(Reference 29CFR99.210 and OMB Circular A-133.210)

<b>Program Number:</b> 0349.0103 <b>Contract/Grant No.:</b> 5R01MH109320-03 <b>Organization Type:</b> City <b>Business Type:</b> Public - Government Entity <b>Name of Non-Federal Entity:</b> CCSF	<b>Title of Federal Program:</b> DOT Diary <b>CFDA No.:</b> 93.242 <b>Award Amount:</b> \$992,570 <b>Sub-recipient or W/O Amount:</b> \$173,559
---	--

This Checklist must be used by Public Health Foundation Enterprises (PHFE) to evaluate the applicability of OMB Circular A-133 to non-federal entities when the funding in the contract/grant is federal or state matching funds on federal awards and will assist PHFE in determining whether a contract provider/grantee is a subrecipient, subcontract, or a vendor/work order. *Non-federal entities is defined by OMB Circular A-133 §\_\_\_.105 as a state, local government or non-profit organization. Accordingly, for-profit organizations are not subject to OMB Circular A-133.* Subrecipients of federal awards must also use this checklist to evaluate the applicability of OMB Circular A-133 to any subcontractors or grantees to which they provide federal resources to assist in carrying out a federal program.

**SUBRECIPIENT/VENDOR DETERMINATION:**

The following should be analyzed for each relationship with a Non-Federal entity where federal funding or state matching resources on a federal award is being provided to the contract provider/grantee. *For questions 1 through 8, select yes or no:*

- | YES                                 | NO                                  |  |
|-------------------------------------|-------------------------------------|--|
| <input checked="" type="checkbox"/> | <input type="checkbox"/>            | 1) Does the Non-Federal entity determine who is eligible to receive what Federal financial assistance?   |
| <input checked="" type="checkbox"/> | <input type="checkbox"/>            | 2) Does the Non-Federal entity have its performance measured against whether the objectives of the Federal program are met (e.g., number of jobs to be created, patients to be seen, etc.)?  |
| <input checked="" type="checkbox"/> | <input type="checkbox"/>            | 3) Does the lower tier party have a substantial amount of authority for making decisions about program delivery and/or does it determine who is eligible to receive assistance or participate in program? (e.g., determine eligibility, case management, etc.)?  |
| <input type="checkbox"/>            | <input checked="" type="checkbox"/> | 4) Does the Non-Federal entity use the Federal funds to carry out a program of the Non-Federal entity as compared to providing goods or services for a program of the pass-through entity?   |
| <input type="checkbox"/>            | <input checked="" type="checkbox"/> | 5) As a condition of receiving the federal funds, is the lower tier party required to contribute its own non-federal resources (or seek third party in-kind contributions) to help pay for the project/service?  |
| <input checked="" type="checkbox"/> | <input type="checkbox"/>            | 6) Is the lower tier party is required to follow the provisions of OMB Circular A-87 (cost principles for states, local and Indian tribal governments), A-21 (cost principles for colleges and universities), A-122 (cost principles for non-organizations), A-133 (single audit act), and/or A-102 (uniform grant administrative rules)?  |
| <input checked="" type="checkbox"/> | <input type="checkbox"/>            | 7) Does the lower tier party provide similar goods or services to many different purchasers?   |
| <input checked="" type="checkbox"/> | <input type="checkbox"/>            | 8) Is the transaction with the lower tier party subject to state or federal procurement regulations (e.g., a RCW that requires Public Works, Circular A-102 Common Rule, etc.) that mandate maximum free and open competition (or advertising for bids or seeking quotes, OFM client services, OFM personal services, GA justification as to why sole source or declaring an emergency is appropriate)? If "yes", this is an indicator of a vendor relationship. Instead of procuring the goods or services as described above, did your entity announce the "availability of funding" or announce that you were "seeking applications" for funding? |

*For Questions 9 through 13, select only one:*

(9) Which criteria was the most important in selecting the lower tier party:

- Ability to demonstrate a financial or public need for funding in order to carry out a project or provide a service.
- Capability to deliver the goods or services to meet your entity's needs.

