24 **SEC. 209.3. RC (RESIDENTIAL-COMMERCIAL) DISTRICTS.**

1 These Districts are intended to recognize, protect, conserve, and enhance areas
 2 characterized by structures combining Residential uses with neighborhood-serving
 3 Commercial uses. The predominant Residential uses are preserved, while provision is made
 4 for supporting Commercial uses, usually in or below the ground story, that meet the frequent
 5 needs of nearby residents without generating excessive vehicular traffic. The compact,
 6 walkable, transit-oriented and mixed-use nature of these Districts is recognized by no off-
 7 street parking requirements. The RC Districts are composed of two separate districts, as
 8 follows:

 20 **SEC. 210.3. PDR DISTRICTS.**

21 These Districts provide space for a wide variety of PDR (production, distribution and
 22 repair) and other non-residential activities in districts where these uses are free from inherent
 23 economic and operational competition and conflicts with housing, large office developments,
 24 and large-scale retail, which are not permitted in these Districts. Other uses that share
 25 operational characteristics with PDR uses are permitted in these Districts, as they require

1 large flexible spaces and prefer separation from intensive housing districts. PDR-zoned land
 2 is also an important reservoir of space in San Francisco for new and evolving industry and
 3 activity types that cannot be foreseen today and cannot practically function or compete for
 4 space in a typical downtown office or neighborhood commercial environment. Business and
 5 activities allowed in PDR Districts generally share a need for flexible operating space that
 6 features large open interior spaces, high ceilings, freight loading docks and elevators, floors
 7 capable of bearing heavy loads, and large (often uncovered exterior) storage areas. These
 8 uses are often not ideally compatible with housing for operational reasons, including the need
 9 for significant trucking and delivery activities, 24-hour operation, and emission of noise, odors
 10 and vibrations. Importantly, PDR uses are limited in the amount of rent they can afford relative
 11 to office, retail, and residential uses, yet are important sectors of the City's economy.

14 (c) **Controls.** The Planning Commission may permit, per the procedures described
15 below in subsection (d), non-PDR uses on the subject lot pursuant to the following provisions:

16 (1) At least one-third of the total Gross Floor Area developed on the parcel shall
17 contain PDR Uses.

18 (2) For purposes of this subsection (c), every square foot of Small Enterprise
19 Workspace shall count as 0.5 square feet of PDR space and 0.5 square feet of non-PDR
20 space as specified in subsection (c)(3) below.

21 (3) The non-PDR space may contain one or a combination of the following
22 uses:

- 23 (A) Office Uses;
- 24 (B) Institutional Uses, except for Hospitals; ~~and/or~~

1 (C) ~~Gym use~~, Personal Services that are a health club, fitness, gymnasium, or

6 **SEC. 249.1. FOLSOM AND MAIN RESIDENTIAL/COMMERCIAL SPECIAL USE**
7 **DISTRICT.**

8 (a) **Purpose.** In order to convert an under-utilized and outmoded industrial area to a
9 unique residential neighborhood close to downtown which will contribute significantly to the
10 City's housing supply, create tapered residential buildings, provide an appropriate mixture of
11 retail sales and personal services to support new residential development, provide a buffer of
12 office and parking use between the bridge and freeway ramps and the housing sites, and
13 allow the existing industrial, service and office uses to remain, there shall be the Folsom and
14 Main Residential/Commercial Special Use District as designated on Sectional Map No. SU01
15 of the Zoning Map of the City and County of San Francisco.

16 * * * *

17 (b) **Controls.** The following zoning controls are applicable in the
18 Residential/Commercial Special Use District.

