funding Loan Agreement.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an “Event of Default”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law

or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 12.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the 30-day cure period and the subject matter of the default is not capable of cure within said 30-day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender’s satisfaction, with the Funding Lender’s Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payment; or

(e) Any other “Default” or “Event of Default” under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment; Discharge of Funding Loan.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender or the Fiscal Agent at the direction of the Funding Lender may declare the outstanding principal of the Funding Loan and the Governmental Lender Notes and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Notes shall (subject to Section 9.15 hereof) become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the

Governmental Lender and the Fiscal Agent rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Funding Lender a sum sufficient to pay (A) all overdue installments of interest on the Funding Loan, (B) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (D) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (A) and (C) above); and

(ii) All Events of Default, other than the nonpayment of the principal of the Funding Loan which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) At any time following the third anniversary of the occurrence of an Event of Default and acceleration of the Funding Loan, the Governmental Lender may elect to pay the Funding Loan and the Governmental Lender Notes by transferring and assigning the Security to the Funding Lender, and upon such transfer the Funding Lender shall have no further rights against the Governmental Lender hereunder and such payment shall constitute payment in full of the Funding Loan and the Governmental Lender Notes.

The Funding Lender hereby agrees that upon such transfer and assignment the Funding Lender shall no longer look to the Governmental Lender to receive payment of the principal and interest and all other sums, if any, which are due under the Governmental Lender Notes, but shall look solely to the Security, the rights under the Security to enforce the indebtedness and other obligations of the Borrower and the other parties, and the funds and other assets transferred to the Funding Lender hereunder.

(d) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that neither the Fiscal Agent nor the Funding Lender shall pursue any remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, may, subject to the provisions of Section 9.2(c) hereof, this Section 9.3, Section 9.9 hereof and Section 9.15 hereof, proceed

to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender or the Fiscal Agent is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender or the Fiscal Agent hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. The Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Fiscal Agent as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, or the Fiscal Agent at the direction of the Funding Lender, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower

Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Tax-Exempt Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower, the Fiscal Agent and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default (with a copy of such Written Notice provided to the Equity Investor), the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender or the Fiscal Agent at the direction of the Funding Lender:

(a) First, to the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Rebate Analyst;

(b) Second, to the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed

by Written Direction of the Funding Lender in its sole and absolute discretion or the Fiscal Agent at the direction of the Funding Lender;

(c) Third, to the payment of the amounts required to reimburse the Governmental Lender and the Funding Lender for any legal or other out-of-pocket costs incurred by them in connection with exercising their remedies hereunder; and

(d) Fourth, the payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(e) If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender or the Fiscal Agent, then and in every such case the Governmental Lender and the Funding Lender or the Fiscal Agent shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender and the Fiscal Agent shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender or the Fiscal Agent is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender or the Fiscal Agent to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender or the Fiscal Agent may be exercised from time to time, and as often as may be deemed expedient, by the Funding Lender or the Fiscal Agent at the direction of the Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall

affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, the Funding Lender or the Fiscal Agent at the direction of the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Notes, whether or not the Governmental Lender Notes have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. From and after the Conversion Date, in the event that the Funding Lender or any assignee or designee of the Funding Lender shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall have the right, to be exercised in its sole discretion, to succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such an assumption, if elected, would be effective from and after the effective date of such acquisition and would be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

Section 9.15. Limited Liability of Governmental Lender. Notwithstanding anything herein or in any other instrument to the contrary, the liability of the Governmental Lender for the payment of the principal of and interest on the Funding Loan, whether upon maturity or acceleration of maturity, or for the payment of any other amounts due with respect thereto shall be strictly limited as provided in Article V hereof. Without limiting the generality of the foregoing, the obligations of the Governmental Lender to make any payments on the Governmental Lender Notes shall be solely from the Pledged Revenues and other moneys and Security and from no other source. Furthermore, upon written notice by the Governmental Lender to the Funding Lender, the Funding Lender shall assume all responsibilities for enforcement of remedies under the Borrower Loan Documents, and the sole responsibility of the Governmental Lender shall be to reasonably cooperate with the Funding Lender in the Funding Lender's enforcement efforts, but at no material cost or risk to the Governmental Lender.

ARTICLE X

AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Notes may be amended or waived only by an instrument signed by the Funding Lender, the Fiscal Agent and the Governmental Lender; provided, however, no such amendment which materially adversely affects the rights, duties, or obligations of the Borrower shall be made without the consent of the Borrower and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties,

obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender, the Fiscal Agent or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender, the Governmental Lender, and the Fiscal Agent.

Section 10.2. Amendments Require Funding Lender Consent. Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender or the Fiscal Agent at the direction of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (a) the Funding Lender shall have approved the same in writing in its sole discretion and (b) to the extent requested by the Funding Lender, the Funding Lender, the Governmental Lender, and the Fiscal Agent shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and/or an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE XI

THE FISCAL AGENT

Section 11.1. Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints U.S. Bank Trust Company, National Association as Fiscal Agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

Section 11.2. Certain Duties and Responsibilities of Fiscal Agent.

(a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.

(b) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Fiscal Agent shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) The Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any duty or power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) No provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into any Borrower Loan Documents to which it is a party and any other related documents, solely in its capacity as Fiscal Agent.

(c) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section.

(d) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(e) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

(f) The rights of the Fiscal Agent and limitations of liability enumerated herein and in Section 11.4 shall extend to actions taken or omitted in its role as assignee of the Governmental Lender under the Borrower Loan Agreement and the other Funding Loan Documents.

Section 11.3. Notice of Defaults. Upon the occurrence of any default hereunder or under any Borrower Loan Document, and provided that a Responsible Officer of the Fiscal Agent has actual knowledge of or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Equity Investor, the Servicer, if any, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known

to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

Section 11.4. Certain Rights of Fiscal Agent. Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement or any Borrower Loan Document the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Servicer or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any Borrower Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction, except costs, expenses and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided, that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Article VIII hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of the duties or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any

misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may act upon the advice of counsel of its choice concerning all matters hereof and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice;

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Borrower Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Direction of such default by the Governmental Lender, the Servicer or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Borrower Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the Office of the Fiscal Agent, and in the absence of such Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid; and

Section 11.5. Not Responsible for Recitals. The recitals contained herein and in the Governmental Lender Notes shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Funding Loan.

The Fiscal Agent shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Project. Unless otherwise expressly provided, the Fiscal Agent shall be under no obligation to analyze, review or make any credit decisions with respect to any financial statements, reports, notices, certificates or documents received hereunder but shall hold such financial statements reports, notices, certificates and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement.