(10) Which statement is the most appropriate for the scope of your agreement:

- The lower tier party identified the scope of the project/service for which it is seeking financial support.
- You define the scope of work for which you will pay the lower tier party (i.e., you identify what you are buying)

**SUBRECIPIENT/VENDOR DETERMINATION (cont.):**

(11) Which statement is most appropriate for the intended use of the federal funds:

- The lower tier party will use the federal funds to carry out its own public program/project and/or provide a public service.
- The lower tier party is providing goods or services to assist you in meeting your program objectives and these goods/services are ancillary to the overall program scope.

(12) Which statement best fits the terms of payment:

- The lower tier party is reimbursed only for its actual costs incurred for allowable activities as outlined in the contract and the lower tier party should not earn a profit from the terms of payment.
- The lower tier party paid a set fee-for-service or fixed price at increments above its costs (profit) usually in exchange for the risk it assumes in competing with others to offer the needed goods or services.

(13) Which statement is most appropriate concerning award risk:

- The funding is contingent on the lower tier party making its "best effort" to meet the objectives of the award. Although its performance is measured against whether the objectives of the Federal program are met, the grantee assumes little financial risk if performance does not meet goals. This recognizes that federal assistance is often awarded to try to solve intractable problems that may not respond.
- The lower tier party accepts the risk of financial consequences for not achieving the award objectives or failing to provide the agreed-upon goods or services.

## **8. INDEPENDENT CONTRACTOR STATUS**

(a) Independent Contractor. Nothing in this Agreement is intended to place the parties in the relationship of employer-employee, partners, joint venturers, or in anything other than an independent contractor relationship. It is the parties' intention that Subcontractor/Subawardee shall be an independent contractor and not PHFE's employee or agent, and in conformity therewith, that Subcontractor/Subawardee shall retain sole and absolute discretion and judgment in the manner and means of carrying out Subcontractor/Subawardee's Services hereunder. Subcontractor/Subawardee is under the control of PHFE as to the results of Subcontractor/Subawardee's Services only, and not as to the means by which such results are accomplished.

Without limiting the generality of the foregoing paragraph, this Agreement does not designate Subcontractor/Subawardee as the agent or legal representative of PHFE for any purpose whatsoever. Subcontractor/Subawardee is not granted any right or authority to assume or create any obligation or responsibility, or to make any promise or commitment regarding any work, on behalf of or in the name of PHFE or to bind it in any manner, or to make any contract or agreement on behalf of or in the name of PHFE, without the prior written consent from PHFE management. No sales, invoices nor orders for goods or services shall be valid and binding upon PHFE (whether as the provider or the recipient) unless and until accepted by PHFE, at its sole and absolute discretion, through its established channels. PHFE shall not be liable for any obligation incurred by Subcontractor/Subawardee.

(c) No Withholding. Except for tax withholdings that are required by law, neither federal, nor state, nor local income tax nor payroll taxes of any kind shall be withheld or paid by PHFE on behalf of Subcontractor/Subawardee or the employees of Subcontractor/Subawardee. Subcontractor/Subawardee and its personnel shall not be treated as employees or PHFE with respect to the Services performed hereunder for federal or state tax purposes or for any other purposes.

(d) No Employee Benefits. Neither Subcontractor/Subawardee nor its personnel shall be eligible for, and shall not participate in, any of PHFE's retirement, health, or other fringe benefit plans.

(e) Workers' Compensation. No workers' compensation insurance shall be obtained by PHFE concerning Subcontractor/Subawardee or Subcontractor's/Subawardee's personnel. Subcontractor/Subawardee shall comply with all workers' compensation laws concerning Subcontractor/Subawardee and its personnel.

(f) Taxes. Subcontractor/Subawardee understands that Subcontractor/Subawardee is responsible to pay, according to law, Subcontractor's/Subawardee's income taxes. If Subcontractor/Subawardee is not an entity, Subcontractor/Subawardee further understands that Subcontractor/Subawardee may be liable for self-employment (social security) tax, to be paid by Subcontractor/Subawardee according to law. Subcontractor/Subawardee shall be solely responsible for the payment of all federal, state and local income taxes, social security taxes, federal and state unemployment insurance and similar taxes and all other assessments, taxes, contributions or sums payable with respect to Subcontractor/Subawardee or its employees as a result of or in connection with the Services performed by Subcontractor/Subawardee hereunder. Subcontractor/Subawardee represents and warrants and covenants that it shall report all income earned as a result of this Agreement and pay all federal, state and local income and self-employment taxes and other assessments required to be paid under applicable law. Subcontractor/Subawardee agrees to defend, indemnify and hold PHFE harmless from any and all claims made by federal, state and local taxing authorities on account of Subcontractor's/Subawardee's failure to pay any such federal, state or local income and self-employment taxes or other assessments due as a result of Subcontractor's/Subawardee 's Services hereunder.