19 * * * *

20 (2) **Uses.**

21 (A) Permitted uses are those permitted in an RC-4 District, plus the uses
22 listed in ~~§~~subsection (e)(1)(B) below; provided that, for newly constructed buildings or
23 additions of ~~20% percent~~ or more of an existing building's gross floor area, at least six net
24 square feet of residential use is provided for each one net square foot of non-residential use
25 on any lot. Additions of less than ~~20% percent~~ of a building's gross floor area are exempt from

1 the six-to-one residential requirements. Once granted, this exemption from the residential
2 development requirement for building additions may not be repeated for any single property.
3 Any addition of more than 20%~~percent~~ of gross square feet of building area shall be required
4 to provide the housing on a six-to-one basis for all of the additional building area. All areas
5 used for parking for either residential or non-residential uses shall be excluded in the
6 calculation of the residential/non-residential ratio. For the purposes of application of this six-to-
7 one ~~6-to-1~~ ratio, Hotels as defined under Section 102 shall be considered a non-residential
8 rather than a residential use.

9 (B) The use provisions applicable to an RC-4 District shall be applicable
10 to the "Residential/Commercial" Subdistrict with the following modifications or additions:

11 * * * *

12 (vii) ~~Trade Shops and~~ Catering uses shall be permitted as of right
13 above or below the ground floor, and shall require Conditional Use authorization at the ground
14 floor;

15 * * * *

16 **SEC. 249.33. VAN NESS & MARKET RESIDENTIAL SPECIAL USE DISTRICT.**

17 (a) Purpose. There shall be a Van Ness & Market Residential Special Use District,
18 which is comprised of the parcels zoned C-3-G in the Market Octavia Better Neighborhoods
19 Plan area, and whose boundaries are designated on Sectional Map Nos. SU02 and SU07 of
20 the Zoning Map of the City and County of San Francisco. This District is generally comprised
21 of parcels focused at the intersections of Van Ness Avenue at Market Street and South Van
22 Ness Avenue at Mission Street, along with parcels on both sides of Market and Mission
23 Streets between 9th and Division Streets. This District is intended to be a transit-oriented,
24 high-density neighborhood with a significant residential presence and a mix of neighborhood-
25 serving uses. New development and major expansions must be predominantly residential.

1 Other non-residential uses that are allowed and encouraged, include arts, institutional, and
2 retail uses. Retail controls allow for smaller retail use sizes in order to emphasize
3 neighborhood-serving character. These uses compliment the transit rich infrastructure in the
4 area, which includes the Van Ness MUNI Metro Station and the intersection of several major
5 transit corridors including Van Ness, Market Street, Mission Street and other major bus lines.
6 This area is encouraged to transition from largely a back-office and warehouse support
7 function to downtown into a more mixed-use residential district, and serves as a transition
8 zone to the lower scale residential and neighborhood commercial areas to the west of the C-3.
9 A notable amount of large citywide commercial and office activity will remain in the area,
10 including government offices supporting the Civic Center and City Hall. This area was initially
11 identified in the Downtown Plan of the General Plan as an area to encourage housing
12 adjacent to the downtown. As part of the city's Better Neighborhoods Program, this concept
13 was fully articulated in the Market and Octavia Area Plan, and is described therein.

14 (b) **Use Controls.**

15 * * * *

16 (9) **Micro-Retail.** "Micro-Retail" shall mean a Retail Use, other than a Formula
17 Retail Use, measuring no less than 100 gross square feet, no greater than 1,000 gross square
18 feet and a 10 foot minimum depth from the front façade.

19 (A) **Applicability.** Micro-Retail controls shall apply to projects with new
20 construction or alterations to greater than 50% of an existing building if located on a lot of at
21 least 20,000 square feet.

22 (B) **Controls.**

23 (i) **Amount.** Applicable development projects shall have at least
24 one Micro-Retail unit for every 20,000 gross square feet of lot area, rounded to the nearest
25 unit.

1 (ii) **Location and Design.** All Micro-Retail units shall be on the
2 ground floor, independently and directly accessed from a public right-of-way or a publicly-
3 accessible open space, and designed to be accessed and operated independently from other
4 spaces or uses on the subject property. For projects adjacent to Privately Owned Publicly
5 Accessible Open Spaces, free standing kiosks are allowed to meet this requirement through
6 Planning Commission approval through a 309 exception.

