Regular Meeting

A quorum of the Board of Supervisors may be present at this committee meeting. If a quorum is present, the meeting will also constitute a Special Meeting of the Board of Supervisors. However, the meeting will be conducted in all respects as a committee meeting, and any substantive decision will constitute a recommendation of the committee rather than an action taken by the Board. The Clerk will make a note of the special meeting in the committee minutes, and discussion will be limited to items noticed on this agenda.

Remote Access to Information and Participation

In accordance with Governor Gavin Newsom's statewide order for all residents to "Stay at Home" - and the numerous local and state proclamations, orders and supplemental directions - aggressive directives have been issued to slow down and reduce the spread of the COVID-19 virus. On March 17, 2020, the Board of Supervisors authorized their Board and Committee meetings to convene remotely and allow for remote public comment, pursuant to the lifted restrictions on videoconferencing and teleconferencing. Therefore, Board of Supervisors meetings that are held through videoconferencing will allow remote public comment.

Watch San Francisco Cable Channel 26 or visit the SFGovTV website (www.sfgovtv.org) to stream the live meetings or watch them on demand. Members of the public are encouraged to participate remotely by submitting comments (www.sfbos.org/participate-and-submit-comments-remotely).

Meeting Procedures

The Board of Supervisors is the legislative body of the City and County of San Francisco. The Board has several standing committees where ordinances and resolutions are the subject of hearings at which members of the public are urged to testify. The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using interpretation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous interpretation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting interpretation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Committee meetings. Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items. These comments will be made a part of the official public record and shall be brought to the attention of the Board of Supervisors. Written communications should be submitted to the Clerk of the Board or Clerk of the Committee: 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102.
