MANDATE STATEMENT

According to City Charter Section 2.105, all legislative acts shall be by ordinance and require the affirmative vote of at least a majority of the members of the Board of Supervisors.

The Business and Tax Regulations Code Section 3003(b)(4) of Article 30 states that the Board of Supervisors may from time to time by an ordinance adopted by at least two-thirds of the members of the Board increase one or more of the rates provided for in Sections 3003(b)(2) and 3003(b)(3), except that no rate may increase more than one percent annually and no rate may exceed 7 percent. The Board of Supervisors may from time to time by an ordinance adopted by a majority of the members of the Board decrease one or more of the rates provided for in Sections 3003(b)(3) and 3003(b)(3). Any such adjustments in Section 3003(b)(4) shall be effective no sooner than the tax year following the tax year in which the ordinance adjusting the rate is effective.

BACKGROUND

Proposition D: San Francisco Cannabis Business Tax Increase

In November 2018, approximately 66 percent of San Francisco voters approved Proposition D, the Cannabis Business Tax effective January 1, 2021.¹ The proposition levies a gross receipts tax of 1 percent to 5 percent on recreational cannabis businesses. The tax only applies to businesses that earn over \$500,000 in recreational cannabis revenue at a rate of 2.5 percent of gross receipts up to (and including) \$1 million, and 5 percent of gross receipts over \$1 million from the sale of cannabis products. The measure also imposes a tax of 1 percent of gross receipts up to (and including) \$1 million and 1.5 percent of gross receipts over \$1 million for gross receipts attributable to the City from cannabis business activities other than the retail sale of cannabis or cannabis products.² The first \$500,000 of gross receipts attributable to the City from cannabis business activities are exempt from the tax. The proposition allows the Board of Supervisors to adjust the tax within a range of 0 percent to 7 percent by an ordinance adopted by a two-thirds vote for any increase (limited to 1 percent annually) or an ordinance adopted by a majority vote for the Board for any decrease.

Cannabis Sales in San Francisco

A 2019 report from the Controller's Office showed that in calendar year 2018, cannabis operators generated over \$220 million in revenue, of which the city received \$2.2 million in sales tax.³ The

industry has steadily increased in sales each year since 2015 (from \$123 million in 2015 to \$228 million in 2018) until 2019, which saw a decrease of 16% (from \$61 million in Q2 2018 to \$51 million in Q1 2019). From 2015 to 2018, the total number of cannabis retailers in San Francisco increased from 20 to 64, which resulted in an average revenue decrease earned per retailer. In 2015, the average cannabis retailer earned \$6.3 million in sales, compared to an average of \$3.5 million in 2018. According to the Office of Cannabis, there are currently 80 permitted cannabis retailers in San Francisco. Of this total, 40 operate storefront businesses and 40 are delivery only.⁴

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance amends Section 3003 of the Business and Tax Regulations Code to temporarily waive the Cannabis Business Tax for one year in 2021 through December 31, 2021. Beginning January 1, 2022, this proposed ordinance would also increase the gross receipts exemption from \$500,000 to the first \$1,000,000 of gross receipts earned for each person or group that receives gross receipts from Cannabis Business Activities.

The proposed ordinance increases by \$500,000 the upper range of gross receipts attributable to the City from the retail sale of cannabis or cannabis products, including the exempt amount, that are subject to the 2.5 percent and 5 percent tax rate. Specifically, the ordinance would apply the 5 percent tax rate to retailers earning over \$1.5 million, as opposed to the existing law which applies the 5 percent rate to retailers earning over \$1 million. Retailers earning under \$1.5 million would be subject to the 2.5 percent tax rate.

The proposed ordinance also increases by \$500,000 the upper range of gross receipts attributable to the City from business activities other than retail sales of cannabis products, including the exempt amount, that are subject to the 1 percent and 1.5 percent tax rate. The ordinance would apply the 1.5 percent tax rate to retailers earning over \$1.5 million from cannabis business activities other than sales, as opposed to the existing law which applies the 1.5 percent rate to retailers earning over \$1 million from non-retail business activities. Individuals or groups earning less than \$1.5 million are subject to the 1 percent rate. See Table 1 for a summary of the proposed changes.

FISCAL IMPACT

Existing Law

According to the Controller’s Office, the Cannabis Business Tax is expected to generate \$4.25 million in FY 2020-21 and \$8.5 million in FY 2021-22, for an estimated two-year total of \$12.75 million in revenue for the City. Table 2 below shows the anticipated revenue earned due to this tax for FY 20-21 and FY 21-22.

Table 2. Total Estimated Revenue from Cannabis Tax

Year	Estimated Revenue from Cannabis Business Tax
FY 20-21 (July 1 2020 to June 30 2021)	\$4,250,000
FY 21-22 (July 1 2021 to June 30 2022)	\$8,500,000
Total	\$12,750,000

The above revenue estimates are based on analysis conducted by the Controller’s Office in 2018.⁵ See Table 3 for the estimated impact of waiving the Cannabis Business Tax for one year and adjusting the tax rate thresholds as described in the proposed ordinance.

Impact of Proposed Ordinance

Table 3. Estimated Impact of Proposed Ordinance on Tax Collections⁶

Estimated Impact	Fiscal Year 20-21	Fiscal Year 21-22	Total
Estimated Revenue from Existing Law	\$4,250,000	\$8,500,000	\$12,750,000
Estimated Revenue with Ordinance	0	5,640,000	5,640,000
Estimated Revenue Lost with Proposed Ordinance	(\$4,250,000)	(\$2,860,000)	(\$7,110,000)

The estimated loss in tax revenue due to the proposed ordinance is approximately \$4.25 million for FY 2020-21 and \$2.86 million for FY 2021-22, for an overall total of \$7.1 million over two years.

⁵ According to the Controller’s Office, the model relies on San Francisco cannabis sales tax data between 2015 to 2017, as well as data from Seattle and King County for the same time period. The Controller’s Office has indicated that they will provide an updated estimate in November 2020.

⁶ Based on estimates provided by the Controller’s Office.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

Re: Support File #201009

Dear Supervisors,

I offer our **support of File #201009 Business and Tax Regulations Code - Temporary Suspension of Cannabis Business Tax, and Tax Reduction**. Cannabis businesses are struggling, like so many industries amidst COVID-19. Our Cannabis Working Group, made up of cannabis business owners and advocates, have voiced their financial difficulties due to COVID-19, along with a series of very unfortunate break-ins and robberies that they are still recovering from.

The suspension of the Cannabis Business Tax through December 31, 2021 and increased exemption threshold is exactly the policy and leadership we need right now. This suspension will help cannabis businesses keep their doors open, and start to save for their recovery post-pandemic. With so much uncertainty this year, we have to continue to provide means for our essential local businesses to continue to operate and serve their communities.

On behalf of our members, we thank you Supervisor Mandelman for this imperative legislation. We offer our support of File #201009, and urge the Board of Supervisors' support as well.

Thank you for your time and consideration.

Sincerely,