7 (iii) **Exemption.** Any projects providing ground floor uses that are
8 larger than 1,000 gross square feet and defined as Arts Activities, Child Care Facility,
9 Community Facility, ~~Instructional Service~~, Public Facility, School or Social Service are exempt
10 from the Micro-Retail requirement.

11 (iv) **Exceptions.** Exceptions to the micro-retail requirement may
12 be granted pursuant to the procedures of Section 309.

14 **SEC. 249.35A. FULTON STREET GROCERY STORE SPECIAL USE DISTRICT.**

15 (a) Purpose. In order to provide for the consideration of a neighborhood-serving
16 grocery store of moderate size in a location accessible to the Hayes Valley and Western
17 Addition neighborhoods, there shall be a Fulton Street Grocery Store Special Use District,
18 consisting of Lots 001 and 058 through 198, inclusive of Assessor's Block 0794, between
19 Laguna and Octavia Streets, as designated on Sectional Map 2SU of the Zoning Map. This
20 Special Use District would enable the consideration of a project containing a grocery store in a
21 district that does not permit such uses. This Special Use District would conditionally permit a
22 grocery store that is a formula retail use, in order to allow consideration of a grocery store that
23 is affordable to the neighborhood. This one-time lift of the ban on formula retail is intended to
24 support an affordable grocery store that is committed to serving and hiring from the
25 neighborhood. According to the U.S. Census Bureau's 2017 American Community Survey,

1 the median household income in the surrounding neighborhood is \$24,041, and over one-third
2 of residents in the neighborhood live below the poverty line.

3 * * * *

4 (d) **Controls.** The following controls apply to projects meeting the criteria of subsection
5 (c) and to any subsequent alterations or changes of use in a building approved under this
6 Section 249.35A.

7 * * * *

8 (4) All subsequent changes of use shall require Conditional Use authorization
9 from the Planning Commission. The only Non-Residential Uses that may be permitted in the
10 space initially approved for a Grocery Store shall include ~~Trade Shop and~~ Institutional Uses,
11 excluding Medical Cannabis Dispensaries, and Hospitals, except that General Retail Sales
12 and Services, Pharmacy, or General or Specialty Grocery uses may be permitted.

12 “Production, Distribution, and Repair (PDR) Use” has the meaning as set forth in Planning

2 (o) Eating and Drinking Uses. With regard to a Conditional Use authorization
3 application in the Mission Neighborhood Commercial Transit District, Planning Code Section 754, for
4 ~~a~~ Restaurant, Limited-Restaurant, and Bar uses, the Planning Commission shall consider, in

6 and drinking uses in the area. Such concentration should not exceed 25% of the total
7 commercial frontage as measured in linear feet within the immediate area of the subject site
8 except as otherwise provided in this subsection (o). ~~The concentration of eating and drinking uses~~
9 ~~in the Polk Street Neighborhood Commercial District shall not exceed 35% of the total commercial~~

2 **SEC. 303.1. FORMULA RETAIL USES.**

3 * * * *

4 (c) **"Retail Sales or Service Activity or Retail Sales or Service Establishment."** For
5 the purposes of this Section 303.1, a retail sales or service activity or retail sales or service
6 establishment shall include the following uses whether functioning as a Principal or Accessory
7 Use, as defined in Articles 1, 2, 7, and 8 of this Code:

12 ~~—Gym; § 102~~

13 * * * *

14 (d) **Conditional Use Criteria.** With regard to a Conditional Use authorization
15 application for a Formula Retail use, the Planning Commission shall consider, in addition to
16 the criteria set forth in Section 303, the criteria below and the Performance-Based Design
17 Guidelines adopted by the Planning Commission to implement the criteria below.