The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Borrower Loan Documents.

Section 11.6. May Hold Funding Loan and the Governmental Lender Notes. The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Funding Loan and the Governmental Lender Notes and may otherwise deal with the Governmental Lender, the Funding Lender and the Borrower with the same rights it would have if it were not Fiscal Agent.

Section 11.7. Moneys Held by the Fiscal Agent. Moneys held by the Fiscal Agent hereunder need not be segregated from other funds except to the extent required by law. The Fiscal

Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

Section 11.8. Compensation and Reimbursement. Under the Borrower Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Borrower Loan Agreement, upon its request for all reasonable expenses, disbursements and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct.

When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

(a) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.

(b) As security for the performance of the obligations of the Borrower under this Section and for the payment of such compensation, expenses, reimbursements and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.

(c) The Fiscal Agent's rights to compensation and reimbursement for services rendered prior to its resignation or removal shall survive its resignation or removal, the payment of the Funding Loan or the Borrower Loan or the release of this Funding Loan Agreement.

Section 11.9. Fiscal Agent Required; Eligibility. Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital and surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (c) be otherwise acceptable to the Funding Lender and the Governmental Lender in their sole and absolute discretion.

Section 11.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.

(b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender. If an instrument of acceptance by a successor Fiscal Agent shall not have been delivered to the Fiscal Agent within 30 days after the giving of such notice of resignation, the resigning Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(c) The Fiscal Agent may be removed at any time with 30 days' notice by (i) the Governmental Lender, with the Written Consent of the Funding Lender (which consent of the Funding Lender shall not be unreasonably withheld), (ii) the Borrower (unless the Borrower is in default under any of the Borrower Loan Documents), subject to applicable notice and cure periods, with the Written Consent of the Funding Lender and the Governmental Lender, or (iii) the Funding Lender with the Written Consent of the Governmental Lender and Written Notice delivered to the Fiscal Agent and the Borrower.

(d) If the Fiscal Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the Office of the Fiscal Agent for any cause, the Governmental Lender shall promptly appoint a successor Fiscal Agent, with the consent of the Funding Lender. In case all or substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after the later of such resignation, removal or incapability or the occurrence of such vacancy and receipt of written notice of such by the Governmental Lender, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment in the manner hereinafter provided, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the office of the successor Fiscal Agent.

Section 11.11. Acceptance of Appointment by Successor.

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights,

powers, and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Fiscal Agent all the estates, properties, rights, powers and duties of the retiring Fiscal Agent, and shall duly assign, transfer and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights and powers.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 11.12. Merger, Conversion, Consolidation or Succession to Business. Any entity into which the Fiscal Agent may be merged or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such entity shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Governmental Lender and the Funding Lender within 30 days of such succession.

Section 11.13. Appointment of Co-Fiscal Agent. It is recognized that in case of litigation under this Funding Loan Agreement, the Borrower Loan Agreement, any other Borrower Loan Document or the Regulatory Agreement, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Fiscal Agent or hold title to the properties, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section are adopted to these ends.

The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement, any Borrower Loan Document, the Regulatory Agreement or the Borrower Loan Agreement to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Should any instrument in writing from the Governmental Lender be required by the separate fiscal agent or co-fiscal agent appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to it such properties, rights, powers, duties and obligations, any and all such instruments in writing shall, on request of the Fiscal Agent, be executed, acknowledged and delivered by the Governmental Lender. In case any separate fiscal agent or co-Fiscal Agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, duties and obligations of such separate fiscal agent or co-fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a successor to such separate fiscal agent or co-fiscal agent.

Section 11.14. Loan Servicing. The Governmental Lender and the Fiscal Agent acknowledge that the Funding Lender shall have the right to appoint a Servicer to service and administer the Funding Loan and the Borrower Loan as set forth in a Servicing Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for any acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

Section 11.15. No Recourse With Respect to Governmental Lender. Notwithstanding anything to the contrary herein or to the contrary in any Funding Loan Document, no recourse under or upon any obligation, covenant or agreement contained in this Funding Loan Agreement or in the Governmental Notes shall be had against any member, officer, commissioner, director or employee (past, present or future) of the Governmental Lender, either directly or through the Governmental Lender or its governing body or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, or otherwise, of any sum that may be due and unpaid by the Governmental Lender or its governing body upon the Governmental Notes. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director or employee, as such, to respond by reason of any act of omission on his/her part or otherwise, for the payment for or to the Funding Lender or otherwise of any sum that may remain due and unpaid with respect to the Funding Loans hereby secured is, by the acceptance hereof, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the delivery of the Governmental Notes. The Funding Lender's remedies in the event of a default under the Funding Loans shall be limited to those remedies set forth herein and, if an Event of Default also exists under the Borrower Loan Agreement or the Borrower Notes, to commence foreclosure under the Security Instrument and the other Borrower Loan Documents and to exercise of the power of sale or other rights granted thereunder. In the event of a default hereunder or under the Governmental Notes, the Funding Lender shall not have the right to proceed directly against the Governmental Lender or the right to obtain a deficiency judgment from the Governmental Lender after foreclosure. Nothing contained in the foregoing shall limit any rights or remedies the Governmental Lender, the Funding Lender or the Servicer may have against the Borrower.

Any facsimile signature by a Person on a document, notice, demand, request or communication required or permitted by this Funding Loan Agreement shall constitute a legal, valid and binding execution thereof by such Person.

Any party to this Funding Loan Agreement may change such party's address for the purpose of notice, demands, requests and communications required or permitted under this Funding Loan Agreement by providing written notice of such change of address to all of the parties by written notice as provided herein.

Section 12.2. Term of Funding Loan Agreement. This Funding Loan Agreement shall be in full force and effect until all payment obligations of the Governmental Lender hereunder have been paid in full and the Funding Loan has been retired or the payment thereof has been provided for; except that on and after payment in full of the Governmental Lender Notes, this Funding Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the rights of the Governmental Lender to indemnity, non-liability and payment of all reasonable fees and expenses shall survive the cancellation and termination of this Funding Loan Agreement pursuant to this Section.

Section 12.4. Legal Holidays. In any case in which the date of payment of any amount due hereunder or the date on which any other act is to be performed pursuant to this Funding Loan Agreement shall be a day that is not a Business Day, then payment of such amount or such act need not be made on such date but may be made on the next succeeding Business Day, and such later payment or such act shall have the same force and effect as if made on the date of payment or the date fixed for prepayment or the date fixed for such act, and no additional interest shall accrue for the period from and after such date and prior to the date of payment.

