Re: 2240 Market Street - BOS Referral - Liquor License Public Convenience or Necessity Referral
Planning Department File No. 2023-004314MIS

To Whom It May Concern:

The Planning Department recommends approval for ABC Type-21 license in conjunction with principally permitted Specialty Grocery Store use (d.b.a The Epicurean Trader) in the Upper Market Street Neighborhood Commercial Transit Zoning District per Planning Code Section 764. **Planning Motion No. 19568** permitted the establishment of a Retail Sales and Service use on the ground floor of the Subject Property as a part of a Planned Unit Development. Moreover, **Building Permit Application (BPA) No. 202212138181** established a change of use from 'General Retail Sales and Service' to 'Retail Grocery Store (Specialty)'.

Grocery Stores may provide beer, wine, and distilled spirits for consumption off the premises with a California Alcoholic Beverage Control Board License Type 21 (Off-Sale General) under the condition that all areas devoted to the display and sale of alcoholic beverages do not exceed 15% of the Occupied Floor Area of the establishment. The Subject Property must adhere to the conditions outlined in Planning Commission Motion No. 19568 and the following conditions of Planning Code Section 202.2(a)(1):

1. The business operator shall maintain the main entrance to the building and all sidewalks abutting the subject property in a clean and sanitary condition in compliance with the Department of Public Works Street and Sidewalk Maintenance Standards. In addition, the operator shall be responsible for daily monitoring of the sidewalk within a one-block radius of the subject business to maintain the sidewalk free of paper or other litter associated with the business during business hours, in accordance with Article 1, Section 34 of the San Francisco Police Code.
2. When located within an enclosed space, the premises shall be adequately soundproofed or insulated for noise and operated so that incidental noise shall not be audible beyond the premises or in other sections of the building, and fixed-source equipment noise shall not exceed the decibel levels specified in the San Francisco Noise Control Ordinance.
3. While it is inevitable that some low level of odor may be detectable to nearby residents and passersby, appropriate odor control equipment shall be installed in conformance with the approved plans and maintained to prevent any significant noxious or offensive odors from escaping the premises.
4. Garbage, recycling, and compost containers shall be kept within the premises and hidden from public view and placed outside only when being serviced by the disposal company. Trash shall be contained and disposed of pursuant to garbage and recycling receptacles guidelines set forth by the Department of Public Works.

Per **BPA No. 202212138181**, a Limited Restaurant was approved as an Accessory Use within the Specialty Grocery Store (d.b.a The Epicurean Trader). Limited Restaurants cannot provide alcohol for consumption on the premises with an ABC Type-41 license but may sell alcohol for consumption off the premises with a Type 20 or 21 License. In order to be eligible for a Type-41 alcohol license, the Accessory Use must be permitted as a Full-Service Restaurant and Bona-Fide Eating Place which have seating, and serve prepared, ready-to-eat cooked foods for consumption on the premises.

Dear San Francisco Board of Supervisors,

The Epicurean Trader is a respected retailer in the San Francisco community ^{BY} with ~~four small~~ grocery markets in the Bernal Heights, Cow Hollow, Hayes Valley, and Embarcadero/Financial District neighborhoods of San Francisco. We are a husband-and-wife run business and are completely independent, with no outside investors or ownership.

Our current markets are highly regarded, as indicated by online reviews, and have been recognized in publications like Sunset Magazine and San Francisco Magazine for our dedication to small, local producers and are a great addition to San Francisco neighborhoods. Supervisors, where we have a presence in their districts would know that local residents are thrilled to have us as part of their neighborhood and weekly shopping routine. Our café area within the market has become a community meeting place for residents to socialize and spend time with friends in their local community.

Below are a few quotes from our guests to highlight the impact that we can have on a local community:

- Rebecca S.: "A fantastic addition to the neighborhood"
- Carly C.: "Such an amazing addition to Union Street. They have a wide variety selection ranging from meats, cheeses, wines, spirits, etc. I was surprised by the high quality and specialty items that you can't get anywhere close by. I will definitely be adding this store to my regular shopping list!"
- Claire V. "Great addition to neighborhood - panini sandwiches especially good. A gourmet food shop was needed."
- Matt M. "An amazing selection of pretty much everything they carry. My personal favorites are Tartine Bakery bread, and Bi-Rite Creamery ice cream. 5 stars for a very welcome addition to the neighborhood!"
- Ron C. "One of my favorite things is their sandwiches--a welcome addition to the fare on Union St. To top it all off, they even have fresh Tartine Bakery bread and pastries...what more could you ask for?"

Currently, there is no offering like ours in the Castro/Duboce Triangle neighborhood, and we have specifically chosen this neighborhood due to the volume of requests we receive directly from local residents who want more grocery and specialty food options within walking distance of their homes.

Since we announced our plan to open in the Castro/Duboce Triangle, we have been inundated with calls and emails from local residents, commuters, and people that work in the surrounding area stating how excited they are to have a curated grocery store in a convenient location where they can purchase affordable and high-quality food.

Less than 5% of the total square footage of the space will be dedicated to the sale of alcoholic beverages, with the remainder focused on organic, quality food and pantry items, many of them made locally by San Franciscan artisans.

Despite alcohol being a small percentage of our overall business mix, it is essential to the overall economics of our store format and our ability to pay our employees a 'livable wage' (well above the minimum wage), health insurance, and a 401(k)/profit sharing program, as well as the high rents that San Francisco commands. For us to provide high-quality, organic, and healthy produce and staples to the neighborhood at affordable prices, we need to be able to offer higher-margin, non-perishable items such as alcohol and specialty items to help pay the bills. Without the margins on alcohol, we simply would not be able to survive.

Like all the categories we serve, we take much pride in the selection of our alcohol and don't simply look to carry cheap, low-quality liquor for the purpose of only getting intoxicated. We focus on smaller producers that care about authentic craftsmanship and quality raw materials. In fact, our dedication to quality has earned several accolades for our selection, including: *'Best Spirits Store in The San Francisco Bay Area'* by San Francisco Magazine; *'Best Neighborhood Wine Shop'* by Yelp, amongst others.

We are responsible retailers and in nearly ten years of business have never had issues with retailing alcoholic beverages in our markets. Our staff is highly knowledgeable and well-trained in how to be a responsible server of alcohol.

We hope you will support our bid to move into the Castro/Duboce Triangle neighborhood and provide the community with quality grocery options.

Regards,