18 ~~(1) The existing concentrations of Formula Retail uses within the district and within the~~
19 ~~vicinity of the proposed project. To determine the existing concentration, the Planning Commission~~
20 ~~shall consider the percentage of the total linear street frontage within a 300-foot radius or a quarter of~~
21 ~~a mile radius, at the Planning Department's discretion, from the subject property that is occupied by~~
22 ~~Formula Retail and non-Formula Retail businesses. The Department's review shall include all parcels~~
23 ~~that are wholly or partially located within the 300-foot radius or quarter-mile radius. If the subject~~
24 ~~property is a corner parcel, the 300-foot radius or quarter-mile radius shall include all corner parcels~~
25 ~~at the subject intersection. For each property, the Planning Department shall divide the total linear~~

1 *frontage of the lot facing a public right of way by the number of storefronts, and then calculate the*
2 *percentage of the total linear frontage for Formula Retail and non-Formula Retail. Half percentage*
3 *points shall be rounded up.*

4 *For the Upper Market Street Neighborhood Commercial District only, if the application*
5 *would bring the formula retail concentration within a 300-foot radius to a concentration of 20% or*
6 *above, Planning Department staff shall recommend disapproval of the application to the Planning*
7 *Commission. If the application would not bring the formula retail concentration within the 300-foot*
8 *radius to a concentration of 20% or above, Planning Department staff shall assess the application*
9 *according to all the other criteria listed in this Subsection 303.1(d), and recommend approval or*
10 *disapproval to the Planning Commission, according to its discretion and professional judgment. In*
11 *either case, the Planning Commission may approve or reject the application, considering all the*
12 *criteria listed in this Subsection 303.1(d).*

13 (2 1) The availability of other similar retail uses within the district and within the
14 vicinity of the proposed project.

15 (3 2) The compatibility of the proposed Formula Retail use with the existing
16 architectural and aesthetic character of the district.

17 (4 3) The existing retail vacancy rates within the district and within the vicinity of
18 the proposed project.

19 (5 4) The existing mix of Citywide-serving retail uses and daily needs-serving
20 retail uses within the district and within the vicinity of the proposed project.

21 (6 5) Additional relevant data and analysis set forth in the Performance-Based
22 Design Guidelines adopted by the Planning Commission.

23 (7 6) For Formula Retail uses of 20,000 gross square feet or more, except for
24 General or Specialty Grocery stores as defined in Articles 2, 7 and 8 of this Code, the
25 contents of an economic impact study prepared pursuant to Section 303(i) of this Code.

1 (8) Notwithstanding anything to the contrary contained in Planning Code
2 Article 6 limiting the Planning Department's and Planning Commission's discretion to review
3 signs, the Planning Department and Planning Commission may review and exercise
4 discretion to require changes in the time, place and manner of the proposed signage for the
5 proposed Formula Retail use, applying the Performance-Based Design Guidelines.

6 (8) For the Upper Market Street Neighborhood Commercial District only, if the
7 application would bring the formula retail concentration within a 300-foot radius to a concentration of
8 20% or above, Planning Department staff shall recommend disapproval of the application to the
9 Planning Commission. If the application would not bring the formula retail concentration within the
10 300-foot radius to a concentration of 20% or above, Planning Department staff shall assess the
11 application according to all the other criteria listed in this Subsection 303.1(d), and recommend
12 approval or disapproval to the Planning Commission, according to its discretion and professional
13 judgment. In either case, the Planning Commission may approve or reject the application, considering
14 all the criteria listed in this Subsection 303.1(d).

21 (b) **Priority-Expedited Processing for Certain Uses.** Applications for Conditional Use
22 authorization that comply with the requirements of subsection (c) are eligible for *priority*
23 *expedited* processing and a prorated application fee. Eligibility for *priority-expedited* processing
24 shall not require any application separate from a completed application for Conditional Use

1 (c) **Eligibility for ~~Priority-Expedited~~ Processing.** An application for a Conditional Use
2 authorization qualifies for ~~priority-expedited~~ processing (“eligible application”) pursuant to this
3 Section 303.2 if it is seeking to establish, alter, enlarge or intensify a commercial use on the first story
4 or below, or on the second story where the commercial use would operate on both the first and second
5 stories, in the subject building and complies with all of the following requirements:

8 eligibility for *priority expedited* processing. The application fee shall be prorated pursuant to
9 subsection (f).