If any provision of this Funding Loan Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired. In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Notes or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

Section 12.7. Execution in Several Counterparts. This Funding Loan Agreement may be contemporaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN BY THE BORROWER, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL. IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, THE BORROWER AGREES TO THE RESOLUTION OF ALL DISPUTES BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

City and County of San Francisco
Multifamily Housing Revenue Note
(Sunnydale HOPE SF Block 3A)
Series 2023E-1

Dated [CLOSING DATE]

[\$43,761,006]

FOR VALUE RECEIVED, the undersigned City and County of San Francisco (“Obligor”) promises to pay to the order of WELLS FARGO BANK, NATIONAL ASSOCIATION (together with its successors and assigns, “Holder”) solely from the amounts pledged therefore under the below-defined Funding Loan Agreement, the maximum principal sum of [_____] DOLLARS (\$[43,761,006]) on [TAX-EXEMPT MATURITY DATE], or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of May 1, 2023 (the “Funding Loan Agreement”), among Obligor, U.S. Bank Trust Company, National Association, as fiscal agent (the “Fiscal Agent”) and Holder, an amount in immediately available funds sufficient to pay the principal amount of the Funding Loan then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts are derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on this Governmental Lender Note in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of the Funding Loan so paid.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on this Governmental Lender Note then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a construction and permanent loan (the “Borrower Loan”) made by Obligor from proceeds of the Funding Loan to Sunnydale Block 3A Housing Partners, L.P., a California limited

partnership, as borrower (the “Borrower”), under that certain Borrower Loan Agreement, dated as of May 1, 2023 (as the same may be modified, amended or supplemented from time to time, the “Borrower Loan Agreement”), between the Obligor and the Borrower. The portion of the Borrower Loan related to this Governmental Lender Note is evidenced by the Tax-Exempt Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the Tax-Exempt Borrower Note for complete payment and prepayment terms of the Tax-Exempt Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on this Governmental Lender Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Lender Note or any of the Obligor’s agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Obligor is pledged to the payment of the principal of or premium or interest on this Governmental Lender Note.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or pursuant to the Funding Loan Agreement at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

If there is an Event of Default under the Funding Loan Agreement, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any,

due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Subject to the limits on liability set forth herein and in the Funding Loan Agreement, and solely from the collateral pledged therefor, Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

This Governmental Lender Note may not be changed orally and any changes hereto must be made in writing signed by the Obligor. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Dated [CLOSING DATE]

[\$[MAXIMUM TAXABLE PAR]

FOR VALUE RECEIVED, the undersigned City and County of San Francisco (“Obligor”) promises to pay to the order of WELLS FARGO BANK, NATIONAL ASSOCIATION (“Holder”) the maximum principal sum of [_____] DOLLARS (\$[MAXIMUM TAXABLE PAR]) on [TAXABLE MATURITY DATE], or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of May 1, 2023 (the “Funding Loan Agreement”), among Obligor, U.S. Bank Trust Company, National Association, as fiscal agent (“Fiscal Agent”) and Holder, an amount in immediately available funds sufficient to pay the principal amount of the Funding Loan then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts are derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on the Funding Loan in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of the Funding Loan so paid.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on the Funding Loan then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a construction and permanent loan (the “Borrower Loan”) made by Obligor from proceeds of the Funding Loan to Sunnydale Block 3A Housing Partners, L.P., a California limited partnership, as borrower (the “Borrower”), under that certain Borrower Loan Agreement, dated as

of May 1, 2023 (as the same may be modified, amended or supplemented from time to time, the “Borrower Loan Agreement”), between the Obligor and the Borrower. The portion of the Borrower Loan related to this Governmental Lender Note is evidenced by the Taxable Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the Taxable Borrower Note for complete payment and prepayment terms of the Taxable Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on this Governmental Lender Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Lender Note or any of the Obligor’s agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Obligor is pledged to the payment of the principal of or premium or interest on this Governmental Lender Note.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or pursuant to the Funding Loan Agreement at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

If there is an Event of Default under the Funding Loan Agreement, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

This Governmental Lender Note may not be changed orally and any changes hereto must be made in writing signed by the Obligor. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

The Funding Loan, or any interest therein, and this Governmental Lender Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Funding Loan, or any interest therein, and this Governmental Lender Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

The following provisions shall apply to this Funding Loan Agreement as if set forth in the text hereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Funding Loan Agreement. As used herein, the Funding Lender and Fiscal Agent shall together be known as the “Obligated Party”.

1. Nondiscrimination; Penalties.

(a) *Non Discrimination in Contracts.* The Fiscal Agent shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Fiscal Agent is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits.* *San Francisco Administrative Code 12B.2.* The Fiscal Agent does not as of the date of this Agreement, and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

(c) *Condition to Contract.* As a condition to the Agreement, the Fiscal Agent shall execute the “Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits” form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

2. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Agreement. By entering into this Agreement, the Fiscal Agent confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

5. Compliance With Americans With Disabilities Act. The Fiscal Agent shall provide the services specified in the Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

6. Sunshine Ordinance. The Fiscal Agent acknowledges that this Agreement and all records related to its formation, such Fiscal Agent's performance of services provided under the Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing this Agreement, the Fiscal Agent acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (1) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (2) a candidate for that City elective office, or (3) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Fiscal Agent's board of directors; the Fiscal Agent's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in the Fiscal Agent any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Fiscal Agent. The Fiscal Agent certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for such contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

8. Requiring Minimum Compensation for Covered Employees. The Fiscal Agent shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P. The Fiscal Agent is subject to the enforcement and penalty

provisions in Chapter 12P. By entering into this Agreement, the Fiscal Agent certifies that it is in compliance with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. The Fiscal Agent shall comply with San Francisco Administrative Code Chapter 12Q. The Fiscal Agent shall choose and perform one of the Health Care Accountability options set forth in San Francisco Administrative Code Chapter 12Q.3. The Fiscal Agent is subject to the enforcement and penalty provisions in Chapter 12Q.