(g) Sub-Tier Subcontractors/Subawardees. Subcontractor/Subawardee shall have control over the manner and means of Subcontractor/Subawardee's performance under this Agreement. However, PHFE is engaging Subcontractor/Subawardee for Subcontractor's/Subawardee's unique skills, knowledge, abilities and other attributes. Accordingly, Subcontractors/Subawardees may not use any lower-tier subcontractors/subawardees in the performance of its services hereunder without PHFE's prior written approval. Any lower-tier subcontractors/subawardees who are approved by PHFE must execute all agreements and documents required by PHFE prior to performing any work. Subcontractor/Subawardee shall ensure that all lower-tier subcontractors/subawardees comply with all of the terms and provisions of this Agreement and shall be responsible and liable for all acts and omissions of all lower-tier subcontractors/subawardees as if they were the acts or omissions of Subcontractor/Subawardee.

## **9. ASSIGNMENT OF WORK PRODUCT.**

(a) Ownership of Work Product. Subcontractor/Subawardee agrees that, as between PHFE and Subcontractor/Subawardee, all discoveries, ideas, inventions, and

information that Subcontractor/Subawardee may develop (either alone or in conjunction with others), information or work product developed wholly or partially by Subcontractor/Subawardee as part of or related to Subcontractor's/subawardee's retention by PHFE hereunder (including all intermediate and partial versions thereof) or the performance of the services hereunder or which existence Subcontractor/Subawardee may discover while retained by PHFE, including any software, platforms, all ideas, designs, marks, logos, and content relating thereto, whether or not subject to patent, copyright or trademark or other intellectual property protections including without limitation, any scripts, prototypes, other components (collectively the "Work Product"), shall be the sole property of PHFE upon its creation and (in the case of copyrightable works) upon its fixation in a tangible medium of expression.

(b) Assignment. Subcontractor/Subawardee hereby forever assigns to PHFE all right, title and interest in any Work Product designed and/or developed by Subcontractor/Subawardee or otherwise delivered to PHFE as part of or related to Subcontractor's/Subawardee's retention with PHFE. The Work Product shall be the sole property of PHFE, and all copyrightable and patentable aspects of the Work Product are to be considered "works made for hire" within the meaning of the Copyright Act of 1976, as amended (the "Act"), of which PHFE is to be the "author" within the meaning of such Act. All such copyrightable and patentable works, as well as all copies of such works in whatever medium fixed or embodied, shall be owned exclusively by PHFE on their creation, and Subcontractor/Subawardee hereby expressly disclaims any interest in any of them. In the event (and to the extent) that any Work Product or any part or element of them, is found as a matter of law not to be a "Work Made For Hire" within the meaning of the Act, Subcontractor/Subawardee hereby assigns to PHFE the sole and exclusive right, title and interest in and to all such works, and all copies of any of them, without further consideration, and, if such assignment is invalid, Subcontractor/Subawardee hereby grants PHFE a non-exclusive, worldwide, perpetual, fully paid-up, irrevocable, right and license to use, reproduce, make, sell, perform and display (publicly or otherwise), and distribute, and modify and otherwise make derivative works of Subcontractor/Subawardee's Work Product and to authorize third parties to perform any or all of the foregoing, including through multiple tiers of sublicenses.