10 (d) **Expedited Commission Hearing.** An eligible application shall be scheduled for a
11 public hearing on the Planning Commission’s consent calendar within 90 days from the date

24 * * * *

25

1 (17) Exceptions to the height and bulk limits for parcels within the Van Ness &
2 Market Residential Special Use District as defined by Section 270(f)(2). In considering such

4 the following: (A) sculpts the building massing to achieve an elegant and creative tower form
5 that enhances the skyline; (B) reduces or minimizes potential impacts on winds and shadows;
6 (C) provides ground floor uses that serve a range of income levels and enrich the social

 2 so that the entire row for the deleted term is deleted. These deletions are illustrated in the
 3 following hypothetical zoning control table where an asterisk represents the control by story to

8 permit(s), and to ensure that the One Time Event Permit is not being used by the applicant to function
9 as a routine substitute for the applicant's securing either the Place of Entertainment Permit or the

LEGISLATIVE DIGEST
(Substituted, 05/11/2021)

[Planning, Business and Tax Regulations, Police Codes - Small Business Recovery Act]

Ordinance amending the Planning, Business and Tax Regulations, and Police Codes to simplify procedures and allow flexibility for neighborhood, cultural, and entertainment establishments by 1) expanding streamlined review and inspection procedures to principally permitted storefront uses citywide; 2) deleting separate definitions of “Cat Boarding,” “Gym,” “Trade Shop,” and “Services, Instructional” from the Planning Code; 3) allowing permitted conditional uses to continue after three years of abandonment; 4) allowing the continuation of longstanding places of entertainment; 5) allowing Outdoor Activity Areas on rooftops; 6) temporarily requiring a conditional use authorization for uses replacing Nighttime Entertainment uses; 7) allowing accessory catering uses in Restaurants; 8) allowing accessory dwelling units on the ground floor in Neighborhood Commercial Districts; 9) allowing temporary outdoor entertainment, arts, and recreation activities; 10) deleting certain conditional use finding requirements for Nighttime Entertainment use; 11) deleting conditional use findings related to formula retail concentrations in certain districts; 12) requiring expedited permit processing for commercial uses on the ground floor; 13) eliminating Historic Preservation Commission review of minor alteration permits and certificates of appropriateness; 14) eliminating the one night dance permit; 15) extending time for limited live performances from 10 p.m. to 11 p.m.; 16) allowing additional One-Time Entertainment Permits and One-Time Outdoor Amplified Sound Permits; 17) exempting single individual performances without amplification from permit requirements; affirming the Planning Department’s determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1, and findings of public necessity, convenience, and welfare under Planning Code, Section 302.

Existing Law

Currently, section 32 of the Business and Tax Regulations Code requires streamlined review of principally permitted storefront uses in Neighborhood Commercial and Neighborhood Commercial Transit Districts.

Currently, the Planning Code:

- includes specific definitions for “Cat Boarding,” “Gym,” “Trade Shop,” and “Services, Instructional” (Planning Code § 102)
- provides that conditional uses that are discontinued or abandoned for three years can only be restored with a new conditional use authorization (§ 178)
- allows outdoor activity areas at the ground level (§ 202.2)

- allows Limited Restaurants to include accessory catering uses (§ 204.3)
- prohibits accessory dwelling units on the ground floor in Neighborhood Commercial, Chinatown Business, and Chinatown Visitor Districts (§ 207)
- requires specific conditional use findings for Eating and Drinking Uses, for Nighttime Entertainment, General Entertainment and other Entertainment uses, and for Formula Retail uses (related to concentrations of Formula Retail uses in certain districts) (§§ 303, and 303.1)
- allows expedited permit processing for conditional use authorization applications that comply with specific requirements (§ 303.2)
- requires neighborhood notice for certain building permit applications in residential, Neighborhood Commercial, Neighborhood Commercial Transit and in Eastern Neighborhoods Mixed Use Districts (§ 311)
- requires the Historic Preservation Commission to request review of minor alteration permits and certificates of appropriateness within 20 days (§§ 1006.2 and 1111.1)