10. Prohibition on Political Activity With City Funds. In performing the services provided under the Agreement, the Fiscal Agent shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Fiscal Agent is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If this Agreement requires the City to disclose “Private Information” to the Fiscal Agent within the meaning of San Francisco Administrative Code Chapter 12M, the Fiscal Agent shall use such information consistent with the restrictions stated in Chapter 12M and in this Agreement and only as necessary in performing the services provided under the Agreement. The Fiscal Agent is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Agreement, the Fiscal Agent may have access to the City’s proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Fiscal Agent, such information must be held by such Fiscal Agent in confidence and used only in performing the Agreement. The Fiscal Agent shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Fiscal Agent agrees to comply fully with and be bound by all of the provisions of Chapter 12T, “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (“Chapter 12T”), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Fiscal Agents’ obligations under Chapter 12T is set forth in this Section. The Fiscal Agent is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Fiscal Agent’s operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective

employment of an individual is wholly or substantially within the City of San Francisco which excludes City property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

13. Reserved.

14. Submitting False Claims; Monetary Penalties. The full text of San Francisco Administrative Code §§ 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

15. Conflict of Interest. By entering into the Agreement, the Fiscal Agent certifies that it does not know of any fact which constitutes a violation of Section 15.103 of the City's Charter; Article III, Chapter 2 of City's Campaign and Governmental Conduct Code; Title 9, Chapter 7 of the California Government Code (Section 87100 et seq.), or Title 1, Division 4, Chapter 1, Article 4 of the California Government Code (Section 1090 et seq.), and further agrees promptly to notify the City if it becomes aware of any such fact during the term of this Agreement.

16. Assignment. The services provided under the Agreement to be performed by the Fiscal Agent are personal in character and neither this Agreement nor any duties or obligations may be assigned or delegated by the Fiscal Agent unless first approved by the City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

17. Food Service Waste Reduction Requirements. The Fiscal Agent shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the provided remedies for noncompliance.

18. Cooperative Drafting. This Agreement has been drafted through a cooperative effort of the City and the Fiscal Agent, and all parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

19. Laws Incorporated by Reference. The full text of the laws listed in this Appendix, including enforcement and penalty provisions, are incorporated into this Agreement by reference.

The full text of the San Francisco Municipal Code provisions incorporated by reference in this Appendix are available at www.sfgov.org under “Open Gov.”

(m) The Owner will take such action or actions as may be necessary, in the written opinion of Tax Counsel to the City, to comply fully with the Act, the Code and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the Tax-Exempt status of interest on the Tax-Exempt Note.

(n) No portion of the proceeds of the Tax-Exempt Note shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the Tax-Exempt Note shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed of such office is not related to the day-to-day operations of the Project.

(o) In accordance with Section 147(b) of the Code, the average maturity of the Tax-Exempt Note does not exceed one hundred twenty percent (120%) of the average reasonably expected economic life of the facilities being financed by the Tax-Exempt Note.

3. Qualified Residential Rental Property. The Owner hereby acknowledges and agrees that the Project will be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code). The City hereby elects to have the Project meet the requirements of Section 142(d)(1)(B) of the Code and the Owner hereby elects and covenants to comply with Section 142(d)(1)(B) of the Code with respect to the Project. To

that end, and for the term of this Regulatory Agreement, the Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired and constructed for the purpose of providing multifamily residential rental property, including certain facilities related thereto, and the Owner shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the residential dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each residential dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range (which may be a countertop cooking range), refrigerator and sink.

(c) None of the residential dwelling units in the Project will at any time be used on a transient basis (e.g., subject to leases that are less than thirty (30) days in duration) (including use as a corporate suite), or be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) No part of the Project will at any time be operated as a condominium or owned by a cooperative housing corporation, nor shall the Owner take any steps in connection with a conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Owner shall not take any steps in connection with a conversion of the Project to a condominium ownership except with the prior written opinion of Tax Counsel that the Tax-Exempt status of the interest on the Tax-Exempt Note will not be adversely affected thereby.

(e) All of the residential dwelling units in the Project will be available for rental on a continuous basis to members of the general public and the Owner will not give preference to any particular class or group in renting the residential dwelling units in the Project, except to the extent required by (i) this Regulatory Agreement, (ii) the Gap Loan and the Declaration of Restrictions – Gap Loan; (iii) the Ground Lease; (iv) the HAP Contract; (v) any regulatory or restrictive use agreement to which the Project is or becomes subject pursuant to Section 42 of the Code, (vi) any additional tenant income and rent restrictions imposed by the City, (vii) any other federal, State or local governmental agencies that imposes any additional tenant income and rent restrictions, and (viii) any other legal or contractual requirement not excepted by clauses (i) through (vii) of this subsection, upon receipt by the Owner, the Funding Lender and the City of an opinion of Tax Counsel to the effect that compliance with such other requirement will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

(f) The Site consists of a parcel or parcels that are contiguous and all of the Facilities will comprise a single geographically and functionally integrated project for residential rental property (including the portions of the common areas allocated to the Project), as evidenced by the ownership, management, accounting and operation of the Project.

(g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if any building in the Project contains five (5) or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units in such building by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (*e.g.*, TANF, Section 8 or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Code and the Regulations, or condemnation or similar event, the Owner covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Note or, if permitted under the provisions of the Security Instrument and the Funding Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be in substantially the same condition at all times as the condition it is in at the time of the completion of the construction of the Project with the proceeds of the Note. Notwithstanding the foregoing, the Owner's obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Borrower Loan Agreement and the Security Instrument.

(k) The Project will have and continue to have eighty (80) residential dwelling units, one (1) of which will be a manager's unit.

(l) The Owner will not sell dwelling units within the Project.

4. Restricted Units. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees with respect to the Project as follows:

(a) Income and Rent Restrictions. In addition to the requirements of Section 5, hereof, the Owner with respect to the Project shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two (2) or more of such provisions shall be resolved in favor of the most restrictive of such provisions, that is, in favor of the lowest income and rent restriction.

(i) [Reserved].

(ii) Very Low-Income Units. A total of eighty (80) Available Units, excluding one (1) manager's unit, in the Project shall be rented to and continuously occupied by households who qualify as Very Low-Income Tenants, with priority given to Existing Tenants with a Right to Return (as defined in the Gap Loan). The monthly rent charged for all the Very Low-Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the lower of City Median Income or the Median Income for the Area, less the utility allowance; provided however that the monthly rent charged for the Very Low-Income Units receiving the Section 8 subsidy shall be as determined in accordance with the HAP Contract [and the monthly rent charged for the _____ Units, shall not exceed one-twelfth (1/12) of the amount obtained by multiplying thirty percent (30%) times eighty percent (80%) of the City Median Income, less the utility allowance.

(iii) Additional MOHCD Restrictions. In addition to the above paragraphs (a)(i) and (ii), all Restricted Units shall at all times be occupied, or held vacant and available for rental, as required by the Declaration of Restrictions – Gap Loan, except where otherwise expressly restricted or prohibited by any CDLAC Requirements.

(iv) Income Restrictions Pursuant to the Code. Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project or thirty-two (32) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. The Owner shall satisfy the requirements of this Subsection 4(a)(iv) by complying with the requirements of Subsection 4(a)(ii), to the extent such compliance meets the requirements of Section 142(d)(1)(B) of the Code.