(c) Moral Rights Waiver. For purposes of this subsection, "Moral Rights" means any rights of paternity or integrity, any right to claim authorship of the Work Product, to object to any distortion, mutilation or other modification of, or other derogatory action in relation to, the Work Product, whether or not such would be prejudicial to Subcontractor's/Subawardee's honor or reputation, and any similar right, existing under judicial or statutory law of any country in the world, or under any treaty, regardless whether or not such right is denominated or generally referred to as a "Moral" right. Subcontractor/Subawardee hereby irrevocably transfers and assigns to PHFE any and all Moral Rights that Subcontractor/Subawardee may have in the Work Product. Subcontractor/Subawardee also hereby forever waives and agrees never to assert any and all Moral Rights it may have in the Work Product, even after termination of

Subcontractor's/Subawardee's work on behalf of PHFE as part of or related to Subcontractor's/Subawardee's retention with PHFE.

(d) No Liens. Subcontractor/Subawardee shall deliver all Work Product to PHFE free and clear of any and all claims, rights and encumbrances of third parties.

(e) Assignment Documents. Subcontractor/Subawardee will cooperate with PHFE, with PHFE's approval and at PHFE's expense, in obtaining patent, copyright, trademark or other statutory protections for the Work Product in each country in which one or more is sold, distributed or licensed, and in taking any enforcement action, including any public or private prosecution, to protect PHFE's intellectual property rights in or to the Work Product. - a. The grant program legislation and program regulation cited in this Notice of Award.
- b. Conditions on activities and expenditure of funds in other statutory requirements, such as those included in appropriations acts.

(See NIH Home Page at <http://grants.nih.gov/grants/policy/awardconditions.htm> for certain references cited above.)

**Research and Development (R&D):** All awards issued by the National Institutes of Health (NIH) meet the definition of "Research and Development" at 45 CFR Part§ 75.2. As such, auditees should identify NIH awards as part of the R&D cluster on the Schedule of Expenditures of Federal Awards (SEFA). The auditor should test NIH awards for compliance as instructed in Part V, Clusters of Programs. NIH recognizes that some awards may have another classification for purposes of indirect costs. The auditor is not required to report the disconnect (i.e., the award is classified as R&D for Federal Audit Requirement purposes but non-research for indirect cost rate purposes), unless the auditee is charging indirect costs at a rate other than the rate(s) specified in the award document(s).

An unobligated balance may be carried over into the next budget period without Grants Management Officer prior approval.

This grant is subject to Streamlined Noncompeting Award Procedures (SNAP).

This award is subject to the requirements of 2 CFR Part 25 for institutions to receive a Dun & Bradstreet Universal Numbering System (DUNS) number and maintain an active registration in the System for Award Management (SAM). Should a consortium/subaward be issued under this award, a DUNS requirement must be included. See <http://grants.nih.gov/grants/policy/awardconditions.htm> for the full NIH award term implementing this requirement and other additional information.

This award has been assigned the Federal Award Identification Number (FAIN) R01MH109320. Recipients must document the assigned FAIN on each consortium/subaward issued under this award.

Based on the project period start date of this project, this award is likely subject to the Transparency Act subaward and executive compensation reporting requirement of 2 CFR Part 170. There are conditions that may exclude this award; see <http://grants.nih.gov/grants/policy/awardconditions.htm> for additional award applicability information.

In accordance with P.L. 110-161, compliance with the NIH Public Access Policy is now mandatory. For more information, see NOT-OD-08-033 and the Public Access website: <http://publicaccess.nih.gov/>.

This award provides support for one or more clinical trials. By law (Title VIII, Section 801 of [Public Law 110-85](#)), the "responsible party" must register "applicable clinical trials" on the [ClinicalTrials.gov Protocol Registration System Information Website](#). NIH encourages registration of all trials whether required under the law or not. For more information, see [http://grants.nih.gov/ClinicalTrials\\_fdaaa/](http://grants.nih.gov/ClinicalTrials_fdaaa/)

In accordance with the regulatory requirements provided at 45 CFR 75.113 and Appendix XII to 45 CFR Part 75, recipients that have currently active Federal grants, cooperative agreements, and procurement contracts with cumulative total value greater than \$10,000,000 must report and maintain information in the System for Award Management (SAM) about civil, criminal, and administrative proceedings in connection with the award or performance of a Federal award that reached final disposition within the most recent five-year period. The recipient must also make semiannual disclosures regarding such proceedings. Proceedings information will be made publicly available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)). Full reporting requirements