Currently, Article 1 of the Police Code requires certain venues to obtain a one-time dance permit. Article 15 of the Police Code, Limited Live Performances must conclude by 10 p.m., unless extended. Applicants may obtain no more than 12 One-Time Entertainment Permits and One-Time Outdoor Amplified Sound Permits in a 12-month period; and performances by single individuals with no amplification must obtain a permit.

Amendments to Current Law

This ordinance would amend section 32 of the Business and Tax Regulations Code to require streamlined review of principally permitted storefront uses citywide, not just in Neighborhood Commercial and Neighborhood Commercial Transit Districts.

In addition, the ordinance would amend the Planning Code to:

- delete the specific definitions and use categories for “Cat Boarding,” “Gym,” “Trade Shop,” and “Services, Instructional.” Instead, cat boarding and trade shops would be considered a General Retail Sales and Service use, and gyms and instructional services would be considered a Personal Service use. The ordinance would delete references to the definitions throughout the Planning Code, including in zoning district tables. (Planning Code § 102 and throughout)
- delete the requirement that conditional uses are abandoned after three years (§ 178)
- establish that places of entertainment that are deemed to be a Continuing Entertainment Operations Establishment by the Entertainment Commission may continue operation regardless of zoning (new § 193)
- allow outdoor activity areas on rooftops within the boundaries of the property (§ 202.2)
- for three years following adoption of the legislation, require uses that demolish or change a nighttime entertainment use obtain a conditional use permit (new § 202.11)
- allow Restaurants to include accessory catering uses (§ 204.3)

- authorize temporary uses in outdoor areas for Entertainment, Arts and Recreation Activities (new § 205.8)
- allow accessory dwelling units on the ground floor in the commercial space in Neighborhood Commercial Districts as long as the commercial space maintains a depth of at least 25 feet (§ 207)
- allow temporary outdoor entertainment, arts and recreation activities (new § 205.8)
- delete requirements for specific conditional use findings for Eating and Drinking Uses except in the Mission Street Neighborhood Commercial Transit District; delete specific conditional use findings required for Nighttime Entertainment, General Entertainment and other Entertainment Uses; delete certain findings requirements related to the concentration of formula retail uses (§§ 303, 303.1)
- expand the types of conditional use permits that can be expedited to include commercial uses on the first story, and the first and second story if the commercial use would operate on both stories (§ 303.2)
- remove the neighborhood notification requirement for changes of use in Eastern Neighborhood Mixed Use Districts (§ 311)
- eliminate Historic Preservation Commission review of minor alteration permits and certificates of appropriateness (§§ 1006.2, 1111.1)

Further, the ordinance amends Article 1 of the Police Code to eliminate one-time dance permits. The ordinance also amends Article 15 of the Police Code to allow limited live performances until 11 p.m., except in certain districts; to allow issuance of additional One-Time Entertainment Permits and One-Time Outdoor Amplified Sound Permits; to exempt single individual performances with no amplification from permit requirements; and to allow the Entertainment Commission to deem certain entertainment uses as a Continuing Entertainment Operations Establishment which allows continued operation without additional zoning reviews.

Background Information

These amendments implement the Small Business Recovery Act.

This legislation substitutes for legislation introduced on April 6, 2021, which substituted for legislation introduced on March 23, 2021. This version retains conditional use findings for eating and drinking uses in the Mission Neighborhood Commercial Transit District; retains restrictions on Accessory Dwelling Units in the Chinatown Business and Visitor Districts; eliminates Historic Preservation Review of minor alteration permits and certificates of appropriateness; and eliminates the need for one-time dance permits.