(v) Income and Rent Restrictions Pursuant to the Housing Law. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project, or thirty-two (32) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area ; provided, however, that

if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, the monthly rent charged for such units shall not exceed (a) one-twelfth (1/12th) of the amount obtained by multiplying thirty percent (30%) times sixty percent (60%) of the Median Income for the Area (excluding any supplemental rental assistance from the State, the Federal government, or any other public agency to those occupants or on behalf of those units), (b) less the utility allowance. The Owner shall satisfy the requirements of this Subsection 4(a)(v) by complying with the requirements of Subsection 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 52080(a)(1)(B) of the Housing Law.

(vi) CDLAC Requirements. To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive than any of the foregoing requirements, the Owner shall comply with the CDLAC Requirements.

(vii) Income and Rent Restrictions in Event of Loss of Subsidy. If any Section 8 rental subsidy related to the Project is terminated or substantially reduced, the occupancy and rent restrictions set forth in Subsections 4(a)(ii) may be altered, but only to the minimum extent required for the financial feasibility of the Project, as determined by the City in its reasonable discretion in accordance with substantially similar underwriting criteria used by the City to evaluate the Project's financial feasibility prior to the Closing Date, provided that, in any event, one hundred percent (100%) of the units formerly under the HAP Contract, as applicable, must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed eighty percent (80%) of [Median Income for the Area] and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of [Median Income for the Area], and provided, further, the Owner first obtains and delivers to the Fiscal Agent and the City an opinion of Tax Counsel, acceptable to the City in its sole discretion, to the effect that such alteration would not adversely affect any exclusion of interest on the Tax-Exempt Note from gross income for federal tax purposes. To the extent financially feasible, as mutually determined by the parties, any such rent increase will be limited to (or will be first implemented with) any vacant units. In such event, the City shall use good faith efforts to meet with Owner, within fifteen (15) business days after Owner's written request to meet, in order to determine the amount of any rent increase. The relief provided by this section shall not be construed as authorizing the Owner to exceed any income or rent restrictions imposed on the Project by CDLAC, CTCAC or other agreements, and the Owner represents and warrants that it shall have obtained any necessary approvals or relief from any other applicable income and rent limitations prior to implementing the relief provided by this Section.

(viii) Restricted Units. Because all of the units in the Project are required to be Restricted Units (excluding the one (1) manager's unit) pursuant to Section 4(a) hereof, any Available Unit not required to be rented to an Existing Tenant must be rented to or held vacant for a Very-Low Income Tenant or Low-Income Tenant, as applicable.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant who satisfies the applicable income limit for a Restricted Unit upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after

admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

(c) Income Certifications. The Owner will obtain, complete and maintain on file Income Certification Forms for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's income. In addition, the Owner will provide such further information as may be required in the future by the State, CDLAC, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Regulations, as the same may be amended from time to time, and in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Fiscal Agent) an executed Certificate of Continuing Program Compliance (in the form of that which is attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Note or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations (Division 9.5 of Title 4 of the California Code of Regulations).

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Fiscal Agent. Failure to comply with the provisions of this Subsection will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (i) certifies the accuracy of the statements made in the Income Certification Form, (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will

comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification Form or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (iii) acknowledges that the Owner has relied on the Income Certification Form and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(c) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the City or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the City or the Fiscal Agent shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take any of the following actions:

(i) Except for the Permitted Encumbrances or as otherwise previously approved by the City, encumber any portion of the Project or grant commercial leases or subleases of any part thereof [(except in connection with the Commercial Space)], or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (a) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (b) upon receipt by the Owner, the Fiscal Agent and the City of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note, or (c) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement;

(ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply, or cause compliance, with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered by the Owner or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not

reasonably susceptible to correction within sixty (60) days and, in the opinion of Tax Counsel acceptable to the City, in its sole discretion, such noncompliance would not have an adverse effect on any exclusion of interest on the Tax-Exempt Note from gross income for federal income tax purposes, in which event the Owner shall have such additional time as the City determines to be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery, is diligently prosecuting such correction and is keeping the City updated on the progress.

5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall not be less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the lower of City Median Income or Median Income for the Area, as applicable. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City and the Program Administrator to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The City may change the Program Administrator at its sole and exclusive discretion. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than Mercy Housing Management Group without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8 and the Operational Rules referenced in Exhibit I, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Sections 42 and 142(d) of the Code, the Act, the Gap Loan, the CDLAC Resolution, CTCAC requirements or other applicable Federal or State law.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar federal State or local governmental assistance program. The Owner shall not apply selection criteria to

Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all Tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against Tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI). Further, Owner shall comply with all notice provisions set forth in the Housing Act prior to terminating any lease to which any Tenant is a party. The Owner acknowledges that (i) federal notice requirements under the Housing Act are distinct from those under State law or City law and the Owner shall comply with all Federal, State and local laws in connection with any such notice requirements, and (ii) compliance with the law of one jurisdiction shall not be deemed compliance with the laws of all jurisdictions.

(g) Income Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Subsection 6(f), the parties agree, from and after the expiration of the Qualified Project Period, (i) that Subsection 6(f)(i) shall not apply and (ii) that units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying as Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), and such expiration or termination shall not be the cause for termination of a Tenant's tenancy in a Restricted Unit except as expressly provided in Subsection 6(f)(ii), Subsection 6(f)(iii), except that the reference to 30 years shall be seventy-five (75) years, and Subsection 6(f)(iv).

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are voluntarily agreed to by the Owner in consideration of financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Amendment or Waiver by City; Conflicting Provisions. The requirements of Subsection 4(a) (ii) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Fiscal Agent have received an opinion of Tax Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note. Any requirement of Subsection 4(a)(i), Subsection 4(a)(ii) or Section 5 shall be void and of no force and effect if the City, the Fiscal Agent and the Owner receive a written opinion of Tax Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements

of this Section 5 shall be in effect until the date that is the later of (i) seventy-five (75) years from the Closing Date or (ii) the end of the Life of the Project, provided, however, that if the Life of the Project is less than 75 years due to casualty, then the term of the Life of the Project controls; provided that certain provisions of this Section 5 shall survive and remain in full force and effect following the end of the Qualified Project Period, as specified in Section 11 hereof.

(k) Marketing and Tenant Selection Plan. Owner will market the Restricted Units in accordance with the Marketing and Tenant Selection Plan approved by the City, which shall be substantially in the form referred to in Exhibit J, as may be updated by the City from time to time.

