**RE: Support for Housing at the Alexandria Theatre Site,**

Dear Land Use and Transportation Committee at the San Francisco Board of Supervisors:

Grow the Richmond, a chapter of SF YIMBY that is fighting to end the housing shortage in the Inner and Outer Richmond Districts, is pleased to support additional housing, including affordable units, at the Alexandria Theatre District site. This project will help address our citywide housing shortage and, in particular, provide desperately needed family housing in the Richmond district. We urge you to approve the Special Use District and help make this project a reality as quickly as possible.

Grow the Richmond is a part of SF YIMBY and YIMBY Action, a network of pro-housing activists fighting for more inclusive housing policies. Our vision is an

integrated society where every person has access to a safe, affordable home near jobs, services, and opportunity.

San Francisco's severe housing shortage is causing skyrocketing homelessness and poverty, crippling our economy, and leading to debilitating commutes that exacerbate our global climate crisis. These impacts fall disproportionately on our city's low-income workers and families, and disproportionately deny communities of color access to opportunity. If we strive to be a society that advances racial and class justice, we must do more to ensure abundant housing in our region. This project will help address the housing shortage and ensure a welcoming San Francisco where everyone can thrive.

Best regards,

Steve Shoemaker