(l) Annual Reporting. Owner must file with the City annual reports (the “Annual Monitoring Report”) no later than one hundred twenty (120) days after the end of Owner’s fiscal year. The Annual Monitoring Report must be in substantially the form referenced in Exhibit H, as may be updated by the City from time to time. Thereafter and for the remainder of the Life of the Project, the Owner shall maintain sufficient records of the information generally requested in the Annual Monitoring Report.

(m) Capital Needs Assessment. Owner must file with the City a CNA every five (5) years, with the initial CNA due from the Completion Date. The CNA must be in the form referenced in Exhibit H, as may be updated or revised by the City from time to time.

(n) HAP Contract Compliance. For all Units, for so long as the HAP Contract is in effect, Owner shall comply with the tenant protection requirements set forth in the HAP Contract and the applicable provisions as set forth in more detail in the Ground Lease, including but not limited to the following:

(i) Owner shall not subject any Existing Tenant to rescreening, income eligibility, or income targeting provisions. Nothing in this subsection shall be deemed to prohibit the Owner from obtaining income certifications from the Existing Tenants in accordance with the requirements of CTCAC; provided, however, in no event shall such income certification be used to deny or otherwise impair the Existing Tenant’s rights to return to, and occupy, a unit in the Project in accordance with the Ground Lease. Once an Existing Tenant moves out, the unit formerly occupied by such Existing Tenant must be leased to a Very Low Income Tenant;

(ii) Any Existing Tenant that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to a unit once rehabilitation or construction is completed or voluntarily accept an offer to permanently relocate in accordance with the Uniform Relocation Assistance Act;

(iii) Owner must renew all Tenant leases upon lease expiration, unless good cause for refusing renewal exists. This provision must be incorporated into each Tenant lease;

(iv) Owner must provide Tenants with the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment. Owner shall provide \$25 per occupied unit per year for resident education, organizing around tenancy issues and training activities, of which at least \$15 per occupied unit per year must be

provided to a legitimate resident association if one exists at the Site. In addition, all net income from laundry and vending machines at the Site must be provided to support the operations of the resident organization; and

(v) Owner shall comply with certain additional requirements regarding notice of termination of the lease and regarding grievance process hearings, all as may be further set forth in a lease rider to be provided by HUD on the Closing Date.

6. Additional Requirements of State Law. In addition to the requirements set forth herein, pursuant to Section 52080 of the Housing Law, the Owner hereby agrees that it shall also comply with each of the following requirements, in each case, for the Term of this Regulatory Agreement, including the following:

(a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(b) Availability on Priority Basis. The Restricted Units shall remain available on a priority basis for occupancy at all times by Qualified Tenants.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the name of the Owner as grantor and to the name of the City as grantee.

(e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project. Notwithstanding the foregoing, the parties agree that this Section 6(e) shall have no practical effect because one hundred percent (100%) of the units in the Project are required to be Restricted Units pursuant to Section 4(a).

(f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Note, assignment of the leasehold interest in the Project in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), until the earliest of (i) the household's income exceeds one hundred-forty percent (140%) of the maximum eligible income specified therein (except as otherwise specified in Subsection 5(g.)), (ii) the household voluntarily moves or is evicted for good cause, as defined in the Housing Law, (iii) thirty (30) years after the date of the commencement of the Qualified

Project Period except as otherwise specified in Subsection 5(g)), and (iv) the Owner pays the relocation assistance and benefits to households if required by, and as provided in, Section 7264(b) of the California Government Code.

(g) Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the expiration of the Qualified Project Period, the Owner shall continue to make available to Qualified Tenants Restricted Units that have been vacated to the same extent that non-Restricted Units, if any, are made available to non-eligible households. Nothing in this Subsection 6(g) or 6(f) shall be interpreted to require the City to monitor Owner's compliance herewith or with Subsection 6(f).

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Partnership Agreement. Any syndication of tax credits with respect to the Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Partnership Agreement will not be amended, modified or supplemented in connection with such syndication except to reflect such transfer of limited partnership interests; provided, however, that the Owner shall provide to the City, at least five (5) business days prior to the effective date of any such syndication, written notice of such syndication certifying that no other amendment, modification or supplement to the Partnership Agreement will be effected in connection with such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the Project shall be subject to the prior written approval of the Director of MOHCD, which approval shall be granted only after the City determines that the terms and conditions of such syndication (i) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (ii) shall not cause any of the requirements of the City set forth in this Section 6 to be subordinated to the syndication agreement, and (iii) shall not result in the provision of fewer Restricted Units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.

7. Indemnification. The Owner hereby releases the City (which includes MOHCD), the Fiscal Agent and the Funding Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees, to the fullest extent permitted by law, to indemnify, hold harmless and defend the City, the Fiscal Agent, the Funding Lender and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees and expenses, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or

otherwise in connection with the Project, the Borrower Loan or the Note, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Borrower Loan, the Funding Loan or otherwise, including without limitation, any advances of the Borrower Loan or Funding Loan or any failure of the Funding Lender to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Borrower Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of any note or bond, including any secondary market transaction with respect thereto, or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Borrower Loan Agreement, the Funding Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation and management of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the City, the Funding Lender or the Fiscal Agent of their powers or duties under the Borrower Loan Agreement, the Funding Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party or assignee; provided, however, that this provision shall not require the Owner to indemnify (i) the Funding Lender from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Funding Lender or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the engagement of counsel selected by the Indemnified Party; and the Owner shall assume the payment of all reasonable fees and expenses related thereto (provided however that if the Indemnified Party is the City, the selection of the counsel rests in the sole discretion of the City Attorney and the Owner shall assume the payment of all attorneys' fees and expenses related thereto), with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Funding Loan Agreement, the Borrower Loan Agreement, the Note or any other agreement relating to the Note.

Additionally, the Owner also shall, to the fullest extent permitted by law, pay and discharge and shall indemnify and hold harmless the City and the Fiscal Agent from (i) any lien or charge upon payments by the Owner to the City and the Fiscal Agent hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City or the Fiscal Agent shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the engagement of counsel approved by the Indemnified Party and the payments of all reasonable fees and expenses related thereto (provided that if the Indemnified Party is the City, the selection of counsel (which may be or include the City Attorney of the City) rests in the sole discretion of the City Attorney) and the Owner shall assume the payment of all expenses related thereto, with

full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between the Owner's defense and the interests of an Indemnified Party, then such Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses (and in the case of the City, all such fees and expenses) of such separate counsel.

Notwithstanding any transfer of the Project to another Owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 7 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 7 shall survive the term of the Note and this Regulatory Agreement, including the termination of this Regulatory Agreement pursuant to the second paragraph of Section 11 hereof and the earlier removal or resignation of the Fiscal Agent.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnification.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

8. Consideration. The City has issued the Note and made the Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the Project. In consideration of the making of the Borrower Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

9. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Note, and in the Tax-Exempt status of the interest on the Tax-Exempt Note. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and the Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion

10. Sale or Transfer of the Project. The Owner intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project (except in accordance with the right of first refusal described in the Partnership Agreement), and, except as

otherwise provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use [and the leasing of the Commercial Space] as contemplated hereunder and/or pursuant to the aforementioned right of first refusal) or interest therein, including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Borrower Loan Agreement or any document related to the Borrower Loan, and payment of all fees and expenses of the City and the Fiscal Agent due under any of such documents is current, and (v) an opinion of Tax Counsel to the effect that such transfer will not, in itself, cause interest on the Tax-Exempt Note to become includable in the gross income of the recipients thereof for federal income tax purposes except to the extent held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 10 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than sixty (60) days prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer and providing relevant information regarding the proposed transfer.

Notwithstanding the foregoing, the provisions of this Section 10 shall not apply to the granting of the Security Instrument (or the exercise of remedies thereunder following an uncured event of default) or transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner in the Owner (which is instead subject to paragraph (i) of Section 6), (b) a General Partner's interest to an affiliate of such General Partner or Investor Limited Partner if Investor Limited Partner has removed and replaced a General Partner for cause pursuant to the Partnership Agreement, or (c) the transfer of any non-managing member or limited partner interest in the Investor Limited Partner; provided however that such grant, exercise or transfer will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Note. Notwithstanding the foregoing sentence, promptly upon the occurrence of any of such transfer, grant, or exercise of remedies under the Security Interest (including, but not limited to a foreclosure), the transferee or subsequent owner shall provide to the City evidence satisfactory to the City that such transferee or new owner has

assumed in writing, and in full, the Owner's duties and obligations under Sections 3, 4 and 5 of this Regulatory Agreement and any provisions thereof relating to the enforcement of such provisions or remedies resulting from any breach thereof.

11. Term. Subject to the following paragraph of this Section 11, Section 7 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect until the later of (a) the end of the Qualified Project Period or (b) seventy-five (75) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by events such as fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above within a reasonable period, either the Note is paid in full or cancelled or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of an assignment of the leasehold interest in the Project in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described herein above. Notwithstanding the foregoing paragraph, Owner agrees that Sections 3, 4 and 5 of this Regulatory Agreement (and any provisions relating to the enforcement of such provisions or remedies resulting from any breach thereof) shall survive the termination of this Regulatory Agreement.

Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received by the City an opinion of Tax Counsel that such termination will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Note.

Upon the expiration or termination of this Regulatory Agreement or certain terms hereof, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of said expired or terminated terms; provided, however, that the execution and delivery

of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

12. Covenants to Run with the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the expiration or termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire except those terms which are expressly intended to survive expiration or termination. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

13. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low-Income Tenants and Very Low-Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued.

14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

15. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days (the "Cure Period") after written notice thereof shall have been given by the City to the Owner and the Investor Limited Partner (and a copy of such notice shall also be given to the Fiscal Agent, provided however that the failure of the City to provide such copy to the Fiscal Agent shall have no effect on the sufficiency of the notice to the Owner), the City may, as its sole option, extend the Cure Period (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than 60 days to cure and if the Owner provides the City, if requested by the City, with an opinion of Tax Counsel to the effect that such extension will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note). Upon the expiration of the Cure Period, as the same may be extended, then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Borrower Loan Agreement, may take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder, subject, however, to those limits on exercising remedies set forth in Section 8.2 of the Borrower Loan Agreement.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Security Instrument except as may be otherwise specified in the Security Instrument.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

16. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

17. Payment of Fees. The Owner shall pay to the City, or to the Fiscal Agent at the direction of the City, on each anniversary date of the Closing Date during the term of this Regulatory Agreement one-eighth of one percent (0.125%) of the average outstanding aggregate par amount of the Note in the previous twelve (12) months, but no less than \$2,500.

Notwithstanding any prepayment of the Loans and notwithstanding a discharge of the Funding Loan Agreement and/or the Borrower Loan Agreement, the Owner shall continue to pay the City's Annual Fee as calculated and described above. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by it hereunder and reimbursement for all expenses incurred by it in connection therewith.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Funding Lender, the Fiscal Agent, CDLAC and/or the Program Administrator in connection with such action.

18. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

19. Amendments. To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the City, the Fiscal Agent and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain

the Tax-Exempt status of interest on the Tax-Exempt Note, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC, and provided further, that any amendment to Sections 3 and 4 thereof shall require an opinion of Tax Counsel filed with the City, the Fiscal Agent, the Funding Lender and the Owner, to the effect that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

20. City Contracting Provisions. The Owner covenants and agrees to comply with the City Contracting Provisions set forth in Exhibit G to this Regulatory Agreement, which are incorporated in and made a part of this Regulatory Agreement by this reference.

21. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given (i) on the date personally delivered or (ii) on the second business day following the date on which the same have been mailed by first class mail, postage prepaid, or (iii) by telecopier or other electronic means (including email), and deemed given one business day after such facsimile or electronic transmission but only upon prompt receipt of such notice by first class or overnight mail, or (iv) the business day following delivery by a recognized overnight delivery service, addressed as follows:

22. Interpretation. The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto.

23. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

24. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are entered into for the benefit of various parties, and the parties hereto acknowledge that the Fiscal Agent and CDLAC are third party beneficiaries of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 15 hereof, the terms hereof and the terms of the CDLAC Resolution. Notwithstanding the above, CDLAC shall be entitled solely to enforce the terms of the CDLAC Resolution, and any enforcement of the terms and provisions of the CDLAC Resolution by CDLAC shall not adversely affect the interests of the Fiscal Agent, and shall otherwise be subject to the terms, conditions and limitations otherwise applicable to the enforcement of remedies under this Regulatory Agreement pursuant to Section 52080(k) of the Housing Law, the provisions of Subsection 4(a)(v) and Section 6 hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.

25. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

26. CDLAC Requirements. In addition to the other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Owner hereby agrees: i) to comply with the CDLAC Resolution; ii) that the acquisition, construction, and operation of the Project, and the financing thereof, is and shall be in compliance with the conditions set forth in Exhibit A (“CDLAC Requirements”) to CDLAC Resolution No. 22-274 adopted on November 30, 2022, amended _____, 2023, attached hereto as Exhibit F (the “CDLAC Resolution”), which CDLAC Requirements are incorporated herein by this reference; and iii) that the Owner will cooperate fully with the City in connection with the City’s monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Requirements not contained within this Regulatory Agreement, but referred to in the CDLAC Requirements, is the responsibility of the Owner to report to the City.

After the Tax-Exempt Note is executed and delivered, the terms and conditions set forth in the CDLAC Resolution shall be enforceable by CDLAC (or in its sole discretion the City) through an action for specific performance or any other available remedy. In addition, after the Note is issued, a) changes to Items #1, #6, #7, #10 thru #12, #14 thru #16, #18 thru #26, and #37 of the CDLAC Requirements require CDLAC’s Committee or Executive Director’s approval (or as otherwise required by CDLAC); and b) items #2, #13, #17, #27 of the CDLAC Requirements cannot be altered. Changes to Items #3 thru #5 of the CDLAC Resolution require no CDLAC Committee or Executive Director’s approval but any alterations must be reported to CDLAC staff for the affordability period. Changes to Items #8 and #9 of the CDLAC Requirements require no CDLAC notification and changes to Items #28 thru #36 of the CDLAC Requirements require CDLAC Committee or Executive Director’s approval only prior to the Project being placed in service by the CTCAC, if tax credits are received.

Compliance with the terms of the CDLAC Requirements not specifically set forth in this Regulatory Agreement are the responsibility of the Owner to report to the City.

In addition to its obligations to CDLAC set forth in the CDLAC Requirements, annually, on February 1st, until construction of the Project has been completed and the Owner has submitted to the City the Certificate of Completion, and thereafter on February 1st every three years, the Owner shall prepare and submit to the City a Certificate of Compliance II in the form required by CDLAC and referenced in the CDLAC Resolution, executed by an Authorized Owner Representative.

Any of the foregoing requirements of CDLAC contained in this Section 26 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver of CDLAC of any requirement of this Section 26 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, except to the extent that the City has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note for federal income tax purposes; and (ii) any requirement of this Section 26 shall be void and of no force and effect if the City and the Owner receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Note to cease to be Tax-Exempt or to the effect that any compliance with such requirement would be in conflict with the Act, the Code or any other state or federal law.

27. California Debt and Investment Advisory Commission Reporting Requirements.

No later than January 31 of each calendar year (commencing January 31, 2024), the Owner, on behalf of the City, agrees to provide the California Debt and Investment Advisory Commission, by any method approved by such Commission, with a copy to the City, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Note is no longer outstanding or (ii) the proceeds of the Note and the Funding Loan have been fully spent.

CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Regulatory Agreement as if set forth in the text thereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Regulatory Agreement (referred to herein as “Agreement”).

1. Nondiscrimination; Penalties.

(a) *Nondiscrimination in Contracts.* The Owner shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Owner shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Owner is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2.* The Owner does not as of the date of this Agreement, and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

2. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Agreement. By entering into this Agreement, the Owner confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

3. Tropical Hardwood and Virgin Redwood Ban. Pursuant to San Francisco Environment Code Section 804(b), the City urges the Owner not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

4. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Owner to remove from, City facilities personnel of the Owner who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City’s ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual

lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

5. Compliance with Americans with Disabilities Act. The Owner shall provide the services specified in this Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

6. Sunshine Ordinance. The Owner acknowledges that this Agreement and all records related to its formation, the Owner's performance under this Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

7. Limitations on Contributions. By executing this Agreement, the Owner acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Owner's board of directors; the Owner's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in the Owner; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Owner. The Owner certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

8. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to this Agreement, the Owner shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. The Owner is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. By signing and executing this Agreement, the Owner certifies that it complies with Chapter 12P.

9. Requiring Health Benefits for Covered Employees. If Administrative Code Chapter 12Q applies to this Agreement, the Owner shall comply with the requirements of Chapter 12Q. For each Covered Employee, the Owner shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Owner chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q, as well as the Health Commission's minimum standards, is available on the web at <http://sfgov.org/olse/hcao>. The Owner is subject to the enforcement and penalty provisions in Chapter 12Q. Any subcontract entered into by the Owner shall require any subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section.

10. Prohibition on Political Activity with City Funds. In performing under this Agreement, the Owner shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Owner is subject to the enforcement and penalty provisions in Chapter 12G.

11. Nondisclosure of Private, Proprietary or Confidential Information. If this Agreement requires the City to disclose "Private Information" to the Owner within the meaning of San Francisco Administrative Code Chapter 12M, the Owner shall use such information consistent with the restrictions stated in Chapter 12M and in this Agreement and only as necessary in performing the services provided under this Agreement. The Owner is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under this Agreement, the Owner may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Owner, such information must be held by the Owner in confidence and used only in performing this Agreement. The Owner shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Owner agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Owner's obligations under Chapter 12T is set forth in this Section. The Owner is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Owner's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to

applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes Airport property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

this Agreement, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. Furthermore, the Applicant and the Project Sponsor expressly agree that the terms and conditions of this Resolution may be enforced by the Committee through an action for specific performance or any other available remedy, provided however, that the Committee agrees not to take such action or enforce any such remedy that would be materially adverse to the interests of Bondholders. The Project Sponsors/Developers are The Related Companies of California ("Related") and Mercy Housing California ("Mercy"). Together, the two firms are co-Master Developers of the

Sunnydale public housing revitalization effort in which this Project will be its fourth 100% affordable housing development. Together, Related and Mercy have achieved the following work at Sunnydale: development and leased up of Casala and 290 Malosi affordable housing developments, completion of infrastructure improvements, and predevelopment and design work for Block 3B, Block 7, and Block 9.

Related is a fully integrated real estate development firm with 30 years of experience. Related has developed 122 LIHTC-financed projects, and all were completed on time and on budget. In San Francisco, the majority of their developments are primarily Type V/I and Type III/I urban infill projects. Related has collaborated with almost all of the most qualified architects and general contractors specializing in this product type in the region. Related owns close to 13,500 affordable units in operations plus 5,200 affordable units under construction or in predevelopment. Related serves extremely low- and low-income households in family properties, senior properties, and properties with permanent supportive housing.

As the largest non-profit owner of affordable housing in the United States, Mercy Housing brings together real estate development, resident services, and property management under a single, mission-aligned organization. Mercy Housing, Inc. owns and provides property management (through Mercy Housing Management Group-MHMG) to more than 23,000 units of affordable housing and currently serves more than 50,000 people on any given day. Mercy Housing California (MHC) is the California affiliate of MHI. Throughout the state, MHC has successfully completed development of 10,389 affordable rental units.
